

## The One and The Only Chapter 401 - 410

commercial car is like a wild horse, racing in the streets late at night, and almost thrown

away Ah Qi on the roof several times.

However, Ah Qi clenched his teeth and hugged the roof of the car, seizing the opportunity, punched the roof sunroof with two punches, got down from the sunroof, grabbed the back

of the driver's neck, and said angrily: "Stop!" The driver yelled. : "Fly out for me!"

After saying that, the driver wanted to brake suddenly, and wanted to use the inertia of the

vehicle's sudden brake to throw Aqi out on the roof!

But at this moment, Ah Qi's right hand and five fingers should be exerted force, and directly

squeezed the driver's neck with a click.

The driver died, the car lost control and slammed into a tree on the side of the road.

Ah Qi on the roof was thrown out and fell hard.

All the airbags in the commercial vehicle were ejected, and the Black Widow and Song

Pioting were also choking, and neither of them was injured.

Ah Qi struggled and shook her head twice to make herself awake, and then she saw the

black widow holding Song Pingting out of the car.

He just wanted to rush up, but a black domineering SUV whizzed in and stopped beside the

black widow.

The car door opened wide, and the butcher got out of the car and said coldly to the black

widow: "You take her in the car first, I'll take care of these annoying wolf dogs." When

Ah Qi saw Song Pingting being dragged into a black SUV, he said to the black widow. Angrily

said, "Let go of the young lady, and rush up."

But he was stopped by the butcher. The butcher looked at Ah Qi, who was not slightly

injured, and said with a grin: "Your opponent is me!"

Ah Qi roared. "Go to hell!"

After finishing speaking, he strode and punched, the fat on the butcher's body in a punch.

Snap, a loud sound.

But his body was fat, like a thick escort, perfectly protecting the butcher.

Ah Qi's explosive punch, like hitting the surface of the water, did not cause much damage to the butcher!

Ah Qi widened his eyes in disbelief!

The butcher sneered: "Die to me!"

He said that Qi was hit by a punch, and he flew out.

After Ah Qi flew out, a carp struck forward, bounced up again, and assumed a fighting

posture again, but the corners of his mouth were bleeding.

At this time, Ge killed the five men in black, Jiu, holding the Triangular Army Spike, and arrived.

Seeing that Aqi was injured, Ah Jiu was furious, holding a military thorn and slaughtered him like a cheetah.

The butcher dodged sideways, slapped Ah Jiu's head with a slap.

With a sneer, there was a stain of blood under the butcher's armpit.

Ah Jiu was also slightly swept across the face by the butcher's palm, half of his face was bruised and his mouth was bleeding.

A Qi and A Jiu were two, one on the left and the other on the right, like two cheetahs, staring at the butcher with a huge body like a black bear, waiting for the opportunity to take another shot.

The strength of this butcher is too strong.

The butcher felt the two strong vitality of A Qi and A Jiu, as well as super skill, which aroused his fighting spirit.

He wanted to fight to get injured, but he wanted to kill the two of them. But at this moment, the sound of a police car humming was heard in the distance.

He put away his murderous heart, grinning hoarsely and said: "I won't play with you two, goodbye!" After the butcher broke through and left, Ah Qi and Ah Jiu forcefully stopped. In the end, all three were injured, but the butcher still broke through and left, disappearing into the darkness.

A few minutes later, Yash Nics, who got the news, appeared on the scene.

Yash Nics looked at the commercial vehicle hitting the tree in front of him, with extremely cold eyes, and the surrounding temperature dropped a lot.

A Qi and A Jiu knelt in front of Yash Nics on one knee, and said angrily:

"Master, we two neglected our responsibility and caused the young wife to be taken away. Please convict you."

Yash Nics said slowly, "No blame. You guys, this is my carelessness. I didn't put the people

of Blue Sky Company in my eyes. I didn't expect them to take the risk."

"What they want is the agency of liver cancer vaccine. Pingting should be safe in a short time."

"Tell Dian Chu, use the shortest time to find out where my wife is now, and I want to treat those who don't open their eyes to one pot!"

Aqi and Ajiu responded together: "Yes!"

The One and The Only Chapter 402

Yash Nics just asked Dianchu to investigate Song Pingting's current whereabouts quickly.

Immediately after receiving a call from Ouyang Ting, Ouyang Ting said with a gloomy smile:

"Yash Nics, your capable man, Dong Tianbao, and your wife Song Pingting, are all in my hands now."

"You If you don't want them to die, come to see me in the slaughterhouse of Xinxing Meat Factory."

“Remember, you can only come by yourself, otherwise, you can only see their slaughtered corpses.”

Yash Nics said coldly. “Okay, I’ll come over now, I hope you don’t regret seeing me.”

Ouyang Ting laughed proudly: “Regret, the one who regrets tonight is you, dare to fight

against our Si Tingzhu and Tang Ye . ” ”

but if you tie it, honestly the transfer of liver cancer vaccines agency to us, I can consider

you stay with your wife lives. ”

Yash Nics Ganggang want to talk, the phone actually came suddenly anxious Song Painting

“Yash Nics, don’t be fooled by them. They discussed just now that they will kill you after you

come and force us to transfer the vaccine agency to them.”

Song Pingting said with a cry. “Husband, don’t come, don’t

care about my life and death, just call the police.” “In the future, you can manage the

company and take care of your parents and daughters. Don’t come and die...”

