

Chapter 3958

Nuoya gritted her teeth: "I won't go back. Sister Yueyao is someone he values, and I won't allow anyone to hurt you."

After saying this, Noah immediately turned around and glared at the Moon God in front of her.

"Who are you?"

"What are you doing here?"

"You are not welcome here."

"Now, please leave."

"Otherwise, don't blame my Vias family for being rude to you!"

Noah said angrily.

"The Vias family?"

Looking at the young girl in front of her, but with an attractive face, Luna let out a soft moan, but her brows furrowed again.

Another woman.

That bastard guy!

Others worry about him, but he hugs from side to side, happy here!

The more Luna thought, the more angry he became, and finally he drank coldly.

"I want to see, why are you so rude?"

The Luna in anger, Yuzu stomped the ground.

The powerful energy, centered on the place where the Moon God stood, spread wildly in all directions.

Wow wow~!

Like the wind blowing sand.

The people around with guns and live ammunition were all like fallen leaves, and they were kicked out by the moon god.

"This this.."

Noah's pretty face turned pale at that time.

Why, she suddenly felt that the woman in front of her was more powerful than Mark?

"The Moon God is already angry."

"Looks like it's going to die..."

Seeing this, the three of King Foluo in the distance immediately rejoiced.

The show is finally about to begin.

Sure enough, just as King Fu Luo and the others expected.

After flying these vulgarities, Luna raised his footsteps, his figure flashed, and he even came to Nuoya.

Terrified in front of him, his legs were weak and spread out on the ground.

“Noah!”

Yueyao hurried over to stand in front of Nuoya.

“If you want to kill or cut, come at me.”

“Everything has nothing to do with her.”

Yueyao said firmly.

“Don’t worry, neither of you can run away.”

Luna’s face was expressionless, his eyes were cold, and then he waved his long sleeves.

A burst of energy shot out.

Nuoya and Yueyao groaned, and they were directly instigated by the moon god to fly out.

The two women fell to the ground, coughing repeatedly, and blood spit out.

“Sect Master!”

“Quick, protect the sect master!”

Seeing that Yueyao was injured, the elders of the Celestial Master Sect thought that it was Yueyao’s fault and self-inflicted suffering.

But after all, it is the master of the celestial master, and the old celestial master has appointed a successor, and he will not allow others to kill.

For a time, the elders of the Heavenly Master Dao also rushed over.

“The mantis arm is the car, it’s just courting death.”

Haibu and the others in the distance shook their heads and smiled.

Sure enough, these people couldn’t even enter the body of the Moon God.

They were all repelled by the palm of the Moon God.

It was extremely close, and several ribs were broken, and he vomited blood and flew out all the way.

too strong!

Just a few breaths.

Tianshimen, Vias family...

In short, all of Yueyao and the others were wounded and lost their ability to fight.

So far, Yueyao and Nuoya have become fish on the chopping board, and they are left to be slaughtered.

rustle..

Holding the sword, Luna walked towards Yueyao and Nuoya.

Until, her holy and cold body stood in front of the two women.

She held a sword and aimed at the throats of Yueyao and Nuoya.

With just one stroke of her hand, the two girls were enough to drop their heads.

“don’t want...”

“How dare you kill our sect master?”

The people of the Tianshimen wailed.

The moon god was deaf.

Her indifferent gaze swept across the two women under her feet.

The long sword in his hand reflected the cold light of the scorching sun.

Then, just when King Foluo thought that the next second, the Moon God would drop his sword and take the lives of these two people.

Who would have thought that Yue Yao slowly raised her head and looked in a certain direction, and that voice full of resentment and anger echoed across the world.

“Are you still going to hide from me?”

“Two years, how long are you going to hide?”

“If you hide again, you won’t be afraid. You two confidantes, will Xiang Xiaoyu die?”

Chapter 3959

huh~

The cold wind blew up the green leaves in the sky.

Everyone looked suspiciously at the holy and noble woman in front of them.

I don’t know why, but the people present heard a strong sense of resentment and longing from the words of the Moon God.

King Foluo in the distance could not help but have a bad premonition in his heart.

“impossible...”

“I must be overthinking it.”

“The Moon God is a powerful person in the realm of the gods, extraordinary and refined, and the seven emotions and six desires have long been cut off...”

“Furthermore, Brian Chuis only a new descendant of the new generation in recent years, but the Moon God is a peerless powerhouse who has been famous for a hundred years. The difference between this generation is too great, so it is absolutely impossible...”

King Folu kept shaking his head and muttering to himself.

Haibu and Bape looked at their senior brother with doubts, not knowing what King Folu was muttering.

“Looks like this Moon God is really going to kill Brian Chuand then soon.”

“Now, this woman has been used to force Brian Chuto appear.”

Haibu and the others said in a deep voice.

At this time, the whole world was still silent.

Where the Moon God looked, no one appeared.

“Don’t waste your time.”

“I’ve already said that we don’t know Chu Tianfan. Even if you scream or kill us, he won’t appear.”

Yueyao wiped the blood from the corner of her mouth, and looked straight at the moon god without fear.

“yes?”

“Since you said so, then there is no reason to keep you in the world.”

Moon God’s words were as cold as ice, the long sword in his hand was raised, and it was suddenly slashed towards Yue Yao’s throat.

“Sister Yueyao!” Noya cried out in tears.

“No!” The Tianshimen disciple was even more shocked.

In the distance, King Folu and the others shook their heads and sighed.

Thinking about this Yueyao, a few days ago, when Mark took the position of the sect master, how beautiful it was.

But it’s only been a few days of good times, and today Xiangxiaoyu will die here.

“If you want to wear a crown, you must bear its weight.”

“This girl doesn’t have the ability to lead one side, so how can she sit on this throne for a long time?”

“Brian Chupushed her to the throne. It seemed to be good to her, but in fact it hurt her.”

“It’s no one else’s fault for this woman’s misfortune today, but only Chu Tianfan.”

King Fro showed a look of pity.

However, just when everyone thought that Yueyao would die under this sword.

Sudden...

hum!

At the end of the Tianhe, a red glow suddenly flashed.

Like lightning, thunder and fire, flying across the sky.

With a sound of “Dang”, it slammed into the long sword in Luna’s hand.

In the end, Luna’s sword slanted and stuck in the empty space.

And that red glow, after hitting the sword in Moon God’s hand, with a clanging sound, it also stably inserted into the earth.

“This is...”

“Red Flame!!”

Seeing this sword, Yueyao was startled, and Nuoya showed joy.

In the distance, King Foluo and the others looked even tighter.

When even with the head indented among the vegetation.

They know that the man is here!

call...

The bitter wind blew again.

The leaves are fluttering, and the sand is flying wildly.

At the end of the connection with the ground that day, a thin figure appeared quietly like that.

He had a handsome face, and his thin body stood erect like a spear.

He stepped on the heaven and the earth, just as the real dragon stepped on the East China Sea and came slowly.

At first glance, the figure was still thousands of meters away.

But when he looked again, he had already appeared in front of the Moon God.

Luna is only a few steps away.

“Evan!”

“Chu Tianfan?”

“He... is he really here?”

....

Some people are born kings.

Just like Mark at the moment, he didn't say a word, let alone make a move.

However, when he appeared, the eyes of everyone in the world were all focused on him.

Noya shouted with joy, Yueyao was shocked and worried.

The elders of the Tianshimen changed their faces even more.

This devil.

This big devil who once let the whole world besieged and killed together.

He finally appeared!
