

Chapter 3564

mouthful of blood spurted out of Qin Shuang's mouth, because behind Amelia Su, Qin Shuang himself was defenseless.

In addition, Qin Shuang, who turned and left, was very worried and did not concentrate at all. It could be said that he was completely unprepared for such a sneak attack.

This palm was eaten solidly, blood spurted wildly, and the body was completely beaten to serious injuries. After falling forward a few meters, he didn't even have time to turn his head back, and his body was completely stunned. past.

"What are you doing?!"

Seeing Qin Shuang like this, Amelia Su was both anxious and angry.

She didn't understand why Tianzhiqiongqi would suddenly control herself to attack Qin Shuang, even if this was not Amelia Su's original intention, but hurting Qin Shuang still made her feel guilty.

"Go out for me, go out." Amelia Su shouted loudly, her whole body was in a state of rage. "Hey, don't worry." Tian

Zhiqiong sighed

: "Trust me, give me ten minutes."

"When that time comes, if you want to kill you, you will be killed."

Qi stopped talking, leaving only Amelia Su with a blank face.

Seeing Qin Shuang lying motionless on the ground, the blood spurting even dyed her skirt red, Amelia Su wanted to help her up to see how she was, but the ten-minute order from Heaven's Qiqiqi Once again I don't know how to refuse.

"Stay away from her, she'll be fine, there are still nine minutes."

Amelia Su was in a hurry, but she also believed what Tian Zhiqiongqi said. After all, it has never deceived herself for so long, with its identity and Status it does know more than it does.

Thinking of this, although Amelia Su was worried, she stepped back step by step.

About tens of meters later, Amelia Su stopped, leaned against a

big tree under the guidance of Tian Zhiqiongqi, and then looked at Qin Shuang from a distance with a worried expression.

Just a few minutes passed quickly, but for Amelia Su, it was almost like a year without knowing how seriously Qin Shuang was injured.

However, just when Amelia Su was extremely worried, suddenly, Qin Shuang, who had been seriously injured and completely motionless, moved slightly.

Amelia Su's whole body suddenly came alive, and she wanted to get up in a hurry to go over, but when she tried to leave, she found that her body couldn't move at all.

Clearly, Heaven's Poverty is preventing it.

"Huh!"

However, at this moment, Qin Shuang's body suddenly flashed a strange and strange silver light, and there was a faint golden light in the silver light. They wrapped Qin Shuang thinly, like a streamer slowly.

Immediately afterwards, Qin Shuang slowly got up from the ground.

Because she turned her back to Amelia Su, Su

Amelia Su couldn't see Qin Shuang's face at all at this moment, and she didn't know what her specific situation was.

Suddenly, Qin Shuang stood up, was stunned for a moment, and suddenly turned around.

At this time, the blood on the corner of Qin Shuang's mouth still hadn't disappeared, and the pretty face that was as cold as frost was even colder at this time, and the pair of beautiful eyes were like an ice sword, and those who saw his eyes avoided his edge.

Amelia Su saw that Qin Shuang's joy had not yet bloomed, and completely disappeared in her extremely cold eyes.

Although Qin Shuang at this time doesn't seem to be any different than usual, at most it can only be considered that she is in a bad mood, so she is abnormally cold.

But if someone deliberately reminded him to take a closer look, he could find that there seems to be something wrong with Qin Shuang now.

Especially those eyes, which are more than cold and sharp, but they don't have the usual aura of Senior Sister Qin Shuang.

I can't tell the feeling of being around her, but it

feels like an iceberg is pressing down on my body, it's cold and heavy!

"Senior Sister Qin Shuang." Amelia Su opened her mouth and looked at Qin Shuang cautiously and with some guilt.

"Is something wrong?" She replied coldly, and then her eyebrows were like swords, and she shouted coldly: "Amelia Su, I said earlier that you are just a person who will always drag Han 3000 back."

"Although I don't count it. You are very powerful, but he is definitely one of the best in this group. You sneak attacked me from behind. I will not hold you accountable for our relationship, but you should know that George Han will be at least in the future for some time. There will be a lack of someone who can help him."

After saying that, Qin Shuang gave Amelia Su a cold look, turned and walked outside.

Amelia Su was obviously frightened by that look, and felt guilty because of Qin Shuang's words.

