

Chapter 4221

Joseph's words did not surprise Charlie.

He knew very well that the United States was not the territory of the Cataclysmic Front,

And that the large team of the Cataclysmic Front was in the Middle East, so it was impossible to have a stronghold around this place.

What's more, New York is after all an international metropolis,

The civilian airport JFK Kennedy International Airport alone has a throughput of at least tens of millions a year,

Trying to find a person from a single day's more than 200,000 passenger traffic, the difficulty can be imagined.

What's more, this Jesse is likely to use the privileged channel to leave the airport, so it is even more impossible to track.

So, it was almost inevitable that he would lose track of him for the time being.

So Charlie spoke: "Joseph, you don't have to blame yourself too much,"

"This kind of thing is perfectly normal, I can understand."

I can understand." Saying that, Charlie added: "Now that he has run to New York,"

"He is probably looking for asylum with his superior, so he should not come out again in the next few days to do harm.

Joseph immediately assured, "Mr. Wade don't worry, I will definitely set up a net in New York,"

"As long as he dares to show up, we will absolutely complete the control at the first time!"

"Good!" Charlie said: "You must have had a hard time running back and forth these few days,"

"Take a good rest in New York for two days first, we will contact you again if there is anything."

"Okay Mr. Wade, I'll have someone keep an eye on the airport so that the kid doesn't play any tricks."

.....

At this moment, New York JFK International Airport.

Jesse's Boeing business jet had been parked in the hangar for two hours.

The plane was driven all the way into the hangar from the time it landed, but after the plane stopped, the cabin door never opened.

Jesse sat in the plane and kept staring at the time on his watch.

Originally he had promised Randal that he would tell him when the plane took off, but he never contacted him from the beginning to the end.

The reason he did so was to make a time difference.

Jesse was smart, he could tell from his brother's corpse that his brother had experienced the mysterious man's severe torture,

That was done to extract a confession before he died, and that his brother must have confessed everything he knew.

Otherwise, as long as the other side has not yet gotten the information they want,

Even if they cut him into human swine, they will definitely leave him alive and not let him die.

Although the brother did not know much inside information, but he would have at least given him up.

This also means that his identity has been exposed in front of the mystery man.

And in his own haste, he flew from Seattle to New York, and it was impossible to cover up this journey.

So he was worried that the other side had already set up control at JFK airport in advance, just waiting for him to show up.

So, he deliberately delayed for two hours.

During these two hours, he sat on the plane and searched the Internet for all information related to Sara.

At this moment, he saw that two hours had passed, and did not rush to get off the plane,

But took out his cell phone and called Randal.

Once the call came through, Randal asked, "Jesse, you didn't wait until now to take off, did you?"

Jesse hurriedly said, "Sorry, Young Master, I didn't tell you when I took off earlier,"

"But I'm actually in New York and I'm still at the airport."

"Arrived?" Randal said with some displeasure, "Fck, I told you to tell me in advance so I could have the butler hurry to pick you up, why didn't you say hello?"

Jesse said flatteringly, "Young master, don't be angry, I didn't tell you because I didn't want to cause you any trouble,"

"I think, after all, I am the actual operator of these things, in case others know that I am here, it will be more or less risky for you."

Randal who does not know Jesse really has been exposed, he thought Jesse's reason why he is so cautious, is to better protect his privacy,"

"So just now the dissatisfaction also instantly dissipated clouds, said smilingly:

"Jesse, you kid for so many years the biggest advantage has been the caution, so Sara's this matter, in my mind, it is only you who can help me achieve the purpose!"

“The two of us are university classmates, this relationship is written in both of our files, who want to check and find something,”

“You now come to New York to see me, to my home for a few days, anyone who knows will not have any suspicion.”

Chapter 4222

In fact, Randal has also long since given himself a good firewall.

First of all, he was sure that once Jesse was exposed, he would never dare to bite him.

Because once he dares to bite him, then he will definitely put out his whole family.

Although the two are in cahoots and have done a lot of unconscionable things together.

But this does not mean that the two have complete and total comradeship.

On the contrary, the two have always been in balance with each other.

Jesse bets that if something really happens to him, Randal will not dare to ignore it.

Randal gambled that after Jesse’s accident, if he really can’t get him back, then he definitely would not dare sell him.

For Jesse, it is also true.

He knew very well in his heart that after the accident, as long as he bites the bullet and does not speak,

Randal was afraid that he would leave a backhand and would definitely try to help.

If Randal really tries his best, but still can not help, then they certainly can not sell him out, after all, their family is still alive.

Randal has long been prepared, once Jesse is defeated, he will be the first time to set aside everything involved,

They are just college classmates, although the relationship is good, but that’s all.

