

## Chapter 3561

Philip is a man of thunder and lightning and is indeed not a delicate person.

Take the situation at the banquet site at this time, he was just happy and excited, but did not pay attention to those other young girls, looking at Charlie's eyes in the end nothing seems different.

But Lenan is different.

Women are by nature delicate-minded, good at observing details, and their intuition is much more accurate than men, so she was paying attention to these young girls early on.

After all, those who can still willingly come up to Wadrest to help Charlie under the heavy pressure of the Cataclysmic Front are those who put life and death on the line.

And these few girls, just take one out, are also top beauties that are captivating, they can actually all climb the Waderest Mountain without hesitation, this is enough to prove that Charlie in their hearts, is even more important than their own lives.

Lenan, who was also a woman, knew very well that if a woman, willing to die for a man of the same age, it could never be just the so-called repayment of gratitude, there must be strong personal feelings mixed in as well.

In other words, these women are bound to have a love for Charlie.

Philip does not understand this.

He asked with a puzzled face, "I don't understand, is there something wrong?"

"Of course there is." Lenan deliberately pulled Philip to the side, avoiding Sara, and said in a firm tone, "The way these little girls look at Charlie, they are obviously all with full love."

Philip squinted his eyes and just said with a smile, "I think it's all because of gratitude! You should not forget that Charlie has been extremely kind to these girls, and it is normal for these girls to be grateful to him."

Lenan said very seriously: "For women, it is inherently difficult to objectively deal with inner gratitude, haven't you noticed that in both ancient and modern times, women are very prone to fall in love with men who are kind to them?"

Philip was stunned with surprise and said with a smile, "Why, these things, it's out of our hands."

Lenan said in a low voice: "Honey, you can't ignore everything, these girls are all phoenixes, any one of them may not be inferior to our Sara, these will be Sara's competitors in the future!"

She said: "Look at the Su family, Zhiyu, at a young age, is already the head of the Su family, and it is Charlie's hand to help up, not only that, but he also saved her, her mother, and her brother,"

"Such a heavy kindness, which girl can resist? If she really competes with Sara, Sara may not be able to beat her."

“And that Nanako, at a young age, is also the heir of the Ito family, and she is not only beautiful but also gentle as water!”

“Although most people in the country are somewhat hostile to their country, but many people have always had extra good feelings for the women of their country, which is also a plus ah .....

“Ruoli and Warnia although their own strength are inferior, but these two are also loyal to Charlie, and unlike Sara, Warnia is in Aurous Hill, Ruoli has also been at Charlie’s side, these two are near the water to get the moon first, also has a great advantage .....

## **Chapter 3562**

Philip hesitated for a moment and said: “This, I think there is no need to worry, Charlie is such an excellent man, naturally there will be many girls for him,”

“He is still low-key, if he will today inherit the Wade family head, and at the same time subdue the Cataclysmic Front and this news is out, the country’s big families have a count one,”

“Certainly all will crowd to marry their daughters to him, what is the virtue of these magnificent noble families on a regular basis, you must be well aware of it.”

“Yes.” Lenan sighed, and looked at Helena who was sitting alone in the corner, quietly watching Charlie, and sighed: “Charlie is going to Northern Europe this time, if he really helps Helena become the Northern European Queen ..... this Northern European girl is afraid that she will also fall... ..”

Philip nodded and said with a smile, “Don’t you worry, Charlie is a filial child, no matter how many women like him, in this world, there is only one person, Sara is the daughter-in-law admired by big brother and sister-in-law before she was born.”

The first thing you need to do is to get a good idea of what you want to do.”

Lenan slightly reassured, nodded and said, “I hope things will be like you said, otherwise I really can’t bear the thought of waiting for more than twenty years for Sara to end up with no results.”

.....

At the same time, Zhiyu and her mother Liona, her sister Ruoli and Roma, and other He family members sitting at a table, the atmosphere is more or less awkward.

After all, Roma was the interloper in Liona’s marriage and secretly gave birth to a daughter to Zynn, so now that she is facing Liona again, Roma is feeling guilty inside.

