

## Chapter 4211

On the other end of the phone, a young man's voice in his twenties spoke up and asked, "Jesse, have the goods I ordered started to be dispatched?"

This person is the most favored young master of the Fei family today, Randal Fei.

Randal Fei is the eldest grandson of Stella's eldest uncle Dawson Fei,

The same age as Jesse, both are twenty-seven years old this year.

Although Randal is a few years older than Stella,

But he is Stella's cousin nephew, his father, Adam Fei, is Stella's oldest cousin.

The young Randal is a very well-behaved and cruel playboy.

Although he is openly serving in the Fei family's investment foundation,

But in fact, it is just a posting, most of his time and energy is spent in the hunt and looking for excitement above.

When Randal was a teenager, he was sent to the best private school by his family,

Thus befriending a large number of rich children from extremely privileged families.

Some rich kids get together to study how to make money, how to achieve their own careers,

But there are also some rich kids who get together and think about how to find pleasure and excitement.

Randal is from the latter.

From his teenage years, he was almost untouchable and even became more and more twisted inside, Gradually developing a horrible hobby of killing, especially sadistic killing.

But at that time, Randal, personal channels and abilities, occasionally get in trouble,

Needs help from the family to wipe his ass, inevitably has to be reproached by the family with a few words, so he is relatively restrained.

The good thing is that among his classmates, there is a shrewd and bold Jesse.

In the past, Randal needed to pick his own prey, trick them into his hands himself,

And after the abuse, he needed to figure out how to dispose of the corpse himself.

However, Jesse took the initiative and solved all his worries for him.

Jesse would specifically look for a large number of prey for him to pick,

And as long as Randal selected any of them, he could immediately get the person into his hands.

After a few times, Randal became his first VIP customer with the internal number VIP001.

After that, Jesse gradually attracted a lot of rich kids like Randal,  
All having a twisted and perverted mentality, and he has had more and more customers.  
And his unscrupulous industry chain is gradually improving and expanding.  
He created a special venue for people like Randal, not only to let these people vent their bestiality without fear,  
But also to solve all their worries, including the corpse and the evidence all dealt with seamlessly.  
This kind of thing, catering to the evil taste of the rich, is not uncommon in this world.  
In many countries, there has been a legal business of paid hunting of cherished wildlife,  
And wealthy people who love hunting go there to hunt just to satisfy their hobby of hunting.  
Such as in Africa a lion 20,000 U.S. dollars, an elephant 30,000 U.S. dollars, a rhinoceros 50,000 U.S. dollars.  
There are agencies that have long been charging prices from these rich to hunt these rare animals for fun.  
Some rich people's bad hobbies here has hit the ceiling,  
But there are a few rich people's ceiling, much higher than this.  
They have hobbies that are far crueler than hunting rare animals.  
For them, they are willing to pay ten, twenty, or even a hundred times more than \$50,000,  
But the prey must be changed from rhinos to live humans.

## **Chapter 4212**

Moreover, they are more than willing to pay a higher price to ensure that they will not cause any trouble afterward.  
Simply put, their needs are, to spend the most money, do the most horrible things, and do not have to bear any consequences.  
And what Jesse is best at is meeting all of their needs.  
At this moment, Jesse listened to Randal ask about the goods,  
Immediately realized that the goods he was talking about was the young girl,  
Named Xiaofen from the batch of girls that his brother Alan went to pick up at sea last night.  
When Jesse submitted the information of the latest batch with him a few days ago.  
Randal, with a glance, selected Xiaofen and was directly willing to pay a huge sum of money to buy from this batch.  
If in the past, Randal must take this opportunity to spend a fortune,

After all, Jesse provides the service, for the customer's service he has to do the right thing.

However, some time ago, Randal is really bullish.

His grandfather, Dawson, who had been the crown prince for decades, finally took out his great grandfather and ascended to the throne.

This means that Randal's father has become the new prince of the Fei family.

And Randal, on the road to becoming the head of the Fei family,

Also followed a higher level, from the Fei family prince, only one step away.

Jesse is also very good, in order to cater to Randal, when he selected Xiaofen, he immediately took the initiative to offer him directly.

