

The One and The Only Chapter 361 - 370

Tong Ke saw Yash Nics like a rescuer, and quickly hid behind Yash Nics, and said angrily:

“Brother-in-law, this guy is playing a hooliganism to me!”

Park Yijun didn't expect halfway. Killing Cheng Yaojin, he squinted his eyes and snorted

slightly: “Who the hell are you?”

Yash Nics said indifferently, “I'm her brother-in-law!”

Park Yijun grinned and sneered, “Brother-in-law? I'm playing with your sister-in-law!”

Yash Nics's eyes were colder: “You are unlucky!”

Park Yijun's mouth raised slightly, with a smile: “The unlucky person is you, do you know

who I am? I'm from South Korean twins. Park Yijun, the general manager of Star Group, and

my dad is Park Sung-jun, president of Gemini Star Group.”

“I have diplomatic immunity. Even if I kill you here and play with your sister-in-law, I will be fine !”

When Park Yijun said this, his friends and bodyguards all came over, all staring at Yash Nics

fiercely.

Diplomatic immunity!

Tong Ke's expression has also changed slightly. People who can use diplomatic immunity

must have a very large influence in the international arena.

The Gemini Group is a well-known Korean consortium and a pivotal existence in the world

economy.

Since Park Yijun is the general manager of the Gemini Group, he is also the son of the

president of the Gemini Group.

If Yash Nics moved Park Yijun to the diplomatic level, I can guarantee that even Yash Nics would be troublesome!

So Tong Ke pulled Yash Nics's sleeves and whispered: "Brother-in-law, we don't know what they are like, let's go!"

Seeing Tong Ke pulling Yash Nics to leave, Park Yijun thought Yash Nics was counseling. It.

He took a few friends and bodyguards to stop Yash Nics and Tong Ke from going, arrogantly yelling: "Am I going to let you go the fuck? Boy, you can get out, but your sister-in-law must stay with me."

The more angry Yash Nics's heart is, the calmer his expression is, and he said faintly: "You succeeded in angering me."

Park Yijun was taken aback, and then smiled grinningly: "Hehe, you are still pretending to be in front of me, come here, give me this kid If it's abandoned, I don't think he is pleasing to the eye."

Park Yijun's voice fell, a few pig friends and two strong bodyguards around him, all shot together, and surrounded Yash Nics grinningly. .

When Yash Nics gave a cold snort, he kicked out several kicks like lightning.

Bang bang bang!

All of Park Yijun's men were kicked in the chest by Yash Nics, and they flew out with blood spurting one by one, and fell heavily to the ground.

The customers who were not far away were all exclaiming.

Park Yijun couldn't help but widen his eyes and gasped.

Koreans are all required to perform military service. Several of his friends have served as soldiers, and their skills are not bad. His two bodyguards are also highly-paid masters.

But I didn't expect to be so vulnerable in front of Yash Nics.

Yash Nics kicked a few doglegs, his eyes immediately fell on Park Yijun, murderous Ling Ran.

Park Yijun was so scared that he backed away and trembled: “You, you, you, you dare to hurt my people, you have a big deal!”

Yash Nics sneered, “Oh, not only did I dare to hurt your people,” I dare to kill you, believe it or not?”

At this moment, the criminal investigation team leader Wang Zhixing hurriedly arrived with a few criminal police officers.

It turned out that the police were informed today to protect the President Park Sung-jun and General Manager Park Yi-jun of the Gemini Group.

Both of these are foreign friends with different identities, so don't make any trouble in Mannity.

Wang Zhixing received an alarm call from the restaurant owner and hurriedly rushed over.

But what Wang Zhixing did not expect was that it was Yash Nics who had a contradiction

with the important foreign guest Pu Gongzi!

Wang Zhixing was so frightened that he hurried forward and said with a smile: “Mr. Yash,

Young Master Park, misunderstanding, a big misunderstanding, don't do anything, let's talk about something.”

The One and The Only Chapter 362

Park Yijun and his father, Park Sung-jun, arrived at China Overseas Airport by special plane

in the morning. The leaders of China Overseas City welcomed them together. Among them,

Wang Zhixing was in the welcome team.

When Park Yijun saw Wang Zhixing at this time, it was like seeing a rescuer. He immediately

greeted him and yelled: “Captain Wang, you are here at the right time. Your city elder

confessed to you to protect us.”

“This pair of dog men and women. I was rude to me and hurt my friends and bodyguards.

