

## The One and The Only Chapter 41 - 50

hospital, the doctor and nurse just bandaged the wound on Cao Jianbin's head. Song Haoming, Ge Meili and his wife, as well as Cao Jianbin's men, stood on one side in fear.

Cao Jianbin has been in Mannity for so many years and has never suffered such a big loss tonight.

He was blasted with a wine bottle by an unemployed man, and he was ashamed to see people when it was spread.

At this moment, a man in an Armani suit came with a few of his men, Zhang Xiaojun, the young owner of the Junan Hotel.

It turned out that after Zhang Xiaojun knew that Boss Cao was in his hotel and had his head

blown, he immediately panicked and hurriedly came to condolences, for fear that Boss Cao

would anger them at the Junan Hotel.

Cao Jianbin was angry on his head right now. When he saw Zhang Xiaojun, he immediately

said angrily: "Mr. Zhang, I was blown to the head in your hotel. What do you think of this matter?"

Zhang Xiaojun was busy: "Boss Cao calmed down. , Yash Nics, the beater, I have already investigated it for you."

"This guy named Yash Nics is indeed a poor soldier. However, it is said that he has rescued

Dong Tianbao before, and Dong Tianbao treats him very politely now, calling him For the

young master, Dong Tianbao came forward to solve his troubles several times."

"I guess it must be that he asked Dong Tianbao to spend money to invite Mr. Xiao and

Bureau Zhao to escort him."

After hearing Zhang Xiaojun's words, Cao Jianbin frowned slightly: "Dong. Tianbao?"

Song Haoming and his wife immediately said: "Yes, yes, Yash Nics has no abilities. It has

something to do with Dong Tianbao, the underground overlord of Dongcheng District.

Tonight, it must be Dong Tianbao who invited Xiao Lao to help with Zhao Ju."

Cao Jianbin's eyes burned with rage: "Hehe, I think this kid surnamed Chen, how big a

person is behind it, it turns out that it is Dong Tianbao's power.”  
Song Haoming deliberately said: “Boss Cao, although Dong Tianbao is A character who has only emerged in the underground circle of China in the past two years, but this guy is cruel and hard to provoke!”  
Ge Meili also deliberately said: “Yes, our third uncle was beaten by Dong Tianbao's men while strolling through Yunyun Western Restaurant. Dong Tianbao is not easy to mess with, or boss Cao, forget it, don't worry about them. ”  
Cao Jianbin coldly snorted: “Hehe, Dong Tianbao is something that deserves to be taken up in front of me. This time I have to abolish Yash Nics. If Dong Tianbao is wise and doesn't intervene. If he dares to intervene, I will Don't mind even killing him.” Zhang Xiaojun said: “This time Boss Cao was beaten in my hotel. I can't blame it for this incident. If Boss Cao can prevent Dong Tianbao from intervening in this matter, then clean up Yash Nics. You can leave it to me to take revenge on Boss Cao.” Cao Jianbin said with satisfaction: “Very well, I will find a big figure in the underground circle of China Overseas and tell Dong Tianbao not to look for trouble. As for Yash Nics, leave it to me. Mr. Zhang, you can handle it. I hope you can give me a satisfactory result.”  
Zhang Xiaojun laughed and said, “Boss Cao, don't worry, I will make Yash Nics look good and give you a satisfactory explanation.”  
Cao Jianbin Happily said: “Very good, you have done this, I consider increasing business cooperation with your Zhang family .” Zhang Xiaojun heard this and said with surprise: “Ah, then I would like to thank Boss Cao first.”  
.....

Yash Nics and Song Pingting drove home. On the way, Song Pingting couldn't help asking:  
“Yash Nics, what's the matter with Zhao Ju and Xiao Lao?”  
Yash Nics smiled and said, “I saw the wife of Cao. Being arrogant, I sent a message asking people to bring a real Manluo Kandi over and beat him in the face.”

Song Pingting guessed that Yash Nics should have been asked Dong Tianbao to help, and said with a wry smile: "You did this. Yeah, although I beat Cao Jianbin. But the picture is very happy for a while, but it completely offends Cao Jianbin. From now on, our family's life in Mannity will be sad."

Yash Nics disapproved and said: "Cao Jianbin, I haven't taken it seriously. Song Pingting sighed and said, "Cao Jianbin is worth tens of billions. He eats both black and white in Mannity. He has a very wide network of contacts. Not to mention, if he puts a word in the rich circle, other rich people will definitely give him face, no Will invest in our Ningda Company. Our Ningda Company will not want to get any investment."

Yash Nics said with a light smile: "Don't worry, China's shipping society has no turn for him. Cao Jianbin has the final say. Within three days, I guarantee. There must be countless consortia who have come to beg to invest in our company."