Ye Zhiqiu angrily scolded “Damn it, why didn’t you use tape to seal her mouth!”

Ouyang Ting was also anxious, and he threatened Yash Nics loudly: “Yash Nics, your wife is

very affectionate. I will give you twenty minutes if If you don’t come, I’ll rape your wife first

and then kill!”

Ye Zhiqiu was also afraid that Yash Nics would not come to die, and also said: “Yes, we only

guarantee that your wife will be fine within half an hour. If you exceed half an hour, you will

be fine. Waiting to regret it for a lifetime!”

After speaking, he snapped up the phone.

Yash Nics was holding the phone with a particularly cold face. He said lightly to A Qi and A

Jiu, “Tell Dian Chu, I am going to the Xinxing Meat Factory Slaughterhouse now!”

...

late at night, Xinxing Meat Factory Slaughterhouse.  
The night sky had no stars or moon, black clouds rolled, flashing electric lights from time to time, and a faint muffled thunder came.  
Obviously, an abnormal thunderstorm is approaching at night.  
Inside and outside the slaughterhouse of the Meat Union Factory, more than two hundred elite subordinates from the Ouyang family and the Ye family lurked in light or dark.  
In the slaughterhouse, many iron hooks were hung densely in the air, and there were blood stains on the iron hooks.  
The ground was damp, and there was an unpleasant smell of blood and meat in the air.  
Dong Tianbao was lying on the ground dying, while Song Pingting was tied to a chair with a rope.  
Not far away, the gigantic weird butcher was sharpening his knife very patiently, sharpening a half-meter-long thick pig-killing knife!  
On the side, Ouyang Ting was talking with Ye Zhiqiu and Li Mei.

Ouyang Ting looked at the time, frowned and said, "Ten minutes have passed, but why hasn't Yash Nics come yet? Could this guy dare not come despite the life and death of his men and his wife?"  
Ye Zhiqiu said depressedly: "Yash Nics is not stupid. We didn't seal Song Pingting's mouth just now to let Yash Nics know that we plan to get the vaccine agent right and we will kill him. He has a little bit of brain, and he won't come and die."  
Black Widow Li Mei also said: "Yash Nics will definitely not come. If Song Pingting is dead, Song Pingting's company will be inherited by her husband. Yash Nics is not allowed to be happy. How could she die for Song Pingting? "When Li Mei finished saying this, she winked at Ouyang Ting.  
Ouyang Ting understood, turned his head to look at Song Pingting who was tied up,

threatening and lure him: “Miss Song, it is estimated that Yash Nics will not come. Adversity sees people’s hearts, and you are in trouble now, but he will not help you. Is it worth sacrificing yourself for him?”

Ye Zhiqiu also took the opportunity to say: “Yes, you just agree to transfer the liver cancer vaccine agency rights to us. If you die, it will be cheaper for Yash Nics’s unsuccessful person.”

Ouyang Ting followed closely and said, “If you agree to the agency rights. If you transfer it to us, we can also give you a transfer fee. Isn’t it beautiful?”

Song Pingting said coldly, “Don’t want to separate my relationship with Yash Nics. I won’t let you succeed.

” Yash Nics has a firm and kind-hearted character. Whether he treats his friends or his family, he is meticulous. He is definitely not the kind of ugly villain you mentioned!”

The One and The Only Chapter 403

black widow curled her lips: “Girl, I think you were fooled by Yash Nics. Men are not good things. How can you be reliable? If Yash Nics is not careful, why not? Are you willing to save you?”

Song Pingting said angrily, “You guys have already negotiated. When Yash Nics comes and forces us to transfer the agency to you, you will kill people. We are not stupid, and we are. I personally told him not to come!” The black widow said with a sneer, “It was you who told Yash Nics not to come, but he really didn’t care about your life and death. He really wouldn’t come. Do you dare to say that there is nothing in your heart. Is it uncomfortable?”

Song Pingting’s face was extremely complicated, and she bit her lip: “I told him not to come anyway, I am willing to bear the result alone.”

Ouyang Ting coldly snorted, "Now there are five minutes left, if Five minutes later, Yash Nics did not come, and Song Pingting, you still did not agree to our terms." "I have more than two hundred brothers on the scene, but you are coveting your body. Think about it yourself."

Ouyang Ting finished. , Just walk away with Ye Zhiqiu and Black Widow. Song Pingting was weeping silently, crying silently. At this moment, her mood is undoubtedly very complicated, and she sensibly tells her that Yash Nics is useless if she comes, and she can only die in vain. But in the deepest part of my heart, there is a strong desire for Yash Nics to appear. After all, when every woman is desperate in desperation, she yearns for the person in her heart and works hard for her. Song Pingting's heart was struggling, and scenes with Yash Nics appeared in her mind. Every time she encounters difficulties or dangers, Yash Nics always smiles by her side, and gently says: "It's okay, wife, I am here!" Yash Nics, where are you now? ? Before she knew it, Song Pingting was already full of tears.

She raised her head in confusion, and murmured to herself in tears: "Yash Nics, I really miss you, and I miss you not..."

Just when Song Pingting was crying confused, suddenly There was a commotion at the door of the slaughterhouse. Then Song Pingting tearfully saw a man with a tall stature and star-like eyes walking in amidst the exclamation of everyone. It turned out to be Yash Nics!

