

The Charismatic Charlie Wade Chapter 3940

“Fei Kexin must have made preparations in advance. No matter which designer’s name his wife says, she will say that it is her good friend.”

Thinking of this, charlie couldn’t help but admire Fei Kexin a bit.

Regardless of how young this woman is, she is really good at finding key points.

Within a few days of coming to Aurous Hill, I locked the owner of the Rejuvenating Pill to myself, and with a little profit, he brought my father-in-law in, and then accurately found the pain point that my wife had never had the opportunity to use his fists in the field of design. It’s really unusual.

Moreover, charlie felt that Fei Kexin had the courage to be sure.

Knowing that there must be hidden masters in Aurous Hill, but they still have to stay here. It can be seen that this woman is not very old, she is really capable, and she has a very heavy scheming.

The more this happened, the more charlie felt that Fei Kexin was troublesome.

However, fortunately, the threat was not big, and he saw his wife so happy, and he didn’t want his wife to lose his wish in the end.

So he temporarily dismissed the idea of forcing Fei Kexin away.

In addition, charlie also wanted to see and see, what new game Fei Kexin has next.

...

The next morning, Claire immediately got up to wash up as soon as the alarm clock rang. According to her, Fei Kexin would personally drive to pick her up later, and then the two went to the airport together.

After breakfast, Claire received a call from Fei Kexin. At this time, Fei Kexin had already arrived at the door of the villa.

Claire couldn't wait to finish the meal, so he couldn't wait to leave. Elaine couldn't help but said, "Claire, what are you doing in a hurry this morning? In such a hurry?"

Claire couldn't hide his excitement and said, "Oh my god, my idol has come to Aurous Hill. I'm going to pick her up at the airport!"

Elaine pouted, "Is that Stefanie sun again? Didn't she just give a concert in Aurous Hill some time ago?"

"Mom, it's not her..." Claire hurriedly explained: "I came here today as a beacon on my career path, the female interior designer I admire the most!"

With that said, Claire couldn't wait to say: "Mom, I won't tell you anymore. A friend is still waiting for me outside."

charlie stood up at this time and said, "claire, I will send you out."

Claire knew that charlie and Fei Kexin had seen each other a long time ago, so he didn't think there was any problem, so he agreed without thinking.

charlie and Claire walked out of the villa together. At the gate, there was the Cadillac that Fei Kexin had previously ridden on the roadside.

Seeing the two walk out, the door of the Cadillac driver's seat opened, Fei Kexin walked out of it, looked at charlie with a slight smile, and said politely: "Good morning Mr. wade."

charlie nodded and smiled: "Miss Zhan early."

After speaking, charlie asked her: "When did Miss Zhan get this car back?"

Fei Kexin hurriedly said: "I got it back yesterday, and it happens to have a spare key."

charlie nodded, and said, "I heard Claire say that she is going to pick up one of your friends with you?"

"Yes." Fei Kexin said with a smile: "Ms. Claire's favorite designer happens to be a good friend of mine, so I invited her to come to Aurous Hill for a few days, and by the way, let Ms. Claire get in touch with her more, maybe it will be helpful to Ms. Claire's future career."

charlie smiled slightly and said, "Then I will thank Miss Zhan for Claire first."

"Mr. wade, don't be so polite." Fei Kexin said hurriedly: "This is what I should do. After all, you have done me a great favor."

charlie thought: "I didn't help you much, but I'm afraid you want me to help you..."

However, charlie didn't look half ashamed on the surface, instead, he said calmly: "If this is the case, Ms. Zhan has worked so hard."
