

Chapter 361: Let's Compare

Bo Jinchuan sat at the head of the table as he looked nonchalantly at the two proposals in front of him. His deep eyes flashed with a glint.

“Even though the Su Corporation is strong now, it doesn’t mean that they will always be strong in the future. Even though Zhi Qin Cosmetics’ scale is small, it doesn’t mean that it won’t grow in the future. As for who is stronger, we’ll know once we compare them.”

Bo Jinchuan rarely spoke, and his voice exuded natural nobility and firm authority.

The room went silent for a while before someone interjected,

“The local fashion competition is about to start this year. CEO, do you want the perfumers from both companies to participate?”

Bo Jinchuan raised an eyebrow as his well-defined long fingers pressed on Zhi Qin Cosmetics’ proposal. A glint sparkled in his eyes as he touched the document.

“Since they want to collaborate with the Bo Consortium, what can a mere ranking in the country prove?”

Someone seemed to have thought of something and added excitedly, “I know that this year, there’s an international scent-making competition in France. This competition is an internationally-renowned one. If one wins the competition, the benefits it could bring...”

Bo Jinchuan’s lips curled into an unnoticeable smile. He stood up and his towering figure towered over everyone.

“End of meeting.”

His voice was calm, but it made one’s heart skip a beat.

Yu Song followed closely behind Bo Jinchuan.

“Master, Shen Qianrou has participated in the scent-making contest in France and she has won a place at the competition. Wouldn’t that be detrimental to Miss Fanxing?”

The moment they entered the office, Yu Song asked worriedly. Bo Jinchuan turned around and his voice was cold.

“You think Fanxing will lose to Shen Qianrou?”

Yu Song’s heart skipped a beat and his body tensed up. “No.”

“Of course not.”

Yu Song pursed his lips, wishing he could slap himself.

He was worried over nothing!

...

Before the meeting ended, they received news that the winner of the competition would win the right to enter the mall.

That was a piece of good news for the Su Corporation.

Shen Qianrou had participated in competitions before and had won fourth place. In this competition, she had an absolute advantage over Shen Fanxing, who was inexperienced at competitions.

Moreover, if they won the competition, the twenty five percent commission stated by the Bo Consortium would cease to exist.

Su Heng heaved a sigh of relief, but the thought of Shen Qianrou tightened the knot in his heart.

He still couldn't figure out what exactly happened last night.

He even wanted to conjure a reason to forgive Qianrou, but the thought of Fanxing's actions made his heart ache.

He couldn't even forgive himself.

...

Seeing that the situation online had improved a little, Shen Qianrou heaved a sigh of relief.

She wanted to look for Su Heng at the Su Corporation, but was stopped by the organizer of the Music Ocean Competition. Not long after, Lin Feifei called.

Upon hearing the voice on the phone, Shen Qianrou knew that she had avoided a crisis.

However, there were still a lot of doubts online.

She took a deep breath and forced herself to calm down.

This incident had taught her a huge and important lesson.

She couldn't let her guard down with Shen Fanxing.

Looking at the time, Shen Qianrou's face showed a tinge of worry. After some thought, she stood up and walked out of the office with her bag.

...

Shen Fanxing returned to her office and browsed some websites again.

Something had changed.

Chapter 362: Aloof And Unromantic

Something had changed.

Nobody knew how Shen Qianrou had managed to convince Lin Feifei, but Lin Feifei actually recorded a video and posted it online.

She admitted that she was the one who had done everything last night. Since she was young, she had disliked Shen Fanxing and she had dislocated her arm because of Shen Fanxing. She was chased out of an event and forced to kowtow in the mall. This made her hate Shen Fanxing so much that she sought revenge.

In the end, she was interrogated by the netizens about why she did such a filthy thing with Chen Yinsen. She only said that she drank too much and that was why she made a mistake.

As for why she rushed out to question Shen Qianrou, it was also because the two of them had planned to sleep in the same room. In the end, after what happened between her and Chen Yinsen and Shen Qianrou wasn't around, that was why she had reacted that way.

All of the explanations were vague, but there weren't any loopholes. However, Shen Qianrou had personally invited her family to the scene and their grandmother had even slapped Shen Fanxing on the spot. That was a huge deal to everyone.

