

Noble Husband At the Door Chapter 377

Just as they were loading their luggage, the door opened. Xu Fang claimed with a sneer, "From today on, you will never ever concern my home once more.

You are not invite here. When it comes to whether you stay in the pedestrian overpass or sleep on the street, it has nothing to do with me."

" Sis Fang, we are relatives after all. You don't need to be so too much, do you?" Lydia claimed discontentedly.

" Excessive, can I go too far? It's you individuals that uncommitted concerning our partnership, so you can not condemn me," said Xu Fang.

At this time, Lydia needed to take up the cudgel for Yvonne, because the root cause of this issue was Jiang Wan. If she really did not intend to show off and if she didn't wish to get to the bottom of it, how could it wind up such as this?

" You would certainly much better take good care of your daughter. She is an individual who will certainly make big trouble one way or another. Today's incident is her fault," Lydia said.

Hearing this, Xu Fang yelled unhappily, "Leave right here. Do not let me see you once more. I wish you do not turn up at Dragon Watercraft Celebration, lest you filthy my eyes."

" Bang!" The door was slammed shut, and also they can still hear Xu Fang's curses at home.

The family tree of the Jiang household was truly different. With somebody like Lydia, most of her family members likewise had the exact same perspective.

After packing up their baggage, Samuel and also others went downstairs. Not long after, the door opened up once more. Jiang Wan stood at the door with a ferocious look in her eyes, as if she was thinking of something.

" Mommy, I do not wish to see Yvonne on the Dragon Watercraft Event," Jiang Wan said to Xu Fang when they got residence.

What Xu Fang stated recently was just out of rage. Besides, they were a household, as well as she was not qualified to stop Lydia from appearing. She could not make the last decision with so numerous relatives in the Jiang family.

" Little girl, it's challenging to manage this matter. It's difficult for your grandparents not to allow them come," Xu Fang claimed.

" I'll call Steven. Jiang Wan claimed.

" That's a great concept. Your grandparents occurred to go to the temple and also haven't come back. They probably do not know about Lydia's arrival in BinCounty." Xu Fang considered Liu Zhijie. Because Liu Zhijie existed this year, they really did not eat at home at Dragon Watercraft Festival.

It was Liu Zhijie that booked a hotel. Even if Lydia pertained to her home, she really did not understand where they went. She just required to hide it from her parents.

As she spoke, she quickly called Steven.

The three members of Steven's family members were all at home, bothering with the Dragon Watercraft Festival. They had actually borrowed 200,000 yuan from Lydia.

Although they had actually currently thought of just how shameless they would be, they would certainly still lose face if Lydia discussed this on the Dragon Watercraft Festival.

He was poor and had no intestines, but he still wanted to preserve one's honor. Steven's household of 3 intended not to visit the Dragon Boat Celebration.

But when they thought that Liu Zhijie would certainly treat them to supper in the resort this year, they were a little hesitant. After all, this was a big meal, et cetera could be loaded back house. They might consume for a couple of days, which can conserve a great deal of money.

" Mama, I would go to Yvonne and also tell her as well as this issue anymore. I'll simply inform her to pay her back the cash in the Springtime Event. What do you assume?" Steven said to Vegetation.

" I hesitate Lydia will deliberately mention this matter," Vegetation said worriedly. In her viewpoint, it was not a big deal to say that they were mosting likely to return money in the Spring Celebration. Anyway, she was lying.

If she kept lying, she would certainly not pay back 200,000 yuan even if she consumed all the money, not to mention that she didn't spend any kind of money in any way.

"Hey, we're going to the Zong Huang Resort this time. It's a pity if we don't go," Steven said with regret.

Exactly how could I not go? Ferdinand really did not desire to miss this possibility to have an excellent dish. It was simply a matter of face.

At this moment, Steven's phone sounded.

Vegetation incorrectly assumed that it was Yvonne, so she asked nervously, "Is it Yvonne? If it's her, I won't answer the phone."

"It's Jiang Wan," Steven said in confusion.

Grabbing the phone, Steven heard Jiang Wan claim, "This year's Dragon Boat Event, I do not want Yvonne and her family members to participate.

We'll conceal the truth that they mosted likely to Container Area from grandfather and also grandma. As long as you help me, I'll ask Liu Zhijie to introduce you to a job."

Steven's face had plenty of awe. Wasn't this what he desired? Not just did he not let Yvonne participate, however he also obtained a work. This was a good thing.

He was really interested as to why Jiang Wan was doing this. Could it be that there had been some type of dispute in between her and Yvonne?

"Don't ask anything. Just do as I state." Jiang Wan understood that Steven would certainly ask concerns, so she straight removed his concept.

"Certain," Steven responded.
