

## Chapter 3980

Since the death of Mark's brother, her life and the world she lives in have been in chaos.

Squeak!

When Cynthia Chen was crying bitterly, the door finally opened.

"come in."

Helen Qiu's pretty face was pale, her brows and eyes were slightly red and swollen.

She also stayed up all night.

She hid behind the door, gritted her teeth to prevent herself from crying, but her tears flowed uncontrollably all night.

Seeing that Helen Qiu was finally willing to see them, Ericson Li and the others burst into tears with excitement. The three of them were helped into the room, but Ericson Li and the others still did not sit down.

Instead, he knelt down to Helen Qiu.

They couldn't bring Mark safely back to Noirfork back then. It was their eternal guilt towards Helen Qiu in their hearts.

"It's not your fault."

"Second Master, Third Master, Mr. Chen, get up quickly."

"I, Helen Qiu, am only a commoner in the market. I have no ability, no knowledge, and no background. If it wasn't for Mark, I, Helen Qiu, wouldn't even have the qualifications to talk to the second master."

"You are all Helen Qiu's seniors and elders. When I came to see me, I was already flattered. How can I be qualified to be worshipped by you?"

Helen Qiu hurriedly went to help them, and later, she also knelt down to them.

Maybe it was because he figured it out, or maybe it was Cynthia Chen's words that woke Helen Qiu.

Now, she no longer resists the past, nor does she refuse to talk about the past.

She poured a few glasses of water and brought it to Ericson Li and the others from Noirfork.

"The past is in the past."

"It's been almost three years. Second Master, it's time for you to start a new life."

"Don't be too obsessed with the past. I don't blame you. I believe Mark will not blame you either."

"On the contrary, you are so depressed and decadent. If Markquan knew about it, he would definitely blame you."

"Especially Second Master, you are really getting too old. Helen Qiu almost doesn't know each other anymore."

“Although Mark is gone, Wrilfill still needs you, and Ziyang and the others also need you.”

“You must take care of yourself.”

Helen Qiu’s voice trembled a little.

Especially when I saw Ericson Li, an old friend, a lot of past events came up involuntarily.

Why does the reunion of old friends often make people cry?

Just because seeing these old people brings back a lot of memories.

Especially Ericson Li, an old man, has experienced too many ups and downs with Mark and his wife.

Every time I see Ericson Li, Helen Qiu will think of the happy life with Mark in Wrilfill.

“And Mr. Chen, you are also much older.”

“Nan Nan is not married yet, you have to take good care of yourself.”

“In the future, does Nannan expect you to look after her child?” Helen Qiu wiped the tears from the corners of her eyes, barely showing a smile.

Finally, Helen Qiu looked at the third Lei again: “Third Master, Denham is the place where Mark grew up, and it is also Mark’s mother’s former residence. I am a woman and a gentleman, so there is no way to guard Mark. His former residence, the old house, can only rely on you.”

“So, you must not fall down.”

“If you fall, I’m afraid there will be no one left to protect Mark’s last homeland.”

Helen Qiu comforted the three of them one by one.

I hope this can untie the knot of the three of them, so that they can get out of their guilt and cheer up.

This is also the only thing Helen Qiu can do now.

Helen Qiu’s words made Ericson Li and the others burst into tears.

After years of torment, under the comfort of Mark’s wife, he also gained some comfort.

After a long time of reminiscing, Ericson Li said tremblingly: “Mrs. Chu, come back to Noifork with us. Go back to Wrilfill, go back to the villa in Yundingshan.”

“You were Mr. Chu’s biggest concern during his lifetime. Now that he is gone, we have to protect you for him.”

“Before Mr. Chu left, he told us that if we never return, if things change in the world, we must let Mrs. you escape from the top of Yunding Mountain.”

“There, Mr. Chu builds the world’s largest formation for Mrs. Chu, which can protect Mrs. Chu and be safe.”

“Yeah, Mrs. Chu, come back with us. Now that the Chumen mutiny, the Yanxia martial arts has entered a state of combat readiness, and urgently recruits all the warriors to return to the country, King Qin, to

guard Yanshan. The land of Shenzhou will be caught in war at any time. Jiangbei is no longer safe. Only Yunding Mountain in Wrifill can protect Madam Chu's life." Chen Ao also advised.

