

The One and The Only Chapter 381 - 390

Yash Nics squinted: "You really can't cry without seeing the coffin!"
Chen Fangfang was about to ridicule, but her mobile phone suddenly remembered that it was a call from Ouyang Ting.

Yash Nics sneered: "Your master is looking for you. If I am not mistaken, it should have been found that the vaccine sample you stole is only glucose solution. You are done."

Chen Fangfang was surprised, but deep down in her heart, she refused to believe that what

Yash Nics said was true.

She bit her lip, connected to Ouyang Ting's phone, and said with a flattering smile:

"President Ouyang, I am digging their high-payers in Ningda Group, what do you want?"

"Chen Fangfang, you bitch!"

Ouyang Ting was angry. The roar came from Chen Fangfang's mobile phone, and everyone

at the scene could hear it clearly.

Chen Fangfang was even more embarrassed and said, "Ou, President Ouyang, what's the matter?"

Ouyang Ting was furious at this time, and he shouted angrily: "I let you steal vaccine

samples and confidential information from the Ningda Group. What the hell did you steal

from me? Use a bottle of Portuguese liquid to fool me?"

Chen Fangfang's face turned pale when she heard the words, and a panic appeared in her

eyes, and she trembled: "President Ouyang, are you making a mistake? ? "

Ouyang Ting angrily: "mistake, you think the lab professors are doing to eat " , "

Chen Fangfang I tell you that your general manager has been fired, and before you agreed to

a one hundred million of the balance due It was also cancelled."

“In addition, the 20 million you took from me before will also be vomited out. If you lose one dollar, I will sell it to Africa as a prostitute.” Chen Fangfang felt like a bolt from the blue. Stiff all over. Immediately, I cried with a whimper. The position of deputy general manager is gone, and the huge sum of 100 million is gone. Before Ouyang Ting gave her 20 million, she also bought a car and a house, and there was not much left. Even if she sells her luxury car and house now and loses her fortune, she won’t be able to make up 20 million! Ouyang Ting is definitely not a good crop. If the money cannot be filled, then being sold to an African prostitute is her ultimate destiny. Yash Nics said coldly: “Don’t cry, we haven’t settled accounts with you yet. You steal our company’s business secrets. This is a crime.” “I plan to transfer you to the Commercial Crime Investigation Department. Before you go to Africa, make preparations. Go to jail.” Chen Fangfang was faltering when she heard the words. She was really stealing the chicken this time. She not only offended Ouyang Ting and Ye Zhiqiu, but also offended the old club Yash Nics and Song Pingting. With a sudden thump, she knelt heavily in front of Song Pingting, crying and begging for mercy: “Sister Ting, I was wrong, I know I was wrong. Please see the love between our girlfriends and sisters for many years, please forgive me once. Come on!” Lin Wei, the secretary next to Song Pingting, yelled, and spurned: “Now I know to call Song Zongting sister. When you humiliated Song Zongting just now, you were so arrogant!”

Song Pingting feels soft and makes Lin feel soft. Don't talk about it again, Wei.

She turned her head to look at Yash Nics, and said softly: "Yash Nics, our company did not cause much loss this time. And Chen Fangfang should have known her mistake too, or should we not pursue her legal responsibility?"

Yash Nics did not put Chen Fangfang's villain in his eyes. In fact, even if Chen Fangfang stole the real vaccine samples, even if the Blue Sky Company created a copycat vaccine, he still had a solution.

He smiled and said to Song Pingting, "I listen to my wife!"

Song Pingting's pretty face turned red, and her heart felt sweet.

Song Pingting calmly said to Chen Fangfang: "We will not consider holding you legally responsible for the time being. You can go now."

Go?

Chen Fangfang walked out of this door. If he couldn't return the 20 million to Ouyang Ting, he would be sent to Africa immediately.

She knelt in front of Song Pingting and refused to get up, crying and begging: "Sister Ting, if you really see our sisterhood, please help me again. I don't have the money from Ouyang Ting. , The end will be miserable."

The One and The Only Chapter 382

After the incident, Song Pingting knew that her friendship with Chen Fangfang would not be the same as before.

However, she looked softly at Chen Fangfang, who was kneeling in front of her and begging for mercy.

