

Noble Husband At the Door Chapter 385

"Say it." Before Xu Fang could claim anything, Jiang Hong had actually already made the final decision.

Lydia told Jiang Hong what had occurred in the mall. It was clear that was right and also that was wrong.

Jiang Hong was so mad that he erroneously assumed that Lydia was abundant, so she didn't take him seriously as a father. He didn't expect that Lydia's family members would be made difficult on Jiang Wan and also be cleared out of the family members.

Even the 3 of Jiang Wan's family members made up a justification to trick him.

Jiang Hong, who was angry, scolded Jiang Bo, "I'm not in the house. As a Big Brother, you even transformed your brother and also sister's relationship right into a mess."

"Father, I."

"Stop it. Your family, rush as well as apologize to Lydia," Jiang Hong stated.

Jiang Bo looked at Xu Fang and Jiang Wan in shame. It was okay for him to say sorry, but exactly how could these two individuals ask forgiveness?

Particularly Jiang Wan, she had already lost face when she was ridiculed. If she apologized to Lydia once more, exactly how could she deal with others in the future?

"Grandpa, why should I ask forgiveness to her? After I marry Liu Zhijie, I am a member of the Liu family," Jiang Wan said discontentedly.

These words were undoubtedly an alerting to Jiang Hong as well as offering face to Liu Zhijie. Or Else, Liu Zhijie would not give the Jiang family any type of benefits in the future.

"Zhijie, please speak up for me," Jiang Wan reminded Liu Zhijie.

Liu Zhijie's eyes had actually been chosen Samuel. His existence was easy to ignore. He did not say a word or do anything. However Liu Zhijie really felt that everything had something to do with Samuel. It could also be guided by him behind the scenes.

Jiang Wan had actually always regarded him as a good-for-nothing, yet actually, after a few experiences with him, Liu Zhijie really felt Samuel was not a basic individual, and also currently he came here in Tang Zong's car.

With Yvonne's capability alone, exactly how could he remain on Flavor Zong's cars and truck?

"What are you doing? I asked you to defend me," Jiang Wan claimed anxiously. She had shed sufficient face. She did not want to embarrass herself in front of so many relatives. She believed that as long as Liu Zhijie spoke up for her, Jiang Hong would not make things tough for her.

Liu Zhijie took a deep breath and also said, "You've gone too far in this issue."

Samuel faintly when he heard this. This other was fairly clever. Could it be that he had discovered something?

"What ... what did you state?" Jiang Wan took a look at Liu Zhijie in shock. She did not believe that Liu Zhijie would state something like that.

"I want you to say sorry," Liu Zhijie stated.

Jiang Wan walked madly to Liu Zhijie, drawing Liu Zhijie's clothing, as well as yelled, "Are you insane? You asked me to ask forgiveness to her."

Liu Zhijie suddenly felt disgusted. Preserve one's honor for Jiang Wan? Not to mention whether he had the ability or otherwise, if all this was really done by Samuel, as well as even he was ended up, exactly how could he care about Jiang Wan?

Or else, we would certainly much better break up," Liu Zhijie said. Also if only one percent chance that it was caused by Samuel, he couldn't risk it.

Jiang Wan was stunned. Break up! Liu Zhijie wanted to break up with her!

Jiang Wan recognized that it was worthless to make a scene on this matter. If Liu Zhijie continued to be discontented, it would be impossible for her to live the life of a rich man.

Jiang Wan, that had actually calmed down in a split second, gritted her teeth as well as walked up to Lydia. She decreased her head and also stated, "Aunt Lydia, I'm sorry. It's my fault."

Samuel had actually seen lots of people that gave up their dignity in front of cash, but he knew that Jiang Wan was not persuaded.

" Alright, alright, we're all relatives. Forget it when it's over. It's almost lunch time, allow's go consume." Jiang Hong didn't intend to trigger too much of a difficulty, so he chose to come forward as well as clear up things. Nonetheless, he turned around, as if he wished to most likely to the Zong Huang Resort.

" Who said that you are qualified to have supper here?" Samuel stated emphatically.