She always wanted to find an opportunity to apologize to her, but always swallowed back the words.

Moral guilt makes her really do not know how to speak.

On the contrary, the two sisters, Zhiyu and Ruoli, were chatting and laughing.

The two sisters not only share half of the same blood, but their recent experiences also overlap, both were betrayed by the Su family, and both were saved by Charlie more than once, so they have very common topics.

Zhiyu looked at Charlie, who was chatting with the Song and Ito families, and could not help but sigh, "Ruoli, the benefactor is so strong, I believe it won't be long before you don't have to hide the identity anymore."

Ruoli spat out her tongue and smiled, "I don't care, I'll hide if Lord Wade lets me, I won't hide if he doesn't let me, anyway, I don't have any other plans, just follow him in the saddle."

Ruoli said, dragging her chin, lamented: "But my strength is really not too much, the nearly one hundred people in the Cataclysmic Front, most of them are stronger than me, in the future, I am afraid that Lord Wade has no real need for me."

Zhiyu shook her head and said seriously, "Don't worry, I don't think the Grace will treat the Cataclysmic Front as his real own people, more just use them as black gloves, specializing in some less than honorable things,"

"But you are different from the Cataclysmic Front in his eyes, he will definitely have better arrangements for you."

Ruoli asked with surprise, "Sister, is what you said true?"

Zhiyu nodded seriously and said, "I presume so, it should be eighty or ninety percent true!"

Ruoli immediately smiled happily and said, "That's great! I'm not looking for anything else, it's good to be a maid by Mr. Wade's side all the time."

Liona, who had not spoken much because of the awkward atmosphere, also said at this time, "Ruoli, have more confidence in yourself, Mr. Wade's expectations for you should be very high,"

"Certainly not just as a personal maid, follow Mr. Wade well, maybe you can one day reach the height of Joseph Wan."

Ruoli pursed her lips, although her heart did not dare to believe, but still could not help but look forward to the future.

### **Chapter 3563**

After thanking the Song family, as well as the Ito family, Charlie came to the He family, as well as Ruoli and Liona, Zhiyu, mother and daughter, with his glass of wine.

Before he could say his words of thanks, Luther, the old man of the He family, took a step ahead of him and said to Charlie,

"Mr. Wade! I only found out last night that Ruoli was saved by you, and you have been protecting her safety, this kindness of yours, the He family will never forget!"

Charlie smiled faintly and said indifferently, "Mr. He has spoken too much, Ruoli and I are also friends, this is something between me and her, you don't need to put it on your mind."

Luther said seriously, "Mr. Wade, Ruoli is the most outstanding one in the new generation of the He family, and is also the future helmsman of the family, if you save her, you are saving the whole He family!"

Hearing this, Ruoli said with some consternation, "Grandfather ..... I ..... a foreigner, how can I be the future helmsman of the He family ....."

Luther said with determination, "Ruoli, no matter what your surname is, you are the descendant of my He family, so I will be able to truly feel at ease when the He family is handed over to you to manage in the future."

Said, Luther lamented: "Today on the Waderest, I realized that in the field of martial arts, there really is a heaven outside the sky, there are people outside the people,"

"Joseph is not even thirty years old, and was able to become an eight-star martial artist, while I am half-buried in the yellow earth, but still rely on Mr. Wade's help, only barely reached four stars, in comparison, I am really ashamed of myself."

Speaking here, Luther looked at Ruoli and said seriously: "Therefore, I want to hand over all the big and small affairs of the He family to you,"

"So that I can also have more time to cultivate properly and see if I can take another step forward before I die ....."

Ruoli was a little flattered, but also with a little apprehension said, "Grandfather, I don't know if I can do it ..... and my identity is sensitive now, if the Japanese know I'm still alive, it will definitely bring trouble to the He family ....."

Charlie spoke at this time: "Ruoli, you don't have to be afraid of this matter, I have already thought of countermeasures,"

"After tomorrow, you can resume your identity openly and honestly, and the Japanese will never come to trouble you again."

"How is this possible ....." Ruoli subconsciously said, "I am the most wanted criminal in Japan ..... they ..... they will certainly not let me off easily ....."

