"Yet it has nothing to do with me," Yvonne stated listlessly.

" Ahem ... I acquired the firm when you returned to Container Region, so you're currently the brand-new chairman," Samuel stated.

Everybody, including He Ting, elevated their heads as well as looked at Samuel with large eyes.

He purchased the firm!

He actually bought the company!

Lydia could not aid gazing at Godfrey. Where did the money of Samuel come from?

Yvonne was shocked, she stated to Samuel, "You ... Are you kidding me? Did you purchase the business?"

" However Liam will discover difficulty with you tomorrow. I do not assume the company will have the ability to return the job in the west of the city, so you have to locate a way to get the firm via the dilemma by yourself," Samuel stated.

The task in the west of the city determined whether the Sue household can come to be a superior family members in Cloud City. As long as she thought of a way to get rid of the project in the west of the city, she would have enough money to establish various other channels and disregard the passion of coming to be a top-notch household.

Yvonne took a deep breath as well as stated, "I won't allow you down."

Seeing Yvonne had actually restored her battling ability, Samuel grinned and also claimed, "I won't be disappointed. I'm willing to do anything to make you delighted."

Yvonne lowered her head, her face flushed red. She was very moved, to the degree where she also considered an unique method of gratefulness. This type of technique was also bashful, as well as it should not have actually been her campaign, so she rapidly gave up.

Lydia glared at Godfrey, as if to claim, "I'm looking at Samuel. He also acquired the firm to make Yvonne pleased. What can you do?"

Godfrey regretfully bowed his head. It was not a little amount of money to acquire a company.

After supper, the family members enjoyed TV in the living room. He Ting completed her job and went back to her area.

"Samuel, Auntie He appears to have something to do today. Would certainly you such as to ask her?" Yvonne advised Samuel.

Samuel had planned to do so. After hearing Yvonne's words, he went straight to He Ting's space.

He Ting opened up on the door and lowered her head slightly. It was obvious that she was trying to hide her expression. He can still see the tear-stained face on He Ting's face.

"Auntie He, what took place?" Samuel took a look at He Ting and asked.

He Ting shook her head and said, "It's nothing. Samuel. Auntie He wants to surrender."

"Surrender!" Samuel was shocked. Why would certainly she resign for no reason? Furthermore, Samuel understood He Ting's character. It was difficult for her to be disappointed with her wage.

"I wish you can recognize Auntie He," He Ting said with her head down.

"If you don't inform me what happened, I will not agree to it, as well as I won't pay you," Samuel claimed in a hard tone. It has to be a big deal to let He Ting surrender. She had simply a child. This matter must have something to do with her little girl.

He Ting started to stress when she heard this. She needed to count on her income with Samuel to find her daughter. If Samuel did not compute her salary, it would certainly be ineffective even if she surrendered.

"Samuel, I know you're a great male, yet I can't ask you for assistance for whatever. You have actually helped me enough," He Ting said.

Samuel sighed. He Ting really felt that she owed him something. He could recognize, but exactly how could He Ting endure after surrendering?

"Aunt He, can you help her? Without a work, what will you and also your little girl consume in the future? If you think you owe me, you can make even more delicious food in the future," Samuel stated.

He Ting extended her hand to clean away her rips and also really did not understand what to say.

"Inform me, just exactly what is going on." Samuel asked.

I just listened to from Yingying that the college asked her to drop out. On the phone, she kept sobbing and I was worried concerning her situation," He Ting claimed.
