

Chapter 371

Wen Qiao looked at Xu Tianyu and pursed his lips. "I'm sorry, senior, I've given you trouble again!"

"Nothing!" Xu Tianyu's face was as warm as jade. He said frankly, "if our mouth grows on other people's bodies, what we can do is have a clear conscience."

"I'm really late just now. I've wasted everyone's time!" said Wenqiao

"It's the same whether you come early or late. Some things can't be related to yourself! You are late or a little late, in fact, for them, there is no difference! She was just told by me that she was angry with you!"

Winjo clenched her lips and said nothing.

Her heart is still a little uncomfortable, if not for her late, Xu Tianyu will not be gossiping.

Xu Tianyu comfortingly patted her on the shoulder, "go and get ready, wait a minute, it's your part!"

"Well, I went."

Wen Qiao put on her make-up, and Xu Tianyu's eyes were lit up. She couldn't help praising her: "Qiao Qiao, you are really beautiful. This role is just tailor-made for you. Believe me, you will become the most shining star."

"Senior, don't make fun of me!" Said winjo sheepishly.

These days, this kind of praise to listen to too much, she did not take it too seriously.

As for whether she can become famous or not, she can only listen to the fate of human affairs, but she doesn't insist on it.

Just then there was a sensation in the crowd.

"Who's here? You can see all the people in such a big battle!"

"Let's go and have a look. It seems that the president of Lishi group is here!"

Wen Qiao was shocked and looked up to the front.

Li Fengbei, surrounded by bodyguards, went this way. Wenqiao's heart began to speed up.

She clenched her lip, and there was a sharp pain.

This reminds her that the beautiful dream last night was not a dream at all, but a real one.

His face turned red.

Li Fengbei was wearing a pair of black sunglasses. He had an expressionless face and could not see any happiness or anger.

He raised his eyes. In the crowd, he saw Wenqiao at a glance.

Li Feng North Mou light is tiny a meal, just lift a leg, walked toward her there past.

A sweet voice suddenly rang out beside him, "Li Shao, are you looking for me?"

All of a sudden, the people around followed suit.

"I'm looking for Shiyi!"

"Shiyi, take the initiative!"

Do not know who pushed a behind, Xie Shiyi exclaimed, toward Li Feng North fell in the past.

Li Fengbei dodged and looked up again for the bright figure, but she had already disappeared.

In my heart, I was very upset.

Xie Shiyi fell directly on the ground and fell a dog gnawing mud.

All of a sudden, it was quiet. The scene was so embarrassing that the onlookers immediately dispersed.

Xie Shiyi burst into tears. Wei looked at Li Fengbei and held out her hand to Li Fengbei. "Li Shao..."

Li Fengbei didn't even look at her. He walked directly in front of her, and the bodyguard he brought with him also passed her without expression.

In the crowd, seeing this scene, someone couldn't help laughing.

"Toad wants to eat swan meat!"

"Yes, is Li Shao what she can think of?"

Xie Shiyi gritted her teeth with hatred. She was more sorry. She thought Li Shao had any idea about her. She didn't expect that she was all sentimental.

Seeing Xie Shiyi walking towards Li Feng's north, Wen Qiao turned and left.

Last night, Li Fengbei didn't refuse Xie Shiyi's flattery. It seems that he likes Xie Shiyi very much.

They had nothing to do with each other now, but she was still very upset to see him smile at other women.

Xu Tianyu looked at the change of her expression in his eyes. As soon as he felt a pain in his heart, he quickly converged and looked at her with a smile. "Qiao Qiao, let's change the location to shoot?"

"Good!"

Xu Tianyu took Wenqiao to a very high mountain. From the top of the mountain, you can see most of the scenery of B city.

This prosperous and ancient city is full of traffic.

Overlooking the whole city from the top of the mountain, I suddenly felt that I was very small. She was just a very ordinary member of the crowd.

This is not a tourist attraction. I didn't expect to see it from here, but the scenery is very beautiful.

"Senior, how did you find such a good place?"

Does she want to thank the developers for letting go of such a beautiful place? If it has been developed commercially, there won't be such a pleasant and quiet place here.

"Joe, if you feel unhappy, don't laugh. Here, you can't relax and be yourself!" Wenqiao suddenly a sour nose, eyes involuntarily red, "senior, I am not very useless!"

Xu Tianyu sat down on the big stone beside Wenqiao, sat side by side with her and patted her hairy head.

"In my heart, you are always the best!"

Wen Qiao recalled the past, dropped his eyes, slightly touched in his heart.

Every time when he was not happy, he would pat her on the head with his warm palms to comfort her.

She lowered her eyelashes to cover up her emotions and said in a soft voice, "thank you, senior."

Xu Tianyu raised his lips and said with a smile, "Qiao Qiao, do you feel better now?"

Winjo stood up, closed his eyes, took a deep breath of fresh air, "much better! Senior, let's shoot! Everyone is waiting for us!"

When Wenqiao and Xu Tianyu walked side by side from the top of the mountain towards the crew, everyone stopped their work and looked at them.

Handsome men and beautiful women form a beautiful landscape.

Some people can't help crying out.

"Let's get ready. The first scene will start right away!"

The first scene is the match between Wen Qiao and Xie Shiyi.

Su Wu, a girl played by Wen Qiao, and Su Mei, a girl played by Xie Shiyi, were originally a pair of sisters with good feelings. Later, they became the most powerful enemies in order to compete for favor in the harem.

It's on this beautiful mountain peak that girl two and girl one officially split their skin.

According to the needs of the plot, Xie Shiyi will slap Wenqiao in the face.

Xu Tianyu said: "fake fight here, you can borrow a seat, two people's expressions should be in place, action!"

Lighting, photography, everything ready.

Xie Shiyi pointed at Wen Qiao angrily, "Su Wu, the person Li Tianqi likes is me, can't you give him to me?"

Wenqiao lowered her eyes. Under the setting sun, she stretched her pretty shadow, which seemed a little lonely. Her voice was very light, as if it had been blown away by the wind.

"Sister, in the palace, there is no emotion to speak of, he is just using you!"

Chapter 372

At a simple age, she also fancied that it must be happy to marry her beloved man, but in the palace where people eat without spitting, it's just power and utilization.

Their su family is useful to the emperor, and all the emperors will look at her more. It has nothing to do with love.

Seeing that she was out of his control, he decided on his sister Su Mei.

Su Mei's temperament is simple. Li Tianqi says some sweet words to her, and she thinks she has met true love.

She doesn't want her sister to follow her old way. She must stop her from marrying the emperor.

Su Mei doesn't get her feeling, thinking that she is jealous of herself.

"It's not like that, Su Wu. You are jealous that I am favored by the emperor, aren't you?"

Su Wu said: "sister, he doesn't love you! He's just using you! "

"I don't want to listen, Su Wu. You are just jealous of me. I'm the one he loves!"

Su Mei suddenly becomes excited and gives Su Wu a slap.

With a bang, the whole room was quiet.

Winjo's face was deflected and five fingerprints quickly appeared.

Xie Shiyi covered her mouth as if she had been frightened and exclaimed, "Wenqiao, I'm sorry! I didn't mean to

It's not intentional. In the direction you can't see, the corner of your mouth marks a successful arc.

She did it on purpose. She didn't know what to do last night and offended Li Shao. She also lost a good chance.

Xu Tianyu walked over anxiously, "Qiao Qiao, is there anything wrong?"

Wenqiao shook his head, pulled the corner of his mouth, and showed his teeth in pain, "it's OK!"