Song Pingting felt that Yash Nics did not realize the seriousness of offending Cao Jianbin. She wanted Yash Nics to stop daydreaming. But in the end, he couldn't bear to blame his husband, so he could only sigh secretly, thinking that it was impossible to consider borrowing from the bank. If you can't even get a loan, you can only bow your head and ask for help from the Song family. Although the Song family expelled her family from the family, it is estimated that they must have originally intended to invest in the interest of the project. It's just that according to the personality of the grandfather and uncle, the tiger is bound to open his mouth and put forward all kinds of harsh conditions and requirements.

#### The One and The Only Chapter 42

Early the next morning, Yash Nics went out with Song Pingting and drove his daughter Song Qingqing to kindergarten. Yash Nics and Song Pingting parked their car on the side of the road in front of the kindergarten. They personally sent their daughter to the campus, chatted with the teacher for a while, and learned about their daughter's recent situation on campus. Then, the two came out of the kindergarten, only to find that the BMW M760Li xDrive they had parked on the side of the road had been smashed.

The rearview mirror, headlights, car windows and windshield were all shattered, and the glass was scattered all over the floor.

There are many pedestrians around, watching and talking.

Yash Nics's face sank when he saw this scene.

Song Pingting was frightened and anxiously said: "What's going on? Who smashed our car like this."

At this moment, Song Pingting's cell phone rang, it was an unfamiliar phone number. She frowned and connected the phone: "Hello?"

A man's voice came from the phone: "Hehe, Miss Song, right? I think you and your husband

have seen your smashed car.

Right?" Song Pingting exclaimed, "You did it!"

The man on the phone sneered, "Hehe, I didn't admit that I did it."

Yash Nics reached out and took the phone and asked coldly. "Who are you?"

The man on the phone heard Yash Nics's voice and said, "You are Yash Nics? I am not afraid

to tell you that I am Zhang Xiaojun, the general manager of Junan Hotel."

"Smashing your car is for You have a little appetizer, you'd better kowtow to Boss Cao and

apologize within a day. Otherwise, next time I will not be as simple as smashing the car."

Yash Nics said indifferently: "It doesn't take a day, I will give you a long Time comes to kneel

down in front of me to apologize, otherwise your Junan Hotel will just wait to close."

Zhang Xiaojun seemed to hear Tianda's joke: "Haha, let my hotel close for a long time, what

are you bragging about..." Before

he could finish his words, Yash Nics hung up the phone.

Then, Yash Nics called Li Jianmin, the manager of the BMW 4S store, and ordered him to

drive a brand new BMW M760Li xDrive again.

As for the procedures for buying a new car, as well as the smashed car, all were handed

over to Li Jianmin.

The last time Li Jianmin got the BMW 5 Series from Yash Nics, she was happy for a long

time.

But I didn't expect Yash Nics to give her the smashed BMW M760Li xDrive today. She was

really ecstatic and thanked again and again.

Yash Nics and Song Pingting drove away in the new car sent by Li Jianmin.

Soon, Song Pingting and Yash Nics came to the door of a bank.

It turned out that Song Pingting had no avail to invest in some consortium bosses a few days ago.

She contacted Guo Dahai, director of China Overseas Bank, and agreed to meet at the bank

today to discuss loan matters.

Yash Nics and Song Pingting walked into the Bank of China. Xu Li, the lobby manager in a

suit and skirt, greeted him and smiled and asked if I could help?

Song Pingting immediately said: "Hello, this is Song Pingting. I have arranged to meet with

Director Guo of your bank today to discuss loan matters."

Xu Li heard Song Pingting's words and suddenly said: "Oh, you It's Mr. Song. Our director

has already greeted us in advance, saying that you will take you to see him immediately

when you come, please here."

Song Pingting smiled and said, "You have work!"

Soon, Xu Li took it with him. Yash Nics and Song Pingting came to Guo Dahai's independent

office.

Guo Dahai is in his fifties and has a big belly. He is holding a small watering can and is watering a pot of fortune tree facing his office window.

When he saw Song Pingting, he grinned and said: "Ha, Mr. Song, you are here."

Song Pingting smiled: "Director Guo, I'm here to talk to you about the loan from our Ningda

Company."

Guo Dahai He glanced at Song Pingting's slender figure and said with a smile: "It's easy to

say, Xu Li, you go out first, here is nothing for you. Also, Mr. Song, your male bodyguard, let

him come. Wait outside!"

Song Pingting said hastily: "Director Guo, I forgot to introduce you. This is not my bodyguard, he is my husband, Yash Nics."

Guo Dahai said coldly with a stern face: "Whether it's your husband or your bodyguard, he

can get out."

"When I talk to clients about cooperation, I don't like people next to

me ." "If Song always doesn't want to talk to me about loans, then you can do it now. Let's

go."

The One and The Only Chapter 43

Song Pingting was worried when she heard the words, so she turned her head and

whispered to Yash Nics, "Husband, why don't you go out first and wait for me outside?"

