

## The One and The Only Chapter 411 -420

Song Pingting's family saw Yash Nics teach Ma Jianbo, they were relieved and worried.

After all, this is Jinmen, not Mannity.

The Ma family is a wealthy member of Tianjin. As a rich and powerful local snake, it is too simple to deal with their family from outsiders.

Ma Xiaoli was even more embarrassed on both sides. She complained to Yash Nics: "You

child, you are so impulsive. My brother has a domineering personality, and he will repay you.

You hurt him, he must try to get revenge on you."

Yash Nics smiled comfortingly: "Mom, don't worry. I haven't taught a thousand clowns like

him, and I have packed 800. I can handle it."

Ma Xiaoli's family secretly shook their heads, thinking Yash Nics was really taking it for granted.

As the saying goes, strong dragons do not overwhelm local snakes, not to mention that their family is an ordinary family.

Offending Ma Jianbo, I am afraid it will be difficult to leave Jinmen City safely.

Ma Jianbo suffered a loss in Yash Nics's place. He went to see Ma Bangguo and Zhang

Xiulan the first time. He complained sadly, "Dad, Mom, someone broke my hand."

Zhang Xiulan saw her son's hand hurt like this. I was anxious in an instant,

and said madly : "Who, who did it, he must be killed!" Ma Jianbo said aggrievedly: "Mom, it

was Ma Xiaoli's son-in-law, Yash Nics did it!"

Zhang Xiulan is Ma Xiaoli's stepmother, she Originally, he was extremely unwelcome to Ma

Xiaoli, and was always on guard against Ma Xiaoli's return to divide the family property.

She heard that it was Ma Xiaoli's son-in-law who had injured her son, and she was trembling with anger: "This bitch, he won't come back for 20 to 30 years. When he comes back, I will be beaten like this to my son. No." As she said, she was going to call the bodyguards and male servants at home to teach Yash Nics's family.

Ma Bangguo yelled displeasently: "Don't bother, today is my 70th birthday. With so many guests, you don't think it is embarrassing enough? I'll talk about it after the birthday banquet is over."

Zhang Xiulan had nothing to do with Ma Jianbo, so she could only hold back her anger and settle accounts with Yash Nics's family when the banquet was over. Before long, Ma Bangguo's birthday banquet officially began. Fifty tables were held on site and banquets were opened at the same time.

In fact, according to Yash Nics and Song Pingting's thoughts, since their hot faces are on their cold buttocks, it is better to just walk away.

But Ma Xiaoli asked in a low voice that he would leave after eating! Yash Nics and Song Pingting, Song Zhongbin, and Song Qingqing saw Ma Xiaoli's sad and pleading eyes.

They were all softened and couldn't bear to make Ma Xiaoli embarrassed, so they decided to follow Ma Xiaoli's will and wait until the banquet was over before leaving.

No one greeted Yash Nics's family, Ma Xiaoli asked everyone to sit down anywhere.

Yash Nics chose a small table to sit down, but there was no place for Ma Xiaoli to sit.

Yash Nics wanted to give up her seat, but Ma Xiaoli said, "No, I'll just move a chair over. You all sit down."

Ma Xiaoli moved a chair over and added a seat, and she was about to sit down.

Suddenly a middle-aged aunt who seemed to be a housekeeper came over aggressively and scolded Ma Xiaoli: "The kitchen is so busy serving food. If you are moving chairs here, do you have any eyesight? You can quickly help me serve the food." Yash Nics could not help frowning when the housekeeper aunt called her mother-in-law to be a servant on the spot, and opened her mouth to reprimand the other party.

But Ma Xiaoli preemptively said: "It's okay, since the kitchen is so busy, I should help serve the dishes ." Ma Xiaoli did not allow Yash Nics and Song Pingting to yell, she whispered: "You eat, today is my father's seventy. Dashou. My daughter only came back once in more than 20 years. I went to the kitchen to help. You are not allowed to mess around."

Yash Nics had nothing to do with her.

Ma Xiaoli walked towards the kitchen and went to help.

Yash Nics sighed slightly, the mother-in-law was at her mother-in-law's home, so she was too bullied.

At this moment, Song Pingting, who was beside him, suddenly pulled Yash Nics's sleeve, and said in a low voice, "Yash Nics, look at it." Yash Nics looked in the direction that Song Pingting signaled, and then saw that. The housekeeper's aunt is pointing triumphantly at Ma Xiaoli's back, and asking a lady on the master seat for credit.

This lady is Ma Bangguo's step-wife, Ma Jianbo's mother, and Ma Xiaoli's stepmother, Zhang Xiulan.

Yash Nics and the others instantly became angry. It turned out that it was not a misunderstanding, but Zhang Xiulan deliberately asked Ma Xiaoli to be a maid!

Seeing Yash Nics's angry look, Song Pingting was afraid that Yash Nics would mess up her grandfather's birthday party.

She held Yash Nics's hand tightly, and whispered: "Today is an important day for Grandpa.

Mom doesn't allow us to make trouble, so bear with her!"

The One and The Only Chapter 412

Yash Nics nodded, and said 'um'.

Afterwards, the servants kept bringing up food, and everyone started to eat and drink.

Yash Nics's family didn't want to eat, their eyes fell not far away, and Ma Xiaoli was

sweating a plate of soup, carefully serving dishes to the host's table.

The master seats were important members of the Ma family such as Ma Bangguo, Zhang

Xiulan, and Ma Jianbo, as well as several distinguished guests.