Let him wait in New York, he would arrange delivery immediately after receiving the goods.

Randal liked Jesse's filial respect naturally and he waited for a night,

Waiting really anxiously, now called over, just to ask him, when the person can be delivered to New York.

Jesse was very nervous at this time.

He didn't know how to answer, he didn't know whether he should tell him everything frankly and seek help from the Fei family,

Or keep the matter under wraps for the time being and not let any clients, including Randal, know.

The main reason for wanting to seek help is that Jesse is worried that his brother's murderer is too much for him to handle.

However, he also knew that if he sought help today, those top VIPs, including Randal, because of the fear of things being revealed,

Will definitely help him at once, but after this incident, they will definitely draw a line in the sand and keep a distance from him.

Even, it is likely that after the wind of this matter is out, they may put him to silence.

Therefore, Jesse decided, for the time being, not to tell anyone about this matter,

Do their own simple operation of the brother's funeral, and then find a place to hide first, to see the follow-up of this matter.

If you can get through safely, you can always come back to kill again.

If the mysterious black hand really can't afford to mess with him, then it's not too late to get help from these top VIPs.

He made up his mind, he immediately said to Randal:

“Young Master Fei, the girl you selected, there was a little accident last night when picking up the goods,”

“Did not expect her to have a serious allergic reaction to tranquilizers,”

“It was an anaphylactic shock, my people did first aid, but in the end, they could not save her.”

Randal said in astonishment: “What is the situation? Dead?!”

“Yes .....” Jesse said: “I’m really sorry, young master Fei, this matter is all my fault for not arranging well,”

“Give me more time, I will find a better one for you!”

Randal did not have any suspicion, because he knew that Jesse had always been the only one to follow his own lead,

Since he had already let him pick the goods, he would definitely not string the goods to others, there must be an accident with the goods.

### **Chapter 4213**

Thinking of this, Randal sighed with some resentment: “To be honest I still like that girl,”

“I saw her in the convenience store was secretly photographed, very beautiful and innocent,”

“I haven’t really had such a piece for a long time.....”

Jesse while looking at his brother’s miserable corpse, can only compensate for the smile to Randal said:

“Ah, young master Fei you recently began to like this bite?”

“I thought you liked the top of the line, s3xy, hot, big horses the most!”

Randal sighed: “Hey, you will be tired of everything after eating too much,”

“These big fish and meat I have been having for a long time,”

“So I want to try that light and sweet, but also pure and pollution-free organic vegetables,”

“Not only nutritionally balanced but also can relieve the tiredness.”

Jesse said: “Then you do not hurry, give me a week’s time, I will find something for you again.”

Randal hesitated for a moment, smacked his lips, and said,

“Forget it, you don’t have to search for me everywhere, I have found a great top quality,”

“Just see if you can get the person and send me to your newly developed island?”

When Jesse heard this, he immediately inquired curiously:

“Young Master Fei, which woman do you have your eye on? Please give me her basic information,”

“I’ll have someone investigate her track first! See if there is a chance to do it!”

“As long as there is a chance, even if she is the princess of any country’s royal family, I will definitely get her for you!”

Randal laughed and immediately said, “Jesse, it’s still you!”

Saying that, he smiled and asked, “Jesse, have you heard of a very famous female singer in China named Sara Gu?”

“Sara?” Jesse’s jaw dropped as he listened and said, “Young Master Fei, you’re not joking with me, are you? ..... What you’re looking for is Sara Gu?”

As a Chinese, how could he not possibly know Sara?

After all, in the field of culture and entertainment, Sara is known as the light of the Chinese.

She is currently one of the Chinese singers with the highest influence in the world.

Moreover, she really has all the qualities of a national idol, not only is she extremely beautiful, but her figure and temperament are one in a million.

In addition, she is different from those celebrities who like to put gold on their faces and pretend to be rich, and set up a rich generation persona,

She is a real rich generation, and a top-level rich one.

The Gu family is ranked third in the country, not to mention that Sara is the only daughter of the Gu family!

The gold content is much stronger than the rich second generation of those big families that are thriving.

What is rarer is that she is different from those stars in the entertainment industry who are always in scandals,

And have a lot of promiscuous history, she has debuted so far without any love history, no scandals, no stains.