However, Shen Qianrou had given an ambiguous explanation right away that night.

There were all sorts of loopholes to mend, although it was considered an explanation.

There were naturally people who believed and others who didn't.

In the end, Lin Feifei was blacklisted by everyone. She was one of the most popular live-streamers online, but her future was ruined just like that.

Shen Fanxing gave another cold laugh after she read everything.

Shen Qianrou had indirectly ruined Lin Feifei. What was Lin Feifei thinking? She couldn't understand why Lin Feifei didn't seek revenge but instead, she took responsibility for everything!

She had thought that Shen Qianrou had something on Lin Feifei, but what could it be?

A woman's most cherished reputation had been ruined and everyone knew about it. What else would she care about?

She couldn't comprehend.

But the opinions online...

Shen Fanxing frowned and shut her eyes.

This time, Shen Qianrou had escaped unscathed.

However, it wasn't a loss either. Lan Yun Entertainment had suffered heavy losses this time!

Moreover, what was this tiny upset?

There was still time.

Sighing, she looked at the time and her lips curled upwards.

She suddenly realized that besides being troubled over the Shen family, she could feel happy any time.

Taking out her phone, she sent a message to Bo Jinchuan.

'What time do you get off work tonight?'

Bo Jinchuan was currently strolling around the office building. His tall and robust figure was wrapped in an expensive tailor-made black suit. His expression was aloof and stern, and behind him was a group of senior managers. All of their faces were tense as they followed him cautiously.

When a phone rang, everyone gasped and touched their phones frantically.

After a while, everyone looked at each other and shook their heads.

It wasn't them!

After heaving a sigh of relief, the few of them snapped out of their trance and realized that their boss had taken out his phone slowly. As he walked, he lowered his head to take a look.

Everyone lowered their heads and walked forward silently. When Bo Jinchuan saw the message on his phone, he stopped in his tracks.

When they finally reacted, they saw Bo Jinchuan standing there with his head lowered as he fiddled with his phone.

They were speechless...

'6:00 p.m.'

Shen Fanxing typed, *'If you're free tonight, let's go to Grand View Manor. I haven't taken a good look at the alpaca you gave me.'*

Bo Jinchuan typed, *'Okay.'*

Looking at Bo Jinchuan's reply, Shen Fanxing pouted.

How aloof and unromantic. No wonder their relationship had progressed so slowly.

Just as Shen Fanxing had this thought, her phone rang again.

Chapter 363: Let's Sleep Together

Just as Shen Fanxing had this thought, her phone rang again.

It was naturally Bo Jinchuan—

'You're not going back tonight.'

'Let's have dinner together.'

'Let's go for a walk.'

'Let's sleep together.'

Shen Fanxing was speechless...

She was wrong.

It was her fault for their slow progress!

After he ended the call, the faint smile in Bo Jinchuan's eyes vanished instantly. Holding his phone, he continued to survey the surroundings coldly.

The managers looked at each other again.

Was their boss sending a message just now?

Who was it?

They were dying of curiosity!

...

Shen Fanxing realized her mistake and after much consideration, she felt that she should do something.

The only relationship she had in her life was with Su Heng, but she and Su Heng...

Nothing romantic happened!

She shook her head. Rather than thinking about the relationship she had with Su Heng, she might as well ask the internet!

She typed in the search engine and entered the words— boyfriend and girlfriend. The moment she finished typing the first few words, she was compelled to click on the suggestion!

The website led her to a popular forum with the headline—

'Is it common for couples to have s*x nowadays?'

The question was asked by a student from a university.

'My mother has told me since I was young that girls should behave with self-respect and not have sex with men before marriage! However, I rejected my boyfriend's offer!

*He claimed that all his friends with girlfriends had already done the deed! I want to ask, is s*x nowadays common? Can I give up the chastity that my mother has taught me?'*

Shen Fanxing blinked. This question...

She was obsessed with it!

She gulped subconsciously and went closer to the laptop. Out of curiosity, she continued reading!

There was a reply from someone anonymous whose ID read 'A dentist who researches about marriage and has achieved nothing.'

She was speechless...

Dentist...