You caught them and punished them severely!”
Wang Zhixing was sweating profusely. Whether it was Yash Nics or Park Yijun, he couldn’t offend him, he said with a smile. “Mr. Park, don’t get excited. If you have something to say, please speak.”
Yash Nics squinted, looking at Wang Zhixing with a smile, and asked faintly: “Captain Wang, is he your friend?” In a simple sentence, Go and ask Wang Zhixing.
Of course he and Park Yijun are not friends, but in front of Park Yijun, it is hard for him to deny it.
After all, Park Yijun is an important foreign guest, and he has diplomatic immunity. The city veteran confessed that he should take good care of him.
Finally, Wang Zhixing could only listen to Yash Nics’s scalp’s whispered answer: “Mr. Yash, this is the general manager of the Gemini Group and the son of the president of the famous South Korean Gemini Consortium, Park Yijun.”
“He has diplomatic immunity. He is an important guest and foreign friend of our Mannity City.”
Yash Nics said coldly: “Foreign friends? To be friends with our Chinese people, we must respect us before we can respect him!”
“This stick, play hooligans on my sister-in-law, A nuisance. Should you be responsible for the criminal investigation and security squad leader?”
Wang Zhixing was embarrassed, and said hesitatingly: “Mr. Yash, Mr. Park has diplomatic immunity. According to the rules, I cannot arrest him... ..”
Park Yijun yelled to Wang Zhixing dissatisfied: “Captain Wang, who is he? Where did the silly hat pop up? Don’t you know I have diplomatic immunity?”

Before Wang Zhixing had time to explain, Park Yijun arrogantly took the first two steps,

relying on the presence of Wang Zhixing and several criminal police officers and relying on him for diplomatic immunity.

He frivolously stretched out his hand to slap Yash Nics's face, and said with a sneer: "Fight with me, how old are you, you want to catch me, believe it or not, let Captain Wang catch you?"

Wang Zhixing saw this scene, His complexion changed drastically in an instant, and his consciousness became worse.

Sure enough, before Park Yijun's hand touched Yash Nics's face, Yash Nics had already shot.

Click!

There was a piercing sound of broken bones.

Yash Nics broke Park Yijun's wrist directly!

"

Ah— " Park Yijun screamed like a pig.

Yash Nics broke off Park Yijun's wrist, but the anger was not quenched, so he raised his hand and gave Park Yijun a slap in the face.

Snap!

Park Yijun spouted a mouthful of blood mixed with broken teeth, flew out at an angle, and fell heavily to the ground.

Everyone at the scene was stunned!

Wang Zhixing was also completely dumbfounded, thinking: It's over, it's over now.

Yash Nics coldly snorted: "What kind of stuff, I really think that foreigners are better than others. If you dare to make trouble in our China, you will still be smoked. No immunity will work."

Many customers on the scene heard Yash Nics's words. They couldn't help applauding, feeling that what Yash Nics said was really good.

How can foreign thieves be arrogant in the dignified Chinese land?

Tong Ke looked at Yash Nics with admiration, and said proudly: This is my brother-in-law, the best man in the world, no one can compare.

The One and The Only Chapter 363
Ningda Group, reception room.

The senior management team of Ningda Group led by Song Pingting is talking with Park Chengjun, president of Gemini Group. Sitting clearly on both sides of the long table, they are discussing cooperation.

Gemini Group is a world-renowned heavyweight company. The Ningda Group's purchase of 200 million pharmaceutical equipment orders is actually not a big order for Gemini Group.

The reason why Park Chengjun attaches so much importance to it, even came to China in person to meet Song Pingting to discuss cooperation.

In fact, I have taken a fancy to Song Pingting's liver cancer vaccine! At a glance, Park Sung-jun saw the huge business opportunities that liver cancer vaccines could bring. He expressed his willingness to sell pharmaceutical equipment worth 200 million yuan to Song Pingting at a super low price of 100 million yuan. But there is a requirement, that is to ask Song Pingting to transfer the overseas agency rights of liver cancer vaccine to him.

In other words, the liver cancer vaccine produced by Song Pingting can only be sold in China. All foreign markets belong to the Gemini Group.

Song Pingting had known for a long time to cooperate with the Gemini Group, and the Gemini Group often put forward harsh additional conditions. But she didn't expect that Park Chengjun's request would be so excessive.

It is unexpectedly required to transfer all overseas markets of liver cancer vaccines to Gemini Group except China!

What Park Chengjun basically means is: You are selling in China, don't think about going abroad, let alone facing the world, because I want a worldwide agency! Song Pingting said in a deep voice at this time: "Mr. Park, we know that your group's equipment is very advanced, and we hope to be able to import equipment from you. But your request is too harsh, and I can't agree to it."

Park Chengjun is in his fifties and has heavy bags under his eyes, making his eyes look a bit like fisheyes.

At this time, a pair of dead fish-eyes were flowing interestingly on Song Pingting's slender figure. What he thought in his mind was that this woman is really the best, more beautiful than our Korean female celebrities.

But he said with confidence: "Hehe, Miss Song, please consider it again. It is your honor for a small company like you to cooperate with our Gemini Group."

"Our Gemini Group has great strength and we are like this. Business partner. Only a small company like you can survive and go further."

Just after Park Chengjun's words, his assistant came over with his mobile phone and whispered: "President, the big business is not good, Mr. Park is here. I was beaten for dinner in the restaurant."

Park Chengjun said in shock: "What did you say?" The

assistant replied in horror: "Just now the police sent a message that Mr. Park was beaten. His right hand was broken and his teeth were also beaten. , Is receiving treatment in the hospital. At the same time, the police pointed out that Mr. Park was suspected of molesting women and fighting with gestures!"

