

## Chapter 3994

He had to cast his last hope on the woman who had been hiding her head behind Mark.

“Sister...”

“We are your senior brothers?”

“Do you really want to die?”

“If we die, this Heavenly Master Sect will be completely over!”

.....

“We don’t have any malicious intentions, and we are only considering the interests of the sect...”

“It seems that for the teacher’s sake, please, save us...”

These elders of Tianshimen have been completely frightened.

The majesty of the number one in the sky is released, and the surging power is only like Yuanhai.

Mark can easily kill the title, but their strongest is only the master’s cultivation.

With this little strength, it is estimated that a single thought of others will be enough to smash them to pieces.

In the face of everyone’s pleadings, Yue Yao finally softened her heart.

She stepped forward, grabbed the corner of Mark’s clothes, and pulled him.

For some people, no need to say anything, just a glance is enough to guess the other person’s mind.

Just like Mark now, he just looked back at Yue Yao and sighed.

“Silly girl...”

“It’s just some ants, just kill them, why do you need to beg for them?”

Mark sighed.

In Mark’s eyes, these celestial masters are actually inferior to pigs and dogs.

The entire Tianshimen, from beginning to end, has never entered Mark’s eyes.

The only thing Mark was concerned about was this beautiful woman in front of him.

“Mark, just spare them this time.”

“They are also for the good of the sect.”

Yueyao knew her senior brothers, and her heart was not bad.

Just dislike her.

I don’t want to be ruled by a little girl.

“I really can’t help you.”

“Okay, listen to you, just spare their dog’s life.”

Mark finally gave up.

“However, I’ll leave the ugly words here first.”

“Today, for Yao’er’s sake, I will spare your life.”

“But in the future, if you let me know that you are embarrassing Yao’er again. Even if Yao’er blocks it, I, Chu Tianfan, will definitely lead the dragon gods to destroy you!”

“Wait, can you hear me?”

As soon as Mark drank it, the faces of the people from Tianshimen in front of him turned pale, and they trembled with fear.

Under Mark’s majesty, at this time, they dared not say a word, and they all bowed their heads and surrendered, so they would not insult Yueyao in the slightest.

“Why don’t you get out?”

Mark waved his sleeve robe.

A ray of energy suddenly shot out.

All the people in the hall were swept out by Mark like a dog, and they were sent flying far away.

After these people were beaten, they didn’t dare to talk nonsense, got up from the ground, and dispersed directly.

In particular, the elders headed by the Punishment Celestial Master were even more disgraced and embarrassed.

Originally, the situation was guaranteed to win, and no one thought that it would end like this in the end.

“Hey...”

“It’s a miscalculation.”

“You never thought that Junior Sister’s position in Chu Tianfan’s heart would be so high?”

They did all the calculations, but they missed Mark’s attention to Yueyao.

Markian ranked first, with peerless majesty.

A man like him doesn’t have the kind of woman he wants.

The Sun and Moon God, doesn’t he have an affair with him?

Therefore, they thought that Mark would not care too much about Yueyao.

After all, the world is so big, and there are women who are better than Yueyao.

I guess it's just for fun.

But it now appears that they were all wrong.

The friendship between their sect master and Mark is like a sea.

"Can't you give me some face?"

"You make me embarrassed."

In the hall, I saw that Mark drove out his disciples and brothers like dogs.

Yue Yao suddenly smiled bitterly.

How could she feel that in the eyes of this man, her dignified Tianshimen seemed like a dog kennel.

"It's just a group of ants and mice, why, you still let me treat them as guests?"

"There are not many people in the world who are qualified to sit on top of me, Mark." Mark smiled lightly.

Don't hide it, the entire Tianshimen, except for Yueyao, everyone else is indeed garbage.

"Then I dare to ask the Lord of the Dragon God Temple, I wonder if I, Yueyao, are qualified to sit on top of you?"