But just when Qin Shuang took two steps, an accident happened...

Chapter 3565

She just took two steps when she suddenly realized something was wrong. , slammed into the tree in front, and exploded with a bang...

This power is obviously not a joke, but to kill her.

Qin Shuang was instantly furious and looked at Amelia Su coldly.

Amelia Su's eyes were anxious, but her body was controlled by Qiongqi, and she sneered at the corners of her mouth: "How can a tiger sleep soundly on the couch."

"I don't want to hold back, I just want to avoid future troubles.

" Do you really want you to learn the method of double cultivation? Hehe, I'll tell you the truth, but it's just to tell you why I want to kill you."

Qin Shuang's expression suddenly turned cold, and murderous intent and anger suddenly appeared in his eyes: "You... "..."

"Assaulting you once, and attacking you twice, do you need any answers? I told you clearly that I was going to kill you."

Hearing this

, Qin Shuang frowned, and when he moved his hand, a burst of energy suddenly held in hand.

At almost the same time, Amelia Su suddenly flew towards Qin Shuang.

Suddenly, there were explosions everywhere, and the jungle trees kept falling down in the explosion.

Outside the jungle, everyone who was waiting for the situation inside did not panic at all after seeing the explosion in the jungle.

In their eyes, these explosions are obviously normal. After all, Qin Shuang is learning a new method inside, so these explosions are not violent enough to a certain extent.

This may be due to the fact that the previous destruction by Zi Qing and Amelia Su was too great.

"With Qin Shuang's talent, as long as someone is willing to teach her, it won't take long for her to become a great cause. This girl is so beautiful that others are envious, and her talent is also jealous." Ningyue smiled softly and couldn't help sighing

.

The people around also nodded, and everyone recognized Qin Shuang's talent.

However, in the jungle at this time, it is not as calm as they imagined, but murderous intentions are everywhere.

Although Amelia Su was unable to control herself under the manipulation of Tian Zhiqiongqi, Wuxin was powerful. Facing Qin Shuang, it was almost a step-by-step killing move. In addition, she had been educated by Tian Zhiqiongqi before, so her power was no longer needed. Say more.

Qin Shuang was also obviously hesitant, afraid that he would not want to hurt Amelia Su more, so he mostly focused on defense.

One is to kill, the other is to save lives, and the two fight more and more fiercely and fiercely.

Trees fell wildly, the land exploded, and the scene was a mess.

“I’ll give you some color and see.” Amelia Su snorted softly, turned her hands, and counted them.

With two loud bangs,

two and between the mushroom cloud rising, even if the strong explosion wave was as strong as Qin Shuang, it was in a state of embarrassment at this time.

Although she dodged the attack of the two palms, the air wave trapped in the center still shattered her protective air shield on the spot, and she stumbled back dozens of meters. came up.

In a hurry, Qin Shuang had no choice but to parry with reluctance.

The two peerless beauties suddenly added their fists and feet together, one attack and one defense, like a fairy fight.

In just a moment, Qin Shuang was clearly at a disadvantage. Although he was really full of energy and powerful, he couldn’t stand Amelia Su’s strange attacking method at all.

However, what she didn’t know was that the defensive action her hand was using to defend against Amelia Su’s attack was, in fact, a set of extremely powerful exercises.

While she was

being forced to defend, she was forced by Amelia Su, or in other words, by Tian Zhiqiongqi, to perform various tricks.

“Back off!”

As soon as the voice fell, Qin Shuang was directly knocked several meters away, and then he barely stabilized his body.

Amelia Su stopped attacking, and hugged her arms slightly, but at this time there was already a red long sword in her hand.

“Tsk tsk, this sword is not bad, why don’t you use it?”

Qin Shuang was shocked, and then he suddenly realized that his sword was actually taken by someone just now.

She remembered this sword better than anyone else. It was the Demon Suppressing Sword given to him by George Han!

“I’ll tell you, you don’t dare to use it.” Amelia Su smiled coldly, clapped her hands, and the long sword suddenly stabbed Qin Shuang.

At this time, Qin Shuang had no choice but to retreat, and there was no way to hide, so he could only watch the long sword pierce all the way.

The sharp tip of the sword was already within an inch of her widened pupils in an instant...