As the daughter of Ma Bangguo, Ma Xiaoli is not qualified to sit at the host table. On the

contrary, she has to serve these people with vegetables and soup, which is really

unreasonable.

Yash Nics shook his head secretly. The Ma family claimed to be a big family in Jinmen, but

the Ma Bangguo family was too small.

Just as Ma Xiaoli brought the soup, Zhang Xiulan next to her suddenly stretched out her

hand and pushed it.

Ma Xiaoli was pushed staggered, and the plate of soup in her hand was also spilled, and a

lot of hot soup poured on her hands.

Ma Xiaoli was scalded by the spilled soup, her hands were red, and there were tears in her

eyes, but she was holding the soup pot and refused to let go.

People around all exclaimed, but Zhang Xiulan sneered successfully.

At this moment, Yash Nics had come over in a flash, and anxiously shouted: "Mom, are your

hands okay?"

Yash Nics reached out and took the soup pot that Ma Xiaoli was holding, and then threw it

directly on the ground, slamming it. Shattered.

Ma Xiaoli's hands were hot red, and there were bubbles in some places.

But she looked at the crushed soup pot on the ground and said anxiously:

"Xiao Ning, I'm

fine, why did you break the soup pot..."

Zhang Xiulan saw Yash Nics had broken the soup pot, she stood up and pointed. Yash Nics

and Ma Xiaoli cursed loudly: "You bitch, I can't handle the soup."

"And you little bitch, who made you throw the soup? Do you know my deer bones? How

much is Cordyceps soup?"

As soon as Zhang Xiulan's voice fell, Yash Nics had already raised his palm and slapped

Zhang Xiulan severely.

Snapped!

A slap on Zhang Xiulan's cheek was swollen, and the elaborate hairstyle on her head turned

into a chicken coop.

Everyone at the scene was stunned!

Zhang Xiulan clutched her beaten face and looked at Yash Nics in disbelief: "You dare to hit

me?"

Yash Nics said indifferently, "You behaved shamelessly, and your words were sour and

mean. Don't you just owe it?"

Yash Nics When he no longer bears his patience, his entire temperament has instantly

changed, becoming like a Yuanruiyue, a king over the world.

Among the guests in the room, no one deserves to be regarded by Yash Nics.

Zhang Xiulan was shocked by Yash Nics's strength. She covered her face and turned her

head to look at Ma Bangguo for help: "Master, this bitch's son-in-law is so rampant. He beat

our son and now beat me again. You are the master! "

Ma Bangguo was flushed with anger at this time, blowing beard and staring, slapped angrily on the table, and said loudly: "You hit someone again, you hit my son, and my wife again!"

"Ma Xiaoli, you are away from home for the second time ." For the first time in more than ten years, I brought a son-in-law like this to piss me off?" Ma Xiaoli tremblingly said, "Dad, neither I nor Xiao Ning meant that."

Ma Bangguo yelled, "Your whole family, all kneel down and give it to me." Xiulan and Jianbo apologize!" Ma Xiaoli wanted to kneel down when she heard the words, but was held back by Yash Nics: "Mom, if you kneel down to give birthdays to your father, then I dare not stop it. But now it's kneeling down to give it to you. Zhang Xiulan's mother and son apologized, they are not worthy of their two virtues!"

Song Pingting, Song Zhongbin and Song Qingqing also came over. Song Zhongbin heartily treated Ma Xiaoli's burned hand, Song Pingting also took her mother and persuaded: "Mom, let's deal with the burn on your hand first, and let Yash Nics handle it here."

Song Zhongbin also said: "Yes, people here didn't welcome us from the beginning, and we don't want to be hot and cold, and we will leave when we wait."

Ma Bangguo's family, as well as many guests on the scene, all looked at Yash Nics's family.

Ma Bangguo said angrily: "Do you dare not kneel down and apologize?"

Ma Jianbo said with a sneer: "Since they don't want to kneel down by themselves, let the bodyguards help them."

Ma Jianbo finished, and ordered the surrounding gang. Bodyguard: "Ahu, let them kneel down."

The One and The Only Chapter 413

words fell, Ahu's group of bodyguards, aggressively, would come over and attack Yash

Nics's family.

But at this moment, a servant suddenly rushed in outside the door, shouting excitedly:

"Master,

distinguished guest, the great distinguished guest is here!" Ma Bangguo and others were

stunned, and Ma Bangguo asked suspiciously, "Which distinguished guest is it." The

servant said excitedly: "It was the general who commanded the troops to conduct live

ammunition exercises on the TV news last night, Major General Wang Daofang!"

Boom!

The voice falls!

The hundreds of guests on the scene all boiled over.

Ma Bangguo was trembling with excitement, and repeatedly asked: "Is it true? It was the

majestic Major General Wang on the TV news last night?" The

servant nodded repeatedly: "Yes, there are a lot of military vehicles coming outside. ,

General Wang's men are unloading gifts."

"General Wang not only came to

congratulate you personally, but also brought a large number of gifts, sir, you are majestic!"

Ma Bangguo's family was flattered, and very excited.

Ma Bangguo thought to himself: Although our Ma family is a big family in Jinmen, it seems

that we can't afford General Wang, so how come General Wang comes to wish me my

birthday? Regardless, General Wang is here anyway, just to give me the big face of my Ma

family.

"General Wang Daofang, come and congratulate the Ma family!"