Looking at the five distinct fingerprints on Wen Qiao's face, Xu Tianyu's face was so dark that he could drip water, "Xie Shiyi!"

Seeing that Xu Tianyu was going to stand out for himself, Wenqiao quickly grabbed him and shook his head. "Senior, I'm ok. I'll go to make up and shoot again!"

She didn't want Xu Tianyu to stand out for her, and she didn't want to spread further rumors with him.

Xu Tianyu saw her idea, his eyes darkened for a moment, and finally nodded, "go!"

Not far away, Li Fengbei closed the scene in his eyes, his eyes burst out of a strong anger, and the low pressure all over his body iced the air.

"What's the name of that woman?"

He asked the North Qin, cold voice like hell ice.

Looking at Li Fengbei's face, Bei Qin silently ordered a wax for Xie Shiyi.

As far as the Xie family's ability is concerned, it's not enough to see it in front of the north of Li Feng.

"Miss Xie, it's Xie Shiyi!"

"The Xie family?" Obviously, Li Fengbei couldn't remember which Xie family.

Beiqin explained: "it's the newly rich in B city not long ago. Her father was promoted by Su Yuantu."

"Oh?" Li Feng North dangerous squint, in his eyes, Xie family has no need to exist.

"Beiqin, you know what to do!"

There was no accident in Beiqin. With a faint smile, "the Xie family cooperates with Su Yuantu. This account will be settled sooner or later. I have found out the evidence for a long time. I'm just waiting for your order from the president!"

"Very good!" Li Fengbei nodded, but his eyes didn't move away from Wen Qiao.

He watched Xu Tianyu leave with her. About ten minutes later, Wenqiao mended her make-up and started shooting again.

This time, just like last time, the expression on winjo's face was not affected by the slap just now.

Xie Shiyi slapped Wenqiao just now, and she was very relieved.

She was too involved in filming, so she did not take it lightly. Instead of blaming her, people would say that she was serious in acting.

The second time, she wanted to do the same thing again. Her eyes flashed a little fierce. She raised her hand and waved it to Wenqiao's face, but Wenqiao grabbed her wrist.

On the beautiful face, the expression is cold and gorgeous.

She raised her red lips to Xie Shiyi's ear and said faintly, "sister, if Tianqi can see your pungent appearance, do you think he will like you?"

"What do you mean?" Feeling threatened, Xie Shiyi becomes angry and waves Wenqiao's hand to slap her again.

But he was slapped by winjo's backhand.

Xie Shiyi didn't expect that Wenqiao would hit her suddenly, and she almost fell down.

She covered her face, big eyes glared at Wenqiao, "you bitch, you dare to hit me!"

"What's the matter with me? I'm your sister! If you're not awake, I'll help you wake up!"

This is completely different from the script, and the assistant director next to him shouts, "card!"

"Go on!" But he was stopped by Xu Tianyu, and his eyes radiated excited light, "don't stop, continue shooting!"

Xie Shiyi was stunned by Wenqiao's strength for a while. After a while, she came back to her senses and rushed to fight with Wenqiao. Delicate face ferocious, ugly, "cunt, you dare to hit me?"

Wen Qiao easily dodged and looked at Xie Shiyi with a look of hatred. "Sister, we have never been in a desperate relationship. In this deep palace, if we don't unite, our sisters will become the fish of others."

Wenqiao this way, Xie Shiyi mad, rushed to hit Wenqiao.

Xu Tianyu finally called to stop impatiently, "Xie Shiyi! If you don't know how to film, go home! Wenjo was in good condition just now. What do you want to do there?"

"Director Xu, she hit me..." Xie Shiyi covered her face and said wrongly.

"Didn't you hit her just now? What's wrong!"

Xu Tianyu said without expression, "come again, change the plot, just follow the plot just now! Before the woman's character is really too baozi, in the back of the palace for two years, the character of a strong point more in line with

After hearing this, Xie Shiyi couldn't even pretend. She retorted inconceivably: "no way! It's clear that I slapped her. How did she slap me?"

Xu Tianyu gave her a cold glance and said, "this is the need of the plot! If you want to shoot, shoot. If you don't want to shoot, get out of here as soon as possible!"

"Poof!" Wen Qiao laughed unkindly when he saw Xu Tianyu's poisonous tongue for the first time.

The crowd also began to point at Xie Shiyi, "what's the matter with Xie Shiyi? That one was so good that I was fascinated by it. She couldn't pick up the play?"

"Yes, it doesn't look like a new man!"

"Totally crushed by new people!"

Lin Zonghao looked at the movement here, put away the mobile game, got up from the reclining chair, came over, saw the palm print on Xie Shiyi's face, and frowned tightly, "Shishi, what's the matter? Why is your face swollen?"

After this time together, we all know that Lin Zonghao is pursuing Xie Shiyi.

Xie Shiyi's attitude towards him is not to refuse or accept. Lin Zonghao is very proud and willing.

Chapter 373

Xie Shiyi immediately cried with a face and said, "Hao Hao, Wen Qiao, she hit me deliberately. I don't know how to offend her!"

"Don't cry, Shishi! I'll get justice for you!"

Lin Zonghao walked up to Wen Qiao and asked angrily, "why do you want to write poetry? She's so soft and kind. How can you do it?"

Wenqiao stepped back two steps, not because she was afraid of Lin Zonghao, but subconsciously.

There was no waves in her heart, and she even wanted to laugh.

Is Xie Shiyi still weak? Her face is still hot!

Can't he see five finger prints?

She couldn't help clapping at their shameless appearance.

Before she spoke, Xu Tianyu stood in front of Wen Qiao with a gloomy face. "Lin Zonghao, what do you want to do?"

Although Lin Zonghao is not afraid of Wen Qiao, he is still afraid of Xu Tianyu. However, Xie Shiyi's father is one of the investors. As long as he says a word, Xu Tianyu does not dare to do anything to them.

Thinking about this, he said without fear: "Wenqiao wrote a poem and asked her to apologize!"

Xu Tianyu grabbed Wenqiao's hand and let her stand in front of him, showing her swollen little face. "It's OK for her to apologize, but whoever hurts her face will apologize!"

Lin Zonghao had been playing mobile games just now, but he didn't see Xie Shiyi beating people at all.

In his heart, Xie Shiyi has always been the kind of soft and weak people who need other people's protection. How can she beat people?

Immediately, patting the chest to ensure, "yes! Anyway, it can't be my poetry. My poetry is so kind! "

Words, around burst out a burst of laughter.

The palm print on Wen Qiao's face was made by Xie Shiyi. Just now, everyone could see it clearly. Lin Zonghao said that, but he was beating Xie Shiyi's face hard?

Xu Tianyu hooked his lips and said with a smile: "in this case, Xie Shiyi should apologize to Wen Qiao first."

Lin Zonghao has not yet turned the corner, "no, I'm talking about asking Wen Qiao to apologize to Shi Shi..."

"You are all assholes! Lin Zonghao, I hate you! " Xie Shiyi covered her face and ran out crying.

"Shishi, don't run away!" Lin Zonghao chased after him anxiously.

Apart from being handsome, Lin Zonghao has an average family background and no good resources.

Xie Shiyi is different. Her father is engaged in entertainment investment. As long as he catches up with this young lady, there will not be a lot of resources in the future.

Not far away, in the extended luxury car.

Li Feng's eyes fell on Wen Qiao's face, and the low pressure in the car.

