

Chapter 421

Manager Zeng of the Champs Elys Spa saw this scene completely stunned.

He didn't know what was going on, and the security guards didn't dare to move.

Liu Ming even screamed like a pig: "Uncle stop fighting! What the h*ll is going on!?"

Orvel stepped on Liu Ming's face with his foot, and said coldly: "Liu Ming, I usually call you a big nephew and give you a face, don't I? You f*cking act like this outside?"

Liu Ming said anxiously: "Uncle, how did I provoke you? If you tell me, I will change it!"

While kicking him, Orvel cursed: "Mr. Wade is as kind to me as a new parent. You dare to be disrespectful to Mr. Wade. You say it yourself, are you looking for death?!"

Only then did Liu Ming realize that he had provoked someone who shouldn't be provoked, and hurriedly cried and pleaded: "Uncle, I was wrong. I confess my mistake to Mr. Wade. I apologized to him. It was my fault. Blame me, I am willing to compensate him for his loss!"

Orvel glanced at his Maserati sports car and sneered: "You kids are not yourself when you drive a new car, isn't it? Come on, smash his car! It's a mess! I want to listen to it today. Rang! Driving a f*cking broken Maserati and driving you to the sky, anyone dares to offend!"

"OK!" The strong man in black at the back immediately picked up the clubs and smashed the Maserati.

The plastic face woman sitting inside Maserati screamed in terror, opened the door and ran out.

Looking at her appearance, Orvel knew that she was not a good bird, and immediately said to his opponent: "Come on, get me that plastic face kneels down!"

As a result, the plastic face was immediately taken over and knelt on the ground with a splash.

She annoyed and said: "What are you doing? I tell you, I have millions of fans on YouTube! You annoyed me, I will expose you!"

"I'm going to your mother!" Orvel slapped her directly, put her prosthetic nose under his hand, and pointed at her and cursed: "A little Rubbish internet celebrity dare to yell here, know me Who is it?"

"Who knows you, old stuff!" muttered with a plastic face gritted teeth.

Liu Ming next to him was frightened and slapped her face, cursing: "Are you crazy? This is the master Orvel! Great master Orvel!"

The facelifted face was back in the car just now, and was patronizing the car to take a selfie with Maserati's steering wheel. I didn't know that this man was Mr. Orvel. When she heard this, she was frightened and trembling and said, "Great Lord. Yes... I'm sorry, if I know it was you and killed me, I wouldn't dare to offend you..."

Orvel said coldly: "Unlock your phone for me!"

Plastic face didn't know what he was going to do, but she didn't dare to disobey him. After all, this is the king of the Aurous Hill underground world, so she can only do it obediently.

Orvel took her mobile phone, turned on YouTube, and clicked directly to shoot. He patted the face of the other party with a crooked nose, and said loudly, "Come on, say to the camera that you are a stinky frame from the second generation of Pong Fu. Ten times!"

Seeing that Orvel was about to shoot her on the face of the facelift, she hurriedly begged: "No way, Mr. Orvel, I have a lot of fans...If they see me, what should I do... "

"Don't tell me?" Orvel nodded and said: "Tie her up and take her away, and send her to my KTV as a lady for three years. If she dares to run, you will kill her."

"Yes!" The younger brothers hurried forward.

The face was scared and hurriedly crying and begging: "Oh Lord, I said! I said it's not enough..."

Orvel pointed the camera at her and shouted coldly: "Say it!"

Plastic face crying, while saying: "I am the second generation of Pongfu's stinky frame..."

After speaking ten times in a row, Orvel stopped recording and sent it directly to her YouTube. Then he slammed the phone to the ground and broke it into pieces.

Chapter 422

Now, she wanted to delete it but couldn't delete it.

In the ear, the sound of smashing cars was endless, and the brand-new Maserati was quickly smashed into a pile of scrap iron.

Liu Ming trembled all over, no matter how stupid he knew it, he probably kicked on an iron plate this time, and he hugged Orvel's leg and begged for mercy: "I'm wrong, Uncle, please spare me once, I really know it's wrong!"

"Wrong with your mother!" Mr. Orvel kicked Liu Ming fiercely in the chest, turned to look at Charlie, and asked for instructions: "Mr. Wade, what do you think?"

Charlie glanced at Liu Ming coldly and smiled: "This kid is very interesting. He likes to curse and sprays manure with his mouth full. By the way, two days ago I heard that someone also sprayed manure with his mouth full, and was finally pulled to the toilet. Licking the urinal, do you know this?"

Of course Orvel knows!

At the time in the brilliant club, Barena Wei of the Wei family brought a concubine over and offended Mr. Wade. He was forced by Boyu, the head housekeeper of the Song family, to lick eight urinals. This matter spread early in Aurous Hill. A lot of people talked after dinner.

However, Boyu didn't dare to expose Charlie's identity to the outside world, so no one outside knew that Barena Wei and his concubine were punished so badly that they had offended some big people.

Two days ago, Liu Ming laughed at Barena Wei for being embarrassed and being so miserable. He also said that if he was so miserable, he would resist desperately.

Unexpectedly, Charlie suddenly said such words at this time, and his soul was frightened.

He didn't want to follow in Barena Wei's footsteps and lick the urinal in the men's bathroom...

So he hurriedly begged: "Mr. Wade, I don't know. Please forgive me this time. You see that my car was also smashed, and I am out of breath. Please forgive me. One time..."

Charlie smiled lightly and said: "You seemed to like to call me a poor man just now. I think you seem to be particularly interested in the word poor man?"

"No, no!" Liu Ming hurriedly shook his head and waved his hand, and explained in a flustered manner: "I am a poor man! I am a poor man! Mr. Wade!"

Charlie nodded and said, "Okay, since you know you are poor, then I suggest you engrave these two characters on your forehead so that everyone can know, right?"

Liu Ming squatted his head in fright, and cried, "Mr. Wade, please spare me this time. I am willing to pay you five million! Oh no! I will pay you ten million!"

Charlie shook his head: "I am a poor person, so I am not interested in your money. Besides, you scared my wife just now. Do you think you can just lose some money?"

After speaking, he asked Orvel: "Mr. Orvel, do you have a knife?"

Orvel hurriedly winked at his opponent.

His men immediately handed over a sharp folding dagger.

Orvel handed the dagger to Charlie respectfully and said, "Mr. Wade, please."

"Shall I please?" Charlie glared at him and asked him: "Do you think it's worthwhile for me to write an inscription by myself?"

Only then did Mr. Orvel realize how big a mistake he had made!

Yes, a Liu Ming, how can he be qualified to let Mr. Wade personally engrave on his forehead!

So he hurriedly said: "Mr. Wade, let me come! I come!"

Charlie nodded and said, "Engrave a little deeper, I'm afraid that if the engraving is shallow, he will not have a long memory in the future!"