When Song Pingting saw Yash Nics, her heart trembled violently. She looked at Yash Nics incredulously, bit her lip, and muttered to herself: "Yash Nics, you idiot, it's useless to know that you're here, you still have to come and die!"

“Like me, Song Pingting. Smart people, how could you have such a stupid husband!”

Yash Nics came in without hurries with a cold face.

Ouyang Ting, Ye Zhiqiu, Black Widow and others were surprised and happy, but Yash Nics

knew that he would kill him, but he still came.

Ouyang Ting applauded and sneered: “Haha, I’m so angry as a beauty, Yash Nics, I admire

you.” There are people

around, and the more than two hundred subordinates that Ouyang Ting arranged around the

slaughterhouse all gathered around and took Yash Nics’s surrounding water can’t leak.

Everyone held a sharp katana in his hand, murderous.

Yash Nics didn’t even glance at Ouyang Ting, as if he didn’t even see the two hundred

swordsmen around him either.

He glanced at Dong Tianbao, who was dying on the ground not far away, and then his gaze

fell on Song Pingting, who was tied up by the big five flowers.

When Song Pingting saw Yash Nics, she was happy, touched, sad, and sad.

She cried and scolded Yash Nics: “You stupid, I told you not to come to save me. I always

said that they would kill you

if you came, but if you come back, you are so stupid!”

The One and The Only Chapter 404

Yash Nics whispered: “Just at the husband who called me on the phone, I can’t let anyone

bully you.”

“Close your eyes, take a break, I Get rid of these rubbish, and then take you home.”

Song Pingting looked at Yash Nics’s determined eyes, she finally chose to trust Yash Nics,

nodded and hummed, and closed her eyes obediently.

Not far away, Dong Tianbao, who was originally seriously injured and lying on the ground,

saw that Yash Nics had arrived.

He regained his anger all at once, struggling to sit down, staring at Ouyang Ting and the others, and said bitterly: "You are done!" Of course, Ouyang Ting, Ye Zhiqiu and the others would not take Yash Nics and Dong Tianbao's words seriously. Ouyang Ting chuckled and said, "Don't die. If you don't cooperate, the gods will not be able to save you tonight." After he finished talking to a subordinate beside him, he knew it, and took out a contract from his briefcase. Walked over and handed it to Yash Nics. Ouyang Ting squinted his eyes and said, "Yash Nics, this is a contract for the transfer of agency rights. If you ask Song Pingting to sign on it, I will consider letting you die." Ye Zhiqiu smiled and said, "Listen clearly, just consider it. "The corner of Yash Nics's mouth raised slightly: "What if I refuse?"

Ouyang Ting shouted: "Butcher!" The butcher who was sharpening the knife not far away stopped the sharpening action in his hand and slowly stood up. Looking at Yash Nics sternly, like a butcher looking at a pig and a sheep to be slaughtered. Ouyang Ting triumphantly said: "Teach this kid a lesson, remember not to kill him directly, but slowly torture him. It's best to chop off his limbs piece by piece, so that he can't survive and die." Ouyang Ting After speaking, he turned his head and glanced at Song Pingting, who was tied up by the big five flowers not far away. He didn't believe that Song Pingting could watch Yash Nics being tortured and killed. As long as Song Pingting is soft-hearted and agrees to sign the liver cancer vaccine agency transfer form, then his goal will be achieved. Holding the pig knife, the butcher strode towards Yash Nics.

This guy weighs over three hundred catties, and his body is full of fat, just like a small mountain of meat.

Every time I took a step, the earth seemed to tremble for it.

The butcher looked at Yash Nics and grinned and said with a grin: "Boy, do you think I should cut off your left hand first, or should I cut off your right hand first?"

Yash Nics hooked his finger: "You are as ugly as your mother. Monsters who don't love, come to fight!" The

butcher was furious when he heard the words, and rushed towards Yash Nics with a roar.

Exhausting all his energy, he slashed towards Yash Nics's left shoulder. He wanted to neatly cut off Yash Nics's entire arm!

Yash Nics stood still on the spot, but raised his left hand and instantly clasped the butcher's wrist holding the knife.

The butcher's eyes widened!

Not far away, Ouyang Ting, Ye Zhiqiu, Black Widow and others were all dumbfounded.

The butcher's sharp knife made Yash Nics casually raise his hand to catch it?

Oh my God, this is a monster raised in the cellar by King Jiangnan, a large killing machine!

”

You—” The butcher also looked at Yash Nics in disbelief, and an unprecedented fear suddenly rose in his heart.

At this moment, Yash Nics was already moving.

The whole person bounced and hit the butcher's chest with a knee. boom!

Yash Nics's knee hit the fat in the butcher's chest, and the fat screamed. Accompanied by it, the butcher's huge body over three hundred catties flew out backwards.

When the butcher flew out, his mouth spewed out a blood with fragments of lung lobes, and then it slammed heavily on the ground.

Yash Nics was killed by one blow!

At the scene, Ouyang Ting, Ye Zhiqiu and the Black Widow all gasped.  
There are more than two hundred subordinates around, many of whom  
are already  
trembling.  
This is the butcher!  
He was killed by Yash Nics with a flying knee?