With a loud and loud announcement, two teams of soldiers filed in with various gifts.

There are calligraphy and painting, antiques, jade and so on.

There are also two boxes of cigarettes specially supplied by the army and two boxes of

Moutai specially supplied by the army.

When all the twenty soldiers holding gifts came in, only then did they see a majestic

middle-aged man in a military uniform, with a few soldiers, strode in, and it was Wang

Daofang who had come.

The old man of the Ma family, Ma Bangguo was full of spirits, taking his wife and son to

wait for a bunch of family members, jogging to meet him.

Ma Bangguo said excitedly: "Old Ma Bangguo, I don't know if General Wang is coming here.

If you have missed a distant welcome, General Wangwang will forgive you."

Wang Daofang smiled and said, "It 's okay. I also learned by chance that today is Master

Ma's 70th birthday.

Bo Li , take the liberty to come here. I hope you don't mind." Ma

Banguo laughed from ear

to ear: "Don't mind, don't mind, General Wang

, please come to your seat soon !" After that, Ma Bangguo would give the most noble seat of

the master's seat. Wang Daofang sits.

When he saw Yash Nics's family nearby, his face instantly sank, and he lowered his voice

and shouted, "You bastards, don't get out yet. There are distinguished guests here today,

and I don't care about you. You bastards, get out of here. Where can I go back!"

Ma Xiaoli's face was pale, and she trembled: "Dad!"

Ma Bangguo said with a high face, coldly: "I don't have a daughter like you, get out!"

Yash Nics assisted Ma Xiaoli, faintly Said: "Mom, we are not welcome here. We don't have to

stay here, let's go!"

Ma Xiaoli didn't expect that after 20 or 30 years, it would be the result of not going home.

With tears in her eyes, she nodded: "Okay, let's go!"

Song Zhongbin also came over, supported Ma Xiaoli's other hand, and said in a deep voice,

"Wife, let's go home and go back to our own home!"

Ma Xiaoli looked at her husband. , Daughter, son-in-law and granddaughter regained warmth in their hearts.

She nodded heavily: "Okay, let's go home and go back to our own home."

After speaking, Yash Nics's family turned and left.

When Yash Nics left, he met Wang Daofang.

Wang Daofang hurriedly wanted to salute Yash Nics, but Yash Nics slightly nodded, saying hello.

Wang Daofang looked at the back of Yash Nics's family leaving with a thoughtful expression.

Ma Bangguo accompanied him with a smile and said: "Let's make General Wang laugh, come on, please take your seat. Jianbo, you can quickly prepare a few more tables of good food and wine for General Wang's men to eat."

Wang Daofang said lightly: "No need, what's the matter with them?"

Wang Daofang said of them, naturally referring to Yash Nics's family.

The One and The Only Chapter 414

Ma Bangguo was taken aback, and then sneered: "That's my daughter and son-in-law's

family. They are all poor people. I haven't been in contact for more than 20 years. I saw my

birthday today. Cheating, eating and drinking, and causing trouble."

"Especially my daughter's son-in-law, not only injured my son, but also slapped my wife. I

drove their family out because I was not angry."

Wang Daofang nodded. "So that's the case, then you should also

kick me out." Ma Bangguo and others were stunned when they heard the words, and

immediately said with a smile: "Haha, General Wang, you are joking. You are a distinguished

guest, how can I drive you?"

Wang

Daofang said coldly: "I didn't make a joke with you, do you know why I came here?" Ma

Bangguo opened his eyes wide, surprised, and said to his horror: "I don't know how old you are, please let me know."

Wang Dao Fang said slowly: "Because you have a good daughter, and your daughter has a good son-in-law!"

Ma Bangguo's family and the guests on the scene looked at each other, all dumbfounded.

There was a bad omen in Ma Bangguo's heart. He tremblingly asked, "General Wang, what do you say?"

Wang Daofang said coldly: "Your daughter's son-in-law, Mr. Yash, he is the person I respect most."

It was precisely when I learned that he was here today to wish you birthday, so I prepared a gift and hurried over."

Boom!

When Ma Bangguo's family heard Wang Daofang's words, they felt like a bolt from the blue sky.

Wang Dao looked at Ma Bangguo's family expressionlessly, and snorted coldly: "Since you have driven out all the people I respect, why are you asking me to be your guest? So I said you can now drive me out too!"

Ma Bangguo Trembled: "The villain dare not!"

Wang Daofang snorted: "Dogs look at things that are low to people, so you dare not measure it. For the sake of your relationship with Mr. Yash, I don't bother to care about you."

Wang Daofang turned and left, and the soldiers at the scene followed suit. go away.

Zhang Xiulan, Ma Jianbo and the others looked at Ma Bangguo with trepidation, and asked:

“Master, I didn’t expect General Wang to come because of Yash Nics.”

“Let’s drive away Yash Nics’s family, and General Wang also left angrily.

How can it be done?”

Ma Bangguo did not expect that his daughter’s son-in-law was so powerful, that even

General Wang was called the most respected person.

He regretted it now, and cursed: “It’s all your wicked man and your bitch.

It’s rare for my dear

girl to come back, and you will bully her family. It’s too late to say

anything, hurry up and

chase her!”

...

Ma Xiaoli had tears in her eyes, sorrowful and sad, and walked out of the Ma family gate

accompanied by Yash Nics, Song Pingting and the others.

At this time, her sad mood was the same as when she married Song

Zhongbin and was

severed by her family.

