

# Noble Husband At the Door Chapter 350

Yvonne was an individual that declined to admit defeat. After Kang Ling as well as the others left, she rapidly changed her state of mind and also drove a few times. Ultimately, however, Yvonne had no choice however to admit defeat.

Kang Ling appeared to have actually taken control of all the providers in Cloud City. The Sue family members can still go to various other cities to look for possibilities, this would certainly prolong the time line a whole lot.

As the boss of the task in the west of the city, Yvonne really felt an unprecedented pressure that practically made her out of breath.

Back at the company, Yvonne didn't have time to sit down as well as remainder for some time before Harvey involved her office again.

" Yvonne, you really did not get to an arrangement, did you?" Harvey questioned her.

" They're really identified. I have actually tried my ideal," Yvonne claimed weakly.

" Attempt your best?" Harvey grinned coldly and also said, "Kang Ling called me just now and also claimed that you put him a favorite. Yvonne, I assume you deliberately wished to hurt the business."

" I was discourteous, however do you know the reason?" Yvonne was still angry when she considered it. Kang Ling treated her as a ridiculous lady, which she might decline.

" Do not you comprehend the hidden guidelines of business globe? If you can't approve such a small cost, exactly how can you make great achievements?" Harvey stated.

Yvonne's eyes narrowed. She searched for at Harvey and asked, "What do you mean?"

Harvey grinned and proceeded, "If you close your eyes, you will certainly act that absolutely nothing happened. For you, what loss can you make?"

Yvonne put the desk as well as barked, "Harvey, what type of person do you think I am? I won't do things like selling out sex."

"Your self-righteousness will certainly damage the firm. And how can you discuss it to Liam? The lending is one billion yuan, just how can you pay it back? Are you going to see the company declare bankruptcy?" Harvey claimed coldly. In his point of view, it was regular to make shady deals in the shopping center.

It was her honor to be liked by Kang Ling. It was just sleeping with him. Exactly how could it be counted? As long as she might help the firm, even if she could be Kang Ling's mistress, Harvey would certainly not discover it a trouble.

"I'll think of other means, however let me sleep with Kang Ling, do not even consider it," Yvonne said in a firm tone.

Harvey took a deep breath. Now was a great possibility to kick Yvonne out of the company, and there was a reputable factor. Nevertheless, Liam's perspective was still unclear, as well as Harvey did not risk to do so.

However, if they really did not take care of Kang Ling, those firms would not cooperate with the Sue family, and the dilemma that the Sue family members dealt with was no less than the last dilemma of the crisis.

"You don't have to think about differently. Kang Ling's perspective is extremely undaunted. Unless you are willing to accompany him, there is no chance to discuss this issue.

Tonight, at the Peninsula Resort, I will personally send you there. You do not have the credentials to decline." Harvey claimed coldly.

Had she been sold by Harvey one-sidedly?

Yvonne was burning with temper. For the sake of his own interests, Harvey in fact made a decision without her permission!

"Harvey, what right do you have to decide for me?" Yvonne asked coldly.

"I'm the chairman of the firm, but you're a member of the Sue family. Isn't that sufficient?" Harvey said, and also there was a smile in his eyes.

If he might require Yvonne to leave the company alone, Liam must be easy to explain. Nevertheless, if Yvonne laid off, it would certainly have nothing to do with him.

Yvonne gritted her teeth. She could not accept Harvey's too much habits, and she would never ever betray her very own body for the firm.

"Harvey, didn't you simply intend to force me out of the firm? Penalty, I won't do it any longer; I'll let you do as you want." Yvonne stated, and after that packed up the private items in the workplace.

Harvey couldn't help laughing in his heart. He really did not expect that the issue that had bothered him for as long would be fixed by doing this. Yvonne's resignation was easy to describe to Liam.

"Yvonne, you're the one that intended to do this. I didn't compel you," Harvey said with a sneer.

Yvonne really did not claim a word. After packing up her things, she left the workplace directly.

Harvey was sitting in the setting that belonged to Yvonne, and also the smile on his face was getting bigger and larger.