Charlie laughed: "Don't worry, starting tomorrow, I will let the Cataclysmic Front announce to the public that you, Ruoli, have officially become a part of the Cataclysmic Front!"

"They definitely do not dare to go against the Cataclysmic Front, so they will definitely choose to give up."

"Even if the face is not good enough to directly withdraw the wanted notice, they will definitely not make any substantial arrest attempts against you, so that you can also restore your free identity in an open and fair manner."

Speaking of which, Charlie added: "Of course, the freedom I'm talking about, in terms of geographical concept, is anywhere in the world except Japan, you can go anywhere, as long as you don't go to Japan to stimulate their nerves, there will be absolutely no problem."

Hearing this, Ruoli's eyes were red with gratitude, "Mr. Wade, thank you ..... I don't want to go anywhere in the future, I just want to be by your side and saddle up for you! As long as you do not drive me away on ....."

Charlie faintly smiled: "You also do not have to keep saddling me, your sister will officially become the Su family heir tomorrow, you can stay by her side to help her."

Zhiyu hurriedly said, "Your Grace ..... Ruoli she definitely still wants to stay by your side ....."

#### **Chapter 3564**

Ruoli at this time has also a face of nervousness and apprehension, afraid that Charlie really will not allow her to follow the side.

Charlie took her performance in his eyes, so he smiled and said, "In that case, then Ruoli will return to Aurous Hill with the He family first, Mr. He and others go back to that villa, Ruoli will stay at the hotel temporarily."

Ruoli finally breathed a sigh of relief, excitedly nodded, and said, "Okay Mr. Wade, Ruoli is at your disposal at all times!"

Charlie nodded, and looked at Zhiyu and Liona, and said seriously, "Miss Su, Auntie, tomorrow after Chengfeng and Zynn kneel down at Waderest, they will cooperate with the two of you to finish all the formalities that should be done,"

"At that time Chengfeng will depart for Madagascar, which may require some preparation time, but I don't want him to stay in the country, so I will first arrange for him, I don't want him to stay in China,"

"So I'll arrange for him and his entourage, as well as Morgan of the Wade family, to take a ship to Madagascar, which may take about twenty days."

Saying that, he said to Zhiyu, "In these twenty days, Miss Su can arrange an investment team to fly to Madagascar first to find a piece of land for him, and then set up some other hardware, so that when he arrives, he can be his own landlord in Madagascar."

Zhiyu nodded and said, "Yes, sir, I understand!"

Charlie continued, "As for Zynn, I would like to ask Mr. He to take him back to Aurous Hill to monitor his residence and not to make any mistakes."

Luther immediately arched his hand and said, "Mr. Wade don't worry, I will do it properly!"

After simply thanking all his friends and relatives, Charlie asked Leon to prepare the car before he came to the lonely Helena and said, "Helena, are you ready? When you're ready, we'll leave."

Helena nodded obediently, stood up, and said softly, "Back to Mr. Wade, I'm ready."

Charlie nodded slightly, beckoned, and said, "Then let's go, the car and plane are waiting."

Zhongquan came forward and asked with concern, "Charlie, are you just going by yourself? Don't you want to take some people with you?"

Charlie shook his head and said, "No, I can do it by myself."

Zhongquan saw Charlie's resolute attitude, so he nodded and said, "Then you must be careful, we will wait for you back here."

Charlie instructed, "When the relatives of the Wade family come tomorrow, just let Joseph show up, the family members don't have to show up, especially you."

Zhongquan was busy saying, "Don't worry, I know."

Charlie said goodbye to the people, then he joined Helena and got into the Rolls-Royce car prepared by Leon.

Half an hour later, the Rolls-Royce drove directly into the airport and went straight to the hangar where the Concorde was parked.

Helena didn't know until now what kind of method Charlie was going to use to help her take back the throne, she couldn't help but ask several times, but seeing that he kept his eyes closed, she could only hold back the impulse.

When the Rolls-Royce was about to drive into the hangar, he slowly opened his eyes, looked at Helena beside him, and opened his mouth to ask: "Helena, do you usually use short video software?"