Yash Nics comforted: “Mom, don’t be sad. They drove us out, and they will come and beg us

to go back. We won’t go back.”

Ma Xiaoli wiped away the tears from the corners of her eyes and shook her head with a wry

smile: “You kid, they all chased us out like stray dogs, how could you come and beg us

to go back? You are really naive!” As

soon as the voice fell, a noise came from behind.

Then I saw Wang Daofang coming out with his men, followed by a group of Ma Bangguo.

Ma Bangguo yelled anxiously: “General Wang stays, and your daughters are

waiting for you.” Ma Xiaoli’s family was astonished, looking at the Ma Bangguo family that

came after them, with all doubts.

Ma Xiaoli looked at Ma Bangguo suspiciously: "Dad, what else do you have? Do you still want to punish Yash Nics? Don't deceive others too much." Ma Bangguo was sweating profusely, his face was embarrassed, and he waved his hands again and again: "No, no, you misunderstood, we are here to invite your family back for dinner!"

The One and The Only Chapter 415

What?

Ma Xiaoli, Song Pingting and Song Zhongbin all looked at Yash Nics with shocked faces.

Song Qingqing, who was in Song Pingting's arms, also clapped her hands and cheered: "Ah,

Dad is right. Grandpa really came to invite us back."

Ma Xiaoli was confused by the attitude of her father's family. She hesitated, no know how to answer.

Yash Nics said coldly, "You are the one who drove us out. Now it is you who are going to invite us back. What do you want to do?"

Ma Bangguo was extremely embarrassed, biting his head, and ignoring his old face. He

chuckled and said: "Hey, my grandson-in-law, I was wrong just now. I sincerely invite your family back to the banquet."

Yash Nics said calmly, "No, we are not welcome. Sitting in the corner, my mother will serve you dishes. The end is not soup, but also make things difficult for you and your family to be bullied,"

Ma Bangguo blushing, said loudly: "There will be that kind of thing, I promise you and your

family with General Wang, Kuaiqing go in and re-seat it "!!

on At this moment, countless vehicles suddenly came around.

All are luxury cars, Maybach, Rolls Royce, extended Lincoln and so on.

In the shocked eyes of everyone, a middle-aged man in a suit and leather shoes got on and

off the luxury car.

Among the dozen or so middle-aged and elderly men, each is a big figure with extraordinary status and status in Jinmen City.

“Oh my God, He Changan, the richest man in Jinmen, his old man is here.”

“The boss of Jinmen’s first real estate, Xiao Fuhong!”

“The boss of Weiyuan Military Industry Group, Zhao Jinyu!”

...

Ma Bangguo and others are going crazy. Because everyone who came is a heavyweight in Jinmen City, and everyone is an existence that their Ma family can’t afford to climb.

How come all these big men with extraordinary status and status come? Just when Ma Bangguo’s family was in a state of uncertainty, He Changan had already led his men and came to Yash Nics first.

He Changan smiled flatly: “The villain He Changan, the richest man in Jinmen, learned that

Mr. Yash had come to Jinmen and had already hosted a banquet at home, begging Mr. Yash to eat in the

humble house.” Xiao Fuhong also brought a group of men over and said rushingly: “Mr.

Yash, I have already

booked the Imperial Hotel to pick up the dust for Mr. Yash and your family.” Zhao Jinyu also

hurriedly said: “Mr. Yash, I’m in the outer building, telling the famous chef of the state banquet to make a meal. Please move.”

Not to be outdone, the others rushed to invite Yash Nics to be a guest.

Not only the Ma Bangguo family looked stupid, but even the Song Pingting family opened

their eyes wide in disbelief.

Yash Nics smiled and said to Ma Bangguo: “Look, there are many people who invite us to dinner. If you want to invite our family to dinner, you have to line up!” In a

word, Ma Bangguo was ashamed and indignant, and could not help but wait to find a place to hide. stand up.

Ma Bangguo felt regretful in his heart. He had known that Yash Nics was so powerful, and he would not dare to drive Yash Nics's family out of the banquet anyway.

At this time he knew that asking Yash Nics would not work.

So he immediately turned to look at his daughter Ma Xiaoli, and said with a smile: "Beauty,

dad and your aunt, and your brother has done a lot of things wrong just now. Forgive us

once, go back and sit down."

Zhang Xiulan and Ma Jianbo heard Yan was a little unconvinced, but did not dare to speak.

Ma Xiaoli came back with enthusiasm this time, but was splashed with cold water.

It doesn't matter if she is wronged, but Ma Bangguo's family still doesn't give her husband

and her daughter-in-law a little bit of face, making her a little bit of a head in front of her

husband.

Her heart was broken.

At this time, he only shook his head and said: "Dad, you were right just now, I shouldn't have

come back. Sometimes I missed it, but it was embarrassing to meet each other. I wish Dad

you better than Nanshan, we will

return to Mannity first." Ma Bangguo said hurriedly. "Don't go, after all, you still refuse to

forgive dad, your aunt and your brother.

No matter , I will ask your aunt and your brother to apologize to you."

Ma Bangguo finished

speaking, turned to look at Zhang Xiulan and Ma Jianbo, and shouted in a deep voice. : "You

two, don't hurry up and apologize to my girl."

The One and The Only Chapter 416

Zhang Xiulan opened her eyes wide: "What, although I am about the same age as her, but I am her stepmother, want me to apologize to her?"

Ma Jianbo also shouted: "Dad, let me give her Apologies, no way." Pop!

