

Chapter 3962

He really couldn't understand what was the relationship between the Moon God and Mark.

Looking at the woman crying in his arms, Mark hesitated for a long time, and finally sighed.

"Yue'er, you are already a true god in the world..."

"Above all living beings, peerless elegance..."

"I, Chu Tianfan, what virtue and how can I make you always remember me?"

For the woman in his arms, Mark can be described as having complicated emotions.

Back then, when they first met, Mark just regarded her as a small person.

Seeing her poor, she just received her subordinates.

Later, Yue'er's situation changed and she became the god of the Japanese kingdom.

Her identity is destined to have no possibility with Mark.

Instead of wasting each other, it is better to forget each other in the rivers and lakes.

So, for Yue'er, it is undoubtedly the best.

You don't have to be implicated by yourself and bring disaster to the people of your own country.

There is no need for her to lose face and status in the hearts of her own people because of her relationship with herself.

This is also why, before he killed Chumen, he returned Sansheng Jinsheng and severed the relationship between master and servant.

He just wanted to put a consummation sentence on his entanglement with Yue'er.

From then on, she was just the moon god, the majestic and honorable moon god.

There is no need to damage her prestige because of her relationship with her own master and servant.

However, the subsequent development greatly exceeded Mark's expectations.

At that time, Mark never thought that the silly girl Yue'er would kill Chumen with her.

In the end, it almost brought disaster to his own people.

This is definitely not what Mark wants to see.

He didn't want anyone he cared about to be in trouble and hurt because of himself.

"I do not!"

"As I said, a servant for one day is a servant of the master for all generations."

"Even if the master killed me, in the next life, Yue'er will still recognize the master as the master..."

Suzumiya Yingyue's brows and eyes were firm, and she said stubbornly through gritted teeth.

However, the more Suzumiya Yingyue was like this, the stronger the debt in Mark's heart.

"Yue'er, why are you suffering?"

"I, Chu Tianfan, have sins, and no one in the world will tolerate me."

"You are like this, you are setting fire to yourself, causing harm to the country and the people."

"Yue'er, be obedient, forget me."

"I can't give you anything but make you notorious."

Mark shook his head and said, but his words were extremely heavy.

He was close to Yueyao and Nuoya because they had nothing.

Mark can use his strength to give them all the power and status.

But Yue'er is different, she has already reached the top.

Not only can Mark not give her anything, but it will also drag her down and put her and her country in a predicament.

In this case, cutting off the relationship with Yue'er is undoubtedly the best choice.

Therefore, in the past two years, Mark really never wanted to go to Japan to find her.

I thought that this entanglement would be cut off.

But Mark never thought that this silly girl came over again.

"Master, I'm not afraid!"

"You come with me."

"Yanxia doesn't allow you, the Chu family is not easy, even if the world doesn't allow you. But on Yue'er's side, there will always be your place."

"The Martial God Temple kills you, I will kill the Martial God Temple."

"Trumen harms you, I will destroy Trumen!"

"I will never allow anyone to hurt you again!"

Yue'er suddenly became fierce, and there was an endless chill in her firm words.

Mark shook his head and smiled: "You should know that I once disrupted the Japanese martial arts. If I go, it will only make it more difficult for you..."

"It doesn't matter, they all listen to me. No one dares to disobey what I say. At that time, Japanese martial arts, if anyone dares to be disrespectful to you and speak ill of you, I will destroy his whole family!" Suzumiya Yingyue seems to have already For Mark, all the escape routes have been thought out.

If it were someone else who said these words, it would definitely feel like a big talk and a bragging. But she is the moon god, the god of the world. She really has the ability to do what she says!

Chapter 3963

“What did you say?”

“Then Xiao Han has come to Gritsberg again?”

Inside the hall, the Sword Saint calmly wiped the sword in his hand.

Tang Hao, who was beside him, had just received the news of Xiao Han’s return to Gritsberg, his face changed drastically, and he said in shock.

After the swordsman heard it, even if he was as calm and sophisticated as him, the hand holding the sword could not help but tremble.

Even he was afraid.

For Juggernaut and the others, the name Xiao Han means trouble.

In short, wherever this guy goes, he takes trouble.

Tang Hao and the others were even a little scared.

“Why is Xiao Han here in Gritsberg again?”

“Isn’t Lu Hua already executed?”

“Could it be that he is still not satisfied, and he still wants to ask us about the dereliction of duty in the Martial God Temple?”

“This guy, you have to lift the sky to stop?”

Tang Hao’s face was full of bitterness, and there was helplessness and even more sorrow in his words.

During this time, because of Xiao Han’s affairs, the entire Martial God Temple was devastated.

A few days ago, the public anger was just quelled and the Jiangbei martial artist was appeased.

But it hasn’t stopped for a few days, Xiao Han actually came back?

Tang Hao and the others are not in a hurry.

No matter what he came for, there was definitely nothing good.

When Tang Hao complained, the King of Fighters who had been reading by the window suddenly stood up and walked out without saying a word.

“King of Fighters, what are you doing?” Tang Hao asked quickly.

“What else can you do?”

“I’m going to destroy him!”

“This bastard has to make an inch, do I have to retreat again and again in the Temple of the Martial God?”

The King of Fighters Mo Gucheng said in a sensible manner.

He had endured Xiao Han for a long time, and out of consideration for the overall situation, he held back the impulse in his heart.

But before it stopped for a few days, Xiao Han came to Gritsberg to make trouble again.

Who can endure this?

When Tang Hao heard this, he quickly grabbed him.

“King of Fighters, don’t worry.”

“What I said just now was just speculation.”

“What if someone came to Gritsberg just to travel and relax?”

“So, you stay here with the swordsman first, and I’ll go to him and ask him clearly.”

“If this Xiao Han really wants to go further, I don’t need you to take action, and I, Tang Hao, will not ignore it.”

After appeasing the King of Fighters, Tang Hao hurriedly called someone to prepare a car, and at the same time contacted the intelligence department in Gritsberg City to determine Xiao Han’s location.

Since the Jiangbei incident, the Martial God Temple has listed Xiao Han as a closely monitored object.

Moreover, the martial arts intelligence department was strictly ordered to report Xiao Han as soon as he appeared in Gritsberg.

Not only that, after Tang Hao left, Juggernaut and King of Fighters immediately strengthened the guards around Yanshan, and stopped all outdoor activities around Yanshan.

A tense atmosphere soon enveloped the entire Yanshan.

“What’s going on here?”

“Could it be that we are entering a wartime state?”

“Could it be that there will be a strong invasion of the Martial God Temple?”

This sudden deployment undoubtedly made all the staff of the Martial God Hall panic.

It’s almost the first time I’ve encountered such a state of near-preparation.

When Xiao Han rushed to Yanshan last time, due to his sudden arrival, the Martial God Temple was not prepared at all.

“How is it, cousin Xiao Han, does it look good?”

In a shopping mall in the city center, Xiao Yuyan just finished changing and walked out of the fitting room.

At this time, he is stretching his delicate body, showing his beauty like Xiao Han.

Xiao Han nodded and said with a smile, “Well, that’s pretty good.”

“Your figure is similar to Xiaolei’s. If you wear it properly, I believe Xiaolei will look beautiful in it.”

“Just this one.”

“Waiter, come and put it on.”

After picking around, Xiao Han finally decided to buy this black dress as a gift for Xu Lei.

However, just after Xiao Yuyan replaced this one.

In the lobby of the shopping mall, a large number of people suddenly poured in.

They were wearing suits, with black sunglasses covering half of their faces.

The moment they appeared, a chill filled the entire mall.

“Block this area, no one is allowed to approach without my permission.”