Yash Nics could not see. Guo Dahai, who looked complacent in the distance, glanced at him,

and said calmly, "Okay!"

Xu Li and Yash Nics came out of Guo Dahai's office. Xu Li closed the door smoothly and told

Yash Nics not to break in. Director Guo hated to follow. Someone interrupted when the

customer talked about cooperation.

After speaking, she turned and left, leaving Yash Nics alone in the corridor.

In the office, Guo Dahai told Song Pingting to sit down.

He squinted and said: "Mr. Song, I have learned about the project of Ningda Company. The

Haitang Shopping Plaza project is a key project in the city, and our local bank should strongly support it."

Song Pingting was beaming with joy. , Hurriedly asked: "Director Guo, the funding gap of our

Ningda Company is relatively large. I don't know how much the bank can give me the loan

line?"

Guo Dahai said with a smirk: "I have the final say in terms of the loan line, as for the specific

amount. It depends on Song

Pingting 's sincerity." Song Pingting was a little stunned when he heard Guo Dahai's words: "

Sincere ?" Guo Dahai coveted and looked at Song Pingting's neckline, and said with a hey

smile: " I just told Mr. Song directly. When I first saw you, I thought you were a superb

stunner."

"Well, this loan. Today you take off a piece of clothing in front of me, which is 10 million. It is

estimated that you All the clothes are taken off, there can be tens of millions of dollars."

He said here, his eyes fixed on Song Pingting's tall figure, and said with a smirk: "If you

promise to have a good time with me, then I will directly How about granting you a loan of

300 million

yuan ?" After listening to Guo Dahai's words, Song Pingting flushed and stood up angrily:

"Sorry, Director Guo, you found the wrong person. I'm not that kind of woman. Goodbye."

After speaking, she turned around and wanted to leave.

Guo Dahai has coveted Song Pingting from the first glance he saw Song Pingting. Seeing Song Pingting was leaving now, he was anxious to catch up and pull Song Pingting's

hand: "Wait!"

Before he could reach Song Pingting's hand, the office door was slammed. Kicked away.

The huge movement shocked him, and was stunned on the spot.

Yash Nics stood at the door with a gloomy expression.

When Guo Dahai saw Yash Nics, he immediately came back to his senses and yelled, "Who

let you kick in? Are you tired of living? Security guard, security

guard——" Guo Dahai did not cry, Yash Nics was already a few steps forward, he slapped

his face severely with a slap.

Snap!

Blood mixed with broken teeth spouted from Guo Dahai's mouth, his bloated body rotated

twice like a big windmill, and then slanted one head and knocked down.

"It's the other way around, you kid is

looking for death, but I'm a master who has practiced iron palms for 30 years..." Guo Dahai

forcibly struggled from the ground, rolled up his sleeves, and was about to fight Yash Nics.

But he had just taken a posture, Yash Nics had already taken a kick and hit him in the chest.

In an instant, his cumbersome body flew out like a cannonball, knocked over his desk and

fell to the ground, unable to get up for a long time.

Outside bank security and staff members rushed to hear the movement.

President Liao Xuewen saw Yash Nics and Song Pingting injured Guo Dahai, and was shocked and angry. He ordered the security guards on the scene: "Quickly, catch them both."

At the

scene, more than a dozen security guards pulled out the electric batons. He embraced Yash

Nics.

Yash Nics raised the mobile phone in his hand: "Let's let your president come and listen to

the phone!"

The One and The Only Chapter 44

Upon hearing Yash Nics's words, the lobby manager Xu Li yelled: "What phone, you want to

lie to our president, you take the opportunity to hold our president as a hostage?"

Can Liao Xuewen see When I arrived at the phone number on the screen of Yash Nics's

mobile phone, his face was ashamed.  
Because he could recognize that this cell phone number is the cell phone number of the top leader in China Shipping!  
Liao Xuewen said angrily at Xu Li: "Shut up!"  
After speaking, he walked quickly to Yash Nics in the shocked eyes of Xu Li and other bank employees and security guards.  
He took Yash Nics's mobile phone tremblingly, put it to his ear, and gave a cautious feed.  
Everyone was dumbfounded, and they said that President Liao was holding the phone and nodding continuously, and said, "Yes, yes, the younger one knows. Well, I will definitely apologize to Mr. Yash. Yes, I will take care of it."

