

Chapter 4020

I hate myself for being incompetent!

I am a waste of myself!

"I just hate myself for not having the ability of Chu Tianfan."

"If I could do something like Chu Tianfan, I would definitely kill the Chu family now!"

Mike Jones only felt powerless and regretful.

"Father, back then, we should have helped Chu Tianfan."

"I should help Chu Tianfan and let him return to China alive."

"If he doesn't die, he will definitely avenge An Qi."

"But now..."

After learning all the truth now, Mike Jones only hated that they were confused back then and actually helped the beasts of the Chu family to fight against Ye Fan.

If An Qi knew, she would definitely blame them.

However, regret it now, it's too late.

too late...

Ye Fan is dead, and Truman is in power.

In this world, there is no one who can resist the lustful power of the Chu family, and no one can avenge this bloody vengeance for their Jones family.

"No, it's too early to tell."

Mike was taken aback by Bill Jones' sudden words.

"Father, what do you mean by that?"

"Could it be that you have a way, or in other words, our Jones family, and our trump card, can fight against the Chu family and the Chu family?"

Today's Truman, their Jones family has completely lost the right to speak.

After Jones coaxed a game, Chu Yuan's grandparents and grandsons were obviously wary of Bill Jones and the others.

In the past three years, the Jones family has been completely expelled from the Truman management, only doing some insignificant things.

Therefore, the current Truman has basically nothing to do with their Jones family.

Bill Jones shook his head: "My Jones family is not like the Tang and Chu families. One is the family of the ancestors of Yunyang, and the Tang family is the family of the ancestors of Yunyang. Our Jones family was originally from humble beginnings, and was only the ancestor of Yunyang. A gatekeeper below."

"It is the ancestor of Yunyang, Ende, who gave my family the inheritance of the gods. With this ability, our status has soared, and we have jumped to the point of being on an equal footing with the Tang and Chu families."

"As for the trump card, your sister's blue-eyed and golden pupils are our only trump card."

"With blue eyes and golden pupils, the Chu and Tang families will be afraid of our Jones family for three points."

"But now that your sister's pupils have been taken, what cards do our Jones family have?"

"Father, what did you mean just now..." Mike Jones was puzzled.

Bill Jones continued: "We can't avenge your sister, but that doesn't mean he can't."

"Who are you talking about?" Mike Jones wondered.

"Chu Tianfan!"

What?

Mike Jones suddenly widened his eyes: "Father, you are confused, isn't Chu Tianfan already forced to death?"

Bill Jones smiled: "Dead? Do you think that guy is really that easy to die?"

"Actually, when the news of Chu Tianfan's death came, I had some doubts."

"In the past three years, I have always had a feeling that Chu Tianfan might still be alive."

"Do you know why I insisted on asking Tang Yun's sect master to be responsible for detaining the four dragon temple remnants?"

"Just for now!"

The more Mike Jones listened, the more confused he became.

He had no idea what conspiracy his father was brewing.

"Mike, over the years, I have kept a lot of things in my heart for fear of bringing you danger."

"But now, the time is almost here, and I can tell you all about it."

"Actually, I have always believed that Chu Tianfan is still alive."

"Tonight, the Chumen Great Elder suddenly came to me and asked me to execute the four titled subordinates of Chu Tianfan overnight."

"This sudden move further proves Father's guess."

"Also, I have a feeling that Chu Tianfan will come to Chumen soon!"

boom!

As the saying goes, the words are not amazing and die endlessly.

The words of his father completely shook Mike Jones.

“Chu... Chu Tianfan is... not dead?”

“Still... come again?”

“This... how is this possible?” Mike Jones just felt incredible.

“Mike, now is not the time to say it’s impossible.”

“I have offended the Great Elder tonight. I suspect that the Great Elder may send someone to forcibly kill those four titles in the past few days.”

“Now, prepare immediately, mobilize all the good players in the family, protect your sister, and the four seriously injured Dragon Temple titles, secretly take a special plane, leave overnight, and fly to Yanxia Jiangdong.”

“If you can’t find Chu Tianfan, then find Chu Tianfan’s relatives and friends!