After all, Chen Fangfang used to be her sister. When she was studying, she went to school together and after school. A biscuit had to be broken into two, and everyone shared the bestie.

Even though Chen Fangfang did something to be sorry for her, she couldn't bear to watch Chen Fangfang be sold to Africa as a prostitute. She looked at Yash Nics for help, and whispered, "Yash Nics, can we help her?"

Yash Nics didn't care about a little money. However, Chen Fangfang dared to eat inside and out. Just now, he humiliated Song Pingting so arrogantly and even digs people from Ningda Company. Yash Nics felt that if Chen Fangfang was not taught a lesson, then every employee would dare to sell the company. He pondered for a moment, then looked at Chen Fangfang who was kneeling on the ground indifferently, and said coldly: "How much is your shortfall?" Chen Fangfang hurriedly said, "I sold the luxury car house, and I should be able to cash out most of it." , It should be only 5 million."

Yash Nics: "You continue to work in our company, and the annual salary is still 500,000. You can advance your salary for 10 years in advance to repay the debt." "But before you pay the advance salary. ? you have to leave work in the company, subject to the company and unconditional arrangements can do it, " Chen Fangfang again and again, said:" Yes, I can do it. " Ning:" advance wages to finance it, in the afternoon I want to see You come to work in the company."

Everyone talked about it, saying that Chen Fangfang was so lucky that he was able to stay and work in the company after making such a big mistake! However, at noon, Yash Nics ordered the company's employees to prepare a small glass room with transparent all sides. This small glass room is the new office for Chen Fangfang!

In the afternoon, Chen Fangfang went to work in this small transparent glass office.

Chen Fangfang sat in the small office, like a prisoner in jail, and like a monkey in a cage for employees to visit.

She knew that this was Yash Nics deliberately teaching her, using her to kill chickens.

She couldn't help but lay down on the table and began to cry. I regret my previous behavior

very much, but unfortunately there is no regret for taking medicine in the world.

The employees who walked outside all cast strange gazes and pointed out that this was the fate of the traitor.

In the president's office, Yash Nics is sitting with Song Pingting to eat a takeaway box lunch.

The glass in Song Pingting's office is one-way perspective, which means that you can see

the outside through the glass in the office, but you can't see the office outside.

At this time, she looked at Chen Fangfang, who was kept in a small glass room outside and

was "visited" by employees coming and going. She smiled bitterly and said to Yash Nics, "Is

it too cruel to punish her like this?"

Yash Nics said lightly. "I actually feel very kind!"

"She steals company secrets and sells them to a hostile company for profit. This is illegal

and

she should go to jail." "We did not pursue her legal responsibility, leaving her to continue

working and prepay. Paying her ten years of salary to repay her debts, may I ask which

company in the world is so good to the traitor?"

Yash Nics said here, glanced at Chen Fangfang outside, and then said:

"She betrayed you

and even dig your employees. Many employees have come to her side and are ready to

change jobs."

"If I don't use her to kill others, so as to

follow your example, any employee will dare to bully you in the future.”

The One and The Only Chapter 383

Yash Nics said one thousand things and ten thousand, Yash Nics was the most annoyed that Chen Fangfang cried Song Pingting, so Yash Nics had to punish Chen Fangfang severely.

Song Pingting’s eyes were moved, and she whispered: “It’s fortunate to have you here this time, otherwise I don’t know what to do.”

“But I think the goal of killing chickens and monkeys has been achieved, or don’t turn Chen Fangfang down. The glass house is over.”

Yash Nics pondered a little, and then said: “She has paid ten years in advance. If she does not get rich, it is estimated that she will continue to work in our company for ten years.”

“If she keeps shutting down the small glass house, I guess you can’t bear my wife, and it will make the outside world feel that we are cautious.”

“Well, let her sit in the small glass room for another week. Only after a week, let her return to work in the normal office.”

Song Pingting said happily: “Well, it’s your husband that you are thoughtful. Although you are usually lazy and don’t like work. But I think you are more decisive and killer than me, just like sitting on the sidelines. Commander of the army.”

Song Pingting praised Yash Nics’s decisiveness and boldness as a commander, but she did not expect that Yash Nics was really a young commander of the Northern Army!

