

The Charismatic Charlie Wade Chapter 4134

The ground floor of an Italian restaurant on George Street.

Guo Lei was sitting in front of the large table, personally supervising several of his subordinates to count money with two money detectors.

Their group pays their subordinates once a week, and this evening is the day of the pay.

Most of the members who are active in this group are the kind of people who are drunk at the moment and don't keep cash until tomorrow. After getting the money, they immediately squander it, and then wait for the next paycheck.

The scale of the entire group of more than 700 people, on average, the weekly per capita weekly salary is not less than one thousand Canadian dollars, so the weekly salary cost is as high as nearly one million Canadian dollars.

Seeing the piles of cash being packed into small envelopes, he couldn't help but get a big headache, and muttered to himself, "How the hell are you under the 700-odd number, this **** is more than 700 pieces of paper, etc. With a meat-eating mouth..."

After that, he asked one of them, "Hey, Pete, how much money will Rich and I have this week?"

The other party glanced at the numbers on the form and said, "Mr. Guo, the money in the hands of you and Mr. Rich is a total of 110,000 Canadian dollars."

"Only 110,000..." Guo Lei was a little disappointed when he heard this number.

Although he is currently the second-in-command of the group, the new boss gives him only 10% of the share.

After all, he is not Italian, and he was born as a driver. By making plans to kill the Claudia family, he can be considered a nomination certificate, and he can get 10% of the share. In fact, it is already a step to the sky.

In the past, the net profit left to him and the boss every week was at least 200,000 to 300,000 Canadian dollars. He could get 20,000 to 30,000 yuan, which was considered a lot of wealth, but he didn't expect that it would drop this week. so smart.

So, he asked in surprise: "Why are there so few this week?"

The other party hurriedly said: "The business of the casino has been getting worse and worse recently, and the income has been dropping sharply. The girls who were sold before have not been sold at a good price. High-end customers only need clean girls who have not been recruited. Only such girls can be sold at a high price, and the batch we sent was immediately wiped out by the auction."

Guo Lei couldn't help thinking of Lisa.

In his eyes, there are only two high-quality girls around, one is Lisa, and the other is his distant cousin Claudia.

It's a pity that Claudia's face was too scary to burn, so Lisa is the only real high-quality girl.

Originally, he wanted to be boyfriend and girlfriend with Lisa, but Lisa really didn't buy his account, and he gradually lost patience.

So, he said to the man in a cold voice: "There is a good thing tonight. If you get her over, it will definitely be selected for the auction, and maybe it will sell for millions of dollars!"

"That's great." The man said excitedly: "Only if we continue to provide high-quality supply, the auction will take notice of us, otherwise, we will be slowly pulled into the blacklist by the auction."

Guo Lei nodded, gritted his teeth like he was talking to himself: "It seems that I have to rely on Lisa to turn around..."

After that, he asked again, "What's going on at the casino recently?"

The other party replied: "During this time, many big customers and old customers have transferred to the venues opened by Huabang. It is said that the service of Huabang is better. They not only renovated the venues, but also bought a few Maybachs. As long as customers go, they will be picked up by a Maybach car, and they will eat and drink after playing for a long time;"

"Moreover, they found a few young girls from Eastern Europe from Fengqing Street to accompany the big customers. If the customer loses all, they will give back some rake for free to make the customer turn around, and the loan is also more flexible. There is a certain authority, and you can give the guests chips on the spot..."

Having said that, the other party looked at Guo Lei and said, "Mr. Guo, big customers are now pursuing experience, it doesn't matter if you lose money, the key is to be happy when you lose. Compared with the Huabang, our place is still too much. It's old, it has to keep pace with the times... Otherwise, if it goes on like this, the guests will all run away..."
