

Chapter 3490

Leon couldn't help but ask again, "Young master, that matter of helping Helena reclaim the throne, are you serious?"

"Yes." Charlie nodded and said, "Helping her take back the throne is really too easy, at most, only half a rejuvenation pill is enough to make her grandmother willingly pass the throne to her!"

Saying that, Charlie lamented, "For an old woman who has almost died once, once she can come back to life, what Olivia, what Her Majesty, is all a floating cloud!"

"There's nothing that makes them more demented than being able to open their eyes again and see the world."

Leon knew a little more about Charlie than everyone in the Wade family.

He had heard of such things as the rejuvenation Pill.

Hearing Charlie's solution, he put his heart down, but he couldn't help but say, "Young master, the rejuvenation Pill is worth a lot of money, and you and Helena are not related, why do you take care of her so much?"

Charlie looked out the window and said indifferently, "The Wade family's business in the country, has almost reached the extreme, the next natural thing is to develop overseas,"

"And the ocean shipping group that I cooperate with Zhiyu, also need the resources and relations in Europe, if Helena inherits the throne, we will have a much easier time in Europe, in the future."

He said, "And you also know that there are more countries with constitutional monarchies in Europe and these royal families who have lost their power like to huddle for warmth and find a sense of existence.

Leon immediately nodded and said, "Young master is far-sighted, the future Wade family in your hands, will certainly be able to flourish."

Charlie smiled lightly and remembered something, so he asked him, "By the way, Butler Leon, father of Joseph, that Arthur, was also a member of the Anti-Wade Alliance back then, right?"

"More than just a member." Leon said, "Arthur was supported by Zynn, and he obeyed Zynn's words, so he was definitely the backbone of the Anti-Wade Alliance."

"So that's how it is." Charlie said with a smile, "Then in that case, that Joseph, should have a lot of respect for Zynn, right?"

Leon said, "Theoretically it should be like that, after all, Zynn was the benefactor of the Wan family back then, without his support, Arthur wouldn't even be a fart in Eastcliff."

Charlie nodded, smacked his lips with a playful face, and said, "That's interesting, tomorrow after Joseph goes up to Waderest Mountain, if he sees Zynn in my hands, I wonder how he will feel."

Leon smiled faintly and said, "It seems that young master has already made up his mind!"

Charlie laughed lightly and said, "Butler Leon may not know that the top commander of the Cataclysmic Front in Syria is now also locked up with Zynn,"

"First thing tomorrow morning, I will bring him along with me to Waderest, so that Joseph will also know what fcking surprises I have for him!"

After saying that, he hurriedly instructed, "Housekeeper Leon, don't go to Gu's house first, you take me to another place!"

.....

Twenty minutes later, a farmhouse on the outskirts of Eastcliff.

Leon had just driven the car to the entrance when the iron door of the farmhouse was opened from inside.

Luther He, with two young men from the He family, ushered in quickly, and when he saw Charlie get out of the car, he said respectfully, "Mr. Wade!"

Charlie nodded slightly and asked him: "Those two people, what is their condition?"

Luther said, "Several people are observing them, and there are several people watching when they go to the toilet, so nothing will go wrong."

Charlie smiled faintly and said, "Come, take me to have a look."

Luther nodded, flashed his body, made an invitation gesture, and respectfully said, "Mr. Wade please!"

Charlie turned to Leon and said, "Housekeeper Leon, let's meet an old acquaintance together."

Leon busily said, "Yes young master!"

A late member of the He family walked quickly in front and led Charlie and Leon into the west room of the farmhouse.

In a room of less than 20 square meters, seven or eight members of the He family formed a circle, and inside the circle were two men who were tied to the seats and had their heads covered with black cloth bags.

Charlie saw this situation, thinking in his heart, a bundle of Zynn is just, Walter Chen is now more obedient than a dog, there is no need to go to such great lengths.

However, the He family is serious and responsible, they naturally can not say such things, so as not to discourage the He family's enthusiasm.

So, Charlie then directly on the hands, the two people's heads covered with black cloth bag ripped off.

At this point, then see Zynn and Walter's mouth, stuffed with towels.

Zynn looked up and saw Charlie, his eyes and expression immediately became a little nervous and fearful, Charlie saw him so nervous."

"So he took the towel off his mouth and said with a smile: "Hey Mr. Su, don't be so afraid, I just came to see you, by the way, there is good news to tell you."

Zynn heard this is even more nervous, can not help but ask: "You you have what good news"

Charlie smiled and asked him, "Mr. Su does not know if you have heard of the organization Cataclysmic Front?"

Zynn frowned, depressed, and said, "Of course I know the Cataclysmic Front you you let me stay in Syria for so long, there is a war day and night, is not Cataclysmic Front people fighting Hamid?"

"Right." Charlie nodded and laughed: "To say that you may not believe it, the head of this Front, is also your old acquaintance!"