President Liao returned the phone to Yash Nics after the phone call, and apologized in panic: "Mr. Yash, you have already told me that you must handle it properly to protect your interests. Tell me what happened, and I will help you. Investigate to the end."  
Yash Nics pointed to Guo Dahai who was unconscious not far away, and said coldly: "This old thing wants to bully my wife, what do you say to deal with this matter?"  
Governor Liao said hurriedly, "Mr. Yash, you Don't worry, I will deal with this matter seriously and give you a satisfactory explanation."  
... At  
China Overseas Bank, President Liao brought a group of bank executives and kept apologizing to Yash Nics.  
At this time, Zhang Xiaojun's Jun'an Hotel also changed.  
First, a team of people from the fire department came to conduct a surprise inspection of the fire-fighting equipment of the Junan Hotel. Finally, the Jun'an Hotel was informed that the fire-fighting equipment did not pass, and there was a safety risk.  
Then, a team of people from the health department came to conduct a surprise inspection of the food hygiene of the Junan Hotel, and finally found that a large number of food hygiene inspections were unqualified.  
Finally, the two departments jointly enforced the law and sealed up the Jun'an Hotel on the spot, immediately suspending business, and rectifying without a time limit.  
Zhang Xiaojun was at home and was stunned to learn about this.  
Before he recovered, his father Zhang Debang returned angrily, and shouted at him as soon

as he entered the door: "You little beast did a good thing, you closed the Junan Hotel."

Zhang Xiaojun hurriedly closed the door. Explained: "Dad, it's not my business, it's joint law enforcement..."

Pop!

Before Zhang Xiaojun had finished speaking, he received a severe slap on the face. Zhang Debang pointed to his son's nose in a rage and shouted: "I dare to quibble with me. I

have already contacted the person in charge of the joint law enforcement team in private.

He said that you have offended someone who shouldn't be offended, and the other party

said you don't immediately. Kneel down and apologize. Our Junan Hotel will be sealed up forever."

"You little beast, who did you offend?"

Zhang Xiaojun suddenly remembered Yash Niclai, and Yash Nics said that he should come

and kneel down to apologize, otherwise If you do, you will have to close the Junan Hotel.

At that time, he only regarded Yash Nics as bragging, but now, he finally realized the seriousness.

Zhang Xiaojun's face was pale and his lips trembled and said, "Dad, I offended a guy named

Yash Nics. He said he wanted me to go to the door and kneel and apologize, otherwise it

would close our hotel."

Zhang Debang was surprised and angry, and cursed: "You little beast, get into trouble

everywhere. Hurry, hurry up and kneel down to apologize to Yash Nics. Otherwise, our house

will be completely ruined."

The One and The Only Chapter 45

Yash Nics and Song Pingting left China Overseas Bank and returned to Ningda Company

during the greeting from President Liao and others.

When he came to Song Pingting's general manager's office, Song Pingting couldn't help it

anymore and asked, "Yash Nics, who did you call? Why did President Liao turn pale after

hearing the call? "

The phone number that Yash Nics made was from the City Zun. Of course, Liao Xuewen

was shocked when he received the call from the City Zun.

What's more, Shi Zun's tone was unprecedented, and he asked Liao Xuewen to deal with it

seriously and protect Yash Nics's interests, otherwise he would not need to be the president.

Yash Nics smiled and said at this time: "Well, I still called my old leader, and he helped me fix it."

Song Pingting showed an expression like this, and she softly persuaded: "Yash Nics, you

The veteran leader who came to China Shipping to lead the military exercise this time, he

estimated that he will leave China Shipping soon. You can't always live under his protection,

and your impulsive personality has to change."

Yash Nics smiled: "Okay, I will try my best!"

Song Pingting couldn't help rolling her eyes when she heard this, and seeing Yash Nics's

attitude, it might be difficult to get rid of her impulsive temper.

At this moment, Song Pingting's female assistant Lin Xiaoke knocked on the door and came

in and reported: "Mr. Song, there is a man who claims to be the director of China Overseas

Bank. He said he was here to apologize to Mr. Song."

It turned out, Guo Dahai woke up from a coma and was immediately cursed by his superior

Liao Xuewen.

Guo Dahai quickly figured out that he had offended a big man who could not be offended.

If he can't get the forgiveness of Yash Nics and Song Pingting, then not only will he fail to

report his position, even Liao Xuewen will probably be unlucky.

After Guo Dahai knew the seriousness of the matter, he panicked. He treated the wound

casually, and then rushed to Ningda Company to find Yash Nics and Song Pingting to apologize.

Song Pingting was a little surprised when she heard that Guo Dahai came to the door to

apologize. She glanced at Yash Nics, and then said to the secretary: "Let him in."

Soon, her face was swollen like a pig's head, and her teeth were still missing. Guo Dahai,

who was leaky, appeared in Song Pingting's office with a look of trepidation.