Song Pingting couldn't help but open her eyes, and then she saw the  
ugly and terrifying  
weird man, already lying down.  
While Yash Nics stood upright with his waist, his handsome face was  
slightly angry,  
especially heroic.  
Song Pingting's eyes flickered with excitement and splendor!  
The One and The Only Chapter 405  
Ouyang Ting was the first to return to his senses, and shouted in anger,  
"Yash Nics, you dare  
to kill Tang Ye's capable man!"  
More than two hundred people around them also clenched tightly.  
Weapons, like the enemy.  
Even Ouyang Ting and several of Ye Zhiqiu's close friends took out their  
pistols together.  
Ye Zhiqiu directly instructed: "Everyone did it together and did him!" In  
an instant, many people in black holding samurai swords roared at Yash  
Nics.  
A dozen people raised their pistols, aimed at Yash Nics from the  
periphery, and fired a shot  
if they had the opportunity.  
Yash Nics moved quickly through the crowd.  
The outside gunmen shot, and the bullets not only failed to hit him, but  
also accidentally  
wounded many accomplices.  
When Yash Nics walked through the crowd, his shots were lightning fast  
and fierce.  
Wherever he went, his opponent screamed and fell.  
Ouyang Ting see his men gunmen shot and actually harming a lot of  
companions, angry  
dancing feet scolded: "Do not shoot, do not just shoot, and his mother  
have hit one of us!"

Bang bang bang !  
Instead of stopping, the gunfire became louder.  
Ouyang Ting was furious, and just wanted to ask who was still shooting?  
But when he turned his head, he was completely dumbfounded.  
Around the slaughterhouse, I don't know when, a large number of  
heavily armed special  
soldiers have already arrived.  
Those who fired just now were these special soldiers with assault guns,  
and they killed all of  
his dozen or so men standing on the periphery holding pistols.  
Ouyang Ting, Ye Zhiqu, and Black Widow were completely  
dumbfounded and stupid on the  
spot.  
Didn't Wang Daofang, who covered Yash Nics, led a large number of  
men to the north to  
participate in the exercise?  
How could so many soldiers be dispatched to rescue Yash Nics?  
The slaughterhouse has been completely surrounded by more than two  
thousand Raptors  
special fighters, but the black-clad swordsmen who besieged Yash Nics  
at the scene did not  
notice, and they besieged Yash Nics crazy.  
Yash Nics, like a fierce tiger walking through the herd, brought the  
power of fighting skills in  
the army to the extreme.  
Punching and kicking, elbow hitting the flying knee, at least one  
opponent screamed and fell  
in every move.  
Although there are many enemies, there is no one in one!  
Dian Chu squinted his eyes, leading a large number of special fighters,  
watching Yash Nics  
fight with a group of men in black.  
A lieutenant colonel asked in a low voice: "Sir, do we want to help?"

Dian Chu shook his head and said lightly: "No, the marshal doesn't need  
our help. He is  
really angry this time, let him vent his anger."  
Yash Nics's actions are simple and direct, open and close, and move  
straight to the  
opponent's vital point.

And all wins are speed and strength, without any fancy moves.  
This is a typical military fighting technique!  
This is a typical battlefield killing technique!  
This style of fighting may seem simple, but it is very effective.  
Yash Nics is extremely rich in combat experience, which makes his fighting style very calm.  
He can severely injure the enemy with every move, but he does not give the enemy the slightest flaw between advance and retreat.  
boom!  
Yash Nics slammed a fist on the face of an opponent who rushed in. The opponent's face was sunken, and he fell back without screaming.  
call!  
An opponent slashed at Yash Nics, Yash Nics drew sideways, grabbed the opponent's wrist, snapped the opponent's wrist with a click, and the opponent screamed away.  
A cheeky man raised his katana high and rushed over.  
Yash Nics slammed into the opponent's arms.  
The opponent flew out as if hit by a train.  
The internal organs were shattered and it was already a corpse when it fell to the ground.  
Another swordsman wanted to attack Yash Nics from behind Yash Nics, but Yash Nics didn't know his head and kicked it out.

Snapped!

The attacker was kicking in the head, and the attacker died suddenly on the spot.

So far, more than two hundred swordsmen have fallen to fifty or sixty people, and many of them lie on the ground with broken hands and feet, groaning, and the scene is like Shura hell.

The rest of the guys finally trembled completely.

One by one, they completely lost their fighting spirit and wanted to turn around and run away with fear.

But when they turned around and wanted to escape, they suddenly discovered that the entire slaughterhouse had already been surrounded by special soldiers with black pressed guns and live ammunition. They were dumbfounded in an instant! Dian Chu curled his mouth and shouted: "All the soldiers of the Raptors Special Forces Regiment listened to the order, all the bullets were loaded, the scene was blocked, and the culprits were arrested. If there were any rebels, kill them!" In an instant, there was a neat burst of clicking bullets loaded on the scene. Then I heard the uniform roar of more than two thousand Raptors special fighters: "Yes!"

The One and The Only Chapter 406

The swordsmen at the scene were ashamed. It is true that they fight and kill on weekdays, but they have never encountered such a situation! They didn't have the guts to challenge the army, one by one, shaking all over, threw down their weapons and surrendered.

Even the timid, has been scared to pee. When Yash Nics saw that Dianchu had taken control of the scene, he walked up to Song Pingting and helped Song Pingting loosen his tie. Song Pingting suddenly plunged into Yash Nics's arms, hugged tightly, and said mournfully: "Husband!" Yash Nics gently stroked Song Pingting's black straight hair, softly comforting: "It's okay. Now, you should go outside for a while, suppress the shock, and I will deal with the matter here." At this time, four of the Eight Tigers had come over and took Song Pingting and Dong Tianbao away from the scene. When Song Pingting left, she hesitated. She looked at Yash Nics anxiously, but stopped

talking.