"Use ....." Helena didn't know why Charlie asked that, but still said respectfully, "That explosive short video software in China is also very, very famous overseas, men and women like it a lot, and I am no exception."

"Good." Charlie nodded, handed her a cell phone, and said, "Log into your account, take a video, and say that you are very happy now because you are ready to take the Concorde and rush back to Northern Europe to attend your sister Olivia's wedding!"

"Huh?!" Helena was startled and said nervously, "Wade ..... Mr. Wade ..... If I send a video now, then ..... that is not throwing myself into the net?"

Charlie smiled faintly: "To be is to throw yourself into the net, you can rest assured that as long as you disclose this video, Olivia will definitely not dare to make a move on you before the big wedding tomorrow,"

"Because if you do not appear at her wedding tomorrow, then everyone will ask her after your whereabouts."

Speaking of which, Charlie continued, "There is a famous saying from Eutypides in ancient Greece that says: If the gods want to bring about their downfall, they must first make them mad."

"If you want Olivia to lose a little bit more, you have to make her feel like she's winning first!"

## **Chapter 3565**

Twenty minutes later, the Concorde whistled off in the night sky of the city and flew towards Northern Europe at great speed.

What lay before Charlie and Helena was an 8,000-kilometer-long flight path.

Ordinary airliners flew there, at least will take nine hours, but the Concorde only needs four hours to reach the capital of Norway, Oslo City.

And at the same time, in the Nordic short video software, a video quickly fired up.

The woman in the video is Helena Iliad, who is known as the most beautiful woman in Northern Europe. Although Helena was deprived of the right to inherit the throne, she is still the most popular and beloved member of the royal family.

That's why she has more than eight million fans on the short video software.

The Nordic countries also only have a population of more than six million people, of which at least half, are Helena's fans.

In the past, Helena's short video account was often updated with small clips of her daily life, and many of her fans used these short videos to learn about her life.

However, since it was rumored that Helena went to China and prepared to marry the Chinese family, her account stopped updating.

After a few days, she suddenly updated a video in which she was sitting in a car, saying with an excited face: "Friends! I'm super excited right now! I'm about to take a Concorde back to Northern Europe to attend my sister Princess Olivia's wedding!"

"Not only will I be attending her wedding, but I'll be her maid of honor, and I'll be seeing her enter into marriage! Oh my God, I'm so excited! I was so excited that I almost cried a few times! Please join me in wishing her a happy wedding in advance!"

When they heard that Princess Helena was returning to her home country, the nation was overjoyed, and all of them left messages under her video: "Princess Helena, welcome home!"

In addition, there are also many people in the message to wish Olivia a happy new marriage, the comment section is warm and peaceful.

At this time, it was noon local time in her country.

Olivia, who was having lunch with her parents, suddenly received this video from Helena, and after watching it, she angrily pushed her plate to the ground and said in a cold voice:

"This Helena is really looking for death! I already told her clearly that she would never be allowed to return in her life, but I never thought she would dare to come back!"

"And she came back with so much fanfare! By posting this video, she is blatantly provoking me! Does she think I won't dare to do anything to her just because she sent this video? Then she is too underestimating me!"

After saying that, she immediately picked up her phone and called Helena.

However, the phone alerted that Helena's phone was off.

Olivia left a message on her voicemail and said in a cold voice, "Helena! Who gave you the audacity to disobey my orders! If you dare to set foot on Nordic soil, I will kill ....."

## **Chapter 3566**

Before Olivia could finish her sentence, her father Richard grabbed the phone from her hand and immediately terminated the message, then blurted out,

“Olivia are you crazy?! If you say anything in your voicemail threatening Helena to kill her mother, once she releases the recording, you’re done!”

Olivia burst into a cold sweat and asked nervously, “Where was I?”

Richard said with a palpitating heart: “Fortunately, I reacted quickly! You just finished killing, I terminated the message!”

Olivia let out a long breath, rubbing her chest while cursing through gritted teeth, “Helena the b!tch! My sanity is ruined by her!”