The beautiful face makes the sun and the moon lose its brilliance, and the world loses its color.

### **Chapter 3995**

Yueyao's words made Mark's body tremble.

I can't help but secretly say in my heart, goblin.

He quickly fled.

Only Yue Yao was left behind, covering her mouth and chuckling.

"Gluck cluck..."

Yueyao likes to tease Mark like this.

Everyone only knows that the Lord of the Dragon God is majestic and unparalleled, but who knows that when faced with a woman's tricks, this invincible man has only the chance to escape.

After laughing, Yue Yao also chased after her.

"Yao'er, will you come with me, or stay in India?"

"Although you have superb medical skills, your martial arts foundation is too shallow and your mind is simple. I'm worried that after I leave, those old guys will continue to embarrass you."

It was night, and the moon was as cool as water.

Mark and Yueyao were both walking on the street outside together.

The block in the middle of the night is quiet and lonely, and there are few people.

Only occasionally, there are vehicles passing by.

As Mark walked, he asked the woman beside him.

He miscalculated.

After all, he still looked at the personality qualities of those old things from Tianshimen.

Before, he thought that Yueyao was the one who took up the post of the old Tianshi Tuogu, but now he has successfully recovered the lintel.

It stands to reason that the elders of the Tianshi Sect should have died for Yueyao.

But today's events made Mark realize that Yueyao's majesty in Tianshimen is not a single word.

Instead, he was repeatedly angered and constrained.

"hey-hey..."

"To be honest, are you reluctant to leave me and want me to stay by your side?"

"This girl has always been helpful."

"If you really can't leave me, it's not impossible for this girl to show kindness and accompany you for another walk." Yueyao strode forward, looking lively and playful, like a sparrow in June. There is the slightest gatekeeper posture.

"Don't coax, Yao'er."

"I was serious."

"Hey... In fact, I'm also struggling. If you follow me, it will not be smooth sailing, and it may even put you in danger."

"But I'm not worried about leaving you here alone."

Mark and Yueyao have known each other for many years.

For a long time, Yueyao was almost alone, living in seclusion in the desert of Western Xinjiang.

Sophistication, intrigue, and scheming, for Yueyao, these are all things that she has no doubts had ever come into contact with.

Now let her manage the sect alone and frighten the ministers, Mark will inevitably feel a little worried.

"OK OK."

"I know you're worried about me."

"It's okay, my senior brothers and the others are just pedantic. At most, they're just pretending to be me, and they won't hurt me."

"And, today. You've already said that."

“It is estimated that my senior brothers are also frightened and dare not embarrass me again.”

Yue Yao explained with a smile, reassuring Mark and not worrying about her.

“All right.”

“Since you are determined to stay, I will not force you.”

“But you, you must take care of yourself.”

“In the next period of time, on the Indian side, you can really only rely on yourself.”

Mark’s words were meaningful, and Yue Yao could hear an inexplicable emotion.

“Isn’t there someone from the Foluo Palace?”

“Didn’t you say that you have surrendered to them. Can I ask them for help when I am suffering?”

Yueyao asked suspiciously.

Mark didn’t speak, but walked to the lake alone, looked at the still water of Pinghu in front of him, and said calmly, “I will take them away this time.”

“Take away the title? Mark, do you want to...” Yueyao, with her heart, naturally quickly guessed something.

Her delicate body trembled, and her beautiful eyes were huge.

She knew that such a day would come sooner or later.

I never thought it would be so fast!

Just after the retreat ended, Mark was about to start.

“No more, wait?”

“Wait until everything is ready and nothing is lost?”

Yueyao worried and persuaded.

Mark smiled lightly: “It’s been nearly three years, haven’t I waited long enough?”

“Wait, Gaia’s group of old people, I’m afraid they won’t be able to see their dragon master.”

“But Mark...” Yue Yao still wanted to say, let Mark Xiu settle down for a while before leaving.

But he was interrupted by Mark.