Park Sung-jun was furious: "What did the Mannity police do? Don't you know that my son

has diplomatic immunity? They have no protection. Good for my son's safety, it is totally unreasonable to want to arrest my son."

Song Pingting and a group of Ningda Group executives looked at Park Chengjun in shock.

Someone seriously injured Park Sung-jun's son, no wonder Park Sung-jun was so furious and so ghoulish.

Park Chengjun was furious, and asked his assistant: "Are you sure, who hurt my son?" The

assistant quickly glanced at Song Pingting, and then said astonishingly: "Reporting to the

president, the murderer who injured Mr. Park is Ning. The husband of Miss Song, President

of the Big Group, Yash Nics."

The One and The Only Chapter 364

What?

Everyone at the scene was stunned!

Song Pingting's expression also changed drastically. Yash Nics actually beaten Mr. Park's

son seriously, which caused a lot of trouble!

Park Sung-jun slowly turned his head and looked at Song Pingting sternly:

"It turns out that

your husband hurt my son, Song Pingting, you are so bold, you are challenging the majesty

of our Gemini Group!"

Song Pingting was anxious when she heard the words, and quickly said:

"Mr. Park, things

are not what you imagined. I believe there must be some misunderstanding..."

Park Sung-jun coldly interrupted Song Pingting's words: "You don't need to explain, I'm

already Decided to cancel the cooperation with you. And I will block your Ningda Company

in the pharmaceutical equipment and machinery industry. Don't want to buy advanced

pharmaceutical equipment."

“Moreover, the matter of your husband hurting my son is endless, you just wait. My revenge!”

After speaking, Park Chengjun led his men and left angrily.

Song Pingting was anxious and angry, and immediately called Yash Nics to ask what happened.

Yash Nics didn't hide it, and talked about Park Yijun's molesting Tong Ke and Park Yijun's arrogant and domineering behavior.

Finally, Yash Nics said: “Even though Park Yijun was admitted to the hospital, the incident is

not over. I will ask the police to arrest him when I turn around.

Otherwise, he thought he

could walk sideways in China with diplomatic immunity. . the ”

Song Ping Ting smile, said:” Park Joon have the right to diplomatic immunity, criminal police

have no right to arrest him, but is that you beat him, they will certainly embassy protest,

demanding stern punishment for you, Ning. You have caused a major disaster this time.”

“Also, Park Sung-jun has already released ruthless remarks that he will no longer cooperate

with us, and will completely block us so that we can't buy advanced pharmaceutical

equipment.”

Yash Nics said with a chuckle: “Block us, Park Chengjun is too high to see their Gemini's

strength. He does not cooperate with us, it is their loss. As for the pharmaceutical

equipment, I suggest buying from our domestic Feilong company, and I will take care of it. ”

Song Pingting is one of the first two years old, and she can't help but blame Yash Nics: “You

don't brag to me. I have told you that Feilong Company is a famous military enterprise, and

their equipment will not be sold to us. Small private company.”

Song Pingting sighed: “Forget it, you don't know what to tell you. There is no hope for

cooperation with Gemini Group. I will contact our Blue Sky
Pharmaceutical Equipment

Company in Jiangnan Province back. I hope to be able to import
equipment from Lantian
Company.”

“But Yash Nics, you have to be careful. It’s better to go out less during
this time. Park

Sung-jun threatened to avenge his son and avenge you.”

Yash Nics snorted: “It really is. What kind of old man will teach what kind
of son. Park Yijun

is so arrogant, so he learned it from him.”

“My wife, don’t worry, Park Sung-jun will not mess with me, if he messes
with me , Then he
will end up worse than his son.”

Song Pingting has a headache, thinking that she is the president of the
Gemini Group, how
can you afford it!

However, she did not say such words to destroy her husband’s prestige
and encourage the
enemy’s momentum, but only told Yash Nics to pay attention to safety,
and then hung up the
phone.

Mannity People’s Hospital, inside the VIP ward.

Park Sung-jun saw his injured son. He looked at his son’s swollen cheek
and broken right

hand. His face was full of anger: “Damn it!”

Park Yijun said pitifully, “Dad, you want to avenge me!”

Park Sung-jun Nodded: “I will definitely not let the injured person, you
should take

care of the injury first.” After speaking, Park Chengjun brought a group
of men out of the
ward.

Park Chengjun said to the assistant beside him: “You call Song Pingting
and say that I have

a big fire now. Let her dress beautifully and come to the hotel room to
vent the fire.”

“If she doesn’t come, then Ningda Company will be completely banned
and suppressed by

our Gemini Group. And her husband Yash Nics, don't even want to live."
The
assistant said in a deep voice: "Yes!"

The One and The Only Chapter 365

Zhong Hai Zhi Axis Building, stroll through the Cloud Restaurant.

Yash Nics's family was having dinner with Tong Ke, and everyone was in a good mood, but

Song Pingting seemed very worried.

Upon seeing Ma Xiaoli, Song Zhongbin frowned and asked, "Xiaoting, what's the matter?"