When Song Pingting saw this guy, naturally she didn't have a good face. She pulled her

pretty face and said coldly, "Director Guo, what are you doing?"  
Guo Dahai looked at Song Pingting, who was full of sullen expression, and calmly beside her. Yash Nics, who was reading the newspaper, squeezed a smile and said embarrassedly:  
"Mr. Yash, Miss Song, I'm here..." Before he could finish his words, Secretary Lin Xiaoke knocked on the door again and reported: "  
Mr. Song, there is another man outside. He claims to be Zhang Xiaojun, the young boss of Junan Hotel. He seems to be very anxious to see you. Do you want to see him?"  
Song Pingting was surprised again and thought: Hey, he is coming. For what? Yash Nics put down the newspaper in his hand and sneered: "He came just right, let him in."  
Lin Xiaoke: "Yes!" After a while, Zhang Xiaojun, who was dressed in a white Armani suit and dressed with oily face, was caught by Lin Xiao. Can be brought in.  
After Lin Xiaoke brought in Zhang Xiaojun, she retreated and closed the door easily. Zhang Xiaojun came here naturally to beg for mercy.  
But he didn't expect that there were other people in the office. He awkwardly glanced at Guo Dahai beside him, thinking: Who is this old man with a swollen nose and swollen face? What are you doing here? I am embarrassed to talk to Mr. Yash and Song. Miss apologized. At the moment, Guo Dahai looked at Zhang Xiaojun, an uninvited guest, with a puzzled look, and felt depressed: Who is this little damn fucking mother? Didn't you see that I was busy with Mr. Yash and Ms. Song. You are here, why am I embarrassed to beg for mercy from Mr. Yash and Ms. Song?  
The One and The Only Chapter 46

Yash Nics saw these two guys in front of him, and the anger in his heart came up. He slapped the table top and shouted: "Kneel down!"  
Plop!  
thump!  
Zhang Xiaojun and Guo Dahai were both shocked when they heard Yash Nics's words. They both knelt down at the same time.  
Song Pingting opened her mouth slightly, her beautiful eyes filled with shock. The young owner of the Junan Hotel, the director of China Overseas Bank. In her cognition, both of them are personalities in Zhonghai.  
Yash Nics was so frightened that he knelt in front of Yash Nics.

After Zhang Xiaojun and Guo Dahai fell to their knees in fright, they both peeked at each other in wonder at the same time they were embarrassed. After Zhang Xiaojun knelt down, he originally felt extremely ashamed, but he was surprised that the old man with a swollen nose and swollen face beside him also knelt down. He blinked his eyes and muttered in his heart: Hey, Mr. Yash asked me to kneel down, why are you old things kneeling too. Is there anything like kneeling to join in the fun? At this time, Guo Dahai looked at Zhang Xiaojun in wonder, and thought: Mr. Yash asked me to kneel, what kind of enthusiasm is you crippled with? Hehe, you little thing is quite loyal. Although both Zhang Xiaojun and Guo Dahai were surprised that the other party also knelt down for Mao, since kneeling is accompanied by someone, it is naturally the best. Everyone knelt down, and don't spread it out, or they would be embarrassed together. Yash Nics looked at the two before him and said indifferently: "Is it wrong?"

"Yes!"

"Yes!"

Zhang Xiaojun and Guo Dahai replied almost in unison. After the two answered, they looked at each other again.

As if being asked by the teacher, the pupils who were struggling to answer the question, saw a trace of hostility among each other.

Yash Nics asked coldly: "Where is the mistake?"

Huh!

As soon as Yash Nics's voice fell, Zhang Xiaojun already raised his hand high, asking for an answer!

Guo Dahai actually wanted to raise his hand, but he didn't expect Zhang Xiaojun to take the lead.

Yash Nics pointed to Zhang Xiaojun: "You speak first!"

Zhang Xiaojun took a triumphant glance at Guo Dahai, and then said to Yash Nics with a smile, "Mr. Yash, I don't know Taishan Taishan, so I shouldn't interfere with you and Cao

Jianbin. You shouldn't threaten you by smashing your car."

Guo Dahai opened his eyes wide and looked at Zhang Xiaojun like a dead person, thinking: I

just molested Madam Yash with a few words, so I was beaten like this. You guy dared to

smash Mr. Yash's car and threatened Mr. Yash to die!  
Zhang Xiaojun begged humbly at this moment: "Mr. Yash, I really know that I was wrong.  
Please forgive me, I will never dare to do it again."  
Yash Nics said coldly, "You smashed it." My car, how does this count?"  
Zhang Xiaojun hurriedly said: "No, I have ordered a Rolls Royce, and I will deliver it to Mr.  
Yash's house in person soon."