She typed, *'Firstly, get to the point! Deciding whether to do the deed or not is your right, your freedom, and it depends on your willpower.'*

It has nothing to do with your morals. It has nothing to do with the people around you. It has nothing to do with how old you are. It has nothing to do with your boyfriend's friends. So, if you want to do it, do it! Do what you like! Do with whoever you fancy!

*There was no reason for anyone to interfere since you're already an adult! You can be conservative, You can continue to believe that s*x should only happen on your wedding night...*

If he is willing to respect you, that would be great! If he is unwilling, break up with him then. There is nothing you should be sad about! But you have to be mentally prepared. A man could leave any time, cheat on you or get a mistress! Even though these are all wrong, humans are still animals with desire and lust.

Not to mention men, even women have sexual urges from young. If you don't want to, there would be other women who were willing to.

The man could lead a carefree and happy life and do whatever he wants. Why should he choose to date you?! If you don't want to sleep with him, he would feel that you didn't trust him. That is why he wouldn't love you wholeheartedly. That is human nature!

A woman's hymen shrinks as she ages. When a woman hits 24 years old, she might finally get married and find a suitable virgin man. Then you might indulge in intimate acts. In the end, you didn't bleed...'

Shen Fanxing was speechless...

After reading the last comment, Shen Fanxing was rendered speechless for a long time. Then, she read the entire post once again!

Every word stabbed right into her heart!

She decided to switch off her laptop and entered a daze!

Why and when did the concept of preserving her chastity get instilled in her?

Chapter 364: It Depends on the Situation

At Grand View Manor.

Because Bo Jinchuan had informed Aunt Zhang beforehand, dinner was served not long after he brought Shen Fanxing back.

Tonight, Shen Fanxing had indeed adhered to an old saying of one shouldn't talk while eating.

The two of them didn't have big appetites. Usually, when they ate together, they would still have light conversations.

Why was it so quiet tonight?

During dinner, Bo Jinchuan had glanced at her several times.

Moreover, he realized that Shen Fanxing would stiffen every time.

Bo Jinchuan frowned at her response. When the two of them went out to visit the alpaca after dinner and he noticed that Shen Fanxing looked as though she wished she was 80 feet away from him, he said in a low voice, ”

“Shen Fanxing, what’s wrong?”

That voice was so icy that the surrounding air froze.

“Huh? I’m fine.”

Bo Jinchuan surveyed her coldly for a long time before saying deeply, “Come here!”

Shen Fanxing hesitated for a moment before walking to him.

“What’s wrong?”

Bo Jinchuan pulled her into his embrace, and his dark orbs met hers. “What’s troubling you?”

“Nothing...” she replied, her eyes darting around as she tried her best to maintain a distance from Bo Jinchuan.

His arms around her waist tightened and his deep voice was tinged with anger.

“Are you addicted to lying?”

Shen Fanxing felt a lump in her throat. “When have I ever lied?”

“When you’re avoiding relationship matters.”

Shen Fanxing opened her mouth, but she was unable to retort.

Bo Jinchuan narrowed his eyes at her reaction and said, “Indeed.”

She was speechless...

“Say something! What are you thinking?” Bo Jinchuan’s voice was unprecedentedly cold and intimidating and it made her tremble with fear.

Shen Fanxing hesitated for a long time before she looked up at Bo Jinchuan slowly. Her eyes were full of grievance and unease.

“Bo Jinchuan, tell me. Will you leave me anytime?”

Bo Jinchuan frowned at her.

“Will you cheat on me?”

He was speechless...

“Will you have s*x with another woman?”

He was speechless...

Bo Jinchuan frowned and asked, “Who suddenly said all these to you? How did these things appear in your mind?”

“Aunt Du.”

Awkwardness flashed across Shen Fanxing’s face. She had to thank herself for believing in such stuff!

“Aunt Du? Who is that?”

Shen Fanxing didn’t know whether to laugh or cry. “The internet.”

Bo Jinchuan’s eyelids twitched slightly as he asked, “Did the internet teach you how to mock me with the alpaca?”

“I didn’t mock you!” quipped Shen Fanxing hurriedly. “But that’s indeed a popular saying on the Internet. I’m merely using it.”

Bo Jinchuan gave a cold snort while his eyes glinted coldly. “I think it’s necessary to tidy up that Aunt Du.”

