

Chapter 4024

“My Tang family is upright and upright, and how did I help Zhou to be abusive, and why did I shame the ancestors of Yunyang?”

“Then Chu Tianfan was originally the illegitimate son of the Chu family, with a humble bloodline, what about the descendants of Yunyang?”

“The real descendant of Yunyang is Chu Tianqi!”

“Hahaha...” Mike Jones laughed even louder.

“Also Chu Tianqi?”

“This beast, you dare to say that he is a descendant of Yunyang?”

“If the ancestors had spirits in the sky, I’m afraid they would have to send down a thunderbolt to kill you, a nonsense old thief!”

Mike Jones became angry, his eyes turned red.

“Old dog Tang, who took my sister’s eyes, don’t you know? Don’t your Tang family know?”

“But what about you guys, you don’t dare to say a word of justice, and you are still submissive to the Chu family and attack my Jones family.”

“Still upright and upright?”

“I bother!”

“I think you are now a dog of the Chu family!”

“Not to mention the ancestors of Yunyang, your ancestors of the Tang family have all lost their faces by the descendants of you who are dogs!”

“Although my Jones family is not strong enough, but we still dare to resist?”

“You old dog, do you dare to rebel against Chu Yuan? Do you dare to rebel against the Chu family?”

Mike Jones’s words are too harsh.

Tang Xian, who was scolding, was speechless, his old face was blushing, and he couldn’t say anything to refute.

“Stinky boy, I think you are really tired and crooked!”

“Since you want to die so much, I’ll give you a ride first!”

Tang Xian, who was in a rage, slashed furiously with his sword.

“Master, be careful!”

The battle was about to break out, and the shocked Mike Jones immediately avoided it, but he couldn't avoid it at all.

Seeing that the sword energy was about to enter the body, several guards next to him rushed directly.

With his life, he blocked this sword for Mike Jones.

But even so, the spilled sword energy and shock flew Mike. In just a moment, several corpses fell to the ground, and the bright red blood splashed Mike's face.

"Jack!"

"Anta!"

....

"Bastard, I'll fight for you!"

Seeing that the guard who had protected him for many years was killed, Mike Jones, who knew he was going to die, couldn't care about anything else.

He picked up the knife from the ground and slashed at the Great Elder Tang Xian.

But to no avail.

Tang Xian is a powerhouse in the Heavenly Ranking, the power of a title.

A random blow is not something that those who are the strongest but not the Grandmaster can contend against.

"stop!"

"Old dog Tang Xian, how dare you bully my son?"

At a critical moment, Bill Jones led the Jones family army to arrive.

Bill Jones took the lead, charging forward, holding a mad knife, and beheading Tang Xian angrily.

Unprepared, Tang Xian was shocked back a few steps.

"Son, are you alright?"

After knocking back Tang Xian, Bill Jones immediately went to visit his son.

"Father, why are you here?" Mike Jones was surprised.

"Don't ask this, get up quickly and drive away!"

"Here, leave it to the father!" Bill Jones said in a deep voice.

Then someone immediately took Mike and the others away.

"Old thing, I didn't expect to be seen by you."

"I was thinking of taking care of your son first, and then going back to take care of you."

“But that’s fine. Since you’ve brought someone here now, let’s clean up over there.”

Tang Xian sneered.

He guessed that Bill would secretly escort the remnants of Longmen away.

So the troops are divided into two groups, all the way to drag the Jones family.

The other way is to contain Mike Jones.

But it never occurred to me that this Bill Jones was not stupid and could actually see his plan.

However, that’s the end of it.

With a sneer, Tang Xian clapped his hands.

brush brush...

In the dark night, nine figures appeared here.

These nine people, dressed in black robes, looked like ghosts in the dark night.

Above the black robe, everything is tattooed, the clouds are shining!

“This is...”

“Trumen’s black-clothed guardian?!”

“This... how is this possible?”

“Why is the guardian in black here?”

Bill Jones’ pupils shrank.

Among the Trumen establishment, there are three-color guardians in red, purple, and black.

The guardian in red has the highest status, even above the first elder, but it has been vacant for many years. Back then, Tang Yun wanted to invite Ye Fan to be her guardian in red, but was rejected.

As for the purple-clothed guardians, there were only two people. That is the second elder Xuanming.

As for the black-clothed guardians, although they have the lowest status, they are all masters at the peak of the Grandmaster.

Truman’s absolute backbone!

Bill Jones never imagined that Truman did not bring the black-clothed guardians with him when he fought in the Quartet.

“Bill, you didn’t think about it, did you?”

“Back then, you held back and thought you’d lied to everyone, but the old sect master already saw that you had a different opinion.”

“These nine black-clothed guardians are reserved for your Jones family!”

“The old sect master has long guessed that it is very likely that you will take advantage of the emptiness of Chumen Mountain to initiate a mutation.”

“Leave the protector in black, and be mobilized by me, just to guard against you.”

“The old sect master really expected things like God!”

“Tonight is the day of your Jones family’s extermination.”