Richard didn’t say anything, but watched Helena’s video with his wife before speaking, “What the hell does she want to do when she comes back at this time? Is it to get her mother out?”

Olivia’s mother, Wendy, spoke up at this time and said, “Helena is not a fool, she must know that with her ability, it is impossible to find her mother’s whereabouts.”

“So, as I see it, it is very likely that she came back this time to show us goodwill and take the opportunity to ease the relationship.”

Olivia said coldly: “I don’t care what her purpose is, but she returned without my permission, this is clearly disobedient to my orders!”

Olivia said, “I already asked her to go to St. Petersburg, Russia yesterday, but she didn’t listen to me, but she even dared to come back to Northern Europe.

“And she even had the audacity to say in the video that she was going to be my maid of honor! I won’t let her be my bridesmaid! She will not be allowed to jump out and steal the limelight at my wedding!”

Richard frowned and said, “I heard that the Wade family has surrendered to the Cataclysmic Front,”

“Although it surrendered, but the Wade family should still have half of its assets, counting at least at least one or two hundred billion euros in asset size, this strength is not to be underestimated.”

“Moreover, the Concorde that Helena sat on is also the assets of the Wade family, thus it can be seen that although the Wade family has suffered heavy losses, but has not completely fallen, to us, she is still very valuable.”

Speaking here, he persuaded Olivia: “Therefore, I think you do not need to be too angry first, or first see what Helena really wants to do, if she really wants to come to repair relations with you, and at the same time after your big wedding, and can consciously.”

“Then let her go back to cooperate with us properly, attract the Wade family’s funds to Northern Europe, and why do you need to be at loggerheads with her?”

Olivia said with a disgusted expression, “Because I don’t like to be on equal footing with Helena!”

After saying that, she gritted her teeth and continued, “For so many years, no matter what I do, I am always being suppressed by her, in terms of inheritance law, she ranks ahead of me!”

“In terms of looks, she is also prettier than me! In terms of achievements, she has always been better than me! Even in terms of popularity, she was far more beloved than me!”

“Later, I managed to get the first succession, but she still has the highest popular support rate!”

Speaking of this, Olivia angrily roared low: “What I can’t stand the most is!”

“After I was named the first heir, nearly a million citizens who had nothing better to do than to go to the White House website to petition the White House to interfere with the Nordic royal family and restore Helena as the first heir!”

“This matter has been on the top of the news list in Europe and America, for me, it is a lifetime of shame!!!”

“So, what I want is for her to bow down to me permanently! Whenever she sees me, she must bow down and respectfully call me Olivia Highness!”

Her mother Wendy hurriedly said: “Olivia, don’t be so angry, right now Helena has sent a video, publicly announced that she is coming back,”

“We can only temporarily accept her and let her attend your wedding in order to prevent the public from picking on her.”

At the same time, she must also be your bridesmaid, because only in this way, to ensure that the public does not raise any questions,”

“And as soon as the wedding is over, to force her to consciously leave Scandinavia, never let her settle here again.”

Olivia said with a twisted expression, “She is deliberately using the public to take advantage of me! I’m just going to let her come and go as she pleases!”

“If she gets her way this time, it won’t be long before she gets her next one! If she does it again on the day of my enthronement ceremony, what will I do? This is outrageous!”

Wendy said: “Olivia, you do not have to worry about this, this time Helena has sent a video, on the plane, we will let her come back this time,”

“But after returning to control her, tell her that if she dares to return to Northern Europe without permission next time, then we will immediately kill her mother, let her use her discretion!”

### **Chapter 3567**

Olivia, who was furious to the core, eventually accepted her mother’s advice.

Because although she was angry, she was also very clear about the current situation.

Since Helena had already played a game, it was difficult for her to have a chance to counteract now.

The only way is to wait for her to come, using her mother’s life as blackmail, so that from now on, do not do the same thing, make the same mistakes.

Her father, Richard, saw that she had finally calmed down a bit and said,

“Olivia, since Helena is on a Concorde, I guess she must be at the airport in the evening,”

“So I suggest you go to the airport with William to meet her in advance.”