Song Pingting smiled and said, "It's okay, the company has encountered some trouble

purchasing equipment."

Yash Nics comforted: "No need to purchase equipment. Worry, Gemini is unwilling to sell

the equipment to us, so we will contact the next one. I will contact

Feilong Company and

ask Feilong Company to sell the equipment to us at a low price."

Song Pingting couldn't help rolling her eyes: "Both I told you that Feilong Company is a

military industrial enterprise, and their equipment is the most advanced and high-tech

equipment."

"But only for large state-owned enterprises, and will not sell the equipment to small private enterprises like us."

"And you You even wanted Feilong to sell us the equipment at a low price. You really want to be beautiful!"

Yash Nics said with a smile , "The rules are all used to break the rules. If you don't try it, how

can you know if you can't. Contact Feilong for purchases. Just leave it to me." Song Pingting couldn't bear to beat Yash Nics's enthusiasm, she said

casually: "Since you want to try it, let's do it with you."

She felt that Yash Nics couldn't handle the Feilong company. , Because it's not a question of money.

She thought to herself: Well, now the only way out is the Blue Sky Pharmaceutical Equipment Company in Jiangnan Province. I hope to buy equipment from Blue Sky Equipment Company, otherwise it will be troublesome. At this moment, her cell phone rang suddenly. When she saw the caller ID number on her mobile phone, she was slightly taken aback, and then a little surprised, because this was the contact number of Gemini President Park Sung-jun. Could it be that Park Sung-jun changed his mind? Song Pingting picked up the phone and told Yash Nics and the others to eat first, and she walked to the corridor to answer the phone by herself. Phone Assistant is a river Pucheng Jun Hoon called, and the river Hoon has been no leak of Pucheng Jun convey words, cold intimidation and said: "Miss Song, our president now very angry, very serious consequences ' ' if you do not want to suffer When our Gemini Group is completely banned and suppressed, you don't want your husband to die. Then you can come to Alton Hotel obediently and use your body to relieve the fire to our president!" Song Pingting was shocked and angry when she heard this. Anxious and angrily, he said angrily: "I'm sorry, please tell Mr. Park, I will not agree to his unreasonable hooligan request, but also ask him to show respect..." Ha Zhengxun said coldly: "This is your company. The only way to survive with your husband, if you show up in half an hour, your company and your husband will be over." After that, Ha Zhengxun stopped talking nonsense with Song Pingting and hung up the phone directly. Song Pingting was holding the phone, her pretty face pale.

Yash Nics's expression changed when he saw Song Pingting answered the phone, and he realized that there was a problem with Song Pingting's phone call.

So, he asked with concern: "What's wrong, did something happen again?"

Song Pingting knew Yash Nics's temper, and she didn't see her being bullied the most.

If Yash Nics were to know that Park Sung-jun threatened her in this way, it is estimated that

Yash Nics's violent character would definitely kill him at the hotel without saying a word, and go desperately with Park Sung-jun.

She is even strong in the Gemini group, and Park Sung-jun and his son have diplomatic immunity.

In layman's terms, murder is not a crime.

Song Pingting was afraid that Yash Nics would go to Park Chengjun desperately, and even

more afraid that Yash Nics would lose his life, so she pretended to smile and shook her

head and said, "It's okay, come, let's continue eating. Everyone, look up this Turbot fish. The taste is delicious.!"

Song Pingting pretended to be okay, she could fool Song Zhongbin and others, but could not deceive Yash Nics.

Yash Nics said calmly: "I'm going to the bathroom, you guys eat first."

After saying that, he walked out, took out his cell phone and called Dianchu: "You can check

for me, who was calling just now? Did the phone upset my wife?"

Yash Nics said, and in an instant, several communications departments, as well as China's

top red hacker organization, all acted immediately.

Within a few minutes, Dian Chu responded to the phone call to Yash Nics, reporting: "Master,

it is the subordinate of Gemini Group President Park Sung-jun who called Mrs. Young. Park

Sung-jun used to suppress Ningda Company, and used your life as a threat to persecute her.

Madam goes to the hotel to dedicate her life.”

Yash Nics’s face sank: “Okay, I know.”

Dian Chu couldn’t help asking: “Master, Park Chengjun is too arrogant, so he dare to pay attention to Madam Young, do you want me? Lead the team to the hotel and destroy him directly.”

Yash Nics said indifferently: “The Gemini Group is a well-known consortium in South Korea.

Park Sung-jun is an important member of the Gemini consortium and has diplomatic

immunity in many countries around the world. Including our China.”

“Your identity is too sensitive. If you lead the team to destroy him, it will definitely cause a global outrage.”

“This matter is not suitable for you to take action. I will be able to handle it with Dong Tianbao.”

Dian Chu respectfully said. : “Yes.”

Yash Nics hung up, then told Song Pingting and the others that there was something, and then he left the restaurant first.

From the entrance of the restaurant, Dong Tianbao was already waiting with a few capable men.

Yash Nics said coldly: “Go to Alton Hotel!”

