

Chapter 4000

“Now, how about adding me?” Dolly’s eldest brother sneered, his tone full of jokes.

“Stinky boy, the eldest prince has spoken, so don’t kneel down!” The movement here quickly attracted a lot of people.

Many onlookers saw Dolly’s eldest brother entering the venue, and immediately reprimanded Mark to kneel.

Zhang Xiaoyu also asked Mark to apologize immediately.

Dolly’s brother didn’t care much.

In his opinion, this Mark was just an unknown clown.

He reckoned that Mark had already been frightened to death by the random words he just said.

However, Mark’s next answer made the eldest prince almost faint.

“Sorry, it’s not enough.”

“You...” The eldest prince’s face immediately turned blue.

“And what about me?”

At this time, another sneer came.

The crowd looked back.

I saw the crowd spread out to both sides.

A man walked towards here like a star holding the moon.

“This is...”

“Prince Vaasa?”

“The eldest son of the king?”

“Oh my God!”

“what is it today?”

“So many princes have arrived?”

“Could it be that the King’s birthday banquet failed?”

After seeing the person coming, the crowd suddenly exploded.

Many passersby were amazed.

Curious why so many palace nobles gathered today.

“A group of turtles, how do you know today’s feast of the king?”

When Zhang Xiaoyu heard these discussions, he immediately sneered with a sense of superiority.

She had long heard from Prince Dolly that today the lord of the state held a state banquet for a certain big man.

It is said that he will be crowned king.

Such a specification and such an occasion, even if it is a billionaire, it is not necessarily eligible to be invited.

These ordinary civilians will naturally not know.

“Boy, the crown prince is here!”

“You are so dead!”

“Am I going to make you crazy again?”

Prince Dolly smiled wickedly, and after scolding Mark coldly, he hurriedly greeted him with his brother.

But Mark was not afraid.

With his hands in his pockets, he stood there leisurely.

Looking at the coquettish Crown Prince of India, he smiled again: “Sorry, it’s still not enough!”

What the hell!

I can go to Nima!

Hearing Mark’s words, everyone went crazy.

Many people were numb on the spot.

Dude, is this guy too crazy?

Look down on Prince Dolly, look down on the prince’s eldest son, and don’t even look down on the crown prince now?

What does he want to do?

Does he want to go to heaven?

“Bastard, I think you really want to die!”

“You dare to offend the crown prince?”

“Someone, break his leg for me and throw it into the Ganges to feed the fish!”

Dolly just blew up.

Already started shouting.

Seeing the chaos sitting outside the palace.

At this time, someone came out of the palace.

“what happened?”

“What are you coaxing about?”

“The banquet will start soon, and the big man will come soon.”

“It’s late, why don’t you hurry up and let me in?”

A middle-aged man came out and was very displeased and lectured at Dolly and the others.

“Yes, father.” The Dolly brothers bowed their heads and responded.

Crown Prince Vaasa did not refute either.

After all, a few of them are juniors, and the elders still have to obey.

“Hey, bastard, you are lucky today, and when the banquet is over, I will come back and clean you up!”

Dolly and his party gave Mark a vicious look before entering the venue.

As these princes entered, the crowd soon dispersed.

Mark adjusted his clothes and prepared to enter.

“Get the hell out of me!”

The security guard at the venue cursed directly.

Fortunately, Nuoya’s phone call came again, otherwise Mark would be angry, and the practice banquet would not be eaten. It is estimated that the people in power in India would be dumbfounded.

“Evan, you are here.”

“Quick, I’ll be waiting for you.”

“Let’s go in together.”

Noah, dressed in a radiant fashion, ran out of the palace in person.

Then, in the stunned and shocked eyes of the group of security guards, I saw the noble head of the Vias family, the Princess of India, just like this, holding Mark’s arm and walking slowly in front of them.

Chapter 4001

Inside the palace.

The ministers of the palaces from all walks of life have already been seated.

Everything is ready, just waiting for the Lord to appear.

In one corner of the hall, the juniors like Prince Dolly sat quietly here.

These are these princes, and their faces are not very good-looking at this time.

“Too arrogant!”

“Dolly, what on earth did that kid come from?”

“It’s such a big dog’s guts!”

“It’s okay to offend you and my brothers. Brother Vasago is the crown prince of our country. How dare that bastard ignore it?”

Dolly’s eldest brother became angrier the more he thought about it, his palms cracking.

“Brother, don’t be impatient.”

“When the feast is over, we will let someone kill him.”

“I asked Xiaoyu before, but this Shuzi has no origin.”

“It must be just a stunned young man.”

Prince Dolly reassured.

“Just teaching him is too cheap for him.”

“Check his background and background family.”

“For raising such a bastard, his family should also be punished.”

Crown Prince Vasa had a gloomy face, and his cold voice carried an inexplicable chill.

Of course Dolly and the others knew what Vassar meant.

“Xiaoyu, don’t you know this person?”

“Do you know where his parents are?”

“Vasago wants to know everything about him.” Dolly looked at Zhang Xiaoyu.

Zhang Xiaoyu naturally didn’t know this.

“However, my grandfather should know, and I will ask a few princes.”

Zhang Xiaoyu is very positive.

After all, it was an honor for her to be able to help these princes.

I’m happy to serve these princes, they are in a good mood, and a little bit of fingernails are exposed, which is enough for Zhang Xiaoyu to make a fortune in the entertainment industry.

Therefore, Zhang Xiaoyu immediately called his grandfather.

“It’s light rain.”

“What was I going to ask you about?”

“Have you received that letter?”

“Did you see Mr. Chu?”

“How are you doing now?”

“Is there any, touch a spark and form the crystallization of love?”

On the phone, Zhang Jiuling’s excited words came.

Zhang Xiaoyu was stunned.

“Grandpa, what are you talking about?”

“What Mr. Chu, what love crystallization?”

“I didn’t say anything about you, what did your letter mean, Grandpa?”

“Don’t introduce any cat or dog to me, okay?”

“Are you a grandfather like that?”

“I know, you like my sister, but you didn’t like me since you were a child, but you can’t push your granddaughter into the fire pit either.”

“What kind of thing did you introduce? You don’t even have your own business.”

“It’s still a stunned young man who offended a big man.”

“It has now caused a catastrophe, and the big men are going to take revenge on him.”

“Grandpa, if you really want your granddaughter to be good, then quickly tell me all the information about that person, where is his family, where are his parents, and all the information about his relatives and friends.”

Zhang Xiaoyu’s attitude towards grandfather Zhang Jiuling was not good.

When he left Jiangbei and went to India alone, one of the main reasons was that the old man favored her sister.

Knowing that staying in the family would make it difficult to be taken seriously, he ran out and roamed.

Therefore, Zhang Xiaoyu does not have much affection and gratitude for his grandfather.

However, Zhang Jiuling on the other end of the phone was instantly excited when she heard this.

“What did you say?”

“You said someone in India is going to deal with Mr. Chu?”

“Good thing, Xiaoyu!”

“This is your big chance.”

“As long as you hold on to it, grandpa will protect you for the rest of your life, and the sky will rise!”

“Listen to me, no matter who strikes Mr. Chu, you must stand firmly on Mr. Chu’s side and defend Mr. Chu 12 points.”

“Mr. Chu has always had clear grievances and grievances. As long as you fight against the right team this time, you will at least save fifty years of struggle!”

Zhang Jiuling persuaded excitedly.

But Zhang Xiaoyu was extremely confused when she heard the words.

“Grandpa, I find you are really confused.”

“That bastard offended the royal family of India. You asked me to stand with him against the royal family of India?”