Yash Nics knew what she was worried about, and smiled and said, "It's okay. These officers and soldiers are here to catch the kidnappers. You won't embarrass me. Don't worry."

Song Pingting left the scene with peace of mind when she heard this. .  
Song Pingting left safely, and Ouyang Ting and Ye Zhiqiu finally recovered from the shock.

The two of them were shocked. It was clear that Wang Daofang was no longer in Mannity.

Ming Ye Tang said that he had said hello to the black and white business and political army,

but why did he still send troops to help Yash Nics tonight?

Who is it, who didn't even give the face of Tang Ye, openly antagonizing Tang Ye, this is very rare in the south!

Ouyang Ting and Ye Zhiqiu looked at each other, then they shouted not to shoot, and ran to

Dianchu in small steps.

Ouyang Ting laughed with him and said, "This sir, we both belong to Lord Tang."

Ye Zhiqiu also said with a flattering smile: "Yes, yes, our Lord Tang used to be Jiangnan

Provincial Zun, and we have a very good relationship with many of your military officers.

This time, the flood rushed into the Dragon King Temple, and the family did not recognize the family. ."

Ouyang Ting and Ye Zhiqiu felt that these soldiers must not know that they were from Lord

Tang, otherwise how could they dare to arrest them.

So they moved their Jiangnan king Tang Beidou out, so that Dian Chu knew that they had a

master, and also hinted that Dian Chu should not mess around.

But what they didn't expect was that their voice just fell off.

Dian Chu turned around to snatch an assault from a soldier, and slammed Ouyang Ting's

face with a backhand butt.

The smash made Ouyang Ting's face full of blood, and he fell down with a scream.

Dian Chu's movements did not stop in the slightest, and another butt of a gun was

lightning-fast, hitting Ye Zhiqiu's shocked face.

"Oh!"

Ye Zhiqiu's face splashed with blood, and he fell to the ground screaming.

Dian Chu spit out sputum, and cursed with anger, "What are you guys, you are also called

your own people with our Northern Army. You social scum, are you worthy?"

Ouyang Ting covered his injured face. Frightened, angry, and aggrieved, dignified Jiangnan

Sitingzhu, how could he have suffered such a loss tonight!

He angrily said: "I am Ouyang Ting, the Patriarch of the Ouyang Family, and he is the

Patriarch of the Ye Family Ye Zhiqiu, we are all People of Jiangnan King Tang Beidou, you

actually beat us?"

The King of Jiangnan?" "

Yash Nics came over at this moment with a full face.

Ouyang Ting stared at Yash Nics and Dianchu bitterly, and said loudly:

"Yes, it is the king of

Jiangnan Tang Beidou, Lord Tang!" "

Ye Zhiqiu also endured the sharp pain on his face, and gasped and said, "Yes, even

Shengzun wants to give us three points of face for Lord Tang." "

A couple of days ago, the Honorable Provincial also hosted a banquet for our Lord Tang." "

"You move us, you have to weigh and weigh, don't walk around after eating it."

The One and The Only Chapter 407

Two days ago, Zun Tao Donglin in Jiangnan Province did invite Tang Beidou to dinner

because Tao Donglin wanted to mediate the conflict between Tang Beidou and Yash Nics.

But unfortunately, Tang Beidou didn't know Yash Nics's true identity, so he said carelessly

that Tao Donglin was left alone.

Tao Donglin was afraid that the conflict between Yash Nics and Tang Beidou would cause turmoil in Jiangnan Province, so he went to Mannity to see Yash Nics. Yash Nics also said that Tao Donglin should not interfere in his affairs with Tang Beidou.

Tao Donglin didn't dare to disobey Yash Nics's will, so he had to agree. Seeing Ouyang Ting and Ye Zhiqiu, Yash Nics moved out of Tang Beidou to scare him.

He turned his head to look at Dianchu, and said playfully, "They said they were from

Jiangnan King Tang Beidou. What do you think?"

Dianchu blinked, "Since it is from Tang Beidou, you should have a phone call with Tang.

Beidou informed him."

Ouyang Ting and Ye Zhiqiu both showed ecstatic expressions when they heard Dianchu's

words. They thought Dianchu was afraid of Lord Tang!

Both Ouyang Ting and Ye Zhiqiu are proud of themselves. In the south, whether it is a food eater, a political figure, or a military figure, you will hear Tang Ye if there is anything.

If you want to do something big in the south, you don't tell Master Tang, and you don't get

his permission, then you probably won't be able to do it.

Because of the south, Lord Tang has the final say!

When Ouyang Ting and Ye Zhiqiu heard that Dianchu should make a phone call to inform

Master Tang, Ouyang Ting yelled directly, "I have Master Tang's number, I'll call you!"

Ye Zhiqiu also exclaimed proudly. He said: "Hehe, you are a little colonel, not even a

brigadier general. You dare to have trouble with our Lord Tang, now you know you are afraid.

When you talk to our Lord Tang, remember to be respectful, or you will feel better."

Soon, Ouyang Ting got through and handed the phone to Dian Chu: "I have something to tell

Lord Tang, please tell me, Lord Tang is listening!"