Dong Tianbao respectfully said: “Yes, Master!”

The One and The Only Chapter 366

Alton Hotel, Presidential Suite.

Park Sung-jun, wearing a white bathrobe, sits on the sofa with a glass of champagne in his hand.

He squinted his eyes and asked the assistant beside him displeasely:

“Why Song Pingting hasn’t come?” The

assistant He Zhengxun hurriedly laughed and said with a smile:
“President, you can rest
assured that Song Pingting can’t refuse the conditions you put forward. ,
She will definitely
come and dedicate her life. Unless she doesn’t care about her company
or the life of her
husband!”

Park Sung-jun’s face was full of expectation: “She is the most beautiful
oriental woman I
have ever seen, all the beautiful women with cosmetic face in our
country. One can be
compared to her.”

He Zhengxun took out a medicine bottle and put it on the coffee table
respectfully, and said
flatteringly: “President, the few in this bottle are all dragon and tiger
pills. One can make you
fierce. Like a dragon and tiger, I hope you can have fun with Miss Song
tonight.”

Park Chengjun showed an ambiguous smile on his old face, patted Ha
Zhengxun on the
shoulder, and praised: “You are a good kid, you are good at coming. Go
out and wait outside.

, Song Pingting came to notify me immediately.”

“Yes, Mr. President!”

He Zhengxun stepped back and walked towards the door.

He had just walked to the door, and suddenly the door rang with a loud
noise, and the whole
door was kicked and slammed towards him in a whistling manner.
boom!

Ha Zhengxun was smashed by the door panel, and fell to the ground, the
door panel also
pressed against him.

Then, he was horrified to see a man with a tall stature and star-like eyes
coming in with a
group of men.

Ha Zhengxun was frightened and angry. While struggling to push open
the door panel
pressing on him, he shouted angrily: “Who are you, do you know whose
room this is,

bodyguards, and where the bodyguards outside are dead? ”
Kicking in, Yash Nics and Dong Tianbao are en route.

Dong Tianbao grinned and said: “Don’t fucking bark, you three-legged cat bodyguards, now all of you are lying down.”

What?

Ha Zhengxun’s face changed drastically, and he speeded up, trying to push open the door panel that was pressing on him.

But Yash Nics stepped on the door panel with a cold face, and in an instant, it seemed that a mighty force fell on the door panel.

The door panel was about to squash Ha Zhengxun’s body, and the sternum hair made a slight crackling sound, causing Ha Zhengxun’s chest to explode.

Yash Nics stepped on the door panel and didn’t even look under the door panel. He

Zhengxun was pressed with pain and opened his mouth but couldn’t speak.

He only stared at the sofa with a horrified expression of Park Sung-jun, and asked coldly:

“Are you the old pervert who threatened my wife?”

Park Sung-jun looked at Yash Nics in horror, especially Ha Zhengxun at Yash Nics’s feet,

gradually There was no movement, he said in fear: “You are Yash Nics?”

Yash Nics: “Yes, you shouldn’t mess with me!”

Park Chengjun trembled: “I am the president of the Gemini Group and an important member

of the Gemini Consortium. , I still have your China’s diplomatic immunity.

If you dare to move

me, our embassy will definitely not let go, just wait for the cruel punishment!”

Yash Nics moved his feet away from the door panel, and walked toward him unhurriedly.

Piao Chengjun walked over: “Do you still dare to threaten me now?”

Piao Chengjun took a look, his chest bones were all crushed, and the assistant who had

passed out, he saw Yash Nics's eyes again, as if he saw a demon, his abrupt voice "What do you want to do?"
Yash Nics patted Pu Chengjun's face and chuckled: "Relax, I won't kill you, and I won't beat you."

Yash Nics said, his eyes fell on the little one on the coffee table. On the medicine bottle, he noticed the words Dragon Tiger Pill on the medicine bottle and the small explanation of the effect of the medicine. A cold light flashed in his eyes.
"Johnny!"

Yash Nics turned around and waved to a burly black man who was two meters tall and weighed more than 250 kilograms among Dong Tianbao's men. This black man is the new champion of Dong Tianbao's underground black market boxing match, Johnny!
Johnny was invincible in the black market boxing ring, like a beast. In addition to his boxing skills, this guy also has a common problem with black people, that is, he has an abnormal orientation, he doesn't like beautiful women, he likes men.

And take pleasure in assaulting men!

Johnny heard Yash Nics call him by name, he hurried over and said respectfully: "Master, what do you want to tell me?"

Yash Nics threw the bottle of Dragon Tiger Pills on the coffee table to Johnny, and then pointed to what he was wearing on the sofa. Park Sung-jun in the bathrobe said lightly:

"He is yours tonight. This old thing often violates innocent women. Tonight you let him know how it feels to be violated."

The One and The Only Chapter 367
What? !

Park Chengjun's face changed drastically, and he was more frightened than he heard killing him.

Like a cat stepped on its tail, he screamed and bounced, yelling from the bottom of hiss:

"No, please don't, I know it's wrong, I know it's wrong..."

