

## Chapter 3996

“There is no but.”

“Yao’er, things in this world, even if you think you have a chance to win, will also be risky.”

“No matter how well prepared you are, when it is actually implemented, it will inevitably be an accident.”

“So, there is no need to wait any longer.”

“The time has come, and the rest is up to God’s will.”

Mark’s faint words traveled far along the night wind.

When he said this, Mark sounded a few years ago, when he first went to Truman.

How well prepared was Mark at that time?

But the result was not an accident.

The appearance of Chu Yuan disrupted all of Mark’s plans and arrangements.

Therefore, the so-called foolproof does not exist.

All Mark can do is to do his best and know the destiny.

Seeing that Mark had made up his mind, Yue Yao did not persuade him any more.

Although she also really wanted to go with Mark.

However, Yueyao also knew that her strength was shallow, and she was afraid that it would only distract Mark. ,

Instead of being a drag, it’s better to stay behind and wait for Mark to come back.

Even after defeating the Chumen once again, and having her own defense in India, Yueyao believed that the tragedy of the East China Sea would never happen again.

“when are we leaving?”

“tomorrow.”

“Okay! Tomorrow, Noah and I will practice it for you!”

What is a red face?

That is to silently support you after you really make a choice.

What is a confidant?

That is, even if you know that you are going to die, you will put a banquet to practice it for you.

Just because Yueyao knew what Mark was going to do next, what it meant to him.

Obsession since childhood, years of forbearance.

Just like the Epiphyllum, the real bloom is only in that fleeting moment.

Also like a moth, it can only get light and heat at the moment of burning.

Yueyao would not let Mark choose to let go.

She knew very well that for this man, even if he died vigorously, it would be much more comfortable than living a life.

The night will pass quickly.

Mark originally thought that today's practice was just a simple meal.

Unexpectedly, it was turned into a national feast by Noah.

Almost everyone knows the dignitaries in India.

Especially the lord of India, and those from the Foluo Palace, when they learned that Mark was going to leave India, they were so excited that tears were about to fall.

God has eyes!

Mark, he is finally leaving.

Overjoyed, King Foluo and the lord of India decided to hold a banquet in a state banquet format to send away this "God and Buddha", and hoped that he would never come again.

When Yue Yao heard about this, she almost died of laughter.

"Mark, see how much the Indian royal family attaches great importance to you, and directly practice it for you as a state banquet."

"I heard that I want to give you a kingship?"

In the room, Yueyao smiled and leaned back and forth.

"You damn girl, are you still laughing at me?"

"How can they practice this, because they are afraid that I won't leave."

Mark smiled bitterly.

How could Mark not see clearly the abacus of the Indian royal family?

They put on a feast, feasting themselves.

After the meal was over, and the atmosphere was set, Mark probably wouldn't be able to leave if he wanted to.

"hey-hey..."

"Anyway, you have to go and have a free meal, why not?"

“By the way, I found the person you asked me to find before.”

“This is her phone number, you can call yourself.”

Yueyao handed a phone call to Mark.

Then he left.

There was another incident in Tianshimen, and he had to go and take care of it.

After Mark answered the phone, he immediately contacted the other party.

“Hello, is this Miss Zhang Xiaoyu?”

“I was entrusted by your grandfather to send you a letter.”

“I wonder where you are now?”

Before leaving, Mark remembered that there was still a letter on his body that had not been sent, so he specially asked Yueyao to help him find it.

Coincidentally, the other party happened to be in this car city.

### **Chapter 3997**

Oh.”

“Then you bring it to the Royal View Hotel.”

The simple two-sentence reply made Mark shook his head.

“Are all these young girls so arrogant now?”

Mark smiled bitterly.

Then looked at the location.

I found that the Royal View Hotel and the Royal Palace of India were on the same road.

It’s on the way.

Mark simply sent it to her.

On the way, Noah called and said that a car had been sent to pick him up and asked him to prepare.

“Nuoya, I have something to do now. I’m no longer in the Heavenly Master’s Sect. I’ll be there in a while.” Mark explained the situation to Noya.

“OK then.”

“I’m waiting for you at the palace?”

“Also, is the phone still usable? If it doesn’t work, I’ll change it for you.” Noah smiled gently.

“It’s very useful, thank you Noya.”

I have to say, this Noya is a very careful girl.

When I was shopping for clothes yesterday, I even bought a mobile phone for Mark.

But this thing is a consumable item for Mark, and it is estimated that it will be consumed again in a few days.

At the appointed place, Mark waited for half an hour, but no one was seen.

When Mark was almost impatient, finally, a graceful figure in a red dress and 15cm high heels walked out of the hotel under the escort of a group of bodyguards.

She looked around, then called her phone again.

Soon, he noticed Mark who answered the phone.

Glancing at Mark from a distance, Zhang Xiaoyu waved his hand, signaling his subordinates to pass by.

“You’re the boy who sent the letter.”

“Give me the letter, and you can leave.” The man spoke very rudely, and Mark frowned in his cold tone.

Therefore, Mark did not give him a good look, and said coldly: “Entrusted by others, loyal to others. Let the parties come over to win the trust in person. I won’t give it to others.”

“You!” The bodyguard stared at him at the time, “This bastard looks weak, he’s as thin as a monkey, but he’s quite tough.”

“Okay, just wait here for me.”

Seeing that Mark was uncompromising, the bodyguards also had nothing to do, so they had to go back and report.

Soon, the beautiful figure came over.

“I am Zhang Xiaoyu.”

“Give me the letter.”

“You better not lie to me?”

“Otherwise, I will sue you for harassment and send you to a cell!”

Zhang Xiaoyu warned Mark very displeased.

She has some doubts now that this Mark is just an old man who faked his grandfather’s letter to get close to her.

Hearing this, Mark undoubtedly shook his head even more.

I thought to myself, is it so impolite these days?

never mind.

Seeing her grandfather’s face, Mark didn’t know this Zhang Xiaoyu.

After handing the letter to her, he turned to leave.

But the bodyguard stopped him.

Let Mark leave after verifying the authenticity of the letter.

That posture seemed to really send Mark to the police station.

Zhang Xiaoyu opened the envelope and confirmed that it was his grandfather's note.

However, when she read the letter, her beautiful eyes instantly wrinkled.

"who are you?"

"What kind of work do you do, what's your background? How did you meet my grandfather?"

Zhang Xiaoyu asked Mark with vigilant eyes.

"A layman, no background." Mark replied casually.

"Well, it seems that you have self-knowledge."

"In that case, I will tell you directly. My grandfather wants to match us. But you should know that we are people from two worlds."

"White swans don't like toads."

"So, I hope you don't do unrealistic delusions."

Zhang Xiaoyu snapped and threw the letter onto Mark.

At this time, an Aston Martin sports car happened to be driving ahead and stopped in front of Zhang Xiaoyu.

The door opened, and a noble man in a tuxedo stepped out of the car.

"Xiaoyu, I'm here to pick you up for the banquet."

"Get in the car!"

The noble gentleman politely made a gesture of invitation to Zhang Xiaoyu.

At this time, your son noticed Mark: "A new bodyguard?"