Yash Nics blinked, “Really?”

Song Pingting nodded and said, “Yes, I’m thinking, just come to be the president of Ningda Group, I’ll be your deputy.”

Song Pingting did. Said, except because I think Yash Nics is qualified for the position of

president. She also wanted to improve Yash Nics's status so that others would think that Yash Nics did not have a job, and mistakenly thought that Yash Nics was eating soft food.

She is afraid that Yash Nics's self-esteem will be hurt. It's a pity that Yash Nics, who she was still full of praise just now, mentioned that when he was made president, he immediately dropped the chain. Yash Nics shook his head repeatedly: "No, no, no, I'm lazy, it's better for you to be on top of my wife, and I'll be on the bottom." Song Pingting heard this, her eyes widened and her pretty face gradually turned red. She glared at Yash Nics in embarrassment, and said angrily: "Yash Nics, you rascal!" After speaking, she lifted her high-heeled foot and kicked Yash Nics to express her sorrow. Yash Nics was taken aback when he heard the words, and then he reacted. The sentence he just said sounded somewhat ambiguous, and Song Pingting must have misunderstood that he was driving. Yash Nics couldn't laugh or cry, and felt wronged in her heart: I really didn't play a hooligan!

...

At this time!
Blue Sky Business Club.
Ouyang Ting was furious, but Ye Zhiqu stood helplessly watching. Ouyang Ting scolded fiercely: "Chen Fangfang, that bitch, dare to fool us. If she didn't see her ruining her family and making up 20 million back to me, I would just sell her to Africa." Ye Zhiqu helped his glasses and said with a wry smile. "I've inquired, Chen Fangfang was fooled by Yash Nics." "She is now locked up in a small transparent office, visited by the staff of Ningda Group, she is also very miserable."

Ouyang Ting coldly snorted: " She deserves it!"

Ye Zhiqiu was noncommittal, but said indifferently, "Brother Ouyang, let's come to Mannity to block Ningda's purchase of equipment, and the two axes to steal Ningda's business secrets this time, both failed. Next we What should I do?"

Ouyang Ting squinted his eyes and said: "I heard that the first production line of the Ningda Group Pharmaceutical Factory has been installed and has begun to produce the first batch of vaccine samples."

Ye Zhiqiu nodded: "Yes, they produce. After the first batch of vaccine samples are released, they will be sent to the Food and Drug Administration for inspection." "If there is no problem in the inspection, they will be awarded the National Pharmaceutical Standards, and they will officially start to enter the market and begin sales."

Ouyang Ting sneered: "They don't want to pass through. Inspection by the Food and Drug Administration!"

Ye Zhiqiu's eyes lit up, and he asked in surprise: "Brother Ouyang, are you planning to check this level at the Food and Drug Administration, and kill Ning Da Group?"

The One and The Only Chapter 384

Ouyang Ting said triumphantly: "Yuan Haifei, the deputy bureau of the Mannity Food and Drug Administration, is my cousin. Ningda Group Vaccine wants to submit the first pass. I can let me My cousin stuck him to death!" Ye Zhiqiu laughed and said, "Good idea, even if Song Pingting is not convinced, it will be useless to go to Mannity City Zun or Tianhai Provincial Zun. Because whether it is Mannity City Zun or Tianhai Shengzun, we must give us the face of Lord Tang, hahaha."

Ouyang Ting and Ye Zhiqiu have already planned to check this level at the Food and Drug Administration, and Song Pingting will be blocked, so that Song Pingting's vaccine cannot

be obtained smoothly. The National Pharmaceutical Standard cannot enter the market for sale.

At this moment, in the Song family mansion.

Song Qingsong, the elder of the Song family, is leading the Song Zhongxiong and Song

Zhongping families to warmly entertain Song Xian, the third master of the Song family, who

came from the provincial capital of Tianhai.

The Song family, the provincial capital, was the protagonist of the Song family in Jiangnan

Province.

Song Qingsong and the others, the Song family in Mannity City, are just side branches of the

Song Clan in the south of the Yangtze River.

The Song family in the provincial capital is more powerful than their Song family in Mannity

City.