Dian Chu took the phone playfully and dedicated it to Yash Nics. .  
Yash Nics picked up the phone and smiled, "Are you the owner of these two miscellaneous fish, Tang Beidou?"

Two miscellaneous fish? !

Ouyang Ting and Ye Zhiqiu involuntarily opened their eyes wide.

Tang Beidou's majestic voice came slowly from the phone: "Yes, it is someone from Tang."

"Ouyang Ting and Ye Zhiqiu are mine, you can't move."

"Now you better let them go, and then apologize. apology, as well as the rather large group offer I can see it in the face of the benevolent side of love, spare you a return. "

Ning sneered:"? Don Compass, you are living in a dream it. "

His words , Not only Tang Beidou was stunned.

Even Ouyang Ting, Ye Zhiqiu and others at the scene were dumbfounded.

Didn't Yash Nics and others be afraid of Lord Tang, so they called to explain to him?

Tang Beidou was surprised: "You didn't say that you need to inform me about something.

Isn't it because you made a mistake and called to explain to me and beg for mercy?"

"No!" Yash Nics said coldly, "I was just going to be shot on the spot. You two subordinates, just call to let you know."

Tang Beidou was stunned when he heard this!

Ouyang Ting and Ye Zhiqiu both lost their voices together: "What?"

Yash Nics stopped talking to Tang Beidou and directly hung up.

And Dian Chu shouted to the soldiers under his hands: "You didn't hear the command of the young marshal. Pull these two bastards out and kill them!"

Young marshal!

Ouyang Ting, Ye Zhiqiu and the others were completely dumbfounded, looking at Yash Nics

in disbelief. Yash Nics turned out to be a young commander of the Northern Army!

Plop, plop.

Ouyang Ting and Ye Zhiqiu knelt down in despair, with only one thought in their hearts:

When it was over, he turned out to be the young commander of the North, no wonder even

Tang Ye didn't pay attention to it.

A few soldiers with live ammunition strode over, set up Ouyang Ting and Ye Zhiqiu, and dragged them outside.

Ye Zhiqiu and Ouyang Ting made two desperate prayers: "Forgive me, you marshal, forgive me..."

The One and The Only Chapter 408

Soon, two gunshots sounded, proclaiming the sinful lives of the two, and it was over.

The remaining black widow Li Mei on the scene, as well as the men of the Ye Family and

Ouyang Family, were all trembling with fear on their faces.

Dianchu asked, "Marshal, how do you deal with the rest of these guys?"

Yash Nics said coldly: "The North Border Military Prison reform through labor, make arrangements."

Dianchu saluted: "Yeah!"

...

Ouyang Ting and Ye Zhiqiu The two lost their lives in Mannity.

The news spread quietly in the south soon, causing a sensation in the ground and underground circles.

Although many people don't know exactly how Ouyang Ting and Ye Zhiqiu died, they all

know that China Sea Crouching Tiger, Hidden Dragon.

Many forces that want to march into Mannity City with a big fanfare have given up their minds one after another.

The most angry person is Tang Beidou.

He had four court pillars because of a little Yash Nics.

The death of the death, the downfall of the downfall.

Especially this time, when Yash Nics killed Ouyang Ting and Ye Zhiqiu, he even called to tell him first.

This is no longer a provocation, but a slap in the face!

This morning, Tang Beidou called his two sons outside, Tang Tianji and Tang Tianquan.

The rest, Lu Cangtian and other disciples, also summoned them all.

Discuss together how to avenge Ouyang Ting and Ye Zhiqiu, and how to seize the agency

rights of liver cancer vaccine.

The eldest son, Tang Tianji, is a southern financial crocodile.

He has a prominent position in the business world, and has countless contacts in black and

white business and politics.

The youngest son, Tang Tianquan, is the boss of the Sihai Group.

Sihai Group is engaged in arms business, mainly dumping to some small countries in

Southeast Asia.

Tang Tianquan's contacts are wider, and he has contacts in the black and white business,

politics, and military, especially in the military.

Tang Beidou looked at his two sons and a group of important disciples, and said with a

sullen face: "Call everyone today, everyone should know the reason?"

Tang Tianji helped the golden glasses on the bridge of his nose and

smiled: "Dad, you say

that Ning kill you two capable arms, sweeping the things you face it? "

Don Compass angrily:"! this is not looking over my face, which is already pumping big slap

in my face "

figure The stalwart Tang Tianquan comforted: "Dad, don't be angry."

"I heard that a colonel led the troops to help Yash Nics kill Ouyang Ting and Ye Zhiqiu."

"I have asked my friends in the army to inquire.

Let's see if the colonel did his own favor to help Yash Nics, or if he was instigated by Wang

Daofang." Tang Tianquan said, squinting his eyes and said, "If it was the instructions of the

king, let's find someone to talk to the king and let the king do. Fang

handed Yash Nics to us

for disposal."

"If it was not instructed by Wang Daofang, it would be simpler. Just take Yash Nics and the

colonel surnamed Dian together.”

Tang Beidou finally showed a satisfied smile upon hearing this. He smiled and said: “It’s still the power of heaven and power, just follow what you said. Let your friend talk about Wang Daofang’s tone first, and see if this matter has anything to do with Wang Daofang?”

Lu Cangtian complimented: “Tang Ye, The second young master Tang moved with this trick!” Everyone in Tang Beidou laughed loudly.