Yash Nics chuckled softly, "You I know it's wrong, but it's too late.

Johnny, take good care of him tonight!"

Johnny

grinned and said, "Hey, I will, master!" After that, Johnny rushed towards Park Sung-jun like a

beast. Easily hugged Park Sung-jun and pulled off Park Sung-jun's bathrobe...

Yash Nics turned and left, Dong Tianbao and his entourage took the dying Ha Jung-hoon,

reinstalled the door panels, and left.

Johnny's roar and Park Sung-jun's sorrowful cry were constantly coming out of the room.

It stopped after two hours.

Before long, Park Chengjun limped out while he was asleep while Johnny was asleep.

But just as he escaped from the corridor, he discovered that Dong Tianbao was guarding

outside with a few of his men.

Dong Tianbao grinned, waved his hand and said to several of his subordinates: "Hehe, this

old boy wants to slip away in the middle of the night, you guys take him back to Johnny's

bed!"

Pu Chengjun's face instantly turned dead gray, and he was struggling crazily. Called: "No,

no—"

But in the end, he was forced into the room by Dong Tianbao's men.

... When

Yash Nics returned home, Song Pingting was secretly discussing with Tong Ke.

Should I buy some gifts, visit the injured Park Yijun in the hospital, and ask for forgiveness from the Park father and son?

Yash Nics smiled and said, "No, I have already seen Park Chengjun!" Song Painting aloud, said: "? What, you do not have hands-on fight with them, for they have not embarrassed you,"

Ning laughed: "No, we have agreed to the views of each other, Pucheng Jun tomorrow they will leave to return to South Korea."

Song Ping Ting was both pleasantly surprised and disappointed. Surprisingly, Park Sung-jun didn't even mention revenge against Yash Nics. What was disappointing was that Park Sung-jun and his party returned to South Korea tomorrow, which meant that the cooperation between Ningda Group and Gemini Group was thoroughly praised.

However, Song Pingting felt that this was already a good result. She asked Yash Nics curiously: "How did you get Park Sung-jun's forgiveness and let their father and son agree not to hold you accountable?"

Yash Nics said with a smile, "Of course it is Xiaozhi moved by reason and sentiment, and convinced others by virtue. , Convinced him."

Song Pingting was suspicious, Tong Ke next to him secretly rolled his eyes: to convince people with virtue? Who are you lie to!

Yash Nics did not fight Park Sung-jun, but told Johnny to arrange for Park Sung-jun.

In addition, Yash Nics also ordered Dong Tianbao to take a video. To threaten Park Chengjun not to cause trouble in China, get out of China immediately.

Otherwise, the video will be made public, ruining Park Sung-jun.

The next day, Park Sung-jun took his son and others humiliateingly, took a special plane, and returned to South Korea in embarrassment.

Although Song Pingting was surprised that Park Chengjun suddenly returned to China, the incident came to an end and she thought it was good.

In the next few days, she began to actively contact Blue Sky Pharmaceutical Equipment Company.

Lantian Pharmaceutical Equipment Co., Ltd. has five major shareholders, the largest

shareholder is Tang Beidou, and the next four largest shareholders are the four major families in Jiangnan.

The president of Blue Sky Pharmaceutical Equipment Company is Ouyang Ting, and the vice president is Ye Zhiqiu.

The two were ordered by Lord Tang to go to Mannity to deal with Yash Nics, and they

wanted to quickly seize the agency rights of liver cancer vaccine.

The One and The Only Chapter 368

At this time, in Mannity City, Jiangnan Chamber of Commerce Club.

Ouyang Ting and Ye Zhiqiu were chatting happily. Ouyang Ting laughed and said: "At first,

we were worried that Song Pingting would go to the Gemini Group and cooperate with Park

Sung-jun, so our plan would be lost."

Ye Zhiqiu chuckled. Said: "Indeed, the Gemini Group is one of the most powerful consortia in South Korea, and can even influence the presidential campaign." "If

Song Pingting really becomes a business partner with Park Sung-jun, then we really can't get

the idea of a vaccine agency. . the "

Ouyang Ting sneered:" Unfortunately, that guy Ning seek death, wounding the son of

Pucheng Jun angry Pucheng Jun anger left, Song Ping Ting also lose the opportunity to

climb on the ship of the Gemini Group. ".

Ye Zhiqiu squinted his eyes: "This is also our luck. Yash Nics has offended Park Sung-jun,

and Park Sung-jun will definitely block the Ningda Group."

“As we all know, well-known foreign pharmaceutical equipment companies are inextricably related to the Gemini Group.”

“Park Sung-jun said to block Ningda Group. A famous foreign pharmaceutical equipment company will definitely not sell the equipment to Song Pingting.”

“At present, Song Pingting has to buy good pharmaceutical equipment from our Blue Sky Company.”

Ouyang Ting triumphantly said: “She has contacted me several times, and I asked her to meet here today. Calculating the time, she should be almost here.” As soon as the

voice fell, a female manager wearing a cheongsam knocked in.

