

## Chapter 4018

"Mike, you said, if nothing happened to your sister back then, she should be out now and be more beautiful, right?" Bill Jones smiled lightly, but in that smile, there was a tinge of brilliance. Sadness and sorrow.

Seeing his father like this, Mike Jones unconsciously clenched his palms.

"Father, don't worry, my son promises that the murderer who hurt my sister will be found out and smashed to pieces!"

Mike Jones gritted his teeth and said, the flames of hatred flashing in his eyes.

Their Jones family is one of the three Truman families.

What kind of scenery and happiness was their family in the past.

But since that year, Chu Tianfan killed Chumen, and his sister went to Yanxia to find him, and finally something happened.

Since then, the peaceful life of their Jones family has been completely disrupted.

Father did not smile, and the clansmen were also trembling.

The status of their Jones family in Truman has plummeted.

In the less than three years, none of the ten elders of the Truman elders were in their Jones family.

It can be said that the current Jones family has been completely excluded from the Truman management.

And all these turning points happened after his sister had an accident.

This undoubtedly made Mike Jones even more resentful towards those who hurt his sister.

But Bill Jones smiled: "Child, until now, have you seen it, who killed your sister?"

Mike Jones was shocked: "Father, do you know who the murderer is?"

Bill Jones shook his head and smiled.

"Actually, I always knew."

"From that year, when Chu Tianfan killed Chumen for the second time, when a woman who claimed to be a medical immortal in the Dragon Temple sent your sister back to the family, when Chu Tianqi broke through the border and woke up the beast of the sect, I already knew."

"The one who took your sister's eyes is the Chu family, Chu Zhengliang's father and son. If my expectations are correct, your sister's blue-eyed and golden pupils were transplanted to Chu Tianqi."

What?

“This this...”

“how can that be?”

Hearing this, Mike Jones was like a thunderclap, his eyes widened.

He couldn't believe that it was the Chu family who did such a tragic act.

You know, the Chu family and the Jones family are family friends.

Chu Tianqi almost became his brother-in-law.

Moreover, Mike Jones and Chu Tianqi are still close friends.

Played from childhood to adulthood.

“No... not at all, Father.”

“This... this is impossible...”

“We belong to the three Chumen families, how could the Chu family be so cruel?”

Mike Jones had a hard time accepting this.

But Bill Jones is absolutely sure.

“Back then, we all thought that it was Chu Tianfan who killed your sister.”

“Actually, we were wrong, very wrong.”

“Perhaps, in this world, Chu Tianfan is the one who is really kind to your sister, the one who can take revenge for your sister at all costs.”

“We will also care about the family and the clan.”

“Only him, when he knew that the Chu family killed your sister, he desperately came to avenge your sister.”

“Thinking that those of us who are fathers and brothers are not as good as an outsider.”

Bill Jones smiled sadly, his eyes full of shame.

“Father, is it really... Really the Chu family?” Mike Jones asked weakly, trembling.

“It's not them, who else could it be?”

“In this world, only the blue-eyed and golden-flowered pupils that my Jones family has inherited from generation to generation can awaken the guardian beast – the flame beast!”

“And your sister is the only person in my Jones family who has this divine pupil.”

“But now, your sister's eyes have been taken, and Chu Tianqi's strength has grown by leaps and bounds, and he has also awakened the flame beast, so that the flame beast listens to his orders.”

“You said, if it wasn’t for the transplant of your sister’s blue-eyed and golden-flowered pupils, how could Chu Tianqi be so capable?”