In the eyes of Song Qingsong and others, the Song family, the provincial capital, is like the

royal family of the Song clan.

This time Song Xian, the third master of the Song family in the provincial capital, came to

Mannity to visit Song Qingsong's family.

Song Qingsong and the others were simply flattered, and treated Song Xian and his

entourage respectfully as if they were hosting the prince.

Although Song Xian was 40 or 50 years old, he was of the same generation as Song

Qingsong in terms of seniority.

However, because Song Xian's status was too noble, Song Qingsong did not dare to call

Song Xian a brother, but called Song Xianzun the third master.

He asked with a smile on his face at this time: "San Ye, you are coming to our Mannity Song's house this time. I don't know if you have any advice?" Song Xian squinted his eyes and said arrogantly: "It's nothing, I heard that your house Take down the agency rights of liver cancer vaccine."

"We are in the same clan, we are all a family, and we make money together."

"On behalf of the Song family, the provincial capital, I am here to cooperate with your Mannity Song family . We have to participate in the vaccine business." Song Qingsong and others heard the words. They were all stunned before they realized that Song Xian came for Song Pingting's liver cancer vaccine.

Song Xian saw that Song Qingsong and the others had different expressions, he said displeased: "What, do you seem unwilling to let our provincial capital Song family participate?" Song Qingsong dare to offend the provincial capital Song family and said hurriedly: ".! San Ye, liver cancer vaccine proxy Song Painting is my granddaughter, I want to participate in an even afraid she will not give you openings San Ye, she is not to face ah "

Song Xian Leng Heng:" presumptuous "!"
" Our Song family has always been strict, and the family disciples are all very well-behaved."

"Song Pingting dare to be so rebellious and selfish?"

Song Qingsong deliberately said, "My granddaughter is already married, and she married

Yash Nics, the water thrown out by the married granddaughter, what we Song elders say is not good for her!"

Song Xian was furious: "She is also surnamed Song when she marries. She is our Song

family as long as her surname is Song. If you are good, you must share a share with the family.”

“Since Song Qingsong can’t discipline her, then my clan elder will teach it for you!”

Song Xian said here, and ordered his subordinates: “Come here, go right away.” Ningda

Company ordered Song Pingting to come and pick up the crime immediately.”

Song Xian’s voice fell, and two men among the group of men beside him immediately responded.

These two men, one named Song Wen and the other named Song Wu, are both from the

Song family in the provincial capital!

Song Wen and Song Wu soon came to Ningda Group Company. The front desk clerk greeted

him and asked politely: “Hello two gentlemen, this is Huang Min, the front desk clerk of

Ningda Group, can I help you? ”

Song said coldly:” we are the people of the provincial capital of Song “!

Song Wu also said indifferently: “Let your CEO Song Pingting come out and see us!”

The One and The Only Chapter 385

Huang Min heard the words and said quickly: “So you are from our Song family, I’ll call you

to ask.”

After that, Huang Min used the front desk phone to call the president’s office. floor.

The one who answered the phone was Song Pingting’s secretary, Lin Wei.

After Lin Wei listened to Huang Min’s words, let’s wait a moment, and then came to the

president’s office, wanting to report the situation to Song Pingting.

But when she just came in, before she had time to speak, she saw Yash Nics put up a finger

and hissed at her, beckoning her not to wake Song Pingting who was asleep on the desk.

It turned out that Song Pingting was too tired from work and fell asleep on the table.

Yash Nics motioned to Lin Wei to go out, and then he followed out and closed the door.

Then he asked, "What's the matter?"

Lin Wei answered honestly, "Mr. Yash, two people came downstairs in the lobby. Claiming to

be from The Song Family, the provincial capital, is the elder of Mr. Song, and asked Mr. Song

to go down to see them. "The

Song Family, the provincial capital?"

Yash Nics frowned slightly, Song Pingting has been left out by Song Qingsong's family in

recent years, and Song's family in the provincial capital hasn't seen him come to help

preside over justice.

Now Song Pingting's career is getting better, and all the distant relatives are coming!

Yash Nics snorted coldly: "Tell the front desk downstairs, if something is wrong, let the Song

family come up to see me. If it's okay, wait until my wife wakes up."