Respectfully said: “Mr.

Ouyang, Mr. Ye, a few people have come outside.”

“The leader claimed to be Song Pingting, the president of Ningda Group, and said that he

had made an appointment to meet with you and discuss business.”

Ouyang Ting and Ye Zhiquliang They glanced at each other, and then smiled and said, “Let them in!”

Soon, Song Pingting came in with her female assistant and several senior executives from the Ningda Group.

Song Pingting is wearing a white business shirt, a small black suit, and a black hip skirt. The

beautiful legs in stockings under the skirt look extraordinarily slender.

She was a little over 1.7 meters tall, and she was even more tall in high heels. She was like a noble swan.

Both Ouyang Ting and Ye Zhiqiu are countless women, but the first time they saw Song

Pingting, their faces showed amazing expressions.

Song Pingting greeted Ouyang Ting and Ye Zhiqiu generously and decently: “Hello, Mr.

Ouyang and Mr. Ye. I am Song Pingting. I have an appointment with you to talk to you about purchasing equipment from your company.”

Ouyang Ting nodded slightly: "President Song, please sit down. I came to Mannity with Vice President Ye this time. They also made a special trip to discuss cooperation matters with Mr. Song."

Song Pingting said: "We plan to purchase one from your company first. The pipeline of pharmaceutical equipment will be purchased in large batches in the future. It is estimated that a total of more than 200 million equipment will be purchased." "I don't know what kind of discount Ouyang and Ye can give us?" An order of 200 million!

For the Blue Sky Pharmaceutical Equipment Group, it must be a big deal. But now Ouyang Ting and Ye Zhiqiu, as well as Lord Tang behind them. The goal is that Song Pingting's vaccine agency is not satisfied with the order of 200 million yuan.

Mr. Ouyang smiled and said: "We must give the biggest discount for a large order of 200 million yuan."

"But besides the price concession, we have a better suggestion. Vice President Ye, you and Miss Song Let's talk about it."

Ye Zhiqiu tidied up his collar and stood up and said, "Miss Song, our plan is that we will give you all the equipment needed by your pharmaceutical factory for free, without taking a cent." A group of people around Song Pingting The executives all whispered in exclamation after hearing this.

Only Song Pingting thoughtfully, she knew that there was no free lunch in the world.

The Blue Sky Company is not a charity, and it is impossible to give her two hundred million yuan of equipment for her use in vain.

She calmly asked: "I don't know what the additional conditions are?"

The One and The Only Chapter 369

Ye Zhiqiu and Ouyang Ting looked at each other and laughed together.

Ye Zhiqiu said haha: "Ms. Song is really a smart person. Talking about business with a

smart person like you is easy."

"Our additional condition is very simple, that is, we want 80% of your company's profits."

Senior executives of Ningda Group , All gasped.

If you give some equipment, you want to take away 80% of Ningda Group's revenue.

This can no longer be described as a tiger's big mouth, it is simply cannibalism without spitting out bones!

Song Pingting was shocked and angry, anxious and angry: "The conditions you put forward

are more than those of the Gemini Group. We can't agree to your harsh conditions."

"I think we should buy your equipment with money. We can't afford the free ones."

Ouyang Ting coldly snorted, "Do you think that if you pay for it, we will sell it to you?"

Ye Zhiqiu also sneered: "The Gemini Group announced today that it will completely block you. "

Famous foreign pharmaceutical equipment companies are inextricably linked to Gemini.

You can't buy equipment from foreign countries."

"In China, our Blue Sky is one of the largest pharmaceutical equipment companies."

"If you don't If you agree to cooperate with us, then our blue sky will speak in China. Other

companies will definitely not dare to sell you the equipment."

Song Pingting and the senior executives of Ningda Group changed their expressions.

Ningda Group is going to be jointly blocked by these foreign and domestic pharmaceutical

equipment companies!

Song Pingting's pretty face is pale!

Ouyang Ting took out a contract and handed it to Song Pingting with a smile: "Miss Song, sign it. If you sign now, you can still keep 20% of the income." "If you don't sign, you won't be able to buy equipment and produce vaccines by then. Professor Jiang will definitely choose another person to represent you, and you will have nothing at that time." Song Pingting and a group of executives from the Ningda Group Our faces changed drastically again. Just when Ouyang Ting and Ye Zhiqiu threatened and lured, urging Song Pingting to sign a contract quickly. Suddenly, Yash Nics pushed in from outside, and said faintly: "Wife, don't be fooled by them. They count as the elders, and they are worthy of banning us?" Song Pingting lost her voice: "Yash Nics!" Ouyang Ting and Ye Zhiqiu saw that. The opportunity forced Song Pingting to sign the contract, but Yash Nics unexpectedly appeared and disturbed their good deeds. They were both startled and angry. Ouyang Ting said sternly: "Yash Nics, Song Pingting, you have to think clearly that Gemini has blocked your channels for purchasing equipment abroad." "If you agree to our blue sky conditions, we The channels for domestic procurement of equipment have also been blocked, and you will immediately fall into a situation where you will be in a situation where no one can recover." Yash Nics smiled contemptuously and said faintly: "Hehe, you are too overestimating you."

