Now it seemed that he had not forgotten that there was still a chance to settle her kindness.

The next day, at the passenger's terminal, the only Rolls-Royce in the area was parked at the eviction of the traveler's station.

Everybody understood that this car and truck came from Tang Zong, so those that were seeing were curious regarding why Flavor Zong would certainly pertain to a place like the passenger terminal. If he was someone worth inviting personally, after that what type of individual would certainly he be?

Ultimately, under everybody's expectant eyes, a subtle boy walked to the side of the car.

Tang Zong, such a big shot, really directly got out of the car and truck to unlock for him, which shocked individuals that were enjoying from the side.

"Who is he or she? He actually desires Flavor Zong to pick him up, and he wants Flavor Zong to unlock for him!"

"He's not very old. He's in his twenties. Is he that great?"

"He seems to be more effective than Tang Zong. Is he from our Bin County?"

The chatter was countless in the crowd, and also there were also several busybodies that took images of the people getting on the auto as well as sent them to their WeChat minutes in wonder.

In the car, Tang Zong seemed to be a little cautious. He was currently the most renowned individual in the city, he didn't risk to be egotistic in front of Samuel.

Also the vehicle driver was surprised. Consider those large managers and also authorities. It was difficult for them to meet Flavor Zong. And those people called him Head of state Tang before him, and they really did not risk to be rude.

And now, this boy had actually triggered Tang Zong to be so careful. The vehicle driver could not imagine what kind of individual this person was.

" Mr. Hannigan, it's been a long time because we last met. I believed you have actually forgotten about me," Flavor Zong addressed Samuel pleasantly.

" This shock is respectable. As soon as you seem like Bin region can't satisfy you, involved Cloud City and try to find me," Samuel stated.

Tang Zong's capabilities might remain to be nurtured, so he was willing to give Tang Zong another chance.

Hearing this, Flavor Zong's face flushed with exhilaration. Without any conceal, he claimed, "Thanks, Mr. Hannigan. Thank you, Mr. Hannigan."

" You do not have to thank me. Given that you have actually seized the opportunity, it doesn't matter if I aid you again. Bear in mind one point: don't betray me, since I haven't learned just how to forgive individuals yet," Samuel claimed lightly.