From the morning until now, he has been following behind winjo, and does not feel that his behavior is a change, state voyeurism.

He threw a bottle of white porcelain to Rong Ba, "find someone to give this bottle of medicine to Qiao Qiao!"

Rong Ba took it over. It was a box of anti-inflammatory and analgesic drugs developed by Bai Yichen. The medicinal materials were expensive and hard to find.

I care about winjo!

However, Wen Qiao seems to have a lot of good luck. The famous Xu Dao escorts him all the way.

Rongba was not happy, and complained: "boss, before dawn, you pull me up. Look at my dark circles! Shouldn't you give me a little reward?"

Li Feng glanced at him in the north and said, "I'm going to reward you for a trip to outer space."

Rong Ba immediately said, "no, no, no! That's a scientist's business. Let's not make trouble!"

For the sake of one billion yuan, he has endured all these setbacks!

Just then, Lin Zonghao rushed to Wen Qiao.

From his point of view, just to see Wenqiao back two steps, a face of fear.

Li Feng North more see, eyebrow Cu more tight, low voice ask a way: "that man is who?"

Rong Ba glanced out of the window of the car and said, "this man is the hero of this play. Now he is very popular."

"I don't want to see him on the set again!" Command tone, unspeakable overbearing, autocratic.

Rong Ba looks at Lin Zonghao chasing Xie Shiyi, and his heart is clear.

"OK, it's just a little actor who doesn't know the greatness of heaven and earth. It's on me!"

Rong Ba takes out his cell phone and makes a call to Hao Ziyu.

Within an hour, Hao Ziyu appeared on the set.

Looking at the palm print on Wenqiao's face, she handed the white porcelain bottle in her hand and said in an apologetic tone: "Xie Shiyi, this kind of thing will never happen again next time. Apply it on her face first. This medicine is very effective!"

A lump on the face does affect make-up.

Wenqiao felt grateful and said thanks. He went to the dressing room, opened the medicine bottle, dug out a small one with his finger and put it on his face.

A unique fragrance came to her nose, and her fingers gave a slight meal.

Looking down, the pure white bottle body, Sanwu products, and even a manual are not available. Heart immediately doubt, this kind of medicine is not like the kind of medicine sold on the market.

What's more, how can this bottle body and fragrance be so familiar?

In the dressing room, the cast changed dramatically.

Male number one and female number two make trouble, and Hao Ziyu cancels the contract.

The script that was decided in the early morning also needs to be changed. Originally, it was about romance, but now it's about face.

After the collapse of her family and the betrayal of her lover, she planned step by step to eradicate her enemies, and then went to the top of her life.

The emotional line, just at the end, suggests that the woman will be with the general who has been following and protecting her.

There will never be hugs, not to mention kisses and boat shows.

Xu Tianyu was also quite satisfied with the change, and even went to the battle in person to play the No.1 man.

Hao Ziyu is naturally happy to see such an arrangement.

Just the gimmick of gifted directors, self directing and acting in their first play, ensures the audience of TV series.

Wenqiao was bullied on the set, and Rong Ba, the boss, was criticized by Li Fengbei.

Finally, Rong Ba came to the studio to supervise the production in person, but actually acted as Wenqiao's personal bodyguard.

Rong Ba is the national film king, known as the killer of the teacher's milk. Wherever he goes, he is followed by a group of women.

Then, in front of Wenqiao's eyes, there was a "fly" that was very annoying.

After three days, I finally couldn't bear it.

She rushed to Rong Ba angrily, "young master Rong, would you please stop wandering in front of me? Can you find somewhere else to cool off? "

Rong BA was despised, immediately aggrieved, "little sister-in-law, you have a look, how many women run behind my ass, you even drive me away, are you a woman?"

Wenjo, who had seen his scoundrel, turned his eyes and left.

Rong Ba hurriedly called her, tone rarely see serious, "little sister-in-law, don't go too close with Xu Tianyu!"

Chapter 374

Wenqiao stopped, turned around and said with a cold smile, "young master Rong, what's your identity to say this to me?"

Let a choke, suddenly stop.

Looking at Wen Qiao's back, the devil's lips are hooked. There's no reason that he's the only one to eat shriveled.

He took out his cell phone and called Li Fengbei.

“What’s the matter?” A cold, low voice came from that end.

“Boss, my sister-in-law is fighting with Xu Tianyu very hard. I believe that before long, my sister-in-law will fall in love with him again! There is Xu Tianyu in the entertainment circle to escort her. She doesn’t need you to worry about it!”

“..... Go away

Hum, I’m speechless. My heart is stuffed!

Rong Ba thought triumphantly, the more he said, the more energetic he was, “boss, you pay for TV dramas, but Xu Tianyu is the director! Xie Shiyi and Lin Zonghao were expelled from the cast and broke the Xie family. She didn’t know that. Now Xu Tianyu has become the No.1 man in the cast. He plays a lover with her. The so-called “near water first comes to the moon”. This is to draw a red line for the little sister-in-law’s first love with her, to be the old man of the moon!”

The voice of grinding teeth came from the end of the phone. Li Feng gave a cold drink, “do you want to die! Aren’t you on set? I don’t know. Watch it

Rong Ba said innocently, “it’s not my woman. What am I looking at? Just now, she thought I was shaking in front of her eyes and wanted to drive me away!”

“.....” There was silence on the other end of the phone.

Rong Ba just wants to add more blocks to Li Feng’s north. He wants to achieve his goal and stop when he is good. “No, my sister-in-law is talking to other men again. I’ll go and stare for you. Bye!”

With that, he hung up.

In the heart secretly pleased, who asked him to arrange this kind of thankless job for him, let his heart plug.

Who knows, a turn on a pair of angry eyes, suddenly in the heart of a pimple.

“Little sister-in-law, why are you standing behind me in silence?” I don’t know how much she heard, she said with a smile: “ha ha, it’s scary!”

Wen Qiao looks at him without expression, the small hand tightly holds together, the quality asks: “is this very amusing?”

Rong BA’s secret way was not good. He heard it and explained: “little sister-in-law, the boss still can’t let you go. He did it because...”

Wen Qiao sneered coldly, the small face is full of sneer, “so? He gave me a little advantage to come back to him and be his lover?”

Rong BA’s face changed slightly, “I I didn’t mean that!”

Rong Ba didn’t know what Li Fengbei meant. Of course, he thought Li Fengbei thought so.

After all, this kind of thing is very common in their circle. Even his father doesn't know how many lovers there are outside.

But being watched by winjo's clear and transparent eyes, he couldn't bear to retort subconsciously.

Wenqiao's chest was undulating, his hand was shaking slightly, his nose was sour, and his eyes were red.

She didn't want to let herself shed tears in front of others. The moment she turned around, her tears were pouring.

Rong Ba looked at her determined figure and scratched her head angrily.

It seems that he messed up the matter. He didn't know that she would suddenly come back and let her hear those words.

After returning to the set, Xu Tianyu obviously felt Wenqiao's absent mindedness.

"Stop and shoot later!"

Xu Tianyu went to Wenqiao and handed her a bottle of water? Are you tired? "

"Thank you Wenqiao took the water and took a gulp of it.

Xu Tianyu asked: "your mood just now is not right. What happened?"

Wen Qiao a Zheng, immediately shake head, "I am all right."

She didn't want to talk about the things between her and Li Fengbei, especially in front of Xu Tianyu.

Xu Tianyu knew that Rong Ba had a good relationship with Li Fengbei, and he was very clear about these things.