Soon, the original words of Yash Nics were conveyed by Lin Wei. To

Huang Min, and Huang

Min kept telling Song Wen and Song Wu.

Song Wen Song Wu relied on that they were from the Song family in the provincial capital,

and relied on that they were the clan of the Song family in the south of the Yangtze River.

Unexpectedly, they came to Song Pingting's company. Song Pingting would not see them

when he slept. Song Pingting's husband would come up to see him if he said anything else!

Song Wen has a feminine personality and did not have an on-the-spot attack.

But Song Wu, who has a violent personality, went wild on the spot.

He raised his hand and slapped Huang Min's face fiercely, and cursed fiercely: "Fuck, here

we are, Song Pingting dared to sleep, her husband dare to be so rude?"

“Let Yash Nics couple Roll down to see us immediately, don’t be conceited.”

Huang Min clutched his beaten cheek and ran away crying.

It didn’t take long for Yash Nics to walk out of the elevator with a calm face.

At the same time, there were also security captain Wang Long, and more than a dozen

company security guards.

Yash Nics looked at Song Wen and Song Wu, and said coldly: “You two are the ones who

beat people?”

Song Wu looked at Yash Nics provocatively: “You are Song Pingting’s husband, Yash Nics?”

Song Wen also said. “We belong to the Song family, the provincial capital. On the order of our third master, we come to tell Song Pingting to follow us to the Song family immediately to receive punishment.”

Yash Nics said indifferently, “I asked if you two beat our company. People?”

Song Wu grinned and said, “I did it, how about it?”

Yash Nics said indifferently, “Everyone broke an arm, and then blasted out!”

“Yes, Mr. Yash!”

Wang Long and other security guards got Yash Nics. Without hesitation, he picked up the

swing stick and rushed towards Song Wen Song Wu.

Song Wen and Song Wu roared and greeted Wang Long and other security guards.

The two of them were quite skilled, and Wang Long and the security guards were not able to

get a bargain. Instead, Song Wen and Song Wuyin had the upper hand.

Upon seeing this, Yash Nics made a decisive move.

He quickly approached Song Wen Song Wu, Song Wen Song Wu raised his fists together

and shook Yash Nics at the same time.

Yash Nics threw both fists at the same time, and at the same time went head-to-head with

Song Wen and Song Wu.

Bang bang!

Yash Nics's double fists collided with Song Wen and Song Wu's fists.

Click, click!

Two sounds of broken bones sounded, and Song Wen's arm was directly broken.

"Ah!"

"Ah!" The

two screamed, one after another.

Yash Nics calmly clapped his hands, and faintly ordered: "Throw them two out."

Wang Long and other bodyguards picked up Song Wen and Song Wu, dragged them out,

and threw them directly into the street.

The One and The Only Chapter 386

Song family, Song Xian, Song Qingsong and others are waiting for Song Pingting to come

and plead Jing.

Soon, Song Wen and Song Wu came back.

Only there is no shadow of Song Pingting!

Song Xian looked at Song Wen Song Wu who was embarrassed, and asked in amazement:

"What's wrong with you, Song Pingting?"

Song Wen lowered his head and said shamefully: "Song Pingting is sleeping, but he didn't come."

Song Wu also asked. Pointing at his and Song Wen's limp right arm with grief and angrily,

crying: "San Ye, Song Pingting's husband Yash Nics, also interrupted our two arms."

What?

Not only did Song Pingting not come, her husband broke Song Wen Song Wu's arm!

Song Xian opened his eyes wide, shocked and angry.

Song Qingsong looked at Song Xian with a wry smile: "San Ye, I'm right.

Song Pingting's

attitude is coquettish, and her husband is a madman."

Song Xian sneered: "Hehe, arrogant, then also look at it. Who is it in front of. In front of the Song family in our provincial capital, they don't have their arrogance." "My name is Song San, in the underground circle of the provincial capital. Who knows, who doesn't?"

"Even even Lord Tang, the king of Jiangnan, he treats me three points on weekdays and calls me Mr. Song San!"

"Yash Nics and Song Pingting might not know that I asked them to receive the punishment.