Damn a BMW and lose a Rolls Les, the sincerity is good.  
Seeing that Zhang Xiaojun was so sincere, Guo Dahai immediately said: "Mr. Yash, Miss  
Song, Lao Guo, too, I know that I was wrong. I shouldn't have said rudely to Miss Song, let  
alone want to eat swan meat. I was wrong. Please Mr. Yash forgive me a dog's life."  
Guo Dahai said as he raised his hand, pulling his big mouth vigorously, making snapping  
noises.  
Zhang Xiaojun looked at Guo Dahai in shock, thinking that this old guy is pretty cruel!  
Guo Dahai had a swollen nose and swollen nose. He slapped himself and started very hard.  
He slapped the corners of his mouth with bleeding.  
But Yash Nics didn't say to stop, but he didn't dare to stop, and continued to pump hard.  
Song Pingting is really kind-hearted, and she can't do things that are unreasonable and  
unforgiving.  
Seeing Zhang Xiaojun and Guo Dahai kneel down and apologize, and apologize for mercy,  
she turned her head and whispered to Yash Nics, "Or, don't you bother with them?"  
The One and The Only Chapter 47  
Yash Nics smiled and said: "Listen to your wife."  
Song Pingting's face was a little red, but her heart was a little sweet.  
Although Yash Nics was impulsive and irritable, she could hear her words.  
Yash Nics coldly said to Zhang Xiaojun and Guo Dahai: "I will forgive you once this time. If  
there is another time, I will never forgive it."  
Zhang Xiaojun and Guo Dahai were both amnesty and thanked again and again. I slipped  
unbearably.

After Zhang Xiaojun and Guo Dahai left, Song Pingting fell into sorrow again.  
Ningda's funding problem has not yet been resolved. How can this be done?  
Yash Nics smiled comfortingly and said: "The ship arrives at the bridge head naturally. Don't

worry about the funds. I said that someone will come to us for investment.”  
Song Pingting gave Yash Nics a blank look and said with a wry smile: “You It’s a good idea.  
We offend Cao Jianbin now. Many consortium bosses gave him the face, and they would definitely not invest in our company. This time they looked for a bank loan and failed. Alas, if we can’t get investment anymore, our company will have to run. There is a problem.”  
At this moment, the landline on the desk suddenly rang, and Song Pingting picked up the phone: “Hello?” From the phone came the front desk clerk’s voice: “Ms. Song, there is a person named Song Zhongxiong. People, he said he wanted to see you.”  
Song Pingting was a little surprised when she heard that her uncle Song Zhongxiong was here, but when she thought of her family being expelled from the family, her pretty face sank and said coldly, “No. ”  
After speaking, she wanted to hang up.  
But the front desk clerk suddenly said: “This Mr. Song, he asked me to tell you that he is going to invest in our company’s project. Ask Mr. Song if you are interested in talking about it?”  
Uncle Song is here to invest!  
Song Pingting suddenly hesitated. From the emotional point of view, she had no affection for the Song family, and it could even be said to be disgusting. But as a company leader, she needs to control her personal feelings. In business, you should not harm the company’s interests because of your personal feelings.

She hesitated for two seconds, and finally said: “Okay, take them up to my office!”  
Not long after, the front desk clerk brought in Song Zhongxiong, Song Haoming, Ge Meili and others.  
When Song Zhongxiong came, he had heard that Yash Nics and Song Pingting had offended Cao Jianbin, and the investment was hitting a wall everywhere. He even heard that Yash Nics and Song Pingting did not succeed in applying for a loan at China Overseas Bank. They fought with Director Guo and were finally “ejected” from the bank.

Song Zhongxiong heard these half-true rumors and did not verify the authenticity, so he preliminarily determined that Song Pingting could not attract investment everywhere and could not obtain loans from the bank. He guessed that Song Pingting was exhausted at this time, so he came over to discuss investment matters with Song Pingting. He believed that Song Pingting could not refuse his offer. At this time, wearing a black suit, tall and tall, with white temples, and a pair of eagle eyes, Song Zhongxiong walked into Song Pingting's office with a group of men. He looked around for a while, his eyes finally fell on Yash Nics and Song Pingting, and said with a smile, "Xiaoting, your new company's office is good!" Song Pingting said with a frosty face and a cold tone: "What are you doing here?" Song Zhongxiong pulled a chair away and sat down carelessly. Song Haoming, Ge Meili and several bodyguards stood behind him, standing with their hands down. He smiled and said: "When I came to your company, of course I was discussing business with you. As far as I know, your Ningda company has a funding gap. Are you looking for investment everywhere?"

#### The One and The Only Chapter 48

Song Pingting frowned: "You really intend to invest?"  
Song Zhongxiong smiled: "Of course, otherwise what do you think we are here for?"  
Song Pingting was dubious: "You think How much money to invest and what are the conditions?"  
Song Zhongxiong laughed and said, "I like to talk about cooperation with people like Xiaoting, who is straightforward, because there is no waste of time at all."  
"I have investigated your company. , Your company wants to complete the Haitang Shopping Plaza project, there are advances and expenses. It is estimated that your company needs at least 500 million yuan."  
"Five hundred million, for our Song family, it can still be taken out by grit."  
Song Ping Ting looked at Song Zhongxiong in shock: "You want to invest five hundred million?"  
Song Zhongxiong smiled and said: "Yes!"  
Song Pingting's current funding gap is indeed five hundred million. Song Zhongxiong invested in Song Pingting as he intended. In short, it is undoubtedly a help in the snow.  
But she knew well that the Song family would not be so kind-hearted.