Ma Bangguo raising his hand gave his son a slap fiercely, grimace curse: "? Darn thing, I say you dare not listen, believe it or not I have you both expelled from this house,"

a large house, everything is The owner of the family has the final say, whether it is a wife or a child, once they are evicted from the house, there is nothing left. Zhang Xiulan and Ma Jianbo were really panicked when they saw that the old man had come for real.

The two dared not defy anymore, Ma Jianbo bit the bullet and said to Ma Xiaoli: "I'm sorry!"

Ma Bangguo said dissatisfied: "Call me sister!"

Ma Jianbo said aggrieved: "Sister, I'm sorry."

Zhang Xiulan also bowed her head and whispered: "Xiaoli, auntie was wrong just now, I'm sorry."

Ma Xiaoli was cold outside and hot inside. She saw that her stepmother and younger brother apologized, and said quickly: "It's okay, I didn't take it to heart." Ma Bangguo smiled openly: "Haha, that's the case. , Then go in again!"

Ma Xiaoli hesitated after hearing the words: " This— " Ma Xiaoli hesitated and looked at Yash Nics for help. She wanted to forgive her father's family. The family sat down to eat a meal, but she didn't know whether her son-in-law Yash Nics agreed or not?

Everyone followed Ma Xiaoli's gaze and fell on Yash Nics, especially Ma Bangguo and others, who were simply looking forward to it. Therefore, if Yash Nics stayed to eat, then General Wang Daofang would definitely stay. If you can invite Wang Daofang to be the guest at today's banquet, then the Ma family will

have a lot of platoons in the ground circle of Jinmen in the future. Ma Xiaoli asked Yash Nics's opinion in a low voice: "Xiao Ning, this..." Yash Nics said with a smile: "Mom, we listen to you, you can do whatever you say."  
"You said to stay here for dinner, then our home is right there. Eat here; you said you want to eat in other places, so there are so many hosts on the spot, let's pick one to eat." Jinmen's richest man, He Changan and others, looked at Ma Xiaoli with the same eagerness, eager for Ma Xiaoli to choose to go to them.  
Eat there.

Ma Xiaoli finally decided: "Xiaoning, Xiaoting, today is my dad's birthday, or we should stay and have a meal at my dad's house!" Yash Nics, Song Pingting, Song Zhongbin and Song Qingqing all nodded in agreement.

Ma Bangguo was very excited, looking at Wang Daofang, and cautiously asked: "Does General Wang stay here for a drink?"

Wang

Daofang smiled and said, "Mr. Yash stays, I naturally want to stay." Ma Bangguo's excited old face turned red, and it was okay again and again.

Yash Nics noticed the somewhat lost He Changan and others around him. He smiled slightly and said to He Changan and others, "I appreciate your kindness." "So many of you have prepared a banquet for me.

I don't know how to go." "But if you don't dislike it, why don't you go in for a drink with me while today is Master Ma's birthday?"

He Chang'an and others were all excited after hearing this. Get up and say yes one after another.

Ma Bangguo didn't expect these rare occasions. Anyone who can kill the Ma family in seconds, even promised to stay and participate in his birthday banquet. He was even more ecstatic, his face flushed with excitement.

While he was entertaining everyone in, he told his son: "Go and fetch all my treasured

Maotai immediately, and greet all the distinguished guests."

Everyone at the scene, surrounded by stars like a moon in Yash Nics's family, re-entered the hall.

This time, Ma Bangguo arranged for Yash Nics's family to sit in the seat of the master, and the others, including Wang Daofang and He Changan, also took the seat of the master.

Zhang Xiulan and Ma Jianbo had no seats, so they could only sit at the next table.

During the banquet, everyone complimented Mabang for a good daughter.

Ma Bangguo is both happy and a little self-blaming. After all, he has not taken care of his daughter in these years, knowing that his daughter was married very poorly and has not given relief.

Ma Xiaoli is also very happy, but she is not stupid.

She knew that her father's family was respectful to her, and that so many big figures on the scene were willing to sit down and eat together, all because of her son-in-law Yash Nics.

The One and The Only Chapter 417

Ma Xiaoli turned her head and looked at Yash Nics. The mother-in-law looked at her son-in-law, and liked it more.

His face was full of pride, as if to say: My son-in-law is amazing!

Song Pingting, who was next to Yash Nics, was also staring at Yash Nics, her pretty face full of suspiciousness.

Yash Nics turned his head, stared at Song Pingting, smiling and asked in a low voice, "Why are you looking at me?"

Song Pingting asked in a soft voice, "Frankly explain, why does General Wang respect you

so much? The richest man, He Changan, and other big people, why would they come to invite you to dinner?"

Yash Nics and Song Pingting bit their ears, their voices were very small, but Song Zhongbin,

Ma Xiaoli, and Ma Bangguo all heard them vaguely.

Everyone pricked their ears at this moment, wanting to hear Yash Nics's explanation.

Yash Nics calmly said: "It's very simple, because when I was a soldier in the Northern

Territory Army, I was a soldier of General Wang, and I took a risk to save General Wang once,

so General Wang treated me very well."

"As for Mr. Ho. They are for the sake of General Wang and are very courteous to me."

Yash Nics said here, looking at Wang

Daofang and the others: "General Wang, did I mean it?" Wang Daofang and He Changan

and others, In fact, they all know Yash Nics's identity, but they also know that Yash Nics's

personality is low-key and does not like to make public.