Otherwise, where would they dare to resist? "

Song Qingsong and others nodded, Song Xian really has a status in the provincial capital, and there are not many people who dare to make trouble with Song Xian.

Song Xian saw that Song Qingsong and others recognized his strength, he was a little proud, took out his cell phone, and asked Yash Nics's cell phone number. He wants to call Yash Nics himself, and he wants Yash Nics and Song Pingting to come over and kneel down to receive the punishment.

He was calling Yash Nics, and soon the call was connected.

Yash Nics's voice came from inside: "Hello?"

Song Xian said with a high face, arrogantly: "Yash Nics, I'm your third master, I want you to..."

Song Xian hasn't finished speaking yet, Yash Nics. She was already displeased and said

coldly: "You are my third master, and I'm still your father, get out!"

Yash Nics finished speaking, and hung up the phone.

Song Xian's expression froze, and sweat burst out.

Song Qingsong and others were looking at him. Song Qingsong asked curiously: "San Ye, what did Yash Nics say?"

Song Xian said embarrassingly, "I made the wrong call, I'll call again!"

After speaking, he called again. Call past.

The phone was quickly connected, and Song Xian immediately said,
“Yash Nics, I want you
and your wife to come to Song’s house to receive punishment...”
“Go!”
Yash Nics hung up the phone again with a roll.
Moreover, this rolling sound was so loud that even Song Qingsong and
others around Song
Xian heard it.
Song Xian Khan was raining, and his face was hot.
Slapped face, too much slapped face.
Song Qingsong smiled bitterly and said: “San Ye, I’ll just say Yash Nics is
crazy, he won’t give
you your face.”
Song Xian snorted coldly, “Blame me, I didn’t make it clear about my
identity the first time.
Otherwise, he dared to go crazy with me, so scared to beg for mercy!”
“I’ll call him another call!”
After that, Song Xian called Yash Nics again. He declared himself the first
time and said
loudly, “Yash Nics, I am the third master of the Song family in the
provincial capital.
Everybody in Jiangnan calls me Mr. Song San!”
“I am the elder of you and Song Pingting, you and Song Pingting will call
me the third
grandfather!”
“Now I’m at the Song Family Mansion in Mannity, I want you and Song
Pingting, two
rebellious and unfilial people, to roll over immediately and admit their
mistakes and beg for
mercy. Otherwise, if I get angry, the consequences will be serious.”

The One and The Only Chapter 388

Song Xian’s words just fell off, the men he brought from the provincial capital. Four people immediately went out, forcibly set up Song Zhongbin and Ma Xiaoli, and dragged them outside.

The other two subordinates took out two extraordinarily scary whips. This leather whip is used for family law, and it is wrapped with steel wire. Under normal circumstances, a strong man can carry ten whips.

Weak men like Song Zhongbin, or women like Ma Xiaoli, only need five lashes to die.

Both Song Zhongbin and Ma Xiaoli were so scared that they even forgot to resist when they were dragged out.

Song Qingsong stood up at this time and said, “San Ye, wait a minute.” Song Xian raised his hand and motioned to his men to stop. He asked faintly: “

Master, what do you want to say?” Song Qingsong pleaded: “ Song Zhongbin and his wife have no way to teach their sons, they should be punished. Song Pingting and Yash Nics hurt San Ye’s subordinates, it is even more heinous.”

“But I hope that San Ye can be regarded as their own family, and give them one family. A chance to redeem the merits.”

Song Xian squinted: “If you redeem your merits, how can you redeem your merits?”

Song Qingsong said, “I called Song Pingting and asked her to obediently donate half of the Ning Da Group. The shares are given to the Song family. It’s a contribution to the family, and

it's also a compensation for their family's mistakes. What do you think of the third master?"

Song Xian nodded slightly after hearing the words, "Okay, for the sake of your plea, I'll give it

to Song. Pingting is a chance to redeem her merits."

"You call and ask Song Pingting to come over immediately. If she is acquainted and

honestly donates half of the shares to the family to contribute, then it's good to say."

"If she is not savvy, Then she will also be served by the family law!"

...

At this time!

Ningda Group, President's Office.

Song Pingting, who was dozing on her desk, was suddenly awakened by her mobile phone.

