

## Chapter 4032

Mike Jones didn't know why he was so excited or why he was crying.

When Gaia and the others cry, it is because they have welcomed their own king, and they are qualified to cry.

If my sister is awake, she is also qualified to cry. That is because her sister has waited for her unparalleled hero and a man she likes to love.

But I have the qualifications to fart and cry with excitement.

He has no friendship with Ye Fan at all, and they were even enemies before.

But Mike Jones just couldn't control his excitement.

It was like a little daughter-in-law who was alone in her boudoir, seeing the excitement of her man.

Yes, they did not admit wrong.

The person in front of him was Ye Fan who came across the sea and came to Chumen again.

Also, Chu Tianfan, who made everyone in the Chumen feel terrified back then!

In the past few days, he did not immediately go to Mount Truman just to investigate the whereabouts of Gaia and the others.

After several days of investigation, Ye Fan finally learned that the four dragon gods under his command were imprisoned in the Jones family.

But when Ye Fan rushed to the Jones family tonight, he found that the family was in a mess, and the dungeon where Gaia and others were imprisoned was empty.

Knowing that something happened to Ye Fan, he followed it all the way and found it very quickly.

Looking at the corpses and blood all over the ground, as well as the four dragon gods covered in bruises and chains, Ye Fan's heart stung instantly.

He stepped forward, one by one, and lifted Gaia, Owen and the others from the ground.

"Sorry for making you wait so long."

Ye Fan's words were filled with deep guilt.

These people were supposed to enjoy glory and wealth in their respective countries.

Just because of his own words, he killed Truman for him.

In the end, suffer from this.

It can be said that it is all because of myself.

For these people, Ye Fan has no guilt in his heart.

“Lord Dragon, don’t say sorry to us.”

“Dragon God Temple people, live and die together.”

“We died in the hands of Trumen, that’s what we are willing to do, and it has nothing to do with the Dragon Lord.”

“Dragon Lord, why do you feel guilty?”

Gaia Lang said.

The rest of the people also nodded.

“Gaia is right!”

“I’m waiting, I’m all willing to follow the dragon master.”

“Whether life or death is our personal choice, it has nothing to do with others!”

.....

“right!”

“Now that the Dragon Lord is back, I’ll wait, willing to fight!”

“Go to Truman again!”

“One day, with the sword in hand, I will kill the Chumen dog in the world!”

Countless dragon gods spoke loudly and loudly, like a stone falling to the ground.

Who can believe that the four old men who were still in the twilight just now, after seeing Ye Fan at this moment, they are all like chicken blood, like dead trees in spring, and their fighting spirit is overwhelming!

Ye Fan smiled: “Old man, I can’t even lift the knife now, so please take a rest.”

“The rest, leave it to me.”

When old friends meet again, Ye Fan’s heart is also very moved.

Although, these old guys suffered a bit.

But luckily, they are still alive.

As long as there are people, there is hope for everything.

“Lord Dragon, Miss An Qi is over there.”

At this time, Gaia suddenly interjected.

Ye Fan’s eyebrows trembled involuntarily.

He didn’t answer, but turned around and glanced in the direction of the Jones family.

“Chu... Mr. Chu...”

Bill Jones opened his mouth and politely called out Mr. Chu.

Ye Fan didn't pay attention, his eyes did not stop on the father and son, but fell directly on the unconscious girl.

Ye Fan walked over, but Mike Jones and the others didn't dare to stop him.

Just watching, Ye Fan's hand gently stroked An Qi's pretty face.

“Silly girl, I'm back.”

“This time, Brother Xiaofan will not let anyone who harmed you back then.”

Ye Fan said in a low voice, his face was full of heartache and pity.

It seemed that he felt Ye Fan's voice.

The girl who had been sleeping for more than two years actually had two lines of clear tears flowing down the corner of her eyes at this moment.