The absolute perfect goddess, the perfect idol.

Therefore, Jesse was, in a sense, also a fan of her.

When he heard that Randal actually wanted to make a move on Sara, his entire body was shocked beyond belief.

However, Randal said at this moment, “If you look at the Chinese males all over the world, there shouldn’t be anyone who can’t see Sara, right?”

“She should be the highest Mount Everest in the hearts of Chinese men, of course, I want to find a chance to kiss her.”

Jesse suddenly had some rejection and disgust for Randal in his heart,

Because he did not want his goddess to fall into Randal’s hands.

No one knew better than him how beastly Randal was as a person.

If a top goddess like Sara ended up dying in his hands, it would be a pain for her fans all over the world.

#### **Chapter 4214**

So, Jesse said with a stiff upper lip: “Young Master Fei, Sara’s identity is very special .....”

“She is not only the most famous Chinese star but also the family assets are conservatively estimated to be more than 200 billion dollars,”

“If you move her ....., This negative impact will not be too big to deal with?”

Randal asked rhetorically, “Isn’t there you? As long as you operate well,”

“By then the world will only know that Sara is missing, perhaps may have died,”

“But no one can know how she died, at most on the news headlines for a period of time,”

“After a while, the heat will be down, no one will pay attention.”

Jesse listened to it with a cold sweat, although he killed many girls,

But most of those girls came from ordinary families, and some even did not even had a home, and naturally, there was a little background.

Such a person disappeared, at most can be in a small local community to spark a little attention,

Even the municipal media news may not be on, for Jesse it is also much safer.

However, if Sara really disappeared, this news will definitely explode all over the world.

When the time comes, in case the investigation comes to his head, won’t it be a disaster?

Thinking of this, he hurriedly said: “Young master Fei, I say in my heart, you are also twenty-seven years old this year,”

“It is the marriageable age, if you really like this Sara, completely can pursue her, find a way to marry her.....”

Randal said disdainfully, “Marrying her is not as easy as you think?”

“She has been claiming for years that she is looking for her prince charming, and she will not marry,”

“In this case, even if I pursue her, she is unlikely to agree to me, instead of this, I still bother to do this? Why not just kidnap her?”

“When I can have what I want why bother taking a long road. I’m not willing to give up a whole forest for a tree.”

Jesse stammered and said, “But ....., but ....., you still have to get married sooner or later .....”

Randal said off the cuff: “That’s a matter for later, later things to talk about later,”

“By the way, that island you are not developing? When the time comes, get her there, when you’ve had enough,”

“When we deal with h3r, the body burns in the incinerator, ashes scattered into the sea, who will find what happened to her?”

Jesse’s back has been repeatedly soaked with cold sweat,

The whole person’s nerves are a little numb, for a while do not know how to answer Randal’s words.

Randal at this time also noticed that Jesse has some ink to shirk, his voice immediately cold down, questioned:

“I said Jesse, you fcuking grumbling so much to ask what do you mean by that?”

“Do not want to do it for me, right?” If you don’t fcuking do it, then I’ll find someone else to do it!”

Jesse has an unknown enemy hiding in the shadows, how dare he offend Randal at this time,”

“After all, at this critical moment, Randal is his life-saving straw.

So, he hurriedly said, “No, no, young master Fei, since you asked, I will definitely find a way to help you do it.”

Saying that, he paused and added: “Just ..... just I am afraid that it is hard to start all the way from China!”

Randal said off the cuff: “No need to go to China, she will soon come to North America on a tour!”

“Originally she was scheduled to tour Canada first, and then to the United States,”

“But I heard that her agency has temporarily changed the plan to play in the United States first,”

“And the first show is in New York! When the time comes, you just have to do it in New York!”

Jesse hurriedly asked, “Young Master Fei, has the New York tour been scheduled?”

“It’s set.” Randal said with a smile, “Ten more days!”

