

Chapter 3424 - 3425 of A Dish Best Served Cold Novel

Chapter 3424

“Why... how could this be...” In the

room, looking at the girl who looked like a sleeping beauty in front of him, Mark’s heart trembled fiercely.

He never dreamed that it would be such a result.

He thought that as long as he cut off contact with An Qi, as long as Tang Yun promised to protect An Qi, then this little girl would not be implicated in it.

However, the result was beyond Mark’s expectation.

After all, they still couldn’t let An Qi go.

What made Mark even pointed out was that they actually chose to treat a teenage girl in such a cruel way.

Papa~

Just when Mark was full of pity and trembling, something suddenly slipped off the bed.

It turned out that An Qi’s hand that had been holding tightly, at this moment, suddenly let go.

A little rabbit engraved with traces over the years just like this fell on the ground.

At the moment when he saw the wood carving, Mark was stunned.

Thousands of past events suddenly swept out like a tide.

...

“An Qi, is it your birthday today?”

“No...”

“Give you a bunny.”

“My master carved it himself.”

....

“Hmph, my birthday It’s been three days now.”

“Damn Mark brother, I can’t even remember my birthday.”

“An Qi ignored you...”

.....

“Ah?”

“Has it been all over?” “

“Then I probably am wrong ...”

.....

parasol tree, there is a teenager embarrassed touched his head, embarrassed smile.

Counting it down carefully, it has been more than ten years since then.

Mark didn’t expect that this little girl would still keep this little rabbit.

He didn’t even expect that she would hold it all the time, even when something went wrong, until her eyes were taken.

Perhaps it was the little rabbit in her hand who had been supporting An Qi when she was in the most pain.

At this time, Mark could no longer control his emotions.

He has always been calm and strong, but he only felt a sorrow and sorrow sweeping out of his heart.

Suddenly, Mark’s eyes were already flushed, and there was a sparkle in his eyebrows.

The palm of his hand was even more tightly held.

Perhaps because of the force, the fingertips have penetrated into the flesh and blood.

Then, Mark suddenly got up and walked out of the room.

Outside, Yue Yao and a group of strong dragon gods were waiting here.

“Yue Yao, An Qi will leave it to you and help me take care of her.”

Mark said in a low voice with no expression on his face.

But in the words, the coldness and sorrow are so rich and vivid.

“Brother Mark, where are you going?” Yue Yao asked.

“I’m going to pacify the Chu family!”

Mark’s expression was cold, and his expressions were like ice skates sweeping across the sky. The monstrous chill scared Gaia and the others, their expressions changed.

“Dragon Lord, calm down~”

Owen and the others were undoubtedly frightened by Mark’s words, and hurriedly stepped forward to stop them.

“calm?”

“I can’t calm down!”

“This group of beasts, even a girl as small as An Qi will not let go.”

“The means to destroy humanity, it is inferior to beasts!”

“If you don’t kill them, I’m sorry to the ancestors of the Chu family!”

No one knew. , Mark’s sadness and anger at this time.

An Qi was so young, but her eyes were taken off by her life.

Mark couldn’t imagine, how much pain when such beautiful eyes were taken off?

Moreover, there was an accident on the way to find myself.

If Mark doesn’t avenge An Qi, how will he be at ease in the future?

“Brother Mark, I

’m still not sure if it’s the Chu family.” “If an outsider provokes the divorce, it will deliberately trigger a conflict between you and the Chu family.”

“If you go now, don’t you just follow the murderer’s wishes?”

Yue Yao Also discouraged from the sidelines again and again.

“Yes, Dragon Lord.”

“Angie little Lolita’s eyes were plucked, and we are also very angry and sad.”

“But we are wronged, we are in debt. Before we take revenge, we have to make sure who this is. What you did.”

Gaia and the others all persuaded Mark not to be impulsive.

Chapter 3425

“An Qi should wake up soon.”

“After waking up, he should know who did it.”

