

## Chapter 4019

Bill Jones' voice full of resentment sounded slowly in this underground secret room.

But Mike Jones was already blindfolded, and his mind went blank.

His body trembled and he almost fell to the ground.

"But...but father, didn't you say that it wasn't the Chu family who did it?"

"That year, you... didn't you deny it yourself, didn't Chu Tianqi take my sister's eyes?"

Mike Jones asked his father in panic.

That year, when Ye Fan defeated Chumen Mountain, Chu Tianqi also just left the customs, and awakened the Chumen guardian beast, the flame beast.

At that time, Bill Jones and his son decided that it was Chu Tianqi who got his sister's eyes, and Mike Jones even went directly to Chu Tianqi.

This matter was coaxed a lot, and the Jones family directly sued Chu Yuan and made a life-threatening posture.

However, Chu Tianqi did not admit it at all, and the Chu family also vetoed it.

Even Chu Yuan protected Chu Tianqi, believing that the Jones family was messing around, and insisted that it was An Qi's eyes that Ye Fan took away.

In the end, Bill Jones suddenly changed his tune, publicly apologized to the Chu family, and also believed that Ye Fan did it.

At this point, the coax drama just came to an end.

"Huh..." Bill Jones sneered, "Back then, if I didn't change my words, you would be dead, and our Jones family would have to be exterminated."

"In order to save you, I have to change my words."

"In this world, the weak eat the strong, and the strong are respected."

"What the truth is, in the eyes of those people, it doesn't really matter. The important thing is that whoever has the biggest fist and whoever says it is the truth."

"Our Jones family's martial arts are on the decline, and we can't compete with the Chu family at all. If we insist on coaxing it, not only will we not be able to avenge your sister, but it will also bring disaster to you."

"I had no choice but to change my mind and let Chu Tianfan take the blame."

When he said this, Bill Jones' eyes were filled with endless anger and resentment.

As a father, he knew who killed his daughter.

But he, not only can't even take revenge, but even bows down and admits the thief as the master.

Over the years, who knows the sadness in Bill Jones' heart.

After learning all of this, Mike Jones was stunned.

Over the years, he has always regarded the Chu family and Chu Tianqi as his closest comrades-in-arms.

But I never thought that behind these virtuous people, it was so dirty and shameless.

"One punch king bastard!"

"What a beast!"

Mike Jones' eyes were red, his palms clenched tightly, and he let out an angry growl.

Then, turned away.

"What are you doing?" Bill Jones asked.

"I'm going to kill Chu Tianqi! This beast has lied to me for so many years!" Mike Jones gritted his teeth.

"Bullshit! You are only a master, you can't even beat Chu Tianqi himself, not to mention he has blue eyes and golden pupils!" Bill Jones said angrily.

"So what?"

"Chu Tianfan was not afraid of life and death in order to avenge his sister back then."

"I'm An Qi's brother, why should I be afraid of life and death?"

"This time, even if I die, I have to break a few teeth of that bastard!"

Mike Jones was in a state of rage, resigned to death.

Snapped!

Bill Jones stepped forward and slapped his son fiercely in the face.

"How long will you be fooling around?"

"It's a matter of life and death, now is not the time for you to act on your will."

"I have endured so long for my father, not to see you die!"

"Even if you want to die, breaking a few teeth of the Chu family is far from enough of the pain and injury your sister has suffered!"

Bill Jones shouted sharply.

Mike Jones was silent, and he lowered his head.

A big man, his eyes turned red immediately, and tears hit his eyes.

In the end, Mike Jones punched the stone wall.

He hates!