Saying that, he added: “When Sara comes to the United States, it is definitely impossible to bring many bodyguards from China,”

“The biggest possibility is to cooperate with a security company in the United States in advance,”

“And have the local security company provide personnel, vehicles, and other equipment to protect her closely;”

“When the time comes, you pay attention in advance to see her cooperation,”

“Which security company, and then get the list of specific security personnel, choose the most suitable as a breakthrough point,”

“First pull him down, and then inside and outside, find a suitable time to kidnapped,”

“As long as you do not leave any evidence, this matter will be done!”

Jesse said awkwardly, “Young Master Fei, to kidnap her from under the eyes of a whole security team,”  
“It is very difficult ah, the slightest mistake will lead to a fail .....

Randal laughed: “Difficult to reflect your value, these years I have helped you in business,”

“I have a higher say in the Fei family, can help you more, Jesse now is the time for you to repay me!”

## **Chapter 4215**

Jesse also tried to think of a way to persuade Randal to give up,

But Randal has been unable to hide the excitement and with a trembling voice said:

“Da\*n ..... I’ve had so many women, all together can not be compared to a Sara.....”

“If I can get her, then my life will really be complete!”

“And, all the time in my hands are those ordinary people with a little background,”

“No ripples afterward, to be honest, I have long been tired of it, I need a change to something challenging to stimulate!”

Jesse said, “Young Master, Sara is indeed the best of women,”

“But the risk is too great, if it really is exposed, I am afraid that it will be difficult to get out of!”

Randal said excitedly, “It’s because of the risk, that’s why it’s exciting!”

Saying that, he said seriously: “Jesse, all walks of life have their own highest pursuit,”

“Football players want to win the World Cup, runners want to win the Olympics,”

“Who does not want to win a world championship, set a world record, or something,”

“So that future generations can admire? For me, Sara is my world championship trophy, she’d be my world record!”

After a pause, he added: “Sara will soon quit the entertainment industry, this is her last farewell tour before that,”

“And also her last appearance as a star in the public eye, and coincidentally, she actually chose the first stop in New York!”

“It was meant to be! Even God is giving me a chance, so how can I not take advantage of it!”

Jesse wanted to say something else, but Randal was getting more and more excited.

He couldn’t hold back his excitement and said with a smile,

“If I can get her this time, I will definitely record the whole thing and film all the details,”

“And after I die, I will publish it to let the world know another side of me, hahaha!”

“By then I’m afraid I’ll be on the front page of the world for months on end!”

Jesse had served this group of demons, racking his brains for many years.

At one time, he was even afraid that these demons were not bad enough and could not let go,

Thus trying every possible way to stimulate the brutal and bloodthirsty nature in their bones,

Allowing them to go further and further down the road of indulgence.

To put it bluntly, he is a trainer of demons.

But at this moment, when he heard Randal's series of grand ambitions, he was suddenly afraid.

He was afraid that this perverted mentality of Randal to pursue higher excitement would drag him down too someday in the future.

But although he was afraid, but under the internal and external problems, still did not dare to have any disobedience to Randal.

In the current situation, so he can only think of every way to bind with Randal, and then follow him a path to the dark world!

Moreover, he thought that he just had to leave Seattle for a while, so New York became an excellent place to go instead.

Thinking of this, he gritted his teeth, gave up, and said:

"Young master, I will plan this matter, must develop an absolutely comprehensive plan!"

"And a plan is not enough, there must be at least one or two sets of alternative plans and contingency plans!"

When Randal heard this, he immediately smiled in satisfaction and said,

"Jesse, with your intelligence and wisdom, this matter will definitely work!"

Jesse said, "By the way, Master Fei, I happen to come to New York today for a break,"

"If you have time, we can meet then, this is a very difficult matter,"

"And there are only ten days left, we must do all the preparations in advance."

## **Chapter 4216**

Randal heard that Jesse intended to come to New York for a break,

Plus the matter of Sara haunted him, so he did not think twice and said,

"If you come to New York for a break, why not stay at my home, we two meet to have a good chat."

The moment Jesse heard this, his heart was overjoyed.

What he had in mind was to borrow a few days at Randal's home, the Fei family has a huge estate in New York,

Which is heavily secured, and staying there would definitely ensure safety.

However, this kind of request he can not take the initiative, after all, he to Randal, is a person who specializes in dirty work,

So he knows very well, most of the time, Randal in normal life, will keep a certain distance from himself.

