"Harvey, you changed from the chairman to a worker. This feeling is not really great, I think you can adjust to it.

All the best." After stating this, Samuel did not appreciate Harvey's disrespect with him recently, and left straight.

If he wished to make a fuss about it, Harvey would certainly have passed away long ago.

Nevertheless, in the current situation, Harvey did not violate his bottom line.

Harvey took a few actions sideways as well as made way for Samuel. He did not dare to quit him. He might not beat him, so he could only speak.

Liam trembled his head and also said, "It's far too late. If you do not wish to give up, the most effective method now is to offer the business.

This is the very best recommendation I can give you. When it comes to participation, it's difficult."

Harvey saw Liam will get in the vehicle, so he merely stood in front of him and also said, "Bro Liam, offer me an opportunity to discuss it. I just ended up being the chairman. I do not wish to offer the company such as this."

" You can only criticize yourself. Additionally, offered your ability, you are not ideal to be the chairman. You are pointless." Liam said with antipathy.
