

Chapter 3948

The rushing cloud, which is running wildly, converges on the top of the heads of Han 3,000 people, like a vortex, spinning wildly, Immediately afterwards, the blood-red airflow swept in, dyeing the layers of rolling clouds into blood.

In the center of the blood, a red light broke down from the sky and hit Pei Gu directly.

In just an instant, Pei Gu was already surrounded by blood, and a faint golden light flashed from his body.

“The change in the sky, the scorpion reappears!”

Someone exclaimed.

“Three thousand, Pei Gu is awakening his bloodline, stop him quickly, otherwise, the time when the bloodline will be condensed and the bloodline will come, will be the time when the bloodline will appear. At that time, no one can stop him.” Qing Ji said in a hurry.

As a member of the Demon Clan, Qing Ji is naturally very aware of the horrors of the Jiyue family, and she also understands the terrifying power of this Pei family’s complete bloodline awakening.

George Han glanced at Qing Ji and saw that her face was really nervous

and even frightened. Even George Han, who was holding the gluttonous glutton of evil and the poverty of heaven, didn’t dare to care about it at this time, and hurriedly moved towards Pei Gu. kill.

“Patriarch’s awakening, escort!” The

entourage shouted, and more than 20 masters immediately killed George Han on the spot.

“Go and help George Han.” Qing Ji shouted anxiously.

Amelia Su and Zi Qing hurriedly flew towards George Han.

Seeing the two women flying over to help, George Han opened up the followers in front of him with his left and right palms. Taking advantage of the momentum of the two women, he flew and attacked Pei Gu directly.

“Oops, it’s too late.” Qing Ji shouted in a hurry.

It’s an inch!

Sure enough, Pei Gu, who was already covered in golden light and blood, raised his head at this time, and suddenly looked up at George Han with blood in his eyes.

“Wow!”

Looking at each other in an instant, George Han saw a

terrifying beast face suddenly appear on his face, but in the next second it was his normal face.

“Yuetu’s bloodline has awakened.” George Han’s eyes shrank suddenly, and the man was subconsciously startled. I

“George Han, you child, I want you to die!”

Roar!

Pei Gu shouted angrily, and a beast face suddenly roared at George Han. In the next second, with the momentum of destruction, Pei Gu already counterattacked at George Han.

“Be careful.” Qing Ji shouted anxiously and wanted to help, but there were so many soldiers around her that she couldn’t get out for a while.

George Han didn’t need to be reminded to know the danger, and when he hurriedly withdrew, he suddenly felt a heavy weight behind him, his eyes turned slightly, but he was stunned to find that the blood cloud in the sky stretched out countless tentacles at some point, trapping himself in the original place. land.

He tried to struggle, but those things were like people entering cotton. No matter how hard he tried, it was in vain.

“George Han, there is a way to heaven, you don’t go, and there is no way to hell, you just break in. You do something you shouldn’t do in your life, and that’s angering me.”

Pei Gu said, and punched directly The smashed over, and the black and red breath of the fist was all over the place, obviously the power has reached its peak.

No one can survive under this punch.

George Han’s expression condensed, and it was obvious that it was impossible to hide.

“If that’s the case, then I’ll play with you.” George Han drank coldly, without struggling, and mobilized all the energy in his body.

“Break it for me!”

As soon as he shouted angrily, the real energy gathered on his body was immediately released, and the strong qi energy could directly cut off the tentacles formed by the surrounding blood cloud.

However, at the same price, George Han can only use attacking instead of defending, or completely defending. He has no time or opportunity to move and

dodge .

“However, I don’t have any plans to hide.” George Han smiled coldly, and his body was also full of momentum.

The totem of the heavenly beasts from the four directions flashed, the golden light and black light appeared on the body, and a trace of jade energy also emerged from the body, and the voice of the spirit monkey could be faintly heard.

“George Han, you are really an ignorant child. In the face of my bloodline, you dare to confront me head-on. Courage is a good thing, but sometimes courage may not help you, on the contrary, it will

become you The booster who stepped into the road of death.” Pei Gu finished his words, and smiled evilly: “Go to hell!” The

huge energy suddenly exploded, and the anti-Buddha wanted to swallow George Han.

