

Chapter 3680

When the voice fell, the whole hall was quiet.

The silence is almost audible.

Along with these silences, there is solidification, the solidification of everyone's smiles.

Ming Yu was also completely stunned, staring at the man in black motionlessly.

"What are you talking about?" Ye Shijun moved slightly, letting the frozen smile slip away, and under his thick brows, he was filled with strong doubts and a hint of displeasure.

The man in black buried his head even lower: "In the middle of the night, we still harassed and attacked Han 3000, and his energy shield was almost completely broken under our attack."

"But just now, He suddenly sat up, we thought he was going to attack, but when we wanted to stand up to fight, we were stunned to find that he had found a woman from nowhere

. It seems..."

Ye Shijun snorted coldly:

"It seems to be what?"

"It seems to be talking about love!" The man in black felt that he couldn't go on anymore.

Not to mention those who listened, even the person who said it felt that this matter was outrageous in the grandmother's house. In the battlefield of life and death, there are still people doing this kind of thing, which is simply bizarre and nonsense.

"Damn, you are talking nonsense!" Ye Shijun was furious, got up one by one and grabbed the leader of the man in black. He lifted him up under strange force, and cursed: "Damn, you have something wrong in your head, right? "How dare you use this kind of thing to talk nonsense?"

It was really uncomfortable for the man in black to be arrested, and desperately begged for mercy:

"Young Master Ye, everything your subordinates said is true, there is absolutely no falsehood, and I don't dare to talk nonsense in front of you and your management, please let me know. "

You still want to spray feces all over your mouth?" Ye Shijun increased his strength, his eyes seemed to eat people.

"Enough." Ming Yu snorted angrily. He was extremely disgusted by Ye Shijun's hysterical, incompetent barking appearance. It was obviously his own random guessing, but after being slapped in the face by the information of the soldier, he was unable to vent to the soldier, and was really speechless.

Hearing Ming Yu's order, Ye Shijun was unwilling to put down the man in black, but his anger still remained, and he turned around and slammed a punch on the stone case to vent his emotions.

boom!

Although it seems that the strength is not large, it is actually very strong, and the solid stone case suddenly turned into powder and scattered on the ground.

“What kind of trick is George Han playing?”

“It’s nothing more than sleeping, what about this girl?”

“Yeah, even an extremely lecherous person, it is absolutely impossible for him to return at this time. I’m in the mood...”

“This...” The

group of people lost their previous joy and turned into a cloud of sadness and confusion.

Zhu Yanshuo knew that this time was actually the best time for him to speak, but in fact, he couldn’t figure out George Han’s strange behavior now. In order to avoid the embarrassment of Ye Shijun, he didn’t say anything.

Mingyu also took a long breath. Even though she believed that she had been with George Han for a long time, she knew him quite well, but at this moment, she was completely puzzled.

What is he doing? !

“Haha, hahaha!”

However, under such a tense atmosphere, bursts of laughter broke everything.

When everyone turned around in surprise, they saw that this person was a senior executive of the Ye family.

“Ye Ning, what are you laughing at?” Ye Shijun asked back in confusion and a little dissatisfaction.

“I’m laughing at all of you for interpreting him George Han too much.” Ye Ning said softly.

Zhu Yanshuo stared at him cautiously, and said, “Brother Ye, why did you say this?”

“Hehe, it’s a so-called

peony flower to die, and it’s fun to be a ghost. Now we have the chance to win. Regarding this point, I think everyone They are all well-informed, right?”

“So, in this case, what can George Han do?”

“Isn’t it a good time to enjoy yourself before you die? At least, it’s not a waste of life.

” As soon as the words came out, many people nodded and said yes. After all, if they thought about it from another angle, if they were in that kind of environment, I am afraid they would have done such a thing.

There is a saying that is good, the end is coming, who doesn’t indulge themselves?

Ming Yu didn’t speak, and looked at Zhu Yanshuo. Zhu Yanshuo frowned and didn’t rush to answer. After a long time, he suddenly turned his head: “No, it’s not that simple, George Han has other plans.

” Brother Ye is right, but he is also wrong.”

Hearing his voice, everyone looked at Zhu Yanshuo in doubt, wondering what he meant.

Chapter 3681

What is right and wrong? !

“City Lord Zhu, if you have something to say, you might as well say it directly.”