” Yes , it’s not too late to take revenge.”

Yue Yao continued.

Under the persuasion of everyone, Mark finally suppressed the anger in his heart, turned and stood by An Qi’s bed, waiting for the little girl to wake up.

In this way, for the remaining few days, except for the time Yue Yao gave An Qi treatment, Mark stayed with An Qi.

Finally, one day late at night, the little girl suddenly woke up from her dream.

“It hurts...”

“It hurts...”

After waking up, An Qi kept yelling, and the words were full of pain and panic.

“An Qi, don’t be afraid, it’s me...”

“I’m Xiao Fan brother...”

“An Qi, don’t be afraid, Xiao

Fan brother is here...” Mark was shocked at the time and hurried over to hold him. Angie’s hand.

Hearing Mark’s voice, the panicked little girl cried directly, tears wet the gauze on his eyes.

“Little...Brother Mark, An...An Qi, it’s so cold, it hurts...”

Even though An Qi had regained consciousness, An Qi's body was still weak.

He didn't even have the strength to speak.

Those weak words, like candlelight in the wind, seem to be extinguished at any time.

"An Qi, don't be afraid..."

"Tell Xiao Fan

, what happened?" "After the plane crash, who took you away..."

Mark asked softly.

"Yes...It's Chu...Uncle..."

"He said, he wants to take me to find Brother Mark..."

"But Brother Mark, my eyes hurt so much, why can't I see you? ..."

Until now, An Qi still doesn't know what happened to her.

She only felt that her eyes hurt and her body was so weak that she didn't even have the strength to breathe.

"Uncle Chu?"

"But, Chu Zhengliang?"

Mark's expression was cold, and his tone of voice was already a little bit more sullen .

When I heard An Qi "um".

Mark only listened to a thunderstorm in his head.

A surge of murderous intent, directly exploded.

Boom~ At

this time, the door of the room was just pushed open.

Gaia and the others broke in, with an anxious look.

"Dragon Lord, the people of the Chu family are here." After

waiting for a month, the people Gaia and the others had been waiting for finally arrived.

“It’s just right, I’m looking for them?”

Mark said slowly, and there was no emotion in the deep words.

Senran, just as cold as ice!

Outside the manor, several people stood proudly, waiting here.

Of course, there are not many people, only seven or eight people.

“The one-month period has come. I will wait for the appointment on behalf of the Chu family.”

” Brian Chu, come out and meet you soon !”

.....

“Come out and meet you soon~”

...The

deep words, with infinite arrogance, echoed everywhere.

Soon, the door of the manor opened wide, and Mark led the five dragon gods and walked out of the Ye Family Manor.

“Is it you

?”

“Where is Chu Yuan?” “Where is Chu Zhengliang?”

“Your Chu family elders, is it impossible to die?”

“Also claiming to be the Chu family, the clansmen are all over the world.”

“Could it be that” , You are the only seven or eight of you who are dead now?” After

going out to see only a few people in front of you, Owen and others frowned and asked coldly.

“Home owners better tomorrow, see only a junior, why His Holiness personally played?”

“According to seniority, the seven of us, who are uncles generation of Metropolis.”

“Today traveled personally to see, where Chutian , You are proud enough!”

A middle-aged man in the lead sneered.

“Presumptuous!”

“My dragon lord is the number one in the sky, and is as famous as your Truman Sect Master.”

“You nameless rat, dare to be rude to my dragon lord?”

“Is it impossible to find death?”

Gaia was furious. Wish to slash with a knife.

The Chu family laughed.

“Haha~”

“What a top ranking.”

“But, so what?”

“Under the gods, all are ants.”

“My old Patriarch said, as long as Brian Chu handed over Yundao Tianjue, I will leave you a way to survive.”

“Otherwise, within half a year, the Chumen army will

march eastward.” “The iron hoof of my Chu family powerhouse will step on Noirfork and sweep the summer!”
