

Chapter 4033

“Hahaha..”

“Don’t make fun of me here.”

“How could you possibly be him?”

“That man, he died a few years ago.”

“Die at the hands of my old sect master!”

“I think this one must be a stand-in that Bill Jones found somewhere else to scare me away!”

“Do you really think that this elder is scared?”

At this time, Tang Xian suddenly burst out laughing.

Until now, he still did not dare to say that person’s name.

He couldn’t even connect to the fact that the person in front of him was Ye Fan.

“Bill Jones, you want to fight me with this trick, it’s too tender.”

“I’ll knock him back to his original form and make you give up completely!”

Tang Xian said angrily, his sinister words echoed across the world.

Afterwards, Tang Xian rushed out in an instant with lightning speed.

Bang bang bang bang!

With a count of palms on his face, he slapped the figure in front of him.

Tang Xian’s move this time was obviously unreserved and extremely fast.

One second ago, it was still dozens of meters away, but the next second, he had already rushed in front of him.

With several palms on his face, he landed firmly on the back of the thin figure.

bang bang bang...

A face roared several times.

Violent palm winds spread out in all directions.

The grass and trees collapsed, and the boulders were shattered by the shock.

When the few black-clothed guardians saw such a scene, their hearts that had been hanging before suddenly relaxed.

“Hahaha...”

“As expected of the Great Elder!”

“You can see the truth at a glance!”

“Sure enough, it’s a fake.”

“Almost got into the Jones family’s way.”

These black-clothed Dharma Protectors breathed a sigh of relief and laughed.

He also believed in his heart that the person in front of him was definitely not that man.

It’s just a little imaginative.

After all, the power of that man has been experienced by everyone present.

Back then, I had broken arms with the old sect master, and Sect Master Tang Yun was defeated by that man.

If the man really returned, it would not be difficult to escape Tang Xian’s palms.

But now, facing Tang Xian’s attack, the other party didn’t even react.

With such a big gap in strength, it is absolutely impossible to be that person!

Tang Xian also sneered: “I can’t even escape with a palm of my hand.”

“How dare you pretend to be that man?”

“Something out of control.”

Tang Xian’s eyes were full of contempt.

Not far away, Gaia and the others shook their heads and hummed, “A bunch of idiots.”

After all, they still don’t know enough about Ye Fan.

Gaia and others have been with Ye Fan for so many years.

I know well that their dragon masters and fighting routines are all beaten first.

This time, it will certainly not be an exception.

In the humming laughter, Gaia looked at Tang Xian: “Tang Laogou, have you ever thought about it, it’s not that our dragon master can’t escape your palm, but because your palm is so weak that our dragon master, Don’t you want to hide at all?”

When Tang Xian heard the words, his expression suddenly changed, and he turned his head and cursed directly, “Fuck off Nima!”

In Tang Xian’s tone, there was a bit of panic.

Maybe it’s because he’s afraid of Gaia, it’s a prophecy.

However, Tang Xian’s scolding just ended.

Suddenly, a golden light exploded.

Several golden light and dragon shadows circled from the feet of the man in front of him, soaring into the sky.

At about the same time, the man's body, which was like a still water in a flat lake, suddenly became powerful.

Great Elder Tang Xian's expression changed drastically!

"Dragon...Dragon Divine Body?"

"You... are you really Chu Tianfan?"

The Great Elder had gone mad and was horrified.

Those Chumen powerhouses also showed panic and disbelief.

"No...impossible?"

"How could you possibly be alive?"

"Are you a human or a ghost?"

All the arrogance just now dissipated, Tang Xian stared at him, retreating in panic, while asking the figure in front.
