

Chapter 4030

Tang Xian smiled regretfully: "I'm sorry, Mr. Gaia."

"Now you are not qualified to negotiate conditions with me."

"All I need is to let the four of you die."

"It doesn't matter if I kill myself or die by my sword."

Tang Xian was condescending, and in his light words, there was a kind of pride in his grasp of victory.

When Gaia and the others heard the words, they spread their hands in disappointment.

"Hey..."

"Sure enough, a toothless title is not as good as a dog."

"It seems that we old people don't even have this face."

Gaia said, then shook his head and smiled at the Jones family.

"I'm sorry, the Jones family."

"There's nothing we can do."

"Have no choice but to go on the road together."

"However, I still want to say thank you."

"Thank you for taking care of me over the past few years."

"There's no wine here either."

"Wait under Jiuquan, we will set up a banquet to thank you."

For Tang Xian's rejection, Gaia and the others did not show any anger.

Instead, he accepted it calmly.

And, jokingly, he spoke to the Jones family.

The dying Bill Jones also smiled: "Go to Jiuquan with... and the four titles, I... I am Bill Jones, and I am content to die..."

"Hahahahahaha..."

The four dragon gods burst out laughing.

Afterwards, the four Gaia were shackled and sat down beside Bill Jones and his son.

"Old dog Tang, let's do it."

“This mountain and river, I will send you for the time being.”

“Thirty years later, we will come back and pick it up!”

A few laughed loudly, then closed their eyes, and died in awe.

“Okay, as you wish!”

Tang Xian drank coldly, and immediately ordered his subordinates to step forward and cut off the heads of Gaia and the rebels of the Jones family.

Bill Jones smiled bitterly: “Tang Xian, don’t think that if you kill the four titles of the Dragon Temple, you will be able to sit back and relax!”

“It won’t be long before someone will take revenge for them.”

“At that time, the fate of Chu Zhengliang will be your final destination!”

Tang Xian hummed disdainfully, “What a joke!”

“My Trumen is at the height of the sky, and the four seas are surrendered.”

“In this world, who dares to take revenge? Who can take revenge?”

“Could it be, are you counting on the remnants of the Dragon Temple?”

“As soon as these four titles die, the so-called Dragon God Temple will exist in name only!”

Tang Xian had no fear.

Bill Jones laughed.

“Elder Tang Xian, you know who I am talking about.”

“It’s been nearly three years, he should be back soon, right?”

“Otherwise, you wouldn’t be in such a hurry to eradicate these four titles.”

“Isn’t it?”

“Shut up for me!” Tang Xian was suddenly furious, and a long sword flew out, mercilessly piercing Bill Jones’ body.

“You bastard, when death is imminent, you dare to confuse the public and talk nonsense!!”

“That person is already dead, he died three years ago!”

“He can’t come back, and he won’t come back!”

“Hahaha...Elder, you’re scared, aren’t you? You don’t even dare to say his name.” Bill Jones inserted several swords, but still smiled.

“If that’s the case, then I’ll say his name for you.”

“His name is Chu! Tian! Fan!”

“Not only you, but also Chu Yuan, and even Chumen, all will...will be defeated by him.”

Bill Jones had blood flowing from his mouth, but he still gritted his teeth and said the man’s name.

For a time, everyone was shocked.

Gaia and the others, who had closed their eyes and waited to die, also suddenly opened their eyes in horror.

“Patriarch Jones, you... what did you say?”

“You said that the Dragon Lord, he wants... is coming back?” Gaia and the others trembled, only feeling unbelievable.

“shut up!”

“Full of nonsense!”

“Since you miss him so much, I’ll send you to hell to see him!”

Tang Xian was completely angry.

He was not waiting for his subordinates, but made the move himself.

Bang!

I saw Tang Xian stomped the ground fiercely, and at once, hundreds of swords flew up.

“Give me death!”

The energy swept through, and the power was like an abyss.

Tang Xian controlled this mountain of swords and swords and waved his sleeves violently!

brush brush~

Countless swords pierced through Chang Xiao, slashing the group of lingering survivors in front of him.

“Ha ha ha ha...”

Bill Jones and the others were still smiling, fearlessly dying.

However, it was at this moment that a cold voice sounded quietly.

“You don’t need to go to hell to see me.”

“Here, you can.”

The faint words, wrapped in the chill and power that swept the world, swept across the four directions.

boom!

The wind blows in all directions, and the clouds move in all directions.

In this world, the thousands of swords and swords fell in the rain.

Like a feast of swords, welcoming the arrival of the king!