Recalling the stuff that she had read in the afternoon, Shen Fanxing sighed softly and muttered,

“I think so too. The article actually said that it doesn’t object to premarital sex. More importantly, it’s quite convincing... It’s like a multi-level marketing scheme... I was nearly brainwashed...”

Upon hearing this, Bo Jinchuan’s eyebrows twitched. He went silent for a while before his stiff voice sounded.

“That Aunt Du... is trustworthy under most circumstances.”

Upon hearing this, Shen Fanxing froze and slowly raised her head to look at Bo Jinchuan, her expression incredulous.

“Didn’t you say that it needs some restructuring?”

“It depends on the situation.”

“Ha...”

Chapter 365: I Can Lift the Ban

“So you didn’t come near me because you were afraid that I would do something to you?”

Shen Fanxing nodded and Bo Jinchuan’s face darkened.

“You don’t like me touching you?”

Shen Fanxing paused and shook her head. “No...”

Bo Jinchuan strode towards her and pressed on coldly, “Then why are you avoiding me?”

Shen Fanxing brushed her hair and, under the pressure emanating from Bo Jinchuan, she confessed with a whisper.

“Wasn’t I brainwashed today? I was afraid that if you touch me, I won’t be able to control myself... What should I do?”

Bo Jinchuan had never choked before. His throat bobbed twice before he said slowly,

“I won’t resist.”

Shen Fanxing froze, her cheeks turning crimson. She felt embarrassed and amused at the same time.

“You... Tsk... That’s enough!”

Seeing how serious he was, Shen Fanxing couldn’t help but splutter.

He wouldn’t resist...

It was as though she had tried to molest him!

How would she dare?

“Do you still want to look at your alpaca?”

“Huh?”

Bo Jinchuan grinned and bent to lift her up. “We’ll look at it tomorrow. We should go to sleep.”

The smile on Shen Fanxing’s face disappeared and her hands instinctively hooked around Bo Jinchuan’s shoulders.

“Sorry, Bo Jinchuan...”

“Huh?”

Shen Fanxing moved forward and whispered something into his ear.

Bo Jinchuan stumbled suddenly as he held her in his arms.

He lowered his gaze to the grinning woman and gritted his teeth quietly.

“How I wish I could devour you alive.”

Nonetheless, he still carried Shen Fanxing back to the mansion.

Aunt Zhang and the rest were busy cleaning the living room. When they saw Bo Jinchuan walking in with Shen Fanxing in his arms, they were so shocked that they couldn’t react.

It was only when the two of them had gone upstairs that the servants snapped back to reality.

“Oh my god, Master... actually has a woman?”

“You only knew it today?”

“No, no, no. What I mean is, I can’t imagine that. Master looks like an otherworldly, noble and ascetic deity. I couldn’t picture what he would look like when he does that sort of thing...”

There was a moment of silence in the living room before someone whispered,

“I heard that men like him are more ferocious in bed...”

Ferocious...

...

The door to the bedroom was kicked open and Shen Fanxing was placed on the bed by Bo Jinchuan. Then, his heavy body pinned her down.

Shen Fanxing sank into the soft covers and looked up at Bo Jinchuan in a slight panic. The next second, her lips were captured by the man. The tip of his tongue brushed past her teeth, as he tasted her sweetness.

“Do you mean that I can lift the ban?” asked Bo Jinchuan as his dark orbs glinted dangerously.

“I feel that... the advice from the internet makes sense.”

Shen Fanxing’s misty eyes were locked with Bo Jinchuan’s fiery ones and her heart raced wildly.

The man let out a low and seductive chuckle. His thin lips glided across hers as he kissed her smooth chin, all the way to her exquisite collarbones.

Shen Fanxing grabbed his expensive shirt tightly, and it was soon creased.

The man’s kiss landed on her earlobe and Shen Fanxing shrunk her shoulders.

“Bo Jinchuan...”

She panted softly as the warmth of his touch and his deep breathing made her tense up.

She suppressed the desire and shivers that were surging through her body. “Enough... that’s enough...”

Chapter 366: Something Will Happen

She suppressed the desire and shivers that were surging through her body. “Enough... that’s enough...”

