

Chapter 3454 - 3455 of A Dish Best Served Cold Novel

Chapter 3454

“Hahaha~”

“Hahahaha...”

“Tang Yun, now, why do you play me pretentiously?”

“Do you think I still believe you?”

Mark smiled and said coldly. In that way, it was like hearing the funniest joke in the world.

Tang Yun was immediately unhappy, frowning, “Do you think I was lying to you?”

Tang Yun’s pretty face already showed a bit of anger.

I just think this bastard really doesn’t know good or bad.

Doesn’t he know how much disaster he has caused?

He killed so many people in Trumen, and according to Trumen’s rules, he should die.

It was Tang Yun who relied on her might to forcibly suppress the voice of opposition in the sect, and only then did not hold him accountable.

But Tang Yun didn’t expect that Mark didn’t know how to be grateful, and even satirized her with words.

“Isn’t it?”

“Don’t talk about the Chu family, just talk about An Qi, you said he died by accident, do you think I would believe it?”

“How can there be such a coincidental thing in the world, I just let you a month ago? She sheltered her, and something happened right after her.”

“I even think that you secretly condoned and

sheltered, and that caused An Qi to suffer such a disaster.” “Even if you don’t know about it, it’s because you didn’t shelter well!”

Mark Anger was surging, and there was endless sorrow in Senran’s words.

“Mark, I said, I will explain it to you.”

“An Qi’s matter is still being investigated. If someone really operates from it, I, Tang Yun and even Truman, will not spare him.”

“No need!” Tang Before the rhyme was finished, Mark interrupted her immediately, “I won’t believe a word of you.”

“An Qi’s fairness, I’ll ask her!”

Mark’s face was stern, and his eyes fell directly on Chu Zhengliang’s body under the low voice.

“You...you...what are you going to do?”

Chu Zhengliang’s face paled with fright when he felt Mark’s gaze, and his whole body trembled suddenly like an electric shock.

“Chuzheng Liang, do your own thing, you do not know it?”

“I am again today on Truman, is coming to kill you!”

“You beast, unconscionable.”

Chapter 3455

“Today I will not Chutian Van If you frustrate your bones and lose your ashes, you are sorry for the ancestors of the Chu family, and even more so for the suffering An Qi suffered!”

The roaring anger swept across the world like a torrential river.

The raging murderous intent even makes the people present, such as the ice cellar.

Tang Yun was a little suspicious from Mark’s words.

She stared at Chu Zhengliang, and asked sternly: “Chu Zhengliang, what’s the matter?”

” What else are you hiding from me?”

“Could it be that An Qi’s matter is related to you?”

Mark’s temperament, Tang Yun Can’t understand it better.

He would never kill for no reason.

Being able to force Mark to go to Chu Sect again, just to kill Chu Zhengliang, there must be a great hidden secret in this.

“The sect master, I was wronged.”

“You

are talking nonsense.” “That little girl’s eyes have been plucked, it has nothing to do with me.”

“It’s this stinky thief who

called to catch the thief!” “If you want me to see, he covets it. The power in An Qi’s body, on the contrary, came and raked in!”

Chu Zhengliang was undoubtedly frightened by Mark’s power, and he was shocked, and at the same time he kept explaining to Tang Yun.

“What are you talking about?”

“An Qi’s eyes were...removed?”

“This... is this true?”

Tang Yun was really shocked this time, and her delicate body trembled slightly.

Such a small girl, whose life has only just begun, has her eyes gouged out.

No wonder, no wonder Mark is so angry?

Tang Yun knew of such a sorrowful thing, and it was difficult to keep calm.

“Mark, I will personally investigate this matter.”

“Not only do you care about An Qi, so do I.”

“I think she grows up

and treats her as if she is her own.” “She suffered such inhuman treatment, waiting for me to find out. The murderer will be severely punished!”

Tang Yun assured again.

Mark couldn’t help laughing with anger.

“Tang Yun, now, are you still sheltering the Chu family?”

“Does the murderer still have to look for it?”

“Everything has been revealed!”

“I didn’t say anything, then Chu Zhengliang knew that An Qi was blinded by Take.”

“If he wasn’t a murderer, who else could he be?!!!”
