

Noble Husband At the Door Chapter 374

Strolling to Yvonne's side, Samuel handed the things over to Yvonne.

"Yvonne, why closed it and look? I don't know what kind of scrap he bought," Jiang Wan claimed in an odd tone.

What he bought was not important to Yvonne. As long as it was a present from Samuel, she would like it.

"Allow's go home first," Yvonne said.

If Jiang Wan wanted to take apart the garbage that Samuel had acquired, it was difficult for her to wait till they got residence. Otherwise, exactly how would certainly she be able to swallow her temper?

Recently, as a result of Tang Zong's humiliation, she had to gain her face for her own benefit.

Jiang Wan snagged the item from Yvonne's hand and also claimed, "It's not like it is shady. Why do you need to wait till you get residence? Do not inform me you assume it is as well inexpensive to lose face?"

"Jiang Wan, do not go too far," Yvonne stated discontentedly. She called Jiang Wan by her name, which revealed that she was very upset.

Jiang Wan's actions was certainly extremely too much and also rude, but she didn't care at all. She stated, "Yvonne, when did you come to be so discourteous?"

"Jiang Wan, given that you're older than me, do not you recognize exactly how to be respectful?" Yvonne asked.

"Certainly I comprehend. I'm just being kind to aid you open the gift." As she talked, Jiang Wan had actually already opened the package, however the important things inside stunned her.

In Jiang Wan's view, Samuel has to have bought a deal, yet what she currently held in her hand was the bag Yvonne had just taken a fancy to. It was worth 100,000 yuan!

Liu Zhijie did not expect Samuel to acquire this bag either. He glanced at Samuel in shock. Really did not they say that he was a good-for-nothing? Exactly how could he have a lot of money?

"Samuel, did you swipe this?" Jiang Wan asked Samuel.

"If you can't afford it, can't I?" Samuel asked lightly.

Jiang Wan definitely did not think that Samuel bought it with actual silver and gold. It needs to be that he took it when the shop assistant was not paying attention.

"Truly? If you bought it, would certainly you attempt to go for a battle? I didn't expect you to be a coward, and also your hands and feet aren't tidy either," Jiang Wan said disdainfully.

As a male, Liu Zhijie recognized that men were all creatures who valued their face, yet he didn't think Samuel would certainly do something for his face. Furthermore, many clerks were there. Exactly how could he be moved by Samuel?

Seeing that Jiang Wan wished to look for verification from Samuel, Liu Zhijie said, "Quit fooling around."

"Nonsense. I just don't want the authorities to find to my residence. Don't allow such scum slander the Jiang household," Jiang Wan claimed coldly.

Liu Zhijie knew that if the bag was purchased by Samuel, Jiang Wan would lose face, therefore would certainly Liu Zhijie.

"What happens if he really bought it? Do not you believe you're not shamed sufficient?" Liu Zhijie said.

"Are you crazy? Can a good-for-nothing like him afford such a costly bag?" Jiang Wan sneered.

It was not surprising that Jiang Wan did not think it in all. Samuel's photo of being a good-for-nothing left a deep perception on others. Just how could a male who lived off a woman all of a sudden take out 100,000 yuan?

"Jiang Wan, don't be so rough. If you can't afford it, can't Samuel?" Lydia could not stand Jiang Wan's rubbish and also asked.

"Aunt Lydia, you don't risk to do that, do you? It seems that you understand Samuel has no money, so you don't desire him to validate it with me, do you?" Jiang Wan said with a smile.

Lydia was also a shrew, yet Jiang Wan was much more outrageous than her. The only way to confirm that it was Samuel who bought it was to return to the store.

"Well, you want to verify it, do not you? Let's fit," Lydia claimed.

Seeing Lydia had agreed, a complacent smile appeared on Jiang Wan's face. It was as if she had actually already seen through Samuel's issue.