“I know!” Olivia said in a cold voice: “In order to keep this b!tch from talking nonsense in front of the outside world, I must control all her trips throughout,”

“And confiscate her cell phone when the time comes, so as not to give her the opportunity to transmit information to the outside world!”

Richard nodded appreciatively and said,

“The only problem is that you are too quick-tempered and impulsive, if you can change that too, you will definitely be stronger in the future!”

Olivia said expressionlessly, “As long as I solve Helena, my temper will be under control! She has brought me too many shadows for so many years!”

“When it comes to matters related to her, my emotions are like a powder keg, with a little bit of friction it will blow up!”

Richard patted her shoulder and said comfortingly,

“Don’t worry Olivia, this time, we will definitely solve Helena’s problem once and for all, so that she can honestly help us pull resources together from the Wade family.”

Olivia said with a grim expression, “Actually, I don’t want her to marry into the Wade family anymore, I still want to give her to the Russian Aman Ramovich.”

Richard advised, “Amanramovich’s assets are, at best, a fraction of the Wade family’s, it’s not cost-effective.”

Olivia said seriously, “But Amanramovich is willing to pay the royal family 500 million euros directly if Helena marries him without any problems.”

Richard laughed: “Five hundred million euros is a one-time buyout fee, but hasn’t the Wade family already promised to invest two billion euros here and work with us?”

“And this is only preliminary, there is no telling how much space there will be in the future, so it is certainly not cost-effective to give her to Aman Ramovich.”

Olivia looked at Richard and said very seriously, “Father, you should not forget that Helena’s congenital disease is very serious, she may not live long, if she can only live a few months,”

“Then the Wade family’s funds may only come to a few hundred million euros of start-up funds,”

“Even before the start-up funds are in place, she will already be dead! If she dies, there is no way that family will continue to invest in us!”

Richard’s expression was stunned as he muttered, “Da\*n it ..... how come I didn’t think of this layer .....

**Chapter 3568**

Olivia brow flashed a trace of sinister thought, she coldly said: "Helena now, is terminally ill, a dying pet dog,"

"If we do not want to bite her in our hands, or have to find a current stage to pay the fastest sellers, grab off!"

"Give her to Aman Ramovich, 500 million euros will arrive immediately, and by the time she dies in St. Petersburg, what does it matter to us?"

"Aman Ramovich can't drag the corpse and come to us to return it to us, can he?"

Richard said with an awe-inspiring demeanor, "Olivia, you are the one who thinks more comprehensively. In that case, let's find a way to send Helena to Aman Ramovich!"

Olivia nodded and sneered, "Since she is here, then her fate will be at my disposal!"

"I heard that Amanramovich is a bit perverted at heart and likes to torture women in bed by all kinds of inhuman means. ..."

Olivia sneered and said, "In that case, we can still condemn Amanramovich and force him to pay another pension, or we will make public the news that he abused the royal princess to death!"

"I think, by then, how can he not give another 500 million euros, right? After all, it's not easy for the royal family to raise Helena, and it's reasonable for me to ask him for 500 million euros in compensation!"

Richard looked at his daughter, gave a thumbs up, and praised,

"Olivia, you are really a genius of the world! When you inherit the throne, the royal family will definitely usher in a spurt of development!"

Olivia nodded and said in a cold voice: "With the news of my marriage with William, the whole of Europe is concerned, many other European royal families and nobles, rich and powerful, are coming to attend the wedding of the two of us,"

"Originally I did not intend to invite Aman Ramovich, that thug who can not get on the stage, but since Helena is here, then I might as well invite him too, by the time the wedding is over I'll let him take her away!"

Richard laughed, "Aman Ramovich loves to attend European aristocratic parties, you call him now and he will fly over from St. Petersburg tonight!"

Olivia nodded and said with a cold smile, "I'll give him a call in a moment."

After saying that, she added, "By the way dad, I think after my wedding, there is no need to let the old lady continue to linger on, then let's inform the doctor and quietly pull out all the tubes."

.....

The speed of the Concorde was faster than the speed of the earth's rotation.