The good thing is that Randal is now only thinking about fixing Sara, and when he heard that Jesse was coming to New York,

He naturally wanted him to stay in his house, and the two of them could discuss the matter properly.

So, Jesse said without thinking, "Okay, in that case, I'll prepare and fly there directly!"

Randal was also very meaningful and spoke, "Tell me before you take off, I'll have the housekeeper pick you up at the airport!"

"Okay, Young Master Fei, let you take the trouble!"

Jesse thanked him and hung up the phone, then he immediately called his assistant and instructed,

"Tell the crew to get ready, I'm going to New York."

The assistant tentatively pointed to Alan's corpse and asked him in a low voice,

"Young master, what about the third young master's afterlife rituals if we go to New York now?"

Jesse instructed, "Put Alan's corpse in the funeral home for the time being,"

"In addition to blocking the news, don't let anyone know about him after I go to New York,"

"You go to appease the families of those crew members, say that the ship met with an accident,"

"People have disappeared, give them a pension directly to shut them up."

The assistant asked again, "Young master, what about the master and wife's side? Should we tell them?"

"For now, it's better not to." Jesse shook his head and said,

"They don't know exactly what I'm doing, so try not to drag them down in this matter,"

"And keep Alan's affairs a secret from them for the time being."

"If they ask, just say that Alan asked me for a sum of money and took some girls to Paris for a vacation,"

"So that they don't go overboard and don't bother."

Alan's playful and promiscuous habits were known to his family.

He is known in Seattle as a promiscuous rich generation, changing girlfriends faster than changing clothes,

And all are in Seattle and even in the United States are famous netizens,

They take girls to go on vacation abroad which is also a common occurrence, parents can't do anything, so simply they do not bother him.

It is because of this that Jesse is absolutely sure that if he tells his parents this, they will not suspect.

As for how long this lie can support, Jesse now also do not know, but he can no longer care so much,

The immediate priority is to get out of Seattle,

Otherwise, the person behind the killing of his brother comes to find the door, he is finished!

However, what Jesse didn't know was that while he was still waiting for his brother's body to be brought back from the sea,

A number of soldiers from the Cataclysmic Front had already arrived in Seattle from Canada,

As well as to the school where Claire was.

Using their intelligence network, they had already monitored both Jesse's home and company,

And when they found out that he had rushed from his home to the funeral home, they followed quietly all the way.

### **Chapter 4217**

Soon, Jesse, surrounded by several bodyguards, hurriedly boarded a car and prepared to travel from the funeral home to the airport,

And this movement was also discovered by the soldiers of the Cataclysmic Front.

After following him for some distance, the soldiers found that the car he was in was heading straight for the airport,

So the team leader who was leading immediately reported to Joseph,

"Supreme Commander, we found that Jesse is heading to the airport, should we stop them now?"

Joseph immediately reported the situation to Charlie and asked him to give an order.

But Charlie smiled faintly and said, "He came out of the funeral hall and went straight to the airport,"

"He must be scared and planning to run away, why don't we let him go first and see where he is going and who he plans to meet!"

At this moment, Jesse was totally unaware that he had been exposed.

On the way to the airport, he also kept telling his assistant to make sure that,"

"The Italian gang's family and the Seattle side of the aftermath are dealt with.

The assistant wrote it down and asked: "Young master, should we send someone to Vancouver to investigate the girls last night,"

"And see what their current situation is? Maybe the person behind the scenes has something to do with them."

"No, don't!" Jesse refused without thinking:

“The other party can kidnap more than 800 gang members in Vancouver, this strength,”

“If we still dare to go to Vancouver to investigate, is absolutely active to send death,”

“Probably they have already laid a net waiting for us, my current priority, is to avoid their fronts first, not to meet the difficulties.”

The assistant nodded gently and said respectfully, “Okay, Young Master.”

Jesse instructed again, “Starting today, stop all business in this area, we must keep a low profile so as not to create a problem outside.”

“Okay Young Master, I understand!” The assistant had to give up on the idea.

Half an hour later, Jesse took a private jet and hurriedly left Seattle for New York.