He's engaged to another woman, and he's holding on to winjo. What's he trying to do?

There was a strong sense of reluctance and anger in my heart.

He suddenly said, "Joe, he's engaged to the first lady of the linguist, do you know?"

Wen Qiao in the heart a flustered, grabbed the water bottle of a side to drink again, the action is a little flustered, choke tears DC.

"Keke ~ ~"

Xu Tianyu twisted her eyebrows slightly, and hurriedly carried her back.

Wen Qiao slightly side body, dodged his touch, rose red a face, eyes also wet.

Realizing that his action was too deliberate, he quickly explained: "I'm much better, thank you!"

Her estrangement, let him take back his hand, the heart can not say the loss, "sorry, I should not how to say these."

Wenqiao tightened the cap of the water bottle and lowered his eyelashes. His long eyelashes cast a lonely silhouette on his eyes. "I knew this for a long time. Even if I love someone again, I have my own bottom line!"

Xu Tianyu pursed his lips, and his jaw line was very tight. "Qiao Qiao, that day, you slapped Xie Shiyi because of him, right? You were not such a strong person before Wen Qiao whole body a stiff, cover up so urgently retort a way: "no! I just can't get used to her style! Senior, let's go there. I have a good rest. I can start again!"

She got up and walked awkwardly towards the shooting point.

Xu Tianyu's words just now were like a magic mirror, which reflected the darkness in her heart.

Only she knows why she beat Xie Shiyi.

Change to do before Wen Qiao, encounter this kind of thing to be sure to eat this dumb loss?

However, when she thought of that night, Xie Shiyi poured a lot of wine. When she thought of his wound, she admitted that she was angry with Xie Shiyi.

Xu Tianyu looked at her back and her eyes darkened.

Still reluctant to admit it? But her expression and action have betrayed everything.

Her heart is not as calm as it seems on the surface.

She sat by the bed, looking at the beautiful moonlight outside the window, her cheeks getting wet.

She held a small white porcelain vase tightly in her hand.

She remembered that this kind of white medicine bottle, which she had only seen in the castle, was the special medicine developed by Bai Yichen for him.

Since he chose Yu Tong, why did he secretly do these things for her?

She would rather he was more unfeeling, he was like this How can she be completely ruthless?

The president's office of Lishi group.

After being driven away by Wenqiao, Rongba drove directly here.

He felt that it was better for him to admit his mistakes on his own initiative.

"Boss, I'm sorry. I didn't mean to. I didn't know she would come back. I was wrong!"

Li Feng North listen to, just silent place a cigarette, standing in front of the glass French window of the tall figure, back a bit lonely.

"It's none of your business. Go and do your own business. You don't need to go there any more."

Rong Ba felt sad suddenly.

At first, he thought that wenjo was no different from the women outside.

She wanted to tempt her with beauty and let her show her nature, but she didn't, and directly ignored him.

Later, the eldest was injured, she knelt in the heavy rain, he fully recognized the sister-in-law, but still a little unwilling.

The eldest brother's position in his mind is more important than that of a God's residence.

No matter which woman the boss is with, he will feel unworthy of his boss.

But today, seeing Wenqiao's stubborn eyes, when he turned around, the teardrop that slipped down his cheek, his heart was also pulled up.

He was ashamed and ashamed of his bad intentions.

Chapter 375

Ever since I heard that, Wenqiao's heart couldn't calm down.

I think of him when I cook and I think of him when I shoot

She thought about the gunshot wound on his body. She didn't know if it was better now?

My head is full of things about him.

If it goes on like this, she will really go crazy!

Can't bear any longer, she went to find Bai Yichen.

When Bai Yichen receives Wenqiao's call, he is shopping with Bai Xingxing in the supermarket.

White star for many days did not see Wenqiao, this period of time, she is also busy with things.

As soon as I heard Wenqiao's voice, I immediately grabbed my mobile phone. "Sister Wen, we'll meet at the cafe on the first floor of angel city. We'll see you soon!"

Hang up the phone, white star grasps the hand of Bai Yi Chen to threaten a way: "elder sister Wen mood looks very bad, North elder brother bullies her again?"

Bai Yi Chen's vision falls on her to grasp his that coagulate white small hand, Mou light tiny flicker, "have no!"

White star squints, a face does not believe, "no? Then why isn't she happy? What happened during this time?"

But Bai Yichen didn't answer her and pushed her head away. "It's none of your business. Let's go!"

White star stretched out his head, looked left and right, and finally found Wenqiao by the window, and his eyes lit up immediately.

"Sister Wen!"

White star looked at Wenqiao haggard face, a face distressed to embrace, "a few days did not meet, how do you make yourself like this?"

Wen Qiao smiles and shakes his head. He looks at Bai Yichen with some embarrassment. "How's the injury on his body?"

Bai Yichen's eyebrows moved and sighed in his heart, "it's all right. You don't need to worry."

Clearly also care about each other, but had to separate.

Half a month later, North brother is leaving.

At that time, she will be very sad, right?

Wen Qiao grasped the finger and looked at Bai Yichen prayingly, "Bai Shao, can you tell me what happened in this period of time? Don't worry, I'll never tell you, and I won't go to him for that!"

Bai Yi Chen tiny wring eyebrow, these he has no comment, thought to want to say: "some things, you know the answer clearly!"

Wenjo said excitedly, "no, I don't want to guess!"

Guess sometimes is not reliable, only to hear the exact answer, she can be at ease.

White star secretly pinched on Bai Yichen's waist, smilingly threatened: "brother, what's the matter, you can tell sister Wen!"

Bai Yi Chen facial expression all didn't change for a while, her that strength way, with tickle.

However, for the sake of the star caring about Wen Qiao so much, he said: "the North brother is in trouble for doing so. He won't get engaged to Yu Tong!"

There was a flash of surprise in Wenqiao's heart, and her heart beat faster and faster Why? "

Bai Yichen no longer said more and gave her a look of her own experience.

Some things should not come out of his mouth.

He waved to the waiter, "waiter, pay the bill!"

Bought sheet, Bai Yi Chen then got up to leave.

White star discontented to shout: "brother, sister Wen, you have not finished, how can you go?"

Bai Yichen stopped, turned back and twisted the white star away, "go back to the company, you have been lazy for a long time!"

White star wailed and showed a sorry look at winjo.

"Go! We'll talk next time!" Wenjo smiles and waves to the white star.

After they left, the smile on Wenqiao's face gradually solidified.

His injury has healed, which is good news.

She should be happy. How could she be more upset?

.....

Leisurely rolling there learned that Li Fengbei was quietly paying attention to her affairs behind her back. The sequelae was not just upset and irritable. Wenqiao felt that she even had an illusion.

She always felt that Li Feng was by her side.

She can feel his breath accurately in the crowd.

But whenever she is anxious to find, but can not find any about his figure.

Does she think she's suffering from some kind of paranoia?

After such a few days, her spirit became a little trance.

This morning, Wen Qiao sent Ann to kindergarten. When she went to the studio, she had to cross a road.

She bowed her head and turned something in her bag. She didn't see the traffic light on the opposite side. It had turned red.

A car, coming quickly around the corner.

The rapid sound of the horn and the harsh sound of the brake came into his ears, and Wenqiao's face turned pale quickly.

It's like being held by something. I can't take a step.

She closed her eyes in despair, waiting for the pain to come. The next second, her waist was held by a pair of powerful arms, and she was tightly brought into a warm embrace.

Inertia force, the two rolled on the ground a few rolls before stopping.