She took out her mobile phone and found out that it was the call from Grandpa himself. She

connected the phone and asked in confusion, "Grandpa, what's the matter?"

Song Qingsong said coldly, "You come to the ancestral house immediately. , If you are late,

your parents will be killed by family law enforcement!"

Song Pingting was shocked when she heard the words, she didn't care to ask the details,

picked up the car key, and hurried back to the Song family ancestral house in great anxiety.

When Song Pingting came to the ancestral home of the Song family, she realized that all the

people in the family had come.

And her parents are kneeling before the steps by four strong men.

There are also two fierce and wicked guys holding whips.

Song

Pingting shouted silently : "Dad, Mom!" Song Zhongbin and Ma Xiaoli both tremblingly

shouted: "Xiaoting!"

Song Pingting wanted to go over and support her parents, but was held by two hands. The

whip was stopped.

Song Pingting turned her head to look at Song Qingsong in the crowd, and asked angrily:

“Grandpa, what did my parents make? Do you want to treat them both like this?”

Song Xian said solemnly, “Your parents didn’t. You are wrong, you are the one who is wrong.

The reason why you have to be punished is that you are involved.”

Song Pingting looked at Song Xian suspiciously, and Song Qingsong introduced it in a timely

manner: “This is Song Xian from the provincial clan family. Sir, according to seniority, you

should call him the third master.”

Song Pingting called the third master, and then asked unconvincedly:

“San master, what

wrong did I commit? Why do my parents have to be involved? Is your family law enforced by

you?”

The One and The Only Chapter 389

Song Xian snorted coldly, and then began to narrate Song Pingting’s crimes.

The first crime is that Song Pingting became pregnant first without marriage, and married

the tramp who had defiled her, which insulted the Song family.

The second crime is that Song Pingting is selfish, rebellious and unfilial, disrespectful to

Song Qingsong and other elders, forgets his roots if he makes money, and is unwilling to

make contributions to the family.

The third crime was that Song Pingting instigated Yash Nics to commit crimes and

wounded Song Wen and Song Wu.

After Song Xian counted down Song Pingting’s three major crimes, he sneered and said: “As

for your parents’ crimes, there is no way for them to teach their children.

According to the

family law, everyone should be beaten with five whips!”

Song Pingting said angrily: “My parents are weak, how can they afford five whips, you will kill

them.”

Song Xian narrowed his eyes and said, “So I think you are your own family, and give you a chance.”

If you are willing to donate half of the Ningda Group’s shares to the family to make up for the process committed by your family. Then I can open the Internet. Not only will you not punish your parents, but also for your crimes, how about?”

Song Pingting looked at Song Xian, grandpa and the others in shock, and said slowly: “I

understand, it turns out that you are targeting me and my parents for the Ningda Group!”

Song Qingsong sank: “Presumptuous, what attitude do you dare to talk to Sanye like this?”

Song Xian sneered: “Song Pingting, you don’t want me to face you shamelessly. If you don’t agree, then I will execute to your parents first. Family law, and you can’t escape the torture of family law today.”

Song Zhongxiong and Song Zhongping urged Song Pingting with good intentions: “Niece, your parents are not in good health, so please quickly agree to Sanye’s terms. , Otherwise your parents will be beaten to death before your eyes.”

“You can’t be so selfish, don’t you want to watch your parents be beaten to death without being indifferent?”

” Yes , money is really so for you It’s important, isn’t your parents’ lives important?”

Song Pingting’s tears kept streaming out. She cried and said, “Don’t push me. This company is Yash Nics’s painstaking effort. I cannot give you the company. I beg you to let my parents go. I’m all right.”

Song Xian said coldly, “Haha, wait for your punishment and then care about it. Now execute the family law on your parents first. Come here, do it!” The

two men holding whips immediately grinned. He was about to raise his whip and whip Song Zhongbin and Ma Xiaoli. Song Pingting screamed, desperately trying to rush over, but was stopped by people and couldn't get close. Seeing that two men with whips in their hands raised the whips, they were about to pull them down at Song Zhongbin and his wife. But at this moment, a murderous anger came from the gate: "Whoever dares to touch my parents, today is whose death date!" Everyone at the scene was shocked and looked towards the gate. Then I saw a man with a tall stature and a star-like star, coming in with a calm face. It was Yash Nics. "Husband!" When Song Pingting saw Yash Nics, she couldn't help but mourn and plunged into Yash Nics's arms.