The intelligence officers of the Cataclysmic Front easily found out the registration numbers of several private planes under his name,

And then made inquiries about the real-time status of these planes.

Soon, they found that there was only one aircraft under Jesse’s name that was in flying status.

This Boeing BBJ business jet numbered 2674, had just taken off from Seattle,

And the real-time position, altitude, and speed could be seen on the radar map of Seattle’s publicly available airport.

Subsequently, they easily checked the route permit applied by this business jet and found that the plane’s destination was New York!

When the news came back to Charlie’s ears, he couldn’t help but smile and said,

“I thought this Jesse was going to run away to somewhere, but I didn’t expect it to be to New York .....

“New York is only about two hundred kilometers from Providence, where my wife studies, the more this guy runs the closer he gets to me.”

Joseph busily said: “Mr. Wade, need subordinates to New York to deploy some more people, just in case?”

Charlie nodded and said, “Since we want to uproot Jesse and his family, we will definitely need a lot of manpower to cooperate.”

“Let’s do it this way, you will deploy some more people to New York today,”

“But make sure not to take a large group of people directly from the Middle East by plane,”

“That would be too easy to attract attention, it is best for everyone to leave the Middle East first,”

“Scattered around the world, and then each heads to New York,”

“Each looking for a hotel to settle down, ready to listen to the next instructions.”

Joseph immediately said respectfully, “Yes, Mr. Wade, I will deploy a thousand elites,”

“And have them arrive in New York one after another within the next three days as you ordered.”

“Good!” Charlie smiled faintly and said, “Choosing the battlefield in New York is really friendly to me,”

“It just so happens that I still have a month to play with them properly!”

## **Chapter 4218**

Joseph nodded and asked again, “Mr. Wade, your subordinate also plans to go to New York to wait for your next instruction at any time, what do you think?”

Charlie asked him, “Will there be any trouble for your identity to go to the United States?”

“Their Homeland Security will surely be very nervous when you go to America, right?”

“No.” Joseph said confidently, “I have several legal American identities, one of them is a Chinese executive of an American company,”

“This company is invested in by Cataclysmic Front, the person in charge is also a member of Cataclysmic Front,”

“The details of this identity are also all done very realistically, there won’t be any problems.”

“Good.” Charlie nodded and said, “In that case, then you should also go to New York and wait for me.”

After formulating this, Charlie looked at the time and said to Auntie Li and the three of them,

“Auntie, Fanny, Claudia, I have to go back to the United States first,”

“This side of Canada should be very safe for the next period of time, and there are Cataclysmic Front soldiers here to covertly protect,”

“You three just work and live normally, don’t worry about anything else.”

Auntie Li nodded and said, “Charlie, you should hurry back to accompany Claire,”

“She is a girl, by herself in a foreign country, she will definitely be a bit uncomfortable.”

Charlie nodded slightly and said, “When I have settled this matter completely,”

“I will arrange for someone to pick up the three of you to return to Aurous Hill,”

“By then I will arrange all the clothing, food, and accommodation there in advance.”

Xiaofen hurriedly reminded, “Brother, don’t forget about Claudia’s return to Aurous Hill to study .....

Charlie smiled and said, “Don’t worry, I can’t forget.”

Afterward, Charlie said goodbye to Auntie Li, Xiaofen, and Claudia one by one and hurriedly went to the airport to take a plane back to Providence City.

Before taking off, he called Claire and asked her about her situation in Providence.

Claire said that she was all right, and then asked him with concern, “Honey, has the matter of Xiaofen been solved?”

Charlie laughed: "Solved, a few gangsters had a bad idea about Xiaofen,"

"One of Xiaofen's friends asked me to come and help, I have solved all the problems, and she is not in any danger, don't worry."

Claire finally breathed a sigh of relief and said,

"It's okay, it's okay, I was worried last night and didn't sleep well,"

"I wanted to call you to ask about the situation, but I was afraid of delaying you to do your business ....."

Charlie said: "It's okay now, I've arrived at the airport, the plane will take off immediately, and is expected to land in four hours."

Claire excitedly asked, "Really? That's great!"

After saying that, she hurriedly asked, "Can Xiaofen's side leave without worrying?"