She looked at Song Zhongxiong, and asked slowly: "Mr. Song is really big, but let's talk about your investment conditions first. I'm afraid you can't accept the conditions you offer."

Song Zhongxiong smiled and said: "Xiaoting, you are sure enough, he is a smart person. My request is very simple. I want to project 90% of the profits. All your company's finances must be replaced by mine."

Song Pingting opened her eyes wide when she heard this, and said in anger: "You are no longer a lion's open mouth. You are simply eating people without spitting out bones."

Song Zhongxiong calmly said: "Isn't it still leaving you with 10% of the profit?"

Song Haoming also said with a sneer now: "Song Pingting, you are now don't you know

what the situation is? Without our investment, don't say you can't do this project, even your company will go bankrupt."

Ge Meili also mocked: "That's right, we are helping you, you don't know what is good or bad."

Song Pingting was choked by the words of the Song family.

She herself has to admit that now the company's funds have indeed reached a very serious point.

Especially this project needs to be advanced in many places, and this project cannot go on without the money.

This project is still a key project in the city. If the progress of the project is delayed or the

project is messed up, then it will be overwhelming.

However, the Song family's conditions were too harsh, and they had to take 90% of the profits.

If she agrees to the Song family's terms, then Ningda Company has worked so hard, and in

the end it hasn't got anything, and it will become a free labor for the Song family.

She took a deep breath and said, "Mr. Song, your requirements are too demanding. You have

to take 90% of the profit. I can't accept it. If you invest 500 million, my bottom line is that you

can give you 60%. The project profit."

Song Zhongxiong hooked his finger to a subordinate behind him. The subordinate immediately took out a document contract from his briefcase and handed it to him.

Song Zhongxiong threw the contract on the ground in front of Yash Nics and Song Pingting like alms to a beggar, and said in time: "If you sign the contract now, I can still leave you 10%

of the profit. If you don't want to sign it today. If so, I will only give you half of the profit tomorrow."

"You have tried to find the boss of the consortium to invest, and you have also tried to find a bank loan. No one originally intended to invest in you."

"The entire Mannity, I am willing to take Five hundred million will be saved to save you. Now is your chance, whether you want to seize the opportunity or not, you decide."

The One and The Only Chapter 49

Song Pingting looked at the contract on the ground, her face was pale, she bit her lip tightly, and the heavens were at war in her heart.

If you do not sign, the project will be paralyzed due to insufficient funds, and Ningda may also go bankrupt.

If signed, the advantage is that Ningda Company can survive and complete the Haitang Shopping Plaza project.

The disadvantage is that the Song family took away most of the profits and made wedding dresses for others.

Just when Song Pingting was unable to make a choice, Yash Nics beside her suddenly said

lazily: "Hehe, you guys are really dogs, and you want to take advantage of others. Wife, don't agree to their terms. "

Song Pingting looked at Yash Nics and couldn't help but whispered: "But if we don't agree, we have a funding gap..."

Yash Nics smiled faintly: "Forgot what I told you? Our project is For a good project, you are also a very capable person. There will definitely be many bosses who originally intended to invest in us, so you can rest assured."

Song Zhongxiong and the group of people, just saw Song Pingting almost bowed their heads.

Unexpectedly, Yash Nics would persuade Song Pingting not to sign a contract.

Their expressions became angry, and Song Zhongxiong threatened Li Neilun and said: "Song Pingting, you have to think about it. If you reject my terms now. Then you can't get

investment in the future, and you have nowhere to find me. It's not the conditions now. You

won't even have 10% of the profit by then!"

Song Zhongxiong's voice just fell, and a man's voice suddenly came from behind:

"You don't

have to threaten Miss Song, Miss Song doesn't lack your investment. ."

In the shocked eyes of Song Pingting and Song Zhongxiong, a group of people filed in.

It was not someone else who was speaking, but the president of China Overseas Bank, Liao

Xuewen.

There were also a few extraordinary men who followed, middle-aged and old, all dressed

well, all of the style of billionaires.

This group includes the owner of Junan Hotel, Zhang Debang; the owner of Huaxun

Investment Group, Liang Huaqiang; and the chairman of Hengchang Real Estate Group, Qin

Yue.

After this group of consortium bosses appeared, they came over with respectful faces to

greet Yash Nics and Song Pingting.

Song Pingting hurriedly greeted the bosses, a little flattered.

Yash Nics still had a calm face, and when faced with the affectionate greetings from Liao

Xuewen and others, he gave a faint hum, appearing a little arrogant.