When I heard Yash Nics's words, how could I not understand what Yash Nics meant?

They nodded one after another!

Song Pingting's family all showed a suddenly realized expression.

Ma Xiaoli, who seldom drinks alcohol on weekdays, couldn't help holding up a glass of wine

and respecting the king. She gratefully said: "I've heard Yash Nics say that he had saved a leader before."

"Yash Nics also said that the leader treated him very much. Take care, and our family has

encountered problems several times. It seems that Chief Wang, you helped solve it?"

"I represent our family, thank you Chief Wang!"

Wang Daofang quickly said: "It's easy to talk!"

He smiled bitterly in his heart, thinking: Don't think I am much older than Yash Nics, and

don't think I am a major general. But I am really not the leader of Yash Nics, on the contrary, he is my chief. I was promoted by him!

After the banquet, Wang Daofang and Yash Nics had a private chat about Tang Beidou.

Wang Daofang said: "Marshal, after the corpses of Ouyang Ting and Ye Zhiqiu were sent back to Tianhai City, Tang Beidou didn't even constrain at all. He even asked his youngest son Tang Tian to use military-China relations and ask me about it."

Yash Nics's mouth raised slightly. "What did he ask you about?"

Wang Daofang said, "He said that Dianchu dispatched a regiment to help you kill Ouyang Ting and Ye Zhiqiu. I instructed him, or Dianchu did it well."

Wang Daofang said. Here, I added a sentence: "Up to now, they thought that Dianchu was an ordinary colonel!"

Yash Nics said lightly: "Then you will give him the news, this matter has nothing to do with you."

Wang Daofang frowned: "That Don't Tang Beidou and the others still trouble you with the marshal?"

Yash Nics said with a smile: "Tang Beidou, the soil tyrant, has successfully aroused my idea."

"What he did made me make up my mind to take him Get rid of this Jiangnan cancer."

"So, even if he doesn't trouble me anymore, I will solve him slowly."

Upon hearing this, Wang Daofang said in a deep voice, "Since he is going to be moved, then simply resort to thunder. , Mobilize tens of thousands of troops, and take him down directly!"

Yash Nics shook his head: "Tang Beidou was the provincial honor of Jiangnan Province before, and his contacts have been spread all over Jiangnan."

“After his 20 years of intensive cultivation, his son With countless disciples, he has monopolized most of the profitable business in Jiangnan Province.”  
“If I rush him, I am worried that it will cause great economic turmoil in Jiangnan Province.  
The provincial minister Tao Donglin has come to see me a few days ago.”  
“Tao Donglin suggested to me that Tang Beidou should be moved, but the frogs should be boiled in warm water.”  
“This will solve Tang Beidou, and try not to enter the economic turmoil.”  
After listening to Yash Nics’s words, Wang Daofang understood. Yash Nics has already decided. Slowly get rid of Tang Beidou.  
Yash Nics has not revealed the identity of the marshal now, nor has he resorted to radical means.  
It’s just that he patiently removed the left and right arms of Tang Beidou, such as Ouyang Ting and Ye Zhiqiu, just like cutting down the branches of a big tree.  
Tang Beidou was like a frog in warm water at this time. When he came back to his senses, it might be his death date.  
Wang Daofang respectfully said to Yash Nics: “Since the young marshal has made a decision, then his subordinates will follow the young marshal’s orders.”

The One and The Only Chapter 418

banquet was over, Wang Daofang left, and He Changan and other Jinmen dignitaries also left.

Already drunk Ma Bangguo, with his family members, kindly invited Yash Nics’s family to stay in Ma’s house for a few days, so that they could do their best as a landlord.

However, Ma Xiaoli saw that Zhang Xiulan and Ma Jianbo were both upset, and she also considered that Song Pingting’s company had a lot of things waiting for Song Pingting to deal with.

She declined her father's invitation and took a flight with her family that night to return to

Mannity City.

When I got home, it was already more than 1 o'clock in the middle of the night.

Song Pingting, who had just put her daughter to sleep after Yash Nics had taken a bath,

came in wearing a silk nightdress.

Yash Nics couldn't help being surprised when he saw it.

Ever since Yash Nics and Song Pingting met and moved into the Song family, Song Pingting

has not worn her nightdress. She wears conservative pajamas and pajamas every night.

It's just that as she and Yash Nics have slowly known each other for a long time, she has

understood Yash Nics's personality a little bit, and she has also been attracted by Yash Nics

a little bit. In the end, she has quietly begun to accept Yash Nics's husband.

Her defense against Yash Nics is getting weaker and weaker.

Tonight, she put on the nightgown that she hadn't worn for a long time after taking a

shower.

This silk nightdress shrouded Song Pingting like a hazy white moonlight.

Her tall and

slender figure was looming in the haziness, and the slender legs under the skirt looked

extraordinarily slender.

The whole person is like a noble white swan!

Seeing Song Pingting so sexy, Yash Nics was a little fascinated by it all at once.

Song Pingting was very embarrassed by Yash Nics's gaze, and said strangely: "What are you

looking at!"

Yash Nics smiled and said, "My wife, you are really in good shape."

Song Pingting's face was red, shy and a little bit shy Excited, but said in his mouth: "Is

there?"