When the car stopped on the ground where winjo was standing, the driver was in a cold sweat.

Shaking down the window and swearing at winjo, "do you want to die? Go out without eyes! It's a red light. What red light are you running

After scolding, he drove away.

Although there was a ready-made human flesh cushion under him, Wenqiao still felt that his viscera were about to fall out.

The familiar breath poured into her nose. She could not care about the pain of her body any more. She grasped the person in front of her tightly and worried that he would run away.

As soon as you look up, you will see a familiar pretty face.

Li Feng north face, closed eyes, handsome twist together, seems to bear pain.

Wenqiao was shocked. He got up from him and knelt down beside him. He did not dare to move him. He looked up and down at him anxiously.

"Li Fengbei, how are you? Did you hurt anything?"

He was seriously injured. Just now, she fell on him. I don't know if she hurt his bones?

She felt remorse at the thought.

Li Feng's black hair behind his head was in a mess, and his expensive black suit was broken. He looked a little embarrassed.

He took a slow breath, got up from the ground, grasped Wenqiao's arm tightly, looked up and down, and his black eyes ran with a touch of eagerness.

"I'm fine. Are you ok?"

Wenqiao's sharp eyes found that his elbow was bruised and his white shirt was stained with red blood.

She looked around and found a drugstore not far away.

"Wait for me, I'll be right here!"

Behind him, Li Fengbei shouts: "Joe, where are you going?"

Wenqiao stopped, turned his head, and laughed at Li Fengbei, "I'll be right back!"

She went to the drugstore and bought disinfectant, cotton swabs and some band aids.

I ran back in less than two minutes.

He took Li Fengbei and sat down in the shade of a tree.

"Your wound is bleeding. I'll take care of it for you. It may hurt a little. You can bear it! "

Chapter 376

Wenqiao dipped a cotton swab in disinfectant and gently put it on the wound. Fearing that he would feel pain, he blew it gently and looked up at him.

"Does it hurt?"

"No pain!"

Li Feng's eyes dropped from the north, and his eyes fell on her.

Two people are very close, breathing intertwined, he can even see her small ears, small hair.

Seeing that she was really OK, he swallowed his throat and finally relaxed his tight nerves.

He didn't want to go through that scene again in his life.

My heart stopped. I'm dying.

Wenqiao pasted the bandage, then pulled him up and turned around, looking up and down, left and right carefully, "is there any injury in other places?"

"No!"

As if wenjo could not hear his answer, he touched the back of his hand, his arm, and his chest.

She wants to make sure he's really OK!

Li Feng North a seized her hand, eyes hot, "I'm ok, you have where hurt?"

Wen Qiao shook his head. Suddenly, he threw himself into his arms and tears fell down.

She clenched her fist and hammered him on the chest. "Why did you rush out just now? It's dangerous. If you slow down a second, you'll die. Don't you know?"

"Joe, Joe!" Li Fengbei grabs her hand and pulls her to his arms painfully.

Wenqiao held his waist tightly, trembling with fear. "Do you know that you are more important than my life, and if anything happens to you, I won't live!"

Her hot tears wet his shirt.

Some place in Li Feng's heart became soft. When he touched her face, it was already wet.

His eyes were also a little hot. He touched the corner of her eyes with his soft finger and gently wiped her tears. His voice coaxed: "don't cry! Don't cry, Joe"

Wen Qiao cried louder and louder, holding Li Fengbei's clothes tightly, as if to cry out all the grievances and worries during this period.

Passers by around her cry to attract people, have sideways.

But at this time, the two people who hugged each other didn't care at all.

After crying for a long time, Wen Qiao snuffled and retreated from Li Feng's arms.

Her eyes are red, and her nasal voice is very strong, "Li Fengbei, we..." Don't fight any more, OK?

Before she finished, she was interrupted by a sweet voice, "Li Shao, are you ok?"

Wenqiao, frozen, turned to look.

See language Tong is stepping on high-heeled shoes, anxiously run to come over, push her to the side, stand in front of Li Feng North.

"You scared me to death just now! That's very dangerous. If something happens to you, what do you want me to do?"

Say, language Tong sad cry up, cry pear flower with rain, I see still pity.

Wenqiao was pushed back several steps, pursed his lips, looked up at Li Fengbei, and just collided with his eyes.

She caught a touch of panic in his eyes.

She looked at Yu Tong, then at him, and suddenly laughed at herself.

A pair of Jian Shuiqiu pupil, clear to the bottom, eyes stubborn looking at him, "Li Fengbei, now you make a choice, do you choose her or me?"

Li Feng was stunned.

He didn't dare to look directly into her stubborn eyes.

He tilted his head slightly and held the palms in his pocket tightly together.

He has always been stubborn, making decisions that will not be easily changed, but now he is in a state of confusion.

He knew her character, and if he knew he was going to leave, she would follow him.

However, when he went to that strange country, he didn't know if he still had life to come back?

How could he let her take risks with him?

These days, he follows her like a stalker. He just wants to see her more before he leaves.

But the more so, the more reluctant to leave

Wenjo didn't allow him to dodge. Suddenly he stepped forward two steps and stood in front of him.

Hands over his face, clear eyes straight at his eyes, a face seriously said: "Li Fengbei, if you choose her, then I will find a man to marry, let your son and daughter call other men Dad!"

She can't stand hiding with him any more. She doesn't give him any pressure. Does he want to be a shrinking tortoise forever?

Li Feng North black pupil suddenly a shrink, subconsciously said, can't!

But in the end, reason won. He didn't say anything.

"....."

Looking at his silent eyes, Wenqiao's heart gradually became cold.

She thought that they had just gone through life and death together. She thought that he would choose her. She's not a stone. She can feel his fear just now.

If you are so afraid of losing her, why do you want to leave her?

Seeing this, Yu Tong grabbed Li Fengbei's arm and stood between them. "Miss Wenqiao, you just saw that he had to risk for you again and again. If you really like him, you should leave him! Why do you keep pestering him?"

Wen Qiao ignores language Tong, that pair of eyes full of water mist, stubbornly looking at Li Feng North.

She wanted him to say no to himself, but he was silent.

Wenqiao's heart was broken. Once again, his hope was shattered.

She closed her eyes and forced the tears in her eyes down.

When you open your eyes again, there is nothing left but determination.

"Li Fengbei! Since you don't speak, I'll take it as your acquiescence!

From then on, there is no relationship between you and me!

I hope that from now on, you don't do today's misunderstandings!

Even if I die, it's none of your business! ”

With that, wenjo turned and left without looking back.

Li Fengbei looked at her back with a stiff back.

Yu Tong wants to be close to Li Fengbei, but he doesn't dare to be too close.

Last time I was in the castle, I was almost thrown to death by him. Today I just got out of the hospital.

Old lady Li visited her in the hospital and said that she would make up for it.

She doesn't want to compensate, she just stays with him.

She bravely stretched out her hand to pull his sleeve, “Li Shao, it's not worth grieving for such a woman!”

Li Fengbei finally had a reaction.

Drooping eyes, looking at the hand holding his sleeve, his eyes showed a sense of disgust, hard to shake off, “stay away from me!”

Sitting in the car, stepping on the accelerator, the car flew out like an arrow.

By the side of the road, looking at the car leaving, Yutong's beautiful face became vicious and twisted.

“Don't blame me for being cruel, wenjo!”

She took out her cell phone and made a call.

The phone rang for two seconds, then it was connected. I thought of a clear voice, “Hello, this is Xinmeng studio!”