...

At Mannity Airport, Yash Nics, Song Pingting, Song Qingqing, Song Zhongbin, and Ma Xiaoli have just boarded the plane.

It turns out that tomorrow is the 70th birthday of Ma Xiaoli’s father Ma Bangguo!

Since Ma Xiaoli ignored the family’s opposition and marry Song Zhongbin on her own way,

the Ma family severed ties with Ma Xiaoli angrily.

Ma Xiaoli has been married for more than 20 years. This is the first time the Ma family

called to inform Ma Xiaoli to attend the birthday banquet.

This is mainly because the Ma family knew that Song Pingting had established a company

and his career was not small, so he invited Ma Xiaoli back to attend her father’s birthday banquet.

Ma Xiaoli has been away from home for more than 20 years, and it is the first time to return to her family.

It was really exciting. Not only did she let her husband go back with her, she also brought

Yash Nics, Song Pingting, and Song Qingqing.

The family happily took the plane to Ma Xiaoli’s family, the northern city of Jinmen.

The One and The Only Chapter 409

few hours later, he arrived at Jinmen Airport smoothly.

No one from Ma’s family came to pick up the plane, and Yash Nics and Song Pingting took

the car by themselves.

After another two hours of turbulence, she finally returned to Ma Xiaoli's home, Ma's house in Jinmen.

Ma's family is a large family in Jinmen, there are two stone lions in front of the door, which looks particularly domineering.

And in the parking lot in front of the door, there are already many luxury cars parked, the

worst are Mercedes-Benz BMW Land Rover.

There are also many Bentleys and Rolls Royce.

As for sports cars, there are not a few.

Song Pingting said in surprise: "Mom, I didn't expect my grandpa's family to be so rich!"

Ma Xiaoli teased her hair and said with emotion: "Yes, it is considered a wealthy

family in Jinmen." Today is the seventh of Ma Bangguo's grandfather. On the tenth birthday,

Ma Bangguo, wearing a cloth, carrying his stepwife Zhang Xiulan, and many family

members, is warmly welcoming guests who come to celebrate the birthday.

When Ma Xiaoli saw Ma Bangguo, she went up with excitement, threw herself down on her

knees, and choked with sobs: "Dad, an unfilial daughter is here to see you." In

an instant, everyone on the scene cast their eyes on Ma Xiaoli and Yash Nics and their

group, and whispered. There was a lot of discussion.

Ma Bangguo heard that Ma Xiaoli's daughter had a great future, and on a whim, he allowed

Ma Xiaoli to participate in his 70th birthday.

But he didn't expect Ma Xiaoli's family to come by taxi, which made his face instantly

sinking.

Everyone came in luxury cars, but Ma Xiaoli's family came by taxi, which was a shame!

He looked at Ma Xiaoli, who was kneeling in front of him, and said lukewarmly: "It's good to

be here. There are many VIPs today. I guess there is no time to entertain your family. Your family will go in and find a seat.”

Stepmother Zhang Xiulan also said coldly: “That is, a bunch of poor and screaming. For fear that others don’t know they are coming, I would be ashamed of myself if I am not ashamed!”

Ma Xiaoli’s face flushed and was extremely embarrassed. .

Both Yash Nics and Song Pingting were angry, and both wanted to have an attack.

But Ma Xiaoli stopped her daughter and son-in-law, and whispered: “Yash Nics,

Xiao Ting , take our gifts to register, and then let’s go in and sit in the house.” Yash Nics and

Song Pingting did not want to make Ma Xiaoli embarrassed. It happened, silently offered a gift, and then followed Ma Xiaoli into the hall.

There were many guests in the lobby, and everyone gathered in twos and threes to chat.

No one agreed to Ma Xiaoli. Some people didn’t recognize Ma Xiaoli, the Ma family lady, but

more people looked down on Ma Xiaoli and disdain to say hello to her.

Ma Xiaoli and Yash Nics sat down in the corner.

Looking at this familiar and unfamiliar place, looking at the familiar and unfamiliar faces,

Ma Xiaoli was filled with emotion.

At this moment, a man in his forties, with his two subordinates, approached Yash Nics’s family.

This man was called Ma Jianbo, the son of Ma Xiaoli’s stepmother, and also her half-brother.

Ma Jianbo was shocked and angry when he learned that Ma Xiaoli’s family was coming.

You know, Ma Bangguo has only Ma Xiaoli, besides his son Ma Jianbo.

Ma Jianbo believes that Ma Xiaoli has not been in contact for 20 to 30 years, and she

suddenly came back to wish her father’s birthday. She must have come to buy her father’s

property.

He walked over and looked at Ma Xiaoli with a sneer: "Oh, you are really back."

Ma Xiaoli quickly stood up: "Brother, long time no see."

Ma Jianbo said coldly: "Don't call me brother, I don't admit that you have a sister like this, and my dad once said that he doesn't recognize your daughter. If I were you, I would not come back shamelessly."

Ma Xiaoli bites Biting his lip: "It was Dad who told me to come to the birthday ceremony."

Ma Jianbo said coldly, "I don't like going around in circles. I can tell you frankly that I don't like seeing you."

"Where are you guys after dinner? Go back wherever you come!"

"I didn't mean to scare you, I just told the truth. In Jinmen, I want a few people to disappear forever is too simple."