The corners of Yash Nics's mouth rose slightly: "Yes!"  
Yash Nics said, and stretched out his hand to pull Song Pingting into his arms.  
Song Pingting's whole body was tense, too nervous, and she trembled: "Yash Nics!" Yash Nics held Song Pingting's face, bent his head towards her blushing lips, and kissed her directly.  
"Yeah!"  
Song Pingting whispered softly, raised her pink fist, and hit Yash Nics twice.  
However, his movements soon weakened slowly, and his hands slowly hugged Yash Nics, in response to Yash Nics's kiss.  
The two kissed forgivingly!  
After a while, Yash Nics instinctively reached out to Song Pingting's nightgown.  
Song Pingting, who had fallen into the kiss of Yash Nics, suddenly noticed it.

She grabbed Yash Nics's hand and trembled nervously: "Yash Nics, no, not right now..."  
Yash Nics was taken aback when he heard the words, then smiled, and kissed her cheek softly, softly. "I'm sorry, I was too reckless."  
Song Pingting's face flushed. Actually, today is the day when her relatives arrive, so she grabbed Yash Nics's hand and told Yash Nics that it was not possible now.  
But Yash Nics misunderstood, thinking that she hadn't completely solved her defenses and couldn't completely surrender herself.  
She hurriedly said: "Yash Nics, actually I..."  
Yash Nics said softly: "It's okay, I know you should not be ready in your heart. I am willing to wait until the day when you are completely relieved to entrust yourself to me."  
Song Pingting was warm in her heart and called her husband softly.  
In fact, she wants to tell Yash Nics that she already likes him, but today is the day when

relatives arrive, no way.

However, she was finally embarrassed to say such a shameful remark. In addition, she felt that what Yash Nics said was right. She and Yash Nics had not been

together for a long time.

Now it is undeniable that she and Yash Nics like each other.

But there is actually a difference between loving someone and loving someone.

Like may be a momentary impulse, while love is a lifetime commitment.

But if it is true love, time will verify everything. As long as you truly give, then it will surely

usher in the day when it will come naturally.

In the evening, Song Pingting and Yash Nics hugged each other to sleep.

Yash Nics was in a daze, vaguely heard Song Pingting's dream: "Yash Nics, I love you."

The One and The Only Chapter 419

next day, the family got up.

After Song Pingting had breakfast, she went to work in the company.

Not long after I came to the company, there was good news from the Food and Drug

Administration. The liver cancer vaccine samples submitted for inspection have passed the

inspection with perfect results and are now sent to the higher-level department for

re-examination.

The initial inspection is passed, and the re-inspection is almost certain to pass.

Therefore, it will not take long for the liver cancer vaccine of Ningda Group to obtain the

National Medicines Approval Number and be ready for sale.

Song Pingting called to tell Yash Nics the good news, and asked Yash Nics to pity the

Feilong Group and speed up the delivery of the equipment ordered by the Ningda Group.

...

Provincial capital, Tang family.

Tang Beidou is talking with his elder son Tang Tianji and his younger son Tang Tianquan.

Tang Tianquan said: "I have asked someone to find out that the killing of Ouyang Ting and Ye Zhiqiu has nothing to do with Wang Daofang. It is a colonel with the surname Dian, who is good at leading troops to help Yash Nics."  
Tang Beidou narrowed his eyes: "Since Wang Daofang said that it has nothing to do with him, then we don't need to be taboo, we can directly touch Yash Nics."  
Tang Beidou said here, his eyes fell on his youngest son Tang Tianquan, and he ordered:  
"Tianquan, this matter is handed over. I'll do it for you."

Tang Tianquan smiled and said, "Dad, don't worry, Yash Nics is nothing. I will kill him casually. I will take the liver cancer vaccine agency and present it to you as a gift."

Tang Beidou heard the words. Laughed with satisfaction.

Hong Daxiang is responsible for the Haitang Plaza project that Ningda Group is in charge of and proceeded in an orderly manner.

At the pharmaceutical factory, Song Zhongbin, the factory director, is recruiting and training a large number of workers.

As long as the national medicine approval number of the vaccine is down, and the purchased pharmaceutical equipment is delivered, then the factory can be officially put into mass production.

Song Pingting has also taken a lot of free time these days, she doesn't have to work overtime in the company all day, and spends a lot of time with her family.

She knew that Yash Nics liked to drink tea, so in the afternoon, she happily took Yash Nics to have afternoon tea.

The two came to the most famous teahouse in Mannity City, Guanyunxuan Teahouse.

Guanyunxuan Tea House is located by the Rose Lake. You can enjoy the beautiful scenery

of the Rose Lake from the tea house. In addition, you can see the white clouds in the sky on sunny days.

Watching the blue sky and white clouds is very luxurious in the city. In addition, the word Guanyun in Guanyunxuan is also a homophone of the word Guanyun.

In addition, this teahouse was opened by the female tea fairy of Mannity City, Su Meiniang.

Although Su Meiniang is over thirty, she is very charming and attractive.

In addition, she has

a good tea skill, and she is known as the number one master of Mannity tea ceremony.

Therefore, many dignitaries like to come to her teahouse for tea on weekdays.

However, now the teahouses are all her female disciples, and she rarely shows her face to make tea for guests.

If it were not for someone with an unusual identity and a great love for tea, she would

definitely disdain to make tea for her.

It is said that even Mannity Shizun had been here for three days and wanted to drink a pot of tea made by Su Meiniang herself.

It's a pity that Su Meiniang didn't show her face. It was her female disciple who made tea for

the City Lord, which made the City Lord regret.