“Hello, my name is Yu Tong. I'd like to make an appointment with your boss. I have a very important cooperation to discuss with her!”

“OK, our boss has two hours this afternoon!”

“I'll go to her office at two o'clock in the afternoon!”

Chapter 377

At two o'clock in the afternoon, Yu Tong arrived at Xinmeng studio on time.

Looking at the woman in front of Meng Wei, she was slightly stunned, “Miss Yu Tong? It's really you

Yu Tong smiles and shakes hands with Xiang Mengwei. “Miss Xiang, nice to meet you again!”

Upper class society is also divided into classes.

Yu Tong is the niece of the president's wife. In addition, the president's wife has no daughter, so she has always regarded Yu Tong as her own daughter. Her status is not comparable to that of ordinary celebrities.

Xiang Mengwei personally made a cup of coffee for her, with a respectful tone, "Miss Yu Tong, I don't know what cooperation you want to talk about with me? Are you going to hold an exhibition in the near future?"

As far as she knows, Yutong is a good painter, which is the only thing she can hold.

Yu Tong wildly raised his chin and turned his eyes. "I don't beat around the bush any more. I'm not here to talk about work with you, but a little personal business!"

She took a picture out of her bag and put it on the coffee table.

"This is a picture of your fiancée. I'm sure you know the woman in the picture!"

"....." He picked up the photo from Mengwei and took a look. His heart suddenly shrank.

This is a picture taken on set.

In the photo, Xu Tianyu and Wen Qiao are very close, and they seem to be drinking the same cup of coffee.

Wenqiao's innocent little face was full of smile, how to see, how dazzling!

Because of too much force, the picture was caught out of shape.

Xiang Mengwei looks at Yu Tong angrily and asks, "Miss Yu Tong, what do you mean?"

Yu Tong sneered, "Miss Xiang, don't rush to blame me! Our purpose is the same. To tell you the truth, I will be engaged to Li Shao in the near future. I don't want to see this woman again!"

To dream Wei a surprised, "you mean?"

"That's what it means. Wait till I tell you!"

After Yu Tong leaves, Xiang Mengwei's elegant mask is torn. Her face is ferocious and she sweeps everything on the table like crazy.

"Wenjo! You have everything. Why don't you let Tianyu go?"

.....

Wenjo walked aimlessly along the street.

Cry for a long time, tears have long been dry.

There was only anger and sadness in her heart.

If she didn't listen to Bai Yichen's words, she might still believe that Li Fengbei really fell in love with others.

But after so many things, she didn't believe it at all.

She took out her cell phone and called Su Yuee.

Su Yuee received her call, very happy, "Qiao Qiao, do you go home today? I made your favorite pork and cabbage dumplings

Wenqiao doesn't want to eat dumplings now. She can't eat any more delicious dumplings. Now she just wants to have a blind date.

"Ma! Didn't you ask me to go on a blind date last time? what the hell! The sooner the better, you can arrange it for me!"

Su Yue'e was stunned, and then a burst of ecstasy.

"Daughter, you finally figured it out. I'll call your third aunt now and ask her to arrange it for you!"

Su Yuee has long wanted to marry her daughter out, and her efficiency is not generally high.

The next day, Su Yue'e informed Wen Qiao that the blind date had been discussed. The other party was a lawyer, but she had been divorced once with a child.

However, Wenqiao with two children, how to look at each other is more at a loss.

Su Yuee repeatedly exhorted, "Qiao Qiao, the lawyer is good. You must take good care of it. Don't screw it up like last time!"

"I know!" There was a breath in Wenqiao's heart.

This time, no matter who it is, she will marry!

The next day, she got up early and went out to wash her head and make a delicate hairstyle.

Also painted a delicate light makeup, with a blue suspender skirt, the United States can not square things.

As soon as Wenqiao appeared in an elegant teahouse, the lawyer couldn't move his eyes.

"Hello, miss Wenqiao. I'm your blind date. My name is Cui Yan."

"Hello, lawyer Cui!"

"Miss wenjo, you are so beautiful! What do you think of me?"

Feel the sincerity of the other party, Wenqiao slightly a Leng, some guilt up.

She made such a high profile today, but she was just angry with Li Feng. I didn't expect that the other party would like her.

She awkwardly pulled stiff corners of the mouth, "Cui lawyer, young talent, extraordinary!"

"I'm flattered!" Cui Yan couldn't close his mouth with a smile. He poured a cup of tea for Wenqiao in person. "Longjing before the rain, try it!"

Wenqiao took the tea and said thanks.

Taste a mouthful, full teeth stay fragrant.

Cui Yan is very satisfied with Wenqiao, and has been looking for a common topic to talk to Wenqiao.

Wenjo couldn't concentrate his mind, and looked out of the window from time to time.

Li Fengbei must know the news of her blind date. With his character, he will appear and stop it! But two hours later, Cui Yan didn't know what to talk about. Li Fengbei still didn't appear.

Wenqiao in the heart of suffocating that a gas, like a needle pierced, gradually vent gas, only full of sorrow.

In the teahouse, someone recognized Wenqiao and took a picture of her and Cui Yan from her mobile phone, which was uploaded to the Internet.

This teahouse, because of its elegant style, is a famous blind date spot in B city.

As the champion of the talent show, Wenqiao has a certain popularity on the Internet, and she was recognized immediately.

Just out on a blind date, this picture immediately on the hot search.

When Xu Tianyu saw the news, he scolded secretly and immediately called Wenqiao.

Cui Yan is giving Wen Qiao a lot of legal knowledge.

Wenqiao couldn't understand. He was sleepy and was about to find an excuse to leave when he heard the mobile phone in his bag ring.

"Excuse me, lawyer Cui, I'll take a call!"

"You take it!"

As soon as Wenqiao saw it, it was Xu Tianyu who called. He connected directly.

"What's up, senior?"

Xu Tianyu's worried voice came from the other end of the phone, "where are you now?"

Wen Qiao thought Xu Tianyu asked her why she didn't go to the set and explained, "I'm not going to play this afternoon..."

Xu Tianyu interrupted her eagerly, "I ask you where are you now?"

"Ha?" She didn't understand why he was so worried. She replied in a dull way: "I'm drinking tea in a teahouse..."

"With whom?"

Wen Qiao didn't plan to hide from Xu Tianyu, "with a blind date, I'm on a blind date!"

Xu Tianyu gritted his teeth and yelled at the phone: "send me an address. I'll pick you up. Don't walk around!"

There are rumors about Wenqiao's future before he's on the road, so we can't let netizens think that way.

"What's the matter, senior?" Wenqiao asked

"Look at Weibo!"

When he hung up the phone and opened his microblog, Wenqiao was startled.

Chapter 378

Now the network is too developed, which is not good. People all over the world immediately know that a little bit of things happen.

When she hung up and returned to her seat, Cui Yan's friends also sent him the news.

Cui Yan contrasted with the pictures in his mobile phone and was stunned. "Miss Wenqiao, I didn't expect you to be a star. Did I bring you any trouble?"

Miss winjo herself looks better than the photos on the Internet!

"No! What happened today is that I implicated you!" Said winjo apologetically.

These unscrupulous melon eaters did not even fight a mosaic, so they brought lawyer Cui in.

Some people who saw microblog knew that there was a little star on a blind date here. They all gathered around, and the teahouse was packed.

Wenjo looked at the posture, and the secret was bad.