However, Liao Xuewen and others didn't think much of Yash Nics's arrogance, and even their

attitude towards Yash Nics was almost flattering.

Song Zhongxiong didn't expect so many bosses to come all of a sudden, he and his son,

daughter-in-law and others were all shocked.

At this moment, he couldn't help it anymore and asked

eagerly : "President Liao, what do you mean by what you said when you entered the door?"

Liao Xuewen glanced at Song Zhongxiong, and said coldly, "I said you don't need to threaten

Miss Song. Yes, Miss Song's five hundred million fund shortfalls, we, China Overseas Bank,

have fully loaned to her, and they are interest-free. "

What? !

Not only Song Zhongxiong's family was dumbfounded, but Song Pingting was also stunned.

However, when Zhang Debang, Liang Huaqiang, and Qin Yue heard Liao Xuewen's words, they were immediately unhappy. Everyone screamed, and Zhang Debang said dissatisfied: "President Liao, what do you mean by this? Our Zhang family originally intended to unconditionally invest 200 million in Ms. Song." Liang Huaqiang said anxiously: "I, Hua Xun Group, also intended to invest in Ms. Song. Three hundred million, don't get any remuneration." Qin Yue, who is in his seventies, also scrambled to shout: "I, Hengchang Real Estate Group, also originally intended to invest Ms. Song's 500 million. Don't pay a penny." The One and The Only Chapter 50 Song Zhongxiong's family and Song Pingting were all stunned by the bosses who were vying for investment. I have only seen people rushing to buy vegetables in the vegetable market, but I have never seen anyone rushing to invest. And still no interest, no profit investment. Song Zhongxiong has been working hard in the mall for decades. This is the first time he has seen this kind of scene. He is about to vomit blood.

Yash Nics saw that Song Pingting was shocked by the enthusiasm of these guys. He coughed calmly and said coldly: "What are you fighting for, one by one. Everyone can only invest 100 million. Don't get too much. . And you can't invest for free. You have to collect the profits you receive." Liao Xuewen and others nodded again and again: "Yes, yes, what Mr. Yash said is, just follow Mr. Yash's words, everyone lined up to invest. " Song Pingting looked at the group of bosses who were lining up to invest in front of her, feeling like she was dreaming. Song Zhongxiong's blood pressure soared and he almost passed out of anger. A group of consortium bosses lined up, vying to invest in the project of Ningda Company, Song Pingting recovered from the shock. She forcibly calmed her mood and accepted the investment of the heads of the various consortiums one by one. Everyone can only invest 100 million, and 700 million has already been invested in an

instant, and the project funding problem is completely resolved in an instant. Song Zhongxiong's family looked very ugly. He wanted to take advantage of people's dangers and demand prices, and take advantage of the opportunity to snatch Song Pingting's project. But I didn't expect that so many consortium bosses were scrambling to invest in Song Pingting's project. The harsh conditions he had just opened made him a joke now. Song Zhongxiong didn't have the face to stay here anymore, and left with his family members dingy. After Liao Xuewen and others signed the investment contract, they did not dare to stay longer, so they declined Song Pingting's dinner and left with Yash Nics witty. As soon as Liao Xuewen and others left, the chief financial officer Huang Youcai came in.

He was full of surprise and said to Song Pingting: "Mr. Song, the CEOs of the consortium who promised to invest are very agile. They have just signed the contract and the investment money is immediately transferred to our company's account. Our company no longer needs to do anything. I'm worried about funds." Song Pingting felt like she was dreaming at this time, and she couldn't believe that the problem she had been worrying about for many days was solved so easily. She smiled and said to Huang Youcai: "The funding problem is no longer a problem. Everyone must work hard to do a good job in the project and not let down everyone's expectations." Huang Youcai said yes with excitement, and then retired. Only Song Pingting and Yash Nics were left in the office. Song Pingting turned to look at Yash Nics, staring at Yash Nics and looking up and down. Yash Nics was uncomfortable looking at Song Pingting's monster eyes. He smiled and said, "What's wrong?" Song Pingting snorted, "Yash Nics, you are not going to explain to me, how is this going? What?" Yash Nics said with a smile: "You mean these consortium bosses came to ask for investment?" Song Pingting gave Yash Nics a big wink: "Otherwise?" Yash Nics said with a light smile: "Very Simple, I visited several heads of the consortium two

days ago and told them in detail about the benefits of our project. After listening to them, they were very interested, and after careful consideration, they invested in one after another.”

“Of course, President Liao and Huang Debang Two are investors that I did not expect.”

After listening to Yash Nics’s words, Song Pingting was skeptical. She suspiciously said, “It’s impossible for you to convince them. I have visited them before, but they are all. There is no willingness to invest.”

Yash Nics smiled and said: “That is because you didn’t talk about their heart.”