### Chapter 3981

When Ericson Li and the others came to Jiangbei, apart from apologizing to Helen Qiu and Ultraviolet, their biggest purpose was to bring back to Wrifill the person Mark cared about most in this world. Chumen's actions not only attracted the attention of Wushen Temple. Even Ericson Li and the others noticed that the situation was somewhat wrong.

Somewhere, Ericson Li and others had a feeling that an unprecedented storm would sweep the world. Moreover, the hot summer is very likely to bear the brunt!

"Trumen has dominated the world's martial arts for countless years, and is definitely not a kind person who repays grievances with virtue."

"Mr. Chu caused so much damage to Chumen back then."

"With Truman's temperament, he must be angry at others."

"Yanxia martial arts is, and Madam Chu is even more."

"Now the situation is getting more and more urgent, and the Yanxia martial arts will soon be ruined. Please also ask Mrs. Chu to return to Wrifill with us."

"At that time, it will be the Yanxia Incident, we are all in Noirfork, or we all have one."

Lei Laosan understands it with love, and moves with reason.

The three old men persuaded Helen Qiu to return to Noirfork.

However, when the three of them were surprised, Helen Qiu refused.

Ericson Li and the others were surprised by Helen Qiu's answer.

"Mrs. Chu, you must go back."

"Not only for your consideration, but also for Mr. Chu?"

"You are the person that Mr. Chu cares about the most in the world."

"If you are in danger, Mr. Chu will not feel at ease under Jiuquan." Ericson Li persuaded again bitterly. Lei Laosan and Chen Ao were both in a hurry.

Life was at stake, but they never thought that Helen Qiu would not go back.

Could it be that she still hasn't forgiven Mark? Forgive Mr. Chu?

"Sister Helen Qiu, you should go back."

"Just think it's for Brother Mark."

"You are the wife of brother Mark, and that child is a continuation of the blood of brother Mark."

"Do you really have the heart to let Brother Mark's only bloodline in this world be buried here?"

Cynthia stepped forward with red eyes, also persuading.

Obviously, Cynthia had noticed Mark behind Helen Qiu.

That little guy looks so similar to Mark.

Same double eyelid, same nose bridge.

Especially those eyes are exactly the same as Mark.

Therefore, at the first sight of Xiao Mark, Chu Fan had already guessed that this was Mark's child.

It was Mark's posthumous son, the child he had with Helen Qiu.

seriously.

Cynthia is really envious.

I envy Helen Qiu for giving birth to a son to Mark.

This used to be Cynthia's dream.

Now it seems that it can only be a dream.

However, it is precisely because of this that Cynthia can't sit back and watch his brother Mark's only son die in the coming catastrophe.

If XiaoMark is no more.

Then in this world, there is really no trace of his brother Mark.

"This... is this really, Mr. Chu's son?"

Ericson Li and Lei Lao San obviously also began to pay attention to this child.

After hearing Cynthia's words, Ericson Li and the others were all surprised.

Ericson Li and the others hadn't thought about this before.

But after what Cynthia said now, and looking at the age of the little guy, it seemed that it was really Mark's posthumous son.

Helen Qiu did not deny this.

Silence is the default.

Ericson Li and three were undoubtedly overjoyed.

They walked over one after another and looked at the child, with tears streaming down their faces.

"Hahaha..."

"Mr. Chu has a future."

"Hahaha..."

"Mr. Chu has a future..."

"We Noirfork, there is a successor..."

The appearance of Xiao Mark undoubtedly caused a light to appear in the hearts of the disheartened Ericson Li and the other three.

Life takes off in an instant.

Before, they always thought that Mark had no children and no offspring. After the fall, naturally there is no hope.

But now, Mark's son appeared.

In other words, this is the prince of Noirfork!

The old king is dead, and the new king is on the throne!

In the future, Noirfork will finally be able to welcome their new owner.

From now on, Ericson Li and three people can naturally pin their guilt and expectations for Mark on Xiao Mark