"If it's not possible, let's invite them to come to America first!"

Charlie laughed: "All the problems here are solved, I also asked my clients to help me find some local connections,"

"So they can help take care of Fanny and Auntie Li, they will definitely be fine,"

"So I can also come back to accompany you with confidence and ease."

Claire suddenly relaxed and said, "That's great! Now it's already more than five o'clock in the afternoon,"

"When you land, it'll probably be more than nine o'clock, I'll pick you up from the airport!"

Charlie said, "No, I've driven the car to the airport, how can you pick me up,"

"Just wait for me at the hotel, I'll drive back as soon as I get off the plane."

Claire then daintily said, "Then okay ..... then I'll wait for you back at the hotel ....."

After nearly four hours of flight, the plane Charlie took, was finally about to arrive at Green Airport in Providence.

When the plane's altitude dropped below one thousand meters, Charlie's cell phone searched for a cell phone signal,

Followed by a large string of text message alerts for WeChat and missed calls popped up in a flash.

He first checked the missed call alerts and found that the caller was Sara, and so was WeChat.

He thought she had something important to look for himself, so he hurriedly gave her a callback.

Once the phone call was made, Sara asked urgently on the other side:

"Charlie, what are you doing, I can't reach you for so long!"

Charlie said casually: "I was just on the plane, just about to land, just got a signal, why? Is there something urgent for me?"

Sara said with a smile, "It's nothing urgent, I just want to tell you that I have a new change in my North American tour plan."

"New changes?" Charlie asked, "What exactly is it about?"

Sara laughed: "It's just an adjustment of the number of venues and time sequencing."

"The previous plan was to go to Canada first, and then go to the United States after the tour in several major Canadian cities.

Sara said, "By the way, now my first stop is in the United States in New York!"

### **Chapter 4219**

"New York?!" Charlie was instantly surprised beyond belief.

He had heard that Jesse had also escaped to New York before he took off,

But how could he have expected that Sara would also come to New York?

So, he asked with concern: "Sara, wasn't your itinerary set long ago?"

"Why did you make such a big change at the last minute?"

Sara smiled cheekily and said, "I know you are in Providence, which is very close to New York, right?"

Charlie was surprised and asked, "How do you know?"

"I asked someone!" Sara said, "I inquired with Mr. Issac,"

"And he said you went to the United States to accompany your studies."

She said, pretending to be angry and muttered,

"I originally wanted to go to Aurous Hill to see you and give you a surprise,"

"So I called to ask Mr. Issac to cooperate, only to find out that you are no longer in Aurous Hill,"

"Charlie, why didn't you tell me that you went to the United States."

Charlie said awkwardly, "I was afraid of delaying your business, besides, I didn't come to the United States to enjoy,"

"But to accompany your sister-in-law to school."

Sara busy said: "Ugh ugh ugh, you can not say so, I have never admitted that someone is my sister-in-law,"

"In fact, I do not admit anyone is my sister-in-law, I only admit myself as my own sister-in-law!"

Charlie helplessly sighed lightly and said,

“Okay, okay, it’s my fault, I should have told you before I left, next time will not be an example, okay?”

“That’s more like it.” Sara was then satisfied, humming twice and muttering, “I’ll forgive you this time!”

Charlie rubbed the bridge of his nose and asked,

“Sara, you still haven’t told me, why did you suddenly change the performance plan?”

She said without thinking: “Of course, it’s for you! I heard that you were going to stay in Providence for a month,”

“So I specially put my first two concerts in New York and Boston, New York and you have a distance of more than two hundred kilometers,”

“Boston is even closer to you, only a hundred kilometers at most,”

“So the first two stops of my tour, you have to come to the scene to cheer me on!”

Charlie did not expect that Sara’s temporary change of schedule was for his own sake,

And he could not help but be a little touched in his heart.

So, he asked, “Sara, when is your first concert? In New York or Boston?”

Sara said, “The first stop is definitely New York,”

“After all, it is the largest city in the United States, and after New York it is Boston.”

“As for the time, the New York station is two weeks later on the 15th, and the Boston station is on 17th.”