After the story spread, everyone felt that the tea made by Su Meiniang herself was more

precious, and one by one was proud of drinking the tea made by Su Meiniang herself.

Yash Nics and Song Pingting walked out side by side and walked into the teahouse.

Consumption in the lobby on the first floor was cheaper, but there were too many people, so

the two went up to the second floor.

The decoration on the second floor is more elegant, but the consumption on the second

floor is more expensive.

The cheapest pot of tea costs a few hundred yuan, so there should be relatively fewer people drinking afternoon tea on the second floor, and the environment should be cleaner.

Yash Nics and Song Pingting sat down at the table by the window. This location allows you to enjoy the lake view and the white clouds in the distance, which is not bad.

A tea artist in a cheongsam came over and asked Yash Nics and Song Pingting what tea to drink?

Song Pingting looked at the price list and smacked secretly. The cheapest pot of Tieguanyin costs 288 yuan.

The other Wuyishan Dahongpao and other teas are more expensive, often over a thousand, even tens of thousands!

Song Pingting was used to being frugal. She couldn't bear to drink tea for thousands of dollars per pot.

So I asked Yash Nics for his opinion, and finally ordered the cheapest pot of Tieguanyin.

This female tea artist named Xiaoyue couldn't help but feel a little dissatisfied when she saw Yash Nics and Song Pingting sitting in such a good position, but ordered a pot of the cheapest tea.

At this moment, a discordant voice sounded: "Oh, this is not my sister!"

The One and The Only Chapter 420

Yash Nics and Song Pingting looked up and saw a stylishly dressed woman.

This woman is no one else, she is the daughter of Uncle Song Pingting and her cousin, Song Feifei.

Song Feifei is branded all over, dressed up very stylishly, and looks pretty, but looks a little domineering.

Song Pingting said in surprise: "Feifei, you are back!"

Song Feifei said proudly: "Come back, he is your husband Yash Nics. Grandpa said that he eats soft rice?"  
Song Pingting frowned slightly, no Yue said: "You should be called brother-in-law!"  
Song Feifei curled her lips: "He is not worthy, sister, I am not talking about you. You find a wasteful husband, he has no ability, even if you come out for tea, he can only order the most Cheap tea, it's shameful!" After

Song Feifei finished speaking, she turned to recruit a man in a suit not far away: "Amaterasu, come here!"

The man in the suit walked over slowly, he was tall and face. The upper line is rigid, the walking pace is steady, the breath is restrained, and he is obviously a master.

Song Feifei proudly introduced: "This is my boyfriend, Lei Tianzhao, the general manager of the Sihai Group, and also the capable man of the boss of the Sihai Group... Amaterasu, this is my sister Song Pingting, and he is my sister. Yash Nics."

Lei Tianzhao smiled, and reached out to Song Pingting, "Miss Song, hello."

Song Pingting apologized: "I'm sorry, Mr. Lei, my husband doesn't like me and other men.

Shake hands."

Lei Tianzhao smiled, looked at Yash Nics, and stretched out his hand in front of Yash Nics:

"Mr. Yash, hello!"

Yash Nics said hello with a light smile, stretched out his hand and shook the other's hand.

Song Pingting didn't know what Sihai Group was doing, but Yash Nics knew.

The Sihai Group is the company of Tang Tianquan, the younger son of Tang Beidou, and it is in the arms business.

The person in front of him was Tang Tianquan's capable man.

So it's definitely not accidental to appear here, it's very likely that it was sent by the Tang family.

Yash Nics was right, and Lei Tianzhao was indeed sent by Tang Tianquan to deal with Yash Nics.

Lei Tianzhao heard that Yash Nics was very powerful and killed Wu Chi and the butcher.

He came this time to test Yash Nics's strength first.

At this time, the hands of the two were held together.

Lei Tianzhao sneered secretly, his palms pressed hard, trying to crush Yash Nics's palm bones.

However, after he used 50% of his power, Yash Nics still had a calm expression on his face.

He was a little surprised, and secretly increased his strength, using 80% of his strength.

His strength was enough to crush the pebbles, but Yash Nics still had a smile on his face, as if he didn't take his hand strength seriously.

This time, Lei Tianzhao was shocked.

Seeing Lei Tianzhao's poor skills, Yash Nics smiled slightly, and was about to return the

color, ready to directly crush Lei Tianzhao's bones.

But at this moment, Song Pingting saw the two shaking hands for too long and realized something was wrong.

Song Pingting quickly said: "Why do you hold your handshake and refuse to let it go? Isn't it a sympathy as soon as you meet?"

Yash Nics let go of his hand when he heard the words, and smiled: "Hehe, Mr. Lei is testing my wrist strength. !"

Lei Tianzhao didn't know, he had escaped invisibly.

He glanced at Yash Nics and said lightly: "I used to be a mercenary abroad. Mr. Yash's

hands are very strong, so I can't help but want to compete with you when shaking hands,

making everyone laugh.”

Song Feifei Covered his mouth and smiled: “Amaterasu, you’ve been on the battlefield, and you’ve been fighting. How can Yash Nics, who eats soft food, compare to you, you carefully broke his hand.”

The tea artist next to him, Xiaoyue, said impatiently: “I said you guys, what kind of tea do you order? If you just order the cheapest tea, then you can sit at another table.”

“Our table is usually the same. You can sit here

if you order more than one thousand yuan of tea.” “If you order the cheapest tea, please go to the tables at the entrance of the toilet over there. You can sit at those tables for any kind of tea.”
