The man smiled slightly, it was George Han.

"Leader, you are here, how could you...you are not..."

George Han smiled and said, "This matter is a long story, so I won't explain it here. What are your two names?"

"Dismount Nanfeng, and serve as the commander of the East Gate!"

"My subordinate Zhang Jiang is in charge of the right lieutenant of the East Gate."

"Okay, from today onwards, you are no longer the commander of the East Gate, nor are you the right lieutenant of the East Gate." George Han said. .

When the two heard the words, they immediately knelt down, and Ma Nan was deeply buried in the limelight: "I don't know what crime I have committed, and the alliance chief punishes Nan Feng. However, no matter what punishment Nan Feng is acceptable, there is only one request.

"At the moment of the enemy, the east gate city defense has always been

set up by Nanfeng, and the temporary withdrawal of generals is really a taboo in the military, and please let the leader of the alliance let Nanfeng bear the guilt.

"The right lieutenant Zhang Jiang also begged the leader." Zhang Jiang also knelt down.

George Han smiled: "Why, is it punishment to not let you hold your current position? You have misunderstood." When the

words fell, George Han said in a positive voice, "Ma Nanfeng, Zhang Jiang listens to the order."

"My subordinates . exist."

"From today onwards, Ma Nanfeng will be promoted to commander-in-chief, and he will lead me to all the soldiers who should be in the city. As for the commander-in-chief of the east gate, Zhang Jiang will be the commander. However, at this time of urgency, the things you are responsible for will remain as they are for the time being, until the matter is over. , I will personally seal the two of you."

Hearing this, their worried expressions instantly turned to joy.

"Thank you for the promotion of the leader."

"Be loyal to my brother, and I, George Han, will never treat you badly." When the words fell, George Han moved his hand and

threw two weapons and four medicinal pills: "The war is tight, these are for you. The two will help."

“This...” The two looked at each other, feeling a little uneasy for a while.

“Why, not my brother?”

“Leader, that’s not what we meant, it’s just...”

“There’s nothing but, since we’re brothers, don’t be polite.” The two of them heard the words and took the medicine pill and weapon. accepted.

Ma Nanfeng was about to speak when he suddenly heard the sound of guns and swords outside.

Ma Nanfeng was suddenly shocked: “Damn, it must be the gang of Zuo Lieutenant who rebelled.” After the

words were finished, he and Zhang Jiang were about to kill the general and go out with a knife.

George Han smiled slightly: “No need.”

After he finished speaking, he leaned against Ma Nanfeng’s ear and whispered a few words.

Ma Nanfeng was shocked, but when he saw George Han’s smile, he finally nodded.

Downstairs, Deputy General Zuo led his cronies to

knock over the guards of the stairs of the city wall, and then led a team of elites to the city wall quickly.

As soon as Fang went up to the city wall, the elite rushed out and controlled the guards on the city wall.

Immediately afterwards, a group of people swaggered into the attic on the city wall.

Ma Nanfeng sat in the middle of it, and when he saw Lieutenant General Zuo coming in, he glanced coldly at the generals behind him, and shouted with disdain: “Why, Lieutenant General Liu Zuo is going to rebel?”

” ?” Zuo Li smiled slightly, but was not angry: “We are the subordinates of City Lord Zhu who should have fallen into the city, how can we call it a rebellion? It’s just going home.”

“If you were going home, why did you join George Hanzhi in the first place ? Alliance? Now, since you are a minister of George Han, you should do your part as a minister.” Ma Nanfeng rebuked and said, “You betrayed halfway, where is your conscience?”

” And Xi, you don’t know the current situation right now

, it’s all people from City Lord Zhu and the others outside. What should we guard against when we fall into the city?” When he finished speaking, he smiled slightly: “Our brothers have been fighting side by side for many years. You said, honestly surrender with me and wait. Let’s open the east gate and let the besieging army enter the city. In this way, when it is time to fall into the city, you and I can make great achievements, and then get promoted and rich. Isn’t it just around the corner?”

