

Chapter 4051

Seeing Ye Fan, Chu Zhengliang looked shocked.

The shriveled eyes widened, and the old body trembled violently.

“you you...”

“you...”

Chu Zhengliang shouted for a long time, but only called out one word of you.

Maybe it was too shocking inside.

Or maybe it was years of pain that made his language function degenerate.

“Third uncle, long time no see.”

“Old nephew, come here and chat with you.”

Ye Fan sat down beside Chu Zhengliang with a jug in hand.

After a few years, he looked at his third uncle again, but Ye Fan realized that the man who was so majestic and burly back then was much older now.

Time is a butcher’s knife.

“You...you...” Chu Zhengliang was still shouting.

Ye Fan advised him to stay calm: “I know, third uncle, what do you want to say?”

“You must want to ask me, why am I still alive? Am I a human or a ghost?”

“Don’t worry, I will tell you today.”

“Yes, your eldest nephew is not dead, he is still alive.”

“Thanks to you, Truman, back then, I cut myself off from the world.”

“You know, who saved me in the end?”

“It’s your big brother.”

“He took me and saved my life.”

“Now, my wounds are healed, so I’ll come back to you.”

Ye Fan said with a smile, and first he talked about the past in a normal way.

Hearing Ye Fan’s words, Chu Zhengliang was undoubtedly shocked again.

Obviously, he did not expect that his eldest brother, Chu Zhenhong, was still alive.

“Third uncle, in fact, we don’t have much hatred.”

“When I went to Truman, I didn’t have any other requirements, I just wanted an apology and justice.”

“But you guys, don’t even give me this justice.”

“What else can I do?”

“Just hit.”

“I just called you to apologize to me.”

“After all, after all, everyone is relatives, your brother is my father, everyone’s blood is thicker than water.”

“But Third Uncle, you should never, never, never treat An Qi like that.”

Ye Fan’s expression suddenly sank, he took a sip of wine and continued.

“A girl as small as An Qi, you are so cruel.”

“Aren’t you guilty?”

“If you didn’t harm An Qi back then, why would I seal you up on Mount Chumen and suffer?”

Ye Fan shook his head and smiled.

“Back then, did you think that old Chu Yuan would save you?”

“It’s just that you think too much.”

“The technique of sealing is recorded in the Yundao Heavenly Book. This is the magic technique of the gods.”

“No matter how strong Chu Yuan is, he is no more than a mortal. How could he possibly solve this sealing technique?”

“Anyway, even I can’t understand this sealing technique right now.”

.....

On the top of Chumen Mountain, the cold wind is bleak.

Ye Fan sat there and chatted with Chu Zhengliang for a long time.

Just like a general who conquered a foreign country, he is looking for his old rival to tell the war of the past.

After a long time, the wine was finished.

Ye Fan also got up and was about to leave.

“Stop talking, I’m going to go to the forbidden area of the Chu family to have a look.”

“That old man Chu Yuan has been in seclusion in the forbidden area for so many years, and he entered the realm of gods after leaving.”

“I don’t know what’s in the forbidden area.”

“Third uncle, I’m leaving.”

“Don’t worry, nephew won’t leave you alone for too long.”

“Soon, I will also send my cousin to reunite with your father and son.”

“If you took An Qi’s things, you have to find him to come back.”

Ye Fan smiled lightly.

Finally, Chu Zhengliang, who had been silent all the time, let out a wanton and resentful laugh when he heard about his son.

“Chu Tianfan, if you want to touch my son, you are dreaming!!!”

“My son has merged with the blue-eyed golden flower, and he is no longer what he used to be.”

“You who have died once cannot be my son’s opponent.”

“I advise you to run away as soon as possible.”

“Otherwise, you will die more painfully than me, and even uglier than me!
