

## Chapter 4046

“Three grandpas!”

“Three Uncles!”

...

“What’s wrong with you?”

“Who hurt you like this?”

....

“who are you?”

“Who exactly are you?”

When Ye Fan and the others arrived at the Tang family, most of the Tang family were eating breakfast.

Tang Xian’s body fell to the ground, which shocked the Tang family.

Ye Fan didn’t pay any attention, he turned around and left.

“stop!”

“You shouldn’t be Truman, right?”

“If you don’t make it clear, don’t want to leave!”

The strong men of the Tang family surrounded Ye Fan and the others.

In response, Ye Fan just waved his sleeves, and all these people vomited blood and flew out.

“Ha ha...”

“A group of rats, still want to embarrass our dragon master?”

“If it wasn’t for the fact that my dragon lord put emphasis on sex over friends, your Tang family would have been slaughtered by my dragon lord long ago!”

Others may not know why Ye Fan is open to the Tang family, but Gaia can still vaguely guess something.

After all, Gaia was a witness to the battle of the rainforest that year.

Gaia had already guessed about the relationship between Ye Fan and Tang Yun.

Now, this suspicion is just confirmed.

“Um?”

“Gaia, what’s the matter?”

“Tell me more about it?”

Owen and the other old guys, although not very good.

But they undoubtedly still care about their own dragon masters.

Gaia smiled hehe: “Unspeakable, unspeakable...”

Ye Fan glared at him angrily and turned away.

Before leaving, he also reminded the Tang family: “If you don’t want this old guy to die, treat him as soon as possible.”

After speaking, Ye Fan left with his own vote.

Only the Tang family who were terrified and puzzled were left behind.

“I remember, those people...”

“It’s the remnant of the Dragon Temple!”

At this time, in the Tang family, someone suddenly screamed.

Some of the Tang family participated in the torture of Gaia and others.

“Dragon Lord?”

“The remnants of the Dragon Temple just now called that young man the dragon master.”

“Could it be, he...he is the Lord of the Dragon Temple, Chu Tianfan?”

“But how is this possible?”

“Impossible!”

When this thought came out of the Tang family’s heart, almost all the people present were frightened.

However, they quickly denied it.

“woke up!”

“The third grandpa is awake!”

At this time, someone in the crowd shouted again.

The people of the Tang family quickly surrounded him, only to see the first elder who was seriously injured and comatose, not knowing when he woke up.

After realizing that he was in the Tang family, the first elder immediately shouted in horror: “Quick... quick, communicate... inform the old... old sect master, Chu... Chu Tianfan, come back... come back...”

What? ! !

For a moment, it was like thunder fell.

Everyone in the Tang family was dumbfounded.

There was panic, and in their pupils, they quickly enlarged!

Really... Really Chu Tianfan?

-----

-----

After leaving the Tang family, Ye Fan led Gaia and the others and continued to walk along the mountain road towards the heights.

Until, before a manor, it stopped.

At the door, there is a huge plaque erected there.

It says, Chu Family!

Ye Fan stood at the door and stopped for a long time.

Gaia and others were also rarely silent.

They know that this place in front of them, this home, is the deepest knot in their dragon master's heart.

After a long silence, Ye Fan stepped up.

With one foot, he stepped into the Chu family!

That year, Ye Fan was swept out of the house by the Chu family like a dog.

Now, it's still Ye Fan.

He returned to the Chu family.

This time, he was upright and walked in!

No one can stop him.

"Ha ha ha ha..."

"The Chu family who sees people with dog eyes!"

"I didn't expect it. I, Chu Tianfan, came back again!" Gaia laughed.

Owen next to him slapped Gaia's face: "Dragon Lord is going home, you are such a fart!"

Gaia hehe smiled: "Am I excited for the Dragon Lord?"