When Charlie and Helena boarded the plane, it was already evening there, but after four hours of flight, when they arrived in Oslo City, it was just dusk in Northern Europe.

Immediately after landing at the end of the runway, the plane was guided by ground guidance vehicles all the way to the hangar at the far end of the airport.

While the plane was still in the taxiing phase, Helena heard the voice message Olivia had left for her.

Although Olivia did not finish her words, Helena still heard the strong anger and threat in her words.

She looked at Charlie somewhat nervously and spoke, "Mr. Wade, Olivia should be very angry right now, I presume she will definitely put me under tight control the moment I get off the plane ....."

Charlie smiled: "The probability is that she will take you to the palace and put you under house arrest, and I will probably be treated the same way."

Helena was busy asking, "What then?"

"Never mind." Charlie said lightly: "Since we have come all the way here, naturally we should be treated as a guest, this is the due courtesy, everything will be discussed when we get to the palace."

When Helena saw that Charlie was prepared, she was immediately relieved, and then asked him, "Mr. Wade, then how should I introduce you to Helena?"

Charlie smiled, "Just say that I am Morgan's younger brother because Morgan has not yet consummated his marriage with you,"

"According to our Chinese rules, this kind of thing of returning to your mother's family to attend the wedding,"

"It is not convenient for Morgan to directly participate, so this time the Wade family arranged for me to escort all the way."

"Okay." Helena nodded gently and asked again, "Then does your name need to be circumvented?"

Charlie shook his head and casually laughed: "No need, for the first time in my life I came to Northern Europe, naturally I want to come openly and honestly!"

## **Chapter 3569**

At this time in the hangar, wearing a Chanel dress, dressed incomparably delicate Olivia, is holding a young man's arm, watching the Concorde getting closer and closer.

The young white man is the eldest son of the Ruthschild collateral family, William Ruthschild.

William's family is rooted in Denmark, across the sea from four northern European countries.

Over the years, William's family has been hoping to join the second ring of the Ruthschild family ladder, so it has been hiding its light and lying in wait.

Within the Ruthschild family, the overall structure is similar to that of the Wade family, but at the actual execution end, it is much more cumbersome than the Wade family.

The Rothschild is an old capitalist family, they themselves are engaged in finance to open a bank to start, so the allocation of internal resources is extremely strict.

The family's lifeline is in the hands of the core family in the United States, and the core family distinguishes between different families' resource rationing through the practice of scoring ratings for other families.

A second-tier family, the annual resources from the core family, two or three times higher than the third-tier.

So every second and third-tier family is cutting their heads to climb, and the top of the first-tier family, and must do everything possible to stabilize their position, and can not be compared to other families down.

Therefore, this strong internal competition, within the Rothschild family the overall internal barriers are very strong, all fighting to achieve internal ladder across, it is not an easy task.

William's family in recent years has been trying to do everything possible to improve their own rating weight.

During this recent period, through their own channels, they learned the news of the Nordic Queen's critical illness.

Realizing that the young Olivia, will soon become the youngest empress in Northern Europe and even the whole of Europe, they immediately negotiated with the Nordic royal family, hoping to reach a marriage union.

But Olivia has long been up for sale.

Many wealthy people in Europe, in fact, realized that she was about to become an empress, so many of them hoped to marry her.

The whole of Europe, itself has a strong idea of power and nobility as well as feudal residue, almost everyone believes that in royalty, the nobility is superior.

Those who do not have the title of nobility, if you can marry the Queen, will immediately be enthroned as a prince, at the same time by the dukes, which is equal to the instant elevation of the class across.

The reason why William was able to stand out among the many competitors is because of his family.

His family decided to invest two billion euros, accompanied by one billion euros in cash as a bride price, only to press the other competitors down.

William's family hopes to increase its influence in the whole continent through the support of the royal family so that it can get more weight in the next internal rating of Rothschild, and thus step up to the second ladder.

## **Chapter 3570**

At this time, Olivia looked at the white swan-like Concorde, said with a bored expression, "The Wade family is really something, even this supersonic airliner they can still keep."