His warm palm pressed around her waist while his long fingers pulled at the hem of her shirt. In an instant, he pressed his palm against her skin.

Shen Fanxing gasped and her eyes widened.

Bo Jinchuan’s warm hand roamed around underneath her shirt, and he was extremely pleased and satisfied with her smooth skin.

“Enough... Something will happen if we continue...”

Shen Fanxing gasped lightly as she pressed her hand on the back of his.

“You are talking terms with me at the moment when I’m most determined? Shen Fanxing, don’t let me nab you!”

Bo Jinchuan’s low rumble sounded, and he suddenly bent and bit her lips.

Shen Fanxing blinked at him. The viciousness and fire in the man’s voice made her panic.

She had a feeling that if the time really came, she might really die a few times.

“I’m going to take a shower.”

After calming down, Shen Fanxing pulled away from him and looked into the man’s eyes meekly.

The moment she got up, Bo Jinchuan grabbed her wrist again. His low and hoarse voice made her heart tremble uncontrollably.

“Shower here.”

Shen Fanxing froze as the first thing that flashed across her mind was the message that Bo Jinchuan had sent her that afternoon.

Now, the last thing left was that she was going to sleep with him.

She hesitated before nodding.

“Go on, put on my clothes,” said Bo Jinchuan with a smirk. He walked to the wardrobe and stuffed a shirt into her arms.

“This...” Shen Fanxing looked at the shirt in her hand and hesitated.

“Why?”

Bo Jinchuan lowered his gaze to look at her. His eyes were gleaming and his voice was hoarse. The look on his face seemed as though he would pounce on her any time. She shook her head.

“I’m fine.”

Blushing, she walked into the bathroom as she hugged the shirt to her chest.

...

After showering and washing her hair, she picked up Bo Jinchuan’s shirt and put it on.

Initially, she was worried that the shirt wouldn’t cover her properly.

But looking at her reflection, she saw that the shirt had covered her thighs. She had worried too much.

For a woman, she wasn’t considered petite. She didn’t expect that a man’s shirt would be this big on her.

The bathroom door opened and Shen Fanxing walked out, and her hair was dripping.

Bo Jinchuan looked up slowly as he sat on the couch. He placed his laptop aside as his dark gaze trailed towards her. He watched the way she walked to the bed with his shirt on. She then sat down on his bed before she dried her hair. Her fair and slender legs were pressed tightly together. She didn’t move her body at all, but her movements were captivating.

He could smell that she had used his shower gel. But when she used it, a different refreshing scent wafted into his nose along with the unique scent of a woman.

He stood up and the atmosphere in the room changed instantly.

He took the towel from her and rubbed her hair.

“Sleep here tonight, okay?”

Shen Fanxing clenched her fists and looked up at him. Their gazes met and her eyes resembled thousands of lovely stars reflected on the lake's surface.

She blinked gently and nodded quietly. "Okay."

Chapter 367: Pleasing to My Ears

She blinked gently and nodded quietly. "Okay."

Something gleamed in Bo Jinchuan's eyes and he planted a kiss on her forehead.

"Go to bed and rest."

After Shen Fanxing nodded in response, he turned to go to the bathroom.

When he came out, Shen Fanxing was already lying on the bed. The bulge under the covers outlined her slender figure, and she had belonged solely to him in his territory.

Before he met her, he had never imagined that today would happen—

A woman would appear in his life.

His dark orbs scrutinized the figure who had taken up a corner of his bed. He pressed his lips.

"Are you asleep?"

With her back facing him, Shen Fanxing's fingers turned white as she gripped the covers.

"No..."

Shen Fanxing's clear voice sounded in the bedroom and the other side of the bed suddenly sank. Then, the covers were lifted and a strong arm was wrapped around her waist. With a little force exerted, she was pulled into his embrace.

She gasped out in surprise as the overwhelming scent of the man enveloped her. The refreshing shower gel and the warmth of his body was mixed together with hers.

"Why are you so nervous? Where's your confidence from before? You shouldn't be nervous now."

The strong resentment from him...

She looked up at him and reached out to pat his waist lightly.

"It's unavoidable. Bear with it."

"I've been all this time."