Yash Nics stretched out her hand and gently stroked her hair, softly comforting: "It's okay, I'll be there under the sky!" Song Pingting said, she didn't know when it started, Yash Nics was already Become her backbone. No matter what happens, as long as Yash Nics is there, she has an inexplicable sense of security. Everyone at the scene looked at Yash Nics with different eyes. Especially Song Wen and Song Wu, their eyes staring like bullseye, glaring at Yash Nics. Song Xian squinted his eyes and said slowly: "You are Song Zhongbin's son-in-law, Song Pingting's husband, and wounded my two madman Yash Nics?" "You came just right, I just want you to settle accounts." The One and The Only Chapter 390

Yash Nics didn't even look at Song Xian. His eyes fell on Song Zhongbin and Ma Xiaoli who were tied up by the five flowers.

He walked straight over, trying to untie Song Zhongbin and his wife.

However, two guys holding leather whips blocked his way.

One of them sneered and said to Yash Nics: "Boy, our third master is talking to you!"

Yash Nics said solemnly: "Get out of the way!"

The two guys didn't get out of the way, but all aimed at not far away. Song

Xian sitting in the

chair of the master.

Like a squire, Song Xian picked up his tea and gently sipped it, and

indifferently ordered:

"Fight me!"

The two men who received Song Xian's order, smiled together.

One of them raised his whip first and drew his head viciously towards Yash Nics.

The leather whip slammed in the air, and then pulled it off Yash Nics's head.

Song Zhongbin and Ma Xiaoli couldn't help but exclaim, Song Pingting even shouted out:

"Yash Nics be careful!"

Yash Nics stood still, letting the whip fall.

Seeing the moment the whip was about to hit his face, he raised a hand and grabbed the

control whip like lightning.

Suddenly, Song Xian frowned.

Everyone at the scene opened their eyes wide.

With such a sharp whip, Yash Nics just raised his hand so easily and caught it?

The guy who was caught by Yash Nics's whip was even more shocked.

He desperately tried to pull the whip back.

But despite his full strength, he could not pull the whip at all.

Yash Nics tugged casually, forcibly pulled the opponent closer, flew a kick, and kicked it on

the opponent's knee.

Click!

A scalp tingling bone fracture sounded!

This guy screamed and knelt in front of Yash Nics!
Another man with a whip wanted to take the opportunity to attack Yash Nics, but Yash Nics kicked it out again.

With a click, the man was also kicked off his knee and screamed to kneel. In the blink of an eye, the two guys with leather whips had all been kicked off their knees by

Yash Nics, and both knelt in front of Yash Nics.

Song Xian, Song Qingsong and others were stunned.

They knew that Yash Nics was crazy, but they didn't expect Yash Nics to be so crazy, and that he shot so hard.

Yash Nics walked to Song Zhongbin and Ma Xiaoli, untied the two ropes, and said softly:

"Parents, it's okay, let's go home."

Song Xian had already recovered from the shock at this time, and he said coldly. "Yash Nics, until this matter has no results today, don't even your family want to go out of this door." The voice fell, and the more than 20 tall men beside Song Xian quickly dispersed.

Surround Yash Nics with Song Pingting, Song Zhongbin, and Ma Xiaoli.

Yash Nics glanced at Song Xian: "You are the most dead person I have ever seen!"

Song Xian smiled disdainfully: "Yash Nics, you know how to embroider your legs and think

you can walk sideways? Today I will go. I want you to know that there is a sky outside the sky, Shentu!"

A man with a height of two meters and a pale face like a dead man walked out

expressionlessly and stood in front of Yash Nics.

This man with a terrifying aura was the master of the family brought by Song Xian, Shentu the god of death.

Song Xian triumphantly commanded: "Shentu, let this kid see what cruelty is!"

Shentu exudes a breath of death, with a pair of white dead fish eyes,
coldly looking at Yash
Nics, just like a butcher looking at an animal to be slaughtered.