William nodded, expression mixed with envy said: "As the world's fastest passenger aircraft, Concorde once retired, the major top families grabbed up, this aircraft retired but they can still continue to use."

"There are a total of less than ten, the Rothschild family has a total of three, all in the hands of the core family, we simply do not have the opportunity to experience, did not expect that the Wade family also has a ....."

Olivia said with a black face, "I haven't been on this kind of supersonic airliner."

William smacked his lips and said resentfully, "I've never been in one either, I heard that the Wade family has suffered heavy losses this time, I wonder if they are willing to sell this plane at a low price, if they are, I'll buy it!"

At this time, the plane had slowly pulled into the hangar, then the hatch opened, and Helena, accompanied by Charlie, walked down the spiral staircase.

Under the spiral staircase, Olivia looked at Helena with a cold smile on her face, seeing that only she and Charlie walked down the whole plane, Olivia frowned and asked, "Helena, where are your two attendants? Why didn't they come back with you?"

Helena's two entourage members were Olivia's people.

But Olivia had always thought that Helena did not know, this time when she saw that she had not brought her entourage back, and the entourage did not report any changes to her in advance, she realized that Helena might have found out true identity of those two people.

Helena played dumb at this point and casually said, "I left them both in China and let them work with the Wade family planner to prepare the engagement party and wedding details."

Helena's words sounded fine to outsiders, but Olivia knew very well that Helena was absolutely talking nonsense!

If this is really what she said, then her own two people will definitely be the first to report the situation to her.

But now that she didn't receive any news, it proved that these two people must have been controlled by Helena.

But what depresses Olivia is that she sees Helena in front of her own face, but she has absolutely no way to attack.

Can only hold back the anger, said along with her words, "So it is like this ..... gee sister, really did not expect that both of our sisters will soon be married, time really flies."

Helena nodded and sighed with the same smile, "Yes, it seems like yesterday we were running together on the grass of the palace, and in the blink of an eye we're getting married."

Olivia hummed and laughed, looked at Charlie beside her, frowned, and asked, "By the way, this one beside you doesn't seem to be your fiance, Mr. Morgan, right?"

Helena hurriedly introduced: "Oh yes, I almost forgot to introduce, this is Morgan's cousin, Charlie Wade! Morgan has been busy and unable to leave recently, so he accompanied me back this time."

Olivia didn't know much about the structure of the Wade family, and when she heard that Charlie was Morgan's cousin, she instinctively thought that he might be the son of someone else in the Wade family, and didn't take it to heart.

On the side, William also did not think much about it.

Because at that time the Chinese business world Changying fought with the United States of America's Rothschild core family.

Moreover, things ended up being won by the Rothschild family, so he, the son of a third-order family living in Europe, did not know about that feud back then, nor did he know the specifics of the Wade family.

Olivia herself had made up her mind to sell Helena to the Russian oligarch Aman Ramovich.

Therefore, she did not intend to have anything to do with the Wade family in the future, so she naturally had nothing good to say to Charlie.

She looked at him and said with a sneer on her face, "Mr. Wade, I heard that your family has just been treated by the Cataclysmic Front?"

"I also heard that in addition to robbing your family's ancestral tomb the family also demanded that the Wade family give up half of its assets? Then this time, your family should have suffered a great loss, right?"

Seeing Olivia somewhat targeting Charlie, William on the side also deliberately raised his eyebrows and said, "Olivia, why do you have to talk about other people's pains as soon as you meet them?"

"The Wade family's loss is so big this time, losing people and money, Mr. Wade must be suffering in his heart."

Charlie smiled and said casually, "I am not painful at all, we have an old saying, called the thin camel is bigger than a horse."

"Even if the Wade family lost half of its assets, but there are still trillions of yuan, compared to the majority of the petty families in Europe, it is still much better."

Hearing the sarcasm in Charlie's words, William angrily questioned, "Wade! Who are you calling a petty family?"

Charlie laughed coldly with an arrogant face: "In my eyes, all the families in Europe whose assets are not as good as my Wade family's, all of them, are petty!"