Hearing the grievance in his voice, Shen Fanxing couldn't help but feel guilty. Her eyes darted around before she asked suddenly,

"Qingzhi called me today. You want me to participate in the scent-making contest with Shen Qianrou?"

He loosened his grip on her waist and allowed her to rest her head on his arm.

“Yes. Take this opportunity to settle the plagiarism incident back then.”

Shen Fanxing looked up at him in surprise. “That’s your motive?”

“Why? You’re not confident of winning?”

“Not really, but your decision has angered Qingzhi.”

Bo Jinchuan raised an eyebrow and asked, “You want me to help her secretly?”

Shen Fanxing paused and shook her head. “Qingzhi doesn’t advocate using connections to get what she wants. However, since she has the connections, it’s a pity that she didn’t make use of it.”

She paused before asking, “Will you use your influence then?”

“Why should I? She’s not you.”

Upon hearing that, Shen Fanxing’s lips curled into a faint smile as her heart warmed.

“I have to prepare well and strive to enter your mall. Does that mean I’m your colleague?”

“Hmmm, sounds good. After the competition, you can come to my company and be my special assistant, okay?”

“Special assistant? Like Yu Song?”

Bo Jinchuan’s face darkened and he lowered his head to bite her lips. “Do you think Yu Song and I can be this intimate and share kisses?”

Shen Fanxing blinked, her beautiful face turning red. But she couldn’t stop herself from bursting into laughter.

“The rumors are flying around saying that you and Yu Song are a couple. In the eyes of others, both of you can hug and kiss like that...”

Upon hearing this, Bo Jinchuan’s face fell completely.

Shen Fanxing suppressed her laughter and patted his waist comfortingly. “Don’t mind that.”

He was speechless...

“Moreover, I can’t be your special assistant. I still have Stars International to manage.”

Bo Jinchuan glanced at her and said wistfully, “You’re busier than me.”

“Once Stars International is on track, I’ll step down and focus on my husband and children.”

Bo Jinchuan grinned and said, “The last sentence you said tonight is the most pleasing to my ears.”

Shen Fanxing grinned and quipped, “Do you want to hear something even more pleasing?”

“Tell me.”

Chapter 368: You’ll Drive Me Crazy One Day

“Tell me.”

“I want you to marry me. I want to marry you. I want to be your wife. I want to do so many things with you...”

She enunciated each word slowly and clearly. Her bright twinkling eyes stared intently into his, and her expression was filled with an unprecedented sincerity and affection.

Bo Jinchuan’s heart pounded so hard that even the deaf could hear.

He bent and captured her lips once again. He was ferocious, and he wished that he could devour her whole!

“You’ll drive me crazy one day.”

After their passionate kiss, Bo Jinchuan narrowed his eyes and surveyed her. His deep voice was full of restraint.

Shen Fanxing panted lightly before biting her lips and burying her face in his embrace.

Bo Jinchuan held her tightly as their hearts raced...

...

Even though Shen Qianrou’s scandal didn’t have much of an impact on the Su Corporation, there were still a few investors who wanted to withdraw their investment.

The Su Corporation held several dinners at the club, but they still lost two investors.

After leaving the club, Su Heng sat in the back of the car. He massaged his temples and his handsome face was cold and grim.

Other than the time the Su Corporation had plunged into a crisis and had almost gone bankrupt, he had never attended so many dinners to socialize and entertain.

“No matter how much investment it is, as long as the other party invests, we have to be grateful and thankful. Even if the investors fork out money to test the waters, they have chosen to trust us. Every yuan is a form of pressure. We can only prove to the investors that they have not invested wrongly. With a start, there will be a future. The investors will trust us and continue to invest in us. Don’t underestimate any investment. Even if we only have a single yuan, we’re still rich.”

That was what Fanxing had said at a meeting when she first came to the Su Corporation. She was only 23 years old back then, but she was already so confident and capable.

At that time, she had really gone all out and she had always stayed by his side.

She had helped him through all the challenges and obstacles...

His phone suddenly rang. It was Shen Qianrou’s personal ringtone.

Su Heng glanced at it briefly but he didn’t pick it up. He allowed the phone to continue ringing.

After a while, it stopped abruptly.

Twenty minutes later, at Su Heng's private mansion.