After speaking, Yash Nics turned his head and looked at Song Ping. Ting said with a smile: "My wife, I have already negotiated with a famous pharmaceutical equipment company."

They will sell us the most advanced equipment at the best price.”

Song Pingting said in surprise: “Really? ”

Yash Nics said with a smile: “Of course, they have already shipped the first batch of

equipment to show their sincerity in cooperation, and they will be able to arrive in Mannity

City in the afternoon.”

Song Pingting excitedly grasped Yash Nics’s hand: “Husband, you said. Are they true?”

Yash Nics said with a smile: “The fortune-teller has lied to you for ten or eight years, and my

words will be clear in the afternoon.”

Song Pingting and a group of Ningda company executives cheered.

The equipment problem that has plagued them for a long time is finally about to be solved.

Ouyang Ting and Ye Zhiqiu were both frightened and angry.

Jiangnan Wang Tangye has already greeted his pharmaceutical equipment counterparts.

Which company is so bold?

The One and The Only Chapter 370

Ouyang Ting angrily watched Yash Nics and Song Pingting and his party leave, and he was

so angry that he would tell his men to do something to Yash Nics on the spot.

But Ye Zhiqiu stopped him in time and said in a low voice, “Brother

Ouyang, don’t worry !” Ouyang Ting said angrily, “Yash Nics and Song Pingting have already

found equipment suppliers, and our plan is about to fall. ”

Ye Zhiqiu said lightly: “Tang Ye has a vast network, not only in the south, but also a little bit

thin in the entire China.”

“Our Blue Sky Company is a private leading company in pharmaceutical equipment. It is

reasonable to say that Tang Ye said nothing. What colleagues dare to openly have trouble

with Tang Ye.”

Ouyang Ting coldly snorted: “But now there are people who are not open, cooperating with

Yash Nics and Song Pingting!”

Ye Zhiqiu said calmly, “Then we will find out who is with Yash Nics Song and Pingting

cooperated, and then messed up their deal. Let everyone know that those who dare to

oppose us will have no good end.”

Ouyang Ting’s face squinted, and asked: “Do you have any suggestions?”

Ye Zhiqiu He smiled and said: “Didn’t Yash Nics say that a batch of equipment will be

delivered to Mannity City this afternoon?”

“Jiangnan Province is our land. Outsiders do not have the permission of our local snakes. If

they dare to come to us to do business, then we will give it to him. Last lesson.”

Ouyang Ting came to be interested: “How to take a lesson?”

Ye Zhiqiu said with a smile: “Let Cyclops Wei Jinhai take a group of brothers over and hand

in all the equipment and machinery.”

Ouyang Ting’s eyes lit up. Excited: “Good idea, take the equipment directly. In the future,

anyone who dares to violate Tang’s order and sell the equipment to Song Pingting will end

up like this!”

Ye Zhiqiu said triumphantly, “Who said Mannity is our site? Yeah!”

Soon, Ouyang Ting and Ye Zhiqiu used their contacts to investigate a batch of

pharmaceutical equipment and machines that were transported to Mannity City from other

places today.

In the afternoon, a convoy of ten large container trucks transported a batch of equipment.

Immediately after coming down from the high-speed toll station, the person at the toll

station notified Ouyang Pavilion of the news.

Ouyang Ting immediately ordered his Cyclops to lead a hundred of his men to intercept the truck fleet aggressively.

This team of trucks came from the northern border, and the goods on the truck were indeed the first batch of pharmaceutical equipment sent to the Ningda Group. The person in charge of the fleet is He Yun, the transportation captain of the North Border Flying Dragon Company.

He was ordered to send this shipment to Mannity City and deliver it to Ningda Group.

But I didn't expect that when I just arrived in Mannity City and got off the expressway, I was intercepted at Huancheng Road.

Dozens of small cars completely blocked the way, a very burly one-eyed man wearing a black blindfold, led by hundreds of murderous men, blocked the way of the truck team.

The Cyclops viciously cursed: "Get all out of the car, who dare not cooperate, be careful to splash blood!"

He Yun was shocked and angry. Feilong Company is a well-known military enterprise in China. It is backed by the Northern Army. Party background.

It is really outrageous that someone dared to intercept Feilong's fleet and threaten the safety of Feilong's employees.

He Yun calmly got out of the car along with the other drivers and the people accompanying the car.

He glared at the Cyclops and sternly questioned: "Who are you, why are you stopping our car, what do you want to do?" The

Cyclops grinned and sneered: "I am a member of the four major families in the south of the Yangtze River, and also a member of the king of the south of the Yangtze River. "

Tang Ye has already greeted all the pharmaceutical equipment colleagues, no one can sell the equipment to Ningda Company."

“You group of out-of-town dogs dare to disobey our Lord Tang’s orders.
Pull the equipment
into Jiangnan Province and sell it to Song Pingting without authorization.
Is it true that our
Lord Tang does not exist?”