The One and The Only Chapter 410

Ma Jianbo's words changed Ma Xiaoli's expression drastically, which was already a threat from Chi Guoguo.

This time Ma Xiaoli brought her family back to celebrate Ma Bangguo's birthday. It can be said that she put a cold ass on her hot face.

The indifference between Ma Bangguo and Zhang Xiulan can still be tolerated by Yash Nics and others.

But this Ma Jianbo directly threatened their family.

Not only Yash Nics and Song Pingting were filled with righteous indignation, but Song

Zhongbin, who was an honest friend on weekdays, was full of anger, ready to attack on the spot, and had to reason with Ma Jianbo.

However, Ma Xiaoli had tears in her eyes, resisting the grievance, and firmly took her husband Song Zhongbin's hand.

Instructed Song Zhongbin not to care about Ma Jianbo, and not to make trouble at his

father's birthday banquet.

Song Zhongbin finally endured it, but he trembled with anger.

Yash Nics saw that Ma Xiaoli didn't want to make trouble at the birthday banquet. He didn't

want Ma Xiaoli to be embarrassed, so it didn't happen. He only glanced at Ma Jianbo coldly.

Ma Jianbo naturally saw Yash Nics's indifferent eyes, and Ma Jianbo was instantly unhappy.

I thought: Damn, a dead and poor ghost who didn't know where he would dare to play with

me in Jinmen, tired of his life?

Yash Nics glanced at Ma Jianbo coldly, then stopped taking care of him.

He saw Song Zhongbin trembling with anger, he took out a pack of True Dragon cigarettes,

handed Song Zhongbin one, and said: "Dad, don't be familiar with these clowns, smoke a

cigarette to calm your anger."

Clown? !

Ma Jianbo almost exploded when he heard Yash Nics's words.

He squinted his eyes and said in a bad tone: "Boy, I know you are the son-in-law of Song

Zhongbin and Ma Xiaoli. And I also heard Tong Handong and his wife say that you are a

waste of soft rice."

"You waste who eat soft rice, want to I can understand to please your father-in-law, but you

shouldn't mess with me."

"For a trash like you, I have a hundred ways to make you corpse on the street. So you'd

better keep me back and don't challenge my anger with your life."

Ma Jianbo's words made Ma Xiaoli's family pale, except Yash Nics looked as usual.

Ma Jianbo was a little proud to see Ma Xiaoli who were so scared.

He glanced at Yash Nics, noticed Yash Nics's cigarettes, and said, "Also, by the way, to tell

you that the cigarettes you smoke are as rubbish as you!"

Ma Jianbo said, raising his hand and moving towards Yash Nics frivolously. His face was

patted neither lightly nor heavily.

When Song Pingting saw this, her heart jumped and she shouted: It's over!

Sure enough, Ma Jianbo's palm had not yet patted Yash Nics's face. Yash Nics already gave a cold snort, raised his left hand, and immediately clasped Ma Jianbo's wrist.

Ma Jianbo's pupils suddenly enlarged and his face was shocked. He exhausted all his energy, trying to break free.

But Yash Nics's hand was like a vise, extremely powerful, and he couldn't get rid of it.

Instead, Yash Nics's five fingers exerted a slight force, which caused Ma Jianbo's wrist

bones to make a slight noise, and the bones were about to break.

Ma Jianbo's face was distorted with pain, and he trembled: "Ah, you bastard, let me go immediately!"

His two subordinates were also frightened and angry, but they did not dare to act rashly.

Yash Nics clasped Ma Jianbo's wrist with his left hand and slowly applied strength.

Ma Jianbo's wrist bones creaked and squeezed, and they might break at any time.

Yash Nics said indifferently: "What you said just now made me very unhappy."

"I will give you the opportunity to say it again. If it still makes me unhappy, then your hand will be useless."

Ma Jianbo was full of pain, and said inwardly, "You dare to move me, I declare that you are dead..."

Yash Nics's face was cold: "It seems that I will give you a chance, you don't want it?"

Yash Nics's subordinates tried hard, Ma Jianbo He cried out in a very painful voice: "Stop, I said, I said..."

Ma Jianbo was sweating profusely, and was forced to say, "I was wrong, I shouldn't threaten your family!"

Yash Nics was cold. Said: "More!"

Ma Jianbo screamed miserably: "I shouldn't say that you are a waste of soft rice!"

Yash Nics said: "More!"

Ma Jianbo was dumbfounded, he couldn't remember what else he said?

Yash Nics reminded: "What do you think of my cigarette?"

Ma Jianbo was shocked, enduring the severe pain, and said anxiously:

"The cigarette you

smoke, the real dragon you smoke, is very tasteful and easy to smoke!"

Yash Nics smiled. Let go, Ma Jianbo was able to escape.

Ma Jianbo looked down at his wrist, a swelling circle, severe bone pain.

Although it is not

broken, it is estimated that it has been slightly fractured.

He raised his head and looked at Yash Nics with fear and hatred.

Yash Nics smiled and took out the cigarette, took out one to light it, took a mouthful of the

cigarette, and said faintly: "I said I have been smoking this cigarette for ten years. How

could it be trash and difficult to smoke?"

Ma Jianbo held the injured one. With his right hand, he glared bitterly at Yash Nics's family:

"Very well, your family is very kind, you can wait for me."

After that, Ma Jianbo took his two men and left in a haughty manner.
