

Chapter 378

Frank didn't stand up. His noble and condescending manner was eye-catching. "I'm not going!" It was not that he did not want to go, but he could not go! He couldn't wait any longer. He had brought Judy back safely before Gina did anything. "Why?" Gary frowned. He couldn't wait to see if Judith was Keven's daughter. Moreover, he thought Frank cared about Judy. And that Frank must want to see Lucas and Emily! Frank remained silent, however, "Are you sure?" Gary looked at Frank sideways. "You want me to cook for you again?" "Get lost!" Frank glared at him. He would vomit if he had to try that again. "Go get some food. I'm hungry." Frank said coldly, his eyes fixed on the computer. "Crazy!" Gary cursed. He then picked up the car key and went out for food. The wind was blowing outside, the black clouds were low, and the tall buildings in the distance were almost reaching the horizon! "It's going to rain again!" Gary glanced at the sky gloomily. He went to the garage, took the car, and headed downtown. For the Whites, today was a good day! Keven booked a table at a fancy restaurant. They enjoyed the meal happily. Everybody was smiling with gratification. Keven and Mila went abroad for their honeymoon because of Judith's effort. Keven's matter spread out in the commercial street! It went viral on social media. Everybody was talking about it online. Keven was very influential in both cities! Adam saw the news too. He was not surprised. Keven had always admired Mila. He had never mentioned it because he didn't want to bother Mila! However, he had taken care of her for so many years, and now they were finally together. Meanwhile, Alissa, who was far away in Kimshire, was sitting on a stool at the filming site. When she suddenly saw this news, she almost dropped her phone on the ground! Eric had just finished filming all the scenes. Alissa was about to take him back. When she turned around, she saw Eric. She said excitedly, "Eric, come over and take a look. Your mom is an important person right now." Eric was speechless. He smiled faintly. "Mommy, whatever my mom becomes, she would be your good friend forever!" Alissa felt delighted when she heard this. She looked at Eric gently. She pinched Eric's little face. "Sweet boy. Are you happy that Mr. Williams becomes your grandfather-in-law?" Eric smiled and nodded, "Mommy, yes. Mr. Williams and my grandma are now families." Alissa paused, she did not expect him to answer like this. She laughed and said, "Eric, Mr. Williams is very rich. Your mother will..." "Mommy, my mother is not that kind of person. She doesn't want Mr. Williams's money. She wants him to have a home." Eric interrupted Alissa. He knew what she wanted to say.