Su Heng entered and pulled off his tie. Out of habit, he opened the bathroom door and saw a delicate and alluring woman lying in the bathtub.

Bright red rose petals floated on the surface of the water, and it contrasted with the fairness of the woman's skin. Next to the bathtub was a bottle of red wine and a wine glass.

Shen Qianrou's eyes were closed as she leaned against the edge of the bathtub. Sensing movement, she slowly opened her eyes.

"Brother Heng, you're back?"

Shen Qianrou's gentle voice sounded as she stood up slowly.

She was naked and there were a few red rose petals clinging to her fair skin.

Something flashed across Su Heng's eyes. "Why are you here?"

"Because I knew you would be back tonight."

Shen Qianrou stepped out of the bathtub and hooked her slender arms around Su Heng's neck. She then pressed her body tightly against the man.

Taken aback, Su Heng slowly placed his hands on the woman's waist.

"Brother Heng..."

When her red lips parted, Shen Qianrou tiptoed to kiss Su Heng. She boldly stuck out her tongue to get past his teeth. She then licked his lips seductively again and again. With her delicate hand, she slowly unbuttoned Su Heng's shirt.

Being so initiative, seductive and bold, how long could a man resist before he crumbled? A woman has thrown herself at a man with no reservations.

Su Heng tensed as her warm and soft hand caressed his hard chest.

Shen Qianrou kissed him even harder.

The alcohol inside Su Heng rushed across him and his body swayed slightly. He bent down to carry Shen Qianrou before walking out of the bathroom.

Chapter 369: I'll Seize It

They fell on the bed, and their breaths were rapid and hot. Shen Qianrou tried her best to kiss Su Heng as she unbuckled his belt.

Su Heng kissed her back passionately as well. But when the woman called him repeatedly and impatiently, his body froze and his grip on Shen Qianrou's waist loosened. He then pulled away.

"I have some matters to handle. You... should sleep first."

Su Heng was about to leave after saying that when Shen Qianrou panicked. She jumped off the bed and hugged him tightly from behind.

“Brother Heng, can you not be angry anymore? I really didn’t mean to harm Sister last night... I admit that I don’t like her. But I have the intention to treat her as my sister. But all these years, she has never thought of treating me as her sister. She has rejected me time and time again. No matter how hard I tried, I was worn out by her. But I love you. I snatched you away from her. It’s something I owe her for life.”

“I’m really conflicted. Brother Heng... but I won’t hurt her... Brother Heng, don’t ignore me. Don’t distrust me, okay? I’m so sad, I’m really so sad... You have no idea what I’ve gone through today...”

Don’t distrust her...

Su Heng closed his eyes tightly as his temples throbbed in pain.

If he had trusted Fanxing more back then, perhaps...

They wouldn’t have ended up like this today!

Recalling the hurt he had caused Fanxing when he didn’t trust her, his heart ached and he felt helpless.

Trust...

“Qianrou, haven’t I given you enough trust?”

Shen Qianrou choked and wound her arms around Su Heng tightly. “Enough, it’s enough. So Brother Heng, please continue to trust me... I’m really scared. Please don’t treat me so coldly... Don’t leave me...”

Su Heng was mentally and physically exhausted. Shen Qianrou’s sobs and choked voice made his heart ache. He finally couldn’t bear it and slowly turned around. Indeed, Shen Qianrou was already weeping as tears streamed down her face.

He knew how much pressure she had to endure after what happened, but...

Su Heng took the blanket from his bed and draped it over Shen Qianrou. He took a deep breath as though he had made a major decision.

“Qianrou, leave the entertainment industry.”

Shen Qianrou froze, and her reddened face paled instantly.

“In that industry, there are too many people staring at you with magnifying glasses every day. Any flaw or error will be magnified infinitely. There is too much trouble. Can’t you just stay by my side? The Bo Consortium has sent us a notice today. The Su Corporation and Zhi Qin Cosmetics will be participating in the French scent-making contest in three months. The winner will successfully enter the Bo Consortium mall. Can’t you just be Rosanna? You won’t have to be so tired either...”