“It’s a good thing for the old man to have some confidence, but too much self-confidence is pedantic!”

George Han laughed coldly: “You know too little about me.” When the

words were finished, George Han’s hand opened with fire. Smashed to Pei Gu...

Chapter 3949

There is no rumbling explosion as expected, on the contrary, when the two forces collide, all that is on the scene is a sudden and extremely harsh sound strange shrill sound.

prick! !

Everyone felt that their eardrums were directly pierced at that moment. They covered their ears and closed their eyes in pain.

In the next second, the ground is shaking, the sky seems to be collapsing, and the entire world is about to be destroyed.

call! !

A strong wind blew out from the center of the explosion, and everyone who blew it staggered. What’s more, it was directly blown to the internal organs and injured, and he vomited blood.

But when everything was calm, a group of people hurriedly looked at the center of the battlefield regardless.

Under the huge explosion, An You finished the egg, and George Han didn’t know when he fell to the ground. He knelt down on one knee, and

the blood was dripping continuously from the drooping head.

Obviously, in the confrontation between the two sides just now, George Han’s loss is already huge.

“Haha, hahahaha.” On the

other side, Pei Gu had also landed, looking at George Han who was half-kneeling injured and burst into laughter.

Although Pei Gu’s clothes were also shattered in the explosion, revealing his body’s strong muscles like bricks, at least he didn’t seem to have a big wave. It was obvious that he won in the confrontation just now.

“George Han, George Han, I told you a long time ago that young people must learn to be prudent. Like you, you don’t know what to do. Sooner or later, you don’t even know how to write the word “dead.” grip.

“Roar!”

In front of the entire formation, the morale of the Yutuo clan was victorious.

On George Han's side, the morale of a group of people was obviously low. After all, even the coach had an accident, and everyone could only be a leaderless leader.

"I, the Takata clan,

inherited Takata's supreme power, and it is invincible. Do you dare to fight against us? George Han, do you know how to write the word "death" now?" Pei Gu was overjoyed and said angrily.

"Ha!" George Han smiled and said, "Tao?" When he finished

speaking, George Han wiped the blood from the corner of his mouth, then slowly raised his head and looked at Pei Gu: "Is it strong?"

"I You..." Suddenly, when Pei Gu responded angrily, he frowned suddenly and then stared at George Han stubbornly.

"The ancient beasts are powerful, but they are not invincible, aren't they?" George Han smiled contemptuously: "Besides, who has never met the ancient beasts.

"You may not feel the pain at the beginning, but as long as you relax, it will start."

After George Han finished

, Pei Gu was stunned to find that the blood in his throat suddenly felt like an uncontrollable, it came out continuously, seeping through the corners of the mouth and flowing down wildly.

At the same time, what annoyed him, even more, was that his internal organs had been completely injured, and his breath had been directly disrupted by others. He was now suffering from death and the extreme pain of the anti-Buddha after he went into a demon.

"No...impossible, impossible!" Pei Gu shook his head and looked at George Han unwillingly as he vomited blood.

He completely occupies the absolute initiative, and he completely controls the situation on the field. How could George Han have much resistance in such a forced environment?

Not to mention, he could actually kill himself directly and severely injure himself.

How exactly did he do it? !

"I said, don't be so stubborn when you're older." George Han slowed down.

Slowly stood up.

And almost at the same time that George Han stood up, Pei Gu, who had supported him for a long time, no longer had the strength to support him. With a muffled bang, he fell to the ground heavily.

Who would have imagined that the moment before, the posture of the two of them would have undergone a heaven-defying change?

Those who were all cheering and roaring, were speechless at this time as if petrified in place, while the disciples of the Mysterious Man Alliance, who had been petrified, fell into madness after a short period of sluggishness.

Just like the exchange of positions between George Han and Pei Gu just now.

“Roar!”

Everyone shouted excitedly, and the loss of emotions also rose instantly.

“Kill.”

Mo Yang took advantage of everyone’s high spirits, waved his hand, and ordered his subordinates to charge.

Everyone shouted excitedly and slaughtered away. Suddenly, a strange scene appeared in the field...