Charlie did not expect the time to be so fast, so he asked,

“Then when will you come to the United States?”

Sara said: “I’m preparing for the next two days, I’ll probably go there as soon as I finish my work here,”

“And the departure time will probably be a week later, ten days at the latest.”

“The process standard is set, the later performance can also be easier.”

According to Sara, she will fly to the United States within 7 to 10 days,”

“And will definitely go to New York first, which makes Charlie’s heart can’t help but be a little worried.

Because once he thought that Jesse had already gone to New York,

His intuition told him that Jesse either had a lot of associates or a lot of clients in New York.

Therefore, when he was on the plane, he was thinking that he had to weave a net in New York,

So that Jesse, as well as his superiors and subordinates.

From the big fish to the small shrimp, all of them would be shot to the bottom.

**Chapter 4220**

Since it is to weave such a large net, naturally it needs a certain amount of time to slowly prepare,  
So the time to close the net will naturally not be too soon.

In this way, when Sara arrives in New York, there may not be enough time for Charlie to close the net.

In that case, Sara would be in some danger.

So, Charlie hurriedly asked her: "Sara, can the time of your performance be pushed back a bit?"

"It's better to wait for half a month before going to New York."

"No, Charlie." Sara explained, "The performance time has already been set,"

"And the organizers in the United States have already started to produce promotional materials,"

"And they have even started the pre-sale of concert tickets,"

"So in this case it is definitely impossible to change the time at will."

While saying so, Sara busily asked: "Charlie, do you do not want to see me ah?"

"Or is it inconvenient to see me on your side? I can continue to disguise myself as your feng shui client,"

"Even if you are still the same as last time, bring her along to see my concert, I will not be exposed ....."

Charlie hurriedly explained, "I don't mean that ..... I just heard that that place in New York is not very peaceful ....."

Sara heard this explanation, said with a smile:

"Oh, Charlie, you are a little worried about the United States, whatever I do,"

"My overall trip is in public, and is in the more economically developed, more stable security area activities,"

"And there is the United States side of the security team, there will be no danger, you can rest assured!"

Seeing this, Charlie also knew that it was difficult for him to make Sara's entire tour plan readjusted with a couple of words,

So he could only accept this reality and instructed,

"Sara, then you must remember to tell me in advance before you leave for the United States,"

"And don't give me any surprises, only then can I be completely at ease, got it?"

Sara said without thinking, "I know Charlie, don't worry!"

"When the date of my departure is set, I will tell you first!"

"Good ....."

Charlie repeatedly instructed her before ending the call between the two.

And the first thing he did after hanging up the phone was to immediately call Joseph.

As soon as the call came through, he asked, "Joseph, have you arrived in New York yet?"

Joseph respectfully said, "Back to Mr. Wade, my plane just landed at New York JFK airport."

Charlie asked again, "Where is that Jesse?"

Joseph said, "Back to Mr. Wade, Jesse's plane landed two hours earlier than mine."

Saying that, he was ashamed to say, "Sorry Mr. Wade, after I knew that Jesse went to New York,"  
"I pulled off a few female warriors from Providence to go to the New York airport urgently to squat,"  
"Intending to follow Jesse to see where he was going and which people he was going to meet after landing,"

"But my people never saw Jesse leave the airport."

Charlie frowned and asked, "Two hours and still not out of the airport, not likely, right?"

Joseph said, "I also think it is unlikely, so I think that it is not that Jesse did not leave the airport,"

"But we lost the people so he probably did not leave the airport through normal channels."

Charlie asked him, "You mean, someone picked him up directly from inside the airport?"

"Yes!" Joseph explained: "The United States side of the capital privilege is very much,"

"Directly drive into the airport to pick up people, or even directly fly a helicopter into the airport to pick up people."

"It is very normal if Jesse is using one of these two ways to leave the airport,"

"For my people, it is really hard to detect,"

"Especially the manpower is not enough, and JFK airport passenger traffic is too large ....."

He continued with shame: "Mr. Wade, your subordinate in this matter did not do a good job,"

"Also please blame me! But don't worry, I have already started to transfer manpower to New York,"

"As long as Jesse dares to show up, we will definitely find him out!"