“Brother Heng, no... How can I... No, Lan Yun Entertainment can’t do without me now. Grandma won’t agree either... And I don’t want to either. I haven’t achieved what I wanted yet. I can’t be defeated by this little setback... Brother Heng, I’ll attend the scent-making contest. And I’ll definitely win. As for

quitting the entertainment industry, it's too sudden. Can you give me some time? Brother Heng... I beg you..."

Su Heng studied her quietly before sighing deeply.

"I won't force you. Calm down first. Go to the capital city with me next week. Like I've mentioned before, it's Old Master Pei's 88th birthday..."

Shen Qianrou nodded frantically and said, "I know, he is the biggest investor in the Su Corporation. I will perform well and not embarrass you..."

Su Heng surveyed her once more before sighing to himself. "You should rest first. I have unfinished work."

In the end, he left with a nonchalant expression.. Shen Qianrou watched as he closed the door before he left. Her face was pale as she slowly sat on the bed...

Chapter 370: The 88th Grand Birthday Celebration

In the capital city.

Despite being the wealthiest family in the capital city, the Pei family's old residence was simple and humble. It wasn't ostentatious, but it was warm and homely.

Old Master Pei didn't like having his house as a venue for celebrations, so he chose a seven star hotel owned by the Pei corporation.

It was also what young people liked.

Even though it was the old master's birthday celebration, everyone wanted to seize the opportunity to get to know the Pei family.

Countless luxury sports cars stopped at the entrance. Entrepreneurs, businessmen, celebrities in expensive suits and extravagant gowns and streamed into the hotel in pairs.

The reporters outside raised their cameras and snapped photos of the rich and powerful people. They might not have another chance to see some of these elusive people ever again.

Old Master Pei had carried a gun and fought the Japanese army before. He came from a military family, and even after he entered the business world, his family still served in the military. Currently, his eldest son wielded power as a senior official in the capital city.

Needless to say, the Pei Corporation had dominated the business world for many years and their position had never wavered.

At this event, officials and businessmen had gathered today. The scene was indeed unprecedented and magnificent.

Old Master Pei's second grandson, Pei Anzhi, had provided many headlines for the media back then. As a result, his granddaughter-in-law was upset and affected by those headlines. This made Old Master Pei develop a dislike for these reporters.

Thus, these reporters could only wait at the entrance of the hotel, hoping to dig for some news.

Shen Fanxing and Bo Jinchuan had reached the hotel the day before.

Shen Fanxing, Bo Jinchuan, Xu Qingzhi, and Yin Ruijue, who had insisted on tagging along since he had nothing better to do, were headed to the event hall. Not long after, they met the couple, Pei Anzhi and Ye Susu on the same level.

Although the couple already had a son and daughter who were around the same age as them, their splendor and beauty didn't diminish.

Pei Anzhi wore a lavish suit that wrapped around his tall and lean body. His dark eyebrows reflected his usual coldness and distance. A beautiful woman was wrapped around his arm. Her long hair was pulled back into an elegant hairdo and she was wearing a simple champagne-colored evening gown. Exquisite pearl earrings decorated her ears. She was intellectual and graceful, and she looked like a classic Asian beauty.

"CEO Pei, Madam Pei."

Shen Fanxing shifted her gaze and stepped forward to greet Pei Anzhi and Ye Susu.

Ye Susu looked at Shen Fanxing and nodded with a smile.

Pei Anzhi didn't respond.

"You're here."

To Pei Anzhi, he didn't care who the other party was. The only one whom he could tolerate was his wife.

"I'm really sorry about what happened previously. I should have come earlier..."

"That's nothing. I've read news worse than that. I'm used to it."

Upon hearing that, a subtle awkwardness flashed across Pei Anzhi's dashing face.

Bo Jinchuan raised an eyebrow and looked at Pei Anzhi. "That's good, it's time to settle our scores."

Ye Susu turned to glance at Bo Jinchuan and Pei Anzhi before smirking. "Take your time then. We'll get going."

Pei Anzhi opened his mouth to ask his wife to stay, but Ye Susu had callously left him with Bo Jinchuan, the ignorant rascal.

...

There was no lack of good-looking men and beautiful women in the hall. All of them wore long gorgeous gowns and tailor-made suits.

Shen Fanxing's outfit tonight wasn't outstanding.