“Yes, City Lord Zhu, what do you mean by right and wrong? It’s right if it’s right, and it’s wrong if it’s wrong.” A group of

people It’s weird, so they asked.

Ming Yu didn’t know much about this either, looked at Zhu Yanshuo, nodded at him, and motioned for him to continue.

Zhu Yanshuo took the lead, bowed his head slightly, and explained: “Zhu thinks that Brother Ye is indeed right, and we don’t need to interpret George Han’s actions too much.”

“As for what he said wrong, George Han is definitely not true. What lecherous person, otherwise, if this is the case, why risk death, after learning that we have arrested Amelia Su and others, still come to rescue?”

Ming Yu nodded, this point, Zhu Yanshuo said that Reasonable.

Based on what she knew about George Han, George Han really couldn’t be the kind of man with a sloppy guts, he was a very single-minded person.

Otherwise, George Han would have already fallen for a perfect woman like Lu Ruoxin, so why wait until now?

“Continue.” Ming Yu said.

With Mingyu’s approval, Zhu Yanshuo seemed to have taken a reassurance, nodded, and became more confident: “Actually, I think that George Han’s actions are just a trick, or, in other words, just an upgraded version of sleep.”

“The purpose, It is to stimulate us, make us blind, so as to gather the crowd to attack him and complete the situation he wants to see.”

As soon as the words fell, many people nodded again and again at this time. Zhu Yanshuo’s analysis was indeed well-founded and well-founded. The possibility of George Han doing this was even greater.

“It’s as if we are singing and dancing here now. He must have heard the sound of singing and dancing here, so he made a stronger counterattack.

” Someone nodded.

Mingyu believes that Zhu Yanshuo’s words should be the truth of the matter.

Seeing that City Lord Zhu’s remarks attracted more people’s reluctance, Ye Ning was a little dissatisfied.

First, all the beginnings were proposed by himself, and Zhu Yanshuo just made some changes and extensions on his own basis. Second, he did not think that Zhu Yanshuo's analysis was better than his own.

Immediately he snorted dissatisfiedly and said: "Hmph, everything is just speculation, I am guessing, isn't City Lord Zhu's guess? If so, why does City Lord Zhu say that I am half right and half wrong? , not that you were half wrong, half right?" As soon as

he spoke, Ye Shijun nodded slightly with some satisfaction, and the executives of the Fuye family immediately stood at his point and nodded again and again.

"Brother Ye is guessing, but Zhu's is not guessing." Zhu Yanshuo laughed.

"Hmph, City Lord Zhu spends all day with me in the hall looking for fun. Is it possible that he can still have clairvoyance and Shunfeng's ears, so he can see and hear George Han clearly?" Ye Ning said coldly.

Zhu Yanshuo smiled slightly, but in the face of such doubts, he did not show any panic.

He walked a few steps to the man in black, smiled at everyone, and said, "Prove that what I said is true." When he finished

, he looked at the man in black: "Let me ask you, George Han The woman next to her is a stunning beauty?"

"Exactly, that woman is as beautiful as a fairy, it's indescribable."

"How is the beauty of the elder Shenlong in the hall?" Zhu Yanshuo asked.

The man in black looked at Ming Yu tremblingly, and said, "Elder Shenlong is an indescribable beauty, it's simply... the best in the world."

"Okay." Zhu Yanshuo smiled: "Elder Shenlong is indeed the best in the world, but I believe, Compared with the women George Han has brought with him, Elder Shenlong

definitely pales in comparison, I said that, right?"

The man in black was sweating coldly, this question was shocking and moving, but he Still nodding, admitting the truth: "Yes."

Zhu Yanshuo smiled lightly: "Again, that woman's appearance can almost instantly captivate the soul, and, most importantly, the appearance of this woman, to you, is Doesn't it look familiar?"

The man in black was stunned when he said these words, but he seemed to have a bit of an impression after thinking about it carefully.

Zhu Yanshuo made a decisive decision and shouted coldly: "It's my sister's previous appearance, or, in other words, that woman named Xia Wei, I said that, right?" After the

words were finished, Zhu Yanshuo was able to form a person. Mutually.

When the man in black looked at the portrait, he suddenly remembered something, and looked at Zhu Yanshuo in fear: "How...how do you know?"
