

The Charismatic Charlie Wade Chapter 3924

With that, he took out his wallet from his pocket. There was not much cash in the bulging wallet, but all kinds of bank cards.

What's interesting is that every bank card has a string of numbers on sticky notes, some are 10, and there are 20, 30, or even 50, 100.

Don Albert directly drew a bank card with the number 30 pushed from it, threw it into the cab of the commercial vehicle through the window, and said: "There are 500,000 in this card, and the password is 5-0-0-0-0-0, you guys will spend it, and the rest will be averaged."

Don Albert carries at least several million bank cards all year round. The person who issued these cards is not himself, but the password of each card corresponds to the amount of the card. The password is for the 300,000 card. 3 and five zeros, five hundred thousand cards, password 5 and five zeros.

The reason why I bring so many such cards is to make it more convenient to give money. Just throw a card in the past and solve it. It is more convenient than cash and safer than transfer.

The younger brother got the card and said excitedly: "Thank you, Lord !"

Don Albert said: "By the way, don't rush back tomorrow, sleep steadily until you wake up naturally, then find a shopping mall to go shopping, go shopping, and drive back at night."

The little brother said quickly: "Fifth Lord, don't worry, I will follow your instructions!"

Don Albert nodded, and said to the driver of the Accord: "Go straight to the high-speed back to the dog farm."

The driver said quickly: "Good fifth master."

After a kick of the accelerator, the car jumped out immediately.

...

Since the traffic in the evening was much smoother, Charlie took Fei Kexin to the Shangri-La Hotel in just over twenty minutes.

The car stopped in the hotel lobby, and the service porter was about to step up and drive the door. Seeing Charlie sitting inside, he immediately said respectfully: "Hello Master Wade!"

Charlie nodded, and said to the boy: "Tell Mr. Isaac and send more people to protect Miss Zhan's safety."

The doorman quickly agreed and said: "Don't worry, I will give feedback to Mr. Isaac right away!"

Charlie was satisfied, and said to Fei Kexin on the co-pilot: "Miss Zhan, do you want me to send you in?"

Fei Kexin hurriedly said, "Don't bother Mr. Wade, I'll just go up by myself..."

Charlie nodded, and comforted: "You don't have to worry too much about what happened just now. I believe that in broad daylight and in a bright world, your driver can't just say you lose it. Maybe he will be back tomorrow."

Fei Kexin felt that Charlie didn't know the seriousness of the matter at all, so he had such a beautiful fantasy.

In Fei Kexin's opinion, the possibility of Mr. Luo coming back by himself is almost zero!

However, she was very grateful and said to Charlie: "Thank you, MR. Wade, then I will borrow your good words!"

Charlie nodded and said: "Miss Zhan, don't be polite to me. You are not familiar with the place of your life. If you have anything difficult to do, you must say hello to me. Although I am not a big snake in Aurous Hill, Anyway, it has a foundation, and it should be able to help you!"

Charlie's attitude gave Fei Kexin great comfort, and greatly eased her flustered heart and nervousness.

She looked at Charlie and said sincerely, "MR. Wade, thank you for being here! Thank you so much!"

Charlie waved his hand and said with a face: "Miss Zhan, everyone is a friend. It would be too far-fetched to always say thank you!"