Cui Yan lawyer stopped in front of Wen Qiao, happy, and finally acted as a hero.

Xu Tianyu arrived at the teahouse in half an hour.

A beautiful face, coupled with the expression of killing, the original noisy crowd miraculously calm down, and no one dares to step forward.

In the eyes of all, Xu Tianyu took a long step and stood in front of Wen Qiao, looking up and down at her eagerly.

"Joe, are you ok?"

Wenqiao looked at his messy hair, knew that he was eager to come, felt guilty, and shook his head, "it's OK!"

Xu Tianyu took a look at Cui Yan and took Wenqiao away. "Let's go!"

Cui Yan looked at them in shock and yelled, "Hey, who are you? What do you want? Let her go

Xu Tianyu stopped, cold eyes toward Cui Yan swept past, "she is the future star, she can't get married so early, so I'm sorry, she must leave!"

I'm sorry, lawyer Cui. He's my senior. I have to go now. I'm very sorry for the trouble I caused you today

Xu Tianyu brought reporters over and took photos of them leaving together and sent them to the Internet.

With a third person present, the blind date meeting turned into a joke.

But winjo showed off his presence on the Internet.

Xu Tianyu has been calm since he appeared. He stepped on the car 160 yards.

Wenqiao grasped the door handle tightly, his face turned white, and he swallowed his saliva. He said anxiously, "senior, don't drive so fast. I'm afraid!"

She said nothing on a blind date, which is really bad for the identity of the star, the seniors must be angry.

Xu Tianyu's tight jaw line was finally loosened.

Slamming on the brakes, the car stopped by the river.

"Ah Wenjo didn't expect that he would stop suddenly. He almost hit his head against the windshield in front of him.

She patted her chest fearfully and looked at Xu Tianyu, "senior, what are you doing?"

When he saw Xu Tianyu's angry face, he immediately silenced.

He grasped the finger of the steering wheel, and his veins burst with anger.

Wen Qiao was really afraid that he would beat himself. He said quickly, "senior, I didn't mean to. I didn't know this would have such a big impact!"

Xu Tianyu took a deep breath and forced himself to calm down

"....." Winjo bowed his head and fell silent.

Looking at her like that, Xu Tianyu cursed: "this is the most critical period. Do you think about the consequences? If there is a scandal about blind date, the company's training of you and our painstaking efforts are all in vain!"

Wenqiao's head dropped lower, and a strong sense of guilt welled up in his heart.

She just focused on fighting with Li Fengbei and forgot about it.

As a result, Li Fengbei did not appear at all.

Suddenly, her nose was sour, and she buried her face in her knee. Her voice choked up, "senior, I'm sorry..."

Xu Tianyu was stunned. Did he scold too hard just now? Did you cry?

The anger in my heart, was watered out by her tears, leaving only heartache.

He sighed, raised his hand and stroked her head, comforted: "I didn't mean to scold you, but you did it too impulsively!"

Winjo sobbed sadly. At this moment, no matter who was by her side, she just wanted to talk.

"I said I was going to marry another man, and he didn't care about me! I don't believe he doesn't love me. I can feel that he almost had a car accident for me yesterday. I don't believe he is really so cruel!"

Xu Tianyu's fingers were stiff and his heart was wry. It was because of him!

With tears in his eyes, Wen Qiao looked up at Xu Tianyu, "senior, you are his younger brother. Do you know what happened to him?"

Smelling speech, Xu Tianyu frowned slightly. In the dark pupil, something flashed by.

Li Fengbei's behavior during this period is really abnormal. He hates him so much that he even sent a notice a few days ago to let him join the board of directors of Li's group?It's incredible. He just thought he was making fun of him!

Now it seems that something happened to him?

Xu Tianyu politely put his arm around her shoulder, his dark eyes with a trace of dignity, "don't think! The schoolgirl I know is very strong and won't be defeated because of this setback! "

The more Wen Qiao thought about it, the more sad he was. He lay down in his arms and began to cry.

After enough venting, I also want to understand, and I am more determined in my mind.

She made up her mind that she must make things clear. If it was because he met some problems, she would shrink back, then she would be a bit of a jerk.

"Senior, thank you for enlightening me. I always make trouble for you!"

Xu Tianyu handed her a tissue and said with a smile, "I'm crying like a kitten. Please wipe it!"

Winjo had calmed down and took the tissue in embarrassment.

Xu Tianyu opened the window and let the salty wind blow into his nose.

"Qiao Qiao, there are many things in life. Nine times out of ten, there are no perfect things! You remember, no matter where you are, no matter when, I am your strongest backing, as long as you need, I will be there! "

These are what he owes her.

Wenqiao was moved.

Only in the next life can we pay off her kindness.

"Senior, write about you. I'm much better. Let's go! I'm all right! "

Not far away, the camera gave a "click" and took a picture of Wen Qiao crying in Xu Tianyu's arms.

Xiang Mengwei looks at the photo from her mobile phone and throws it out.

"Wenqiao, why do you want to rob Tianyu with me when you have lifengbei?"

These years, in order to be with Xu Tianyu, she did not hesitate to fight against her father and refused other men's courtship.

She paid all her love for him, why is he still not satisfied, or can't forget that woman?

Not reconciled!

She is not reconciled!

Chapter 379

Calm down, she made up a makeup and sent a message to Xu Tianyu, asking him to meet.

When Xu Tianyu received the message, he felt a strong pressure on his heart.

He has said goodbye to Meng Wei for countless times, but every time she selectively ignores his topic.

It made him feel a strong sense of weakness.

It's not the way to escape. Xu Tianyu typed a few words on his mobile phone.

"Good. I'll see you at the western restaurant downstairs at 6 p.m.!"

At the end of the mobile phone, Xiang Mengwei jumps up happily.

She went to the beauty shop to have her hair cut and bought a new fashion. She was dressed up and appeared in front of Xu Tianyu.

Xiang Mengwei, as usual, orders a medium rare steak for Xu Tianyu, which is his favorite.

But Xu Tianyu stopped and said, "no, I'll eat medium rare filigree."

Turning the menu to Meng Wei's fingers, he looked at him in a puzzled way, "Tianyu, don't you like medium rare steak? Why do you want to eat medium rare all of a sudden? "

Xu Tianyu looked into Xiang Mengwei's eyes and said seriously: "what I like is medium rare steak all the time."

Xiang Mengwei's face changed slightly and retorted: "you lied to me. For so many years, you have been eating medium rare steak..."

Looking at Xu Tianyu's serious eyes, Xiang Mengwei's voice gradually becomes smaller.

She stood up excitedly and angrily accused, "you don't like medium rare steak. Why didn't you say that before?"

Facing Xiang Mengwei's out of control, Xu Tianyu is always calm.

Good looking lips gently open, word by word, cruelly replied: "because, no need."

"No need! How can you say it's unnecessary? "

Repeat his words to Mengwei, like a knife cutting her heart.

She had to admit that Xu Tianyu's calm words denied their five-year past.

It turned out that she had never known his preferences, and he had never really given her the right to understand him.

From the beginning, he did not intend to let her into his world, everything is just her wishful thinking.

With a trace of self mockery on Meng Wei's beautiful face, she sneered coldly, "did that woman leave you, and your heart also died? So you don't care what you eat! Even, because of her betrayal, you deliberately torture yourself and avoid anything you like! "

Xu Tianyu's calm eyes finally had a crack.

After five years together, Xiang Mengwei knows him well in some aspects, especially is good at guessing his mind.

There is nothing wrong with these words.

