

Chapter 3956

“Yes... yes...” The man heard this, as if on the verge of amnesty.

Immediately got up from the ground and ran into the sect like a rabbit.

Soon, the Sect Master Yueyao, the Four Heavenly Masters, and several elders...

In short, all the elders of Tianshimen came out in full force.

“You, who is the head of the Tianshi Sect?” The woman looked at the old men and asked in a low voice.

The tone may be cold, but it is also kind.

However, when a young and beautiful woman stood up and claimed to be the sect master of Tianshi Sect, the look of the holy woman in front of her suddenly changed.

There were a few traces of hostility and anger in the cold eyes.

“You are the master of Tianshimen?” she asked coldly.

Yueyao replied: “Exactly. I don’t know, Your Excellency, what is the reason for this? My Tianshimen has only been rebuilt for a few days, so there must be nothing to offend Your Excellency, right?”

The woman ignored her and asked with a slight anger, “Chu Tianfan, where is he?”

“Let him out!”

call!

The words fell, and the surrounding storm raged.

The fool could see the hatred and resentment of the woman in front of him towards Brian Chu himself.

It should have come, and it has come.

After learning that this person came from Chu Tianfan, the great masters and elders of the Tianshimen all turned their attention to Yueyao.

“Humph!”

“Sect Master, what did I say?”

“When I advised you, you didn’t listen.”

“How is it now?”

“The catastrophe is imminent, are you satisfied?”

“Are you still going on your own? Are you threatening to have a baby for him?”

After holding back their anger for a long time, taking this opportunity, these sect elders all vented on Yue Yao.

Yueyao’s face was expressionless and silent.

“Hey, there’s nothing to say.”

“I’ve already said that women are wrong for the country.”

“I really don’t know, what did the old celestial master think back then, entrusting the great responsibility of the sect to a woman?”

“Now, so much, that it’s a disaster for the sect?” Several elders said with a cold snort.

But now, it is not the time to hold Yue Yao accountable.

The most urgent task is to get this terrifying woman away first.

Therefore, at the critical moment, these Celestial Master Sect elders were also competent and did not hesitate.

Facing the woman who is most likely to be a titled powerhouse, they said neither humble nor arrogant: “Your Excellency originally came to find Chu Tianfan.”

“To be honest with you, we do know someone Chu Tianfan, but we don’t know if it is the same person you are looking for?”

“I’ll verify this myself. You just tell me, where is he?” the woman asked again.

The old guy from Tianshimen replied: “I can tell you, but you have to promise that after we have finished speaking, you will not embarrass my Tianshimen!”

“Moreover, what we first declare is that my Tianshimen has nothing to do with that Chu Tianfan. If you want to kill or cut, our Tianshimen will never interfere.”

The woman agreed.

“Sect Master, that’s all we can do.”

“The rest is up to you.”

“As long as you say where Brian Chuis, our Tianshimen will be spared the disaster.” The elders advised Xiang Yueyao.

Yueyao just smiled: “Senior brother, I know you want to protect the sect, but you shouldn’t deceive others.”

“Our Tianshimen has always been upright and upright, and we never do anything to deceive people.”

“Knowing is knowing, and not knowing is not knowing.”

“We obviously haven’t seen anyone named Chu Tianfan, why are you talking nonsense with your eyes open?”

“Could it be, do you think that a dignified and titled master can really be fooled by such a clumsy lie?”

“Sect Master, you...” The sect elder was furious at the time, trembling and shouting to Yueyao, “Up to now, are you still protecting him?”

“Yueyao, have you forgotten your identity?”

“You are the master of the Tianshi sect, do you want to disregard the life and death of our sect disciples for that wild man?”

“If you are like this, you are in vain as the master of the Celestial Master!”

The elders were trembling with anger.

But Yueyao turned a deaf ear, but looked firmly at the woman in front of her: “I can tell you without hesitation, I don’t know Chu Tianfan, let alone where he is.”

“Even if you killed me, I would say the same.”

Chapter 3957

“What a strong woman!”

“I didn’t expect that Chu Tian would do all the bad things and kill him. But the women around him are so affectionate and righteous to him?”

“This Brian Chuis really enviable.”

King Foluo, Hebu and the others have already arrived.

The three of them hid in the distance, secretly observing everything that happened in front of the Heavenly Master’s gate.

Things were as expected by King Furuo and the others.

The Moon God really found the Tianshimen, and as soon as he came up, he moved his hand.

It could be seen how much the Moon God resented Chu Tianfan.

“A big show is about to be staged...”

As the saying goes, watching the fun is not a big deal.

Seeing that the two women had begun to come into direct contact, King Foluo and the others felt that the next month, that Yueyao’s life would be difficult to save.

Once Yueyao died, Brian Chu would definitely go crazy.

Must play with the moon god.

Regardless of who Luna and Brian Chu are alive and who dies in the end, for King Foluo and the others, it will be beneficial and harmless.

The Moon God is dead, and the Japanese martial arts will be at a loss, and their sphere of influence in the Indian martial arts can affect East Asia.

If Mark dies, the agreement under the city that he made before will naturally be voided.

“You are really in love with him.”

“I would rather die than protect him.”

“I just don’t know, how much friendship does he have for you?”

In front of the Celestial Master, the Moon God spoke coldly.

Although she tried her best to suppress her inner emotions.

However, for this reason, everyone still heard a strange emotion from the mouth of the Moon God.

“That tone...”

“Why is it weird?”

The three kings of Fu Luo in the distance were stunned.

I really don’t know what these women are thinking.

Since it’s here to kill, that’s the right thing to do.

What does it mean that you care so much about how loving the young couple is?

Does this matter to you?

Saying this is like two women are arguing for jealousy.

“Strange woman...”

King Flo and the others don’t understand.

Yueyao didn’t understand either.

I just feel that this powerful woman in front of me is focusing on something strange.

“I do not know what you’re talking about.”

“As I said, we don’t know any Chu Tianfan.

Doubts turned into doubts, Yue Yao still insisted, saying that she did not know Mark.

But Moon God is not a fool.

She couldn’t tell if Yueyao’s words were true or not.

“Do you really think that I dare not kill you?” In the eyes of the Moon God, the hostility was even greater.

“Whatever you want.” Yue Yao was not afraid.

The elders of Tianshimen were frightened.

With a bitter old face, he questioned Xiang Yueyao.

“Sect Master, do you really care about the life and death of our sect?”

“Please, tell me now?”

All the elders were about to cry.

They are not afraid of death, but they are not willing to die like this because of an outsider who has nothing to do with their Tianshimen.

But Yueyao turned a deaf ear and faced life and death!

“Okay, then I’ll fulfill you!”

The moon god no longer talked nonsense, and the cold wind blew up.

The majestic power caused the surrounding air waves to surge.

The long skirt swayed, and the blue silk danced wildly.

The Moon God held a long sword and was about to cut it off.

“stop!”

Suddenly, an angry voice came from behind.

Immediately afterwards, a large number of people gathered from the end of the road.

“Everyone, listen to my orders and surround her!”

Noah rushed out in a hurry and ordered immediately.

Soon, the hundreds of family guards armed with swords were unable to drain the water around the Moon God.

The muzzle of the black hole locked Yueyao round and round.

After trapping Luna, Nuoya immediately ran to Yueyao: “Sister Yueyao, I’m here to help you.”

Yueyao was in a hurry: “What are you doing here?”

“go back!”

“It’s none of your business here.”

Noah is just an ordinary person, just a young girl.

In the slaughtering disputes in the martial arts world, she didn’t want to implicate Nuoya.