“Hmph, your kindness was accepted by Ma, but Ma only knew that Zhu Yanshuo and others abandoned us that day, and I was fortunate to be accepted by the leader of the alliance to save my life, and today, the leader of the alliance has always been I’m not bad to you and I, Ma has no intention of betraying his

old man. I would like to advise you to put down the butcher knife and do what you should do. I don't think this happened before." The south wind said coldly.

Zuo Lieutenant General sneered: "What if I don't?"

"Well, if not, then Ma will not show mercy to the traitor." Ma Nanfeng said coldly.

"Hahahaha!"

As soon as these words fell, Lieutenant Zuo and others immediately burst into laughter. "Ma Nanfeng, call you a goddamn commander to give you face. If you don't give you face, you are a goddamn idiot. It's just you, and you're still showing no mercy to my

subordinates? You're a fu\*ng a."

Ma Nanfeng heard this, he was furious: "You traitor, you led all the left-wing army to defect?"

"Huh, why don't I You are an idiot, if I don't have enough troops, can I come to the dispatch building with a big swagger?"

Zhang Jiang said anxiously: "Commander, this fellow must have been in ambush long ago, while my soldiers on the right wing are guarding the city. , dark tricks, control my soldiers on the right wing.

"

"There is still a smart man." The left lieutenant sneered softly.

"I trust you with the leader of the alliance, and handed over the soldiers of the left wing of the East Gate to your command, but you treat our trust like this. With the surname Liu, are you still a person?" Ma Nanfeng scolded coldly.

Zuo Lieutenant General gently picked his ears, full of disdain: "I can only know if I am a human being, but on the contrary, I know you Ma Nanfeng, you can only be a ghost." After the

words were finished, Zuo Lieutenant General waved his hand, and the soldiers behind him immediately directly He rushed into the house and surrounded Ma Nanfeng and Zhang Jiang.

Ma Nanfeng smiled bitterly: "Since Ma was a soldier, he has put his life and death aside for a long time, so what is the fear of death? However, I forgot to tell you that even if Ma is dead, he will definitely die on the battlefield, and It's not the hand of a traitor like you."

"Dead duck has a tough mouth, come on, kill Ma Nanfeng for me." Lieutenant General Zuo snorted coldly, and the soldiers behind him were about to start.

"I want to see, who dares to do it."

At this moment, a sneer suddenly came.

While everyone was panicking, George Han slowly walked out from the curtain on the side.

When they saw George Han, the group became even more terrified.

“Alliance... alliance leader?”

“Why, am I still your alliance leader?” George Han smiled lightly.

Lieutenant Zuo was sweating profusely. He wanted to rebel, but it was in the absence of George Han. Now that George Han was in front of him, how could he not be afraid?

“Subordinate, subordinate...” He didn’t know what to say in a hurry.

Ma Nanfeng snorted coldly: “Lieutenant General Liu Zuo, I just gave you a chance. As long as you promise to return to your original position and do your own thing, I can pretend that nothing happened, but unfortunately you...”

” Feng shook his head helplessly. A hint of surprise flashed in

Liu Zuo “Really? If you think so, you can go to the city wall and take a good look. Now Where is that siege army paying attention?” George Han smiled softly. And give George Han the opportunity to create this dark Chencang.

Right now, Mingyu’s gang is ecstatic over the fact that they don’t move, and how can they expect that George Han’s side has already started an incident in the city.

“How...how could this be?” Deputy General Liu Zuo looked blank.

“Reporting to the leader, the soldiers are all under orders. I believe that most of them are helpless. Therefore, I hope that the leader can let those innocent soldiers go, as long as they put down their weapons.” Ma Nanfeng said to Han Three thousand said softly.

George Han hesitated slightly and nodded: “Since Commander Ma has said this, fine.”