Wenqiao left him, so he had to avoid everything he liked, tormented himself in this way, and reminded himself that the person he loved most in his life had given up on him.

Xiang Mengwei suddenly sneers and tears come out.

"Xu Tianyu, we are all a joke. I love you so much, but you abandon me! Wen Qiao doesn't like you. She's in love with Li Fengbei. But Li Fengbei is engaged to Miss Yu Jia. You can't be happy!"

With that, she ran out crying, carrying her bag.

Walking out of the western restaurant, Xiang Mengwei sends a message to Yu Tong.

The beautiful face is no longer as elegant and gentle as usual, and its face is paranoid.

She agreed to Yu Tong's proposal, and they joined hands to destroy Wen Qiao.

Only by destroying her can the hatred in her heart be reduced.

Yu Tong receives a text message from Xiang Mengwei. Her red lips rise slightly, and her beautiful eyes are fierce.

"Another stupid woman!"

.....

Ever since the blind date joke, Wenqiao's restless heart finally calmed down again.

She is quite busy during this period of time, and the task of learning from Ann falls on Su Yue'e.

Ann had dinner at Wen's house, and Wen Qiao went to pick her up to her apartment.

She separated from Song Xiaoya, took a taxi at the door of the company and went directly back to Wen's home.

After reporting the address to the taxi driver, he called ANN, "honey, have you had dinner?"

"Mommy, we've had dinner!" Ann asked for credit and said, "grandma cooked my favorite braised meat in the evening. I ate two bowls of rice!"

Listening to his daughter's cheerful voice, Wenqiao's tiredness all day was relieved.

"Good boy, I'm already in the car. In half an hour, Mommy will be home!"

"OK, Mommy, I'll wait for you!"

Wenqiao reluctantly hung up the phone, hoping the car grew a pair of wings, "whew" to fly home.

With a sigh, she put away her cell phone, looked out of the window, and gradually frowned.

“Shifu, I’m going to Chengdong district. You’re on the way to the south 2nd Ring Road. You’re driving in the wrong direction!”

It turned out that the taxi driver was wearing a cap and couldn’t see his face clearly. When he heard that, he picked up the speed.

Wenqiao realized that something was wrong. As soon as he turned pale, he reached for the door, but it was locked with a click.

“Stop the car, stop the car!”

Aware that she was kidnapped, she grabbed her cell phone and wanted to call for help.

The man glanced at her in the rearview mirror and slammed the steering wheel into the green belt.

One of them swung, and the phone fell out of the palm of his hand and slid under the seat.

“My cell phone!” Wenqiao completely flustered, desperately patted the window, toward the window shouting: “help! Help

The driver’s eyes were awe inspiring. Once again, he slammed the steering wheel. Wenqiao’s body was not stable. With a bang, his head hit the window glass and he fainted completely.

Half an hour later, the car stopped in an abandoned warehouse.

She was rudely pulled out of the car by the man and left in the warehouse.

There was a musty smell in the air, and the ground was full of ants and mice.

The rusty iron door was closed heavily.

Several strong men stood in front of her and surrounded her.

Wenqiao was cowering in the corner, shivering. “What do you want? Why kidnap me?”

The man at the front, looking up and down at her, snapped, “are you wenjo?”

Wenqiao was stunned and shook his head. “I’m not! You’ve got the wrong man!”

The man frowned, doubted, stepped forward, grabbed her bag, opened her purse, and took out her identification.

“Don’t look in my wallet!” Wenqiao’s heart fell into the ice.

Why did she take her purse out today?

That person is cheated, exasperate rise, throw ID on Wen Qiao’s face, “smelly Niang, dare to cheat me unexpectedly! Brothers, let’s go

The strong man began to take off his clothes. The last trace of blood on Wenqiao’s face faded and he screamed, “help! Don’t come here

That person obscene smile way: “you heartily call, call to break throat also won’t have someone to save you!”

It's a factory that has been abandoned for many years. It's usually gloomy. No one will come here at all.

Chapter 380

Wenjo realized her situation and forced herself to calm down and negotiate with these people.

"Wait a minute! I always want to know where I've offended you, right? You let me die to understand

A strong man pinched her chin, looked at her small face, shamefully stone more.

This chick is really good. When she is in a good mood, she says, "then you have to ask yourself. If you rob other people's men, they can't swallow it!"

Wenqiao's head turned quickly. "Do you mean Xiang Mengwei or Yutong? Brother, how can women be blamed for such things? Can they blame me for not managing their men well?"

Those men burst out laughing, "I can't see that a man who has robbed others is so innocent. He is also a bitch! Later, my brothers will be gentle with you and promise to make you feel good enough. From then on, you can't live without men any more

Wenqiao gritted his teeth and scolded these smelly men a hundred times in his heart.

She is deliberately looking for this kind of topic that they are interested in, so that they can relax their vigilance.

Delay for a while. I hope my family can call the police when they find out that she hasn't come home.

She said with a smile: "brother, how much money does she give you? I'll pay double! And I promise I won't call the police, OK?"

One of them was moved by her, "are you telling the truth?"

"More than gold! My child's father is the president of Lishi group. He is very rich. As long as you let me go, he will give you money!"

"You said Li Fengbei, President of Li's group?"

"That's him!"

"Ha ha!" The man began to laugh, as if he had heard a funny joke. "With your beauty, can the president of lees group take a fancy to you?"

Wen Qiao: "I'm not sure."

Is she that bad? Don't believe her!

One of them recovered and grabbed her chin, "you want to play tricks on me, delay time, you are still a little tender! Don't talk to her, brothers

A pair of big palms held her clothes. She waved them away as soon as she slapped them. Her big eyes were round and full of vigilance. She threatened: "don't come here, I'll kill myself by biting my tongue!"

Realizing that she was not joking, the men came up and grabbed her, holding her on both cheeks with their fingers to stop her biting her tongue.

Another person came up to her, full of interest, "it's very hot! Eat this, and you'll beg us to do it later! "

"No, no, no, no, no," he said.

They forced a small pill into their mouth. When they saw her take it, they released her.

Wenjo lay on one side, fingers in the throat, desperately buckled, sick to retch, but nothing.

"What did you give me to eat?"

Those people stood in front of her, appreciating her embarrassed appearance, "nature is a good thing to make you happy! Ha ha

"Son of a bitch!" Wenqiao gritted his teeth.

Feel the whole body began to abnormal fever, abdominal surge bursts of emptiness, in front of the line of sight has become blurred.

They took out a camera, pointed it at winjo, grinning and pounced on her.

Winjo stepped back to avoid it, faltering under his feet, and fell to the ground, unable to get up.

The strength of the whole body is like being drained, and the fear in the heart reaches the extreme.

She cried and yelled, "lifengbei! Help me

A greasy palm greedily touched her face, "woman, it's useless for you to call me Yama now. You'd better save some energy for me to play for a long time!"

"Don't touch me!" Wenqiao felt sick, his head turned, his sharp teeth biting the man's hand.

With a bang, everyone was startled. They all turned around and looked at the door.

At the door stood a man, against the light, with a cold face, a fierce breath, and a pair of ice blue eyes, full of danger like wild animals.

The men were shocked by his cold breath, and they were afraid for a moment.

"You who are you? Let's go. Don't mind your own business

Wenqiao's face turned red and his eyes looked at him vaguely, like a poor kitten.

"Hot It's so hot I feel so bad..."

She tugged at her clothes and pulled them aside to reveal the black, bud and silk edges.