He did not know about his hookups from the beginning to the end, not to mention his involvement.

Others can not get evidence, naturally will not suspect things to his head.

Jesse’s heart of course is also very clear, the reason he said so, is just to take the opportunity to Randal to show loyalty.

When he saw that Randal insisted on having his butler come to pick him up, he said,

“Young Master Fei, in that case, then you can send a helicopter over, I’ll wait in the hangar.”

Randal usually returns to New York, after landing at the airport, he transfers to a helicopter to go home.

This set is a routine operation for him, so when he heard this, he didn’t think much about it and immediately said, “Wait, I’ll talk to the butler.”

Twenty minutes later, a Bell helicopter landed in front of Jesse's hangar.

Only then did Jesse walk out of the hangar through the night and quickly boarded the helicopter.

The helicopter's engine didn't even turn off, it directly accelerated and left the airport, the whole process only took two to three minutes.

After the helicopter took off, it flew directly to the Long Island area in eastern New York.

Long Island, one of the most famous wealthy areas in the United States, and Manhattan,

The kind of inch of the bustling downtown but because far from the city, seems very quiet.

Moreover, the Long Island area has the best beaches in New York, and almost all of the wealthy areas here are top estates built on the coastline,

And the Fei family's estate, which covers even more than three hundred hectares,

Not only has a kilometer-long private beach, but even has its own golf course.

In this manor, there are five oversized villa buildings alone, each of which is comparable to a luxury hotel.

This manor, Jesse had the privilege to come several times, but each time he gets deeply shocked.

Other than that, the villa on the edge of the golden coast of Long Island alone, the price of land has been ridiculously high,

Now in a similar location, buy a hectare of land, the price is tens of millions of dollars,

Not to mention the oversized manor of more than two hundred hectares.

The scarcity of such top luxury mansions can no longer be replicated in areas like Long Island.

If you really put this estate up for sale, without tens of billions of dollars, it is really not even possible to think about it.

If the manor to the developer, at least to create two or three hundred sets of top luxury super villas, easily accommodate thousands of elite society.

And it is such a huge top luxury manor, just for the Fei family but a few dozen people,

Such a top living experience, if you look at the United States can easily rank it in the top five.

The five sets of villas in the manor division are also very elaborate, the largest of which is located in the middle of the villa,

While the other four sets, respectively, are located in the northeast, southeast, northwest, southwest of the four corners.

Chapter 4223

Randal and his grandfather and parents, the family originally lived in the northeast corner of the villa,

But with the old man Douglas being removed from power, his grandfather arranged for his family to move to the central villa.

Where Douglas used to live, and this villa happened to be vacant, so Randal directly asked the housekeeper to receive Jesse here.

The study that originally belonged to Randal's grandfather had now become Randal's private domain, And even his father, who had a great deal of greed, could only give it up to him in pain.

Jesse, led by the housekeeper, quickly arrived at the luxurious study in the mansion of more than a hundred square meters,

At this time Randal is looking at a poster in the study.

This poster is the promotional poster of Sara's New York concert.

As soon as Jesse came in, he saw the poster, and as soon as Randal saw him, he immediately greeted him enthusiastically,

Patted him on the shoulder with one hand, pointed at the beautiful Sara on the poster with the other hand, and said with a smile:

"Jesse, look, the promotional materials for Sara's concert have already been made!"

"This is the poster that is not yet officially available, I just got it."

Jesse was surprised and asked, "Young Master Fei, this poster is not yet on the market, how did you get it? Is there some kind of internal relationship?"

"That's right!" Randal exclaimed, "You're smart, I'm telling you, getting a poster is no big deal, but I've figured out all her partners in New York for this concert,"

"She came to North America on tour this time, and the Chinese Chamber of Commerce in the U.S. cooperation is relatively deep,"

"It is said that the Chinese Chamber of Commerce inside a vice president is her father's friend."

"All her promotional materials printing and production, are entrusted to a Chinese printer in New York,"

"That person is also a member of the Chamber of Commerce, but unfortunately, the Fei family has always despised the Chinese Chamber of Commerce,"

"I have no dealings with them, then find a way to see if I can find the opportunity to get acquainted with her,"

"If you can create a suitable and right time to do it, it would be great!"

Jesse rushed to offer advice: "Young Master Fei, I'm not going to lie, I just did a lot of homework in advance on the plane,"

"I found that woman seems to be very keen on charity, and especially keen on charity projects related to orphans,"

“Before she opened a concert, the relevant income seems to be donated to orphans, so I have a way, you might as well listen to see. “

Randal said excitedly, “Say it!”

Seeing that he had successfully aroused Randal’s interest, Jesse respectfully introduced,

“My idea is for you to take the lead in cooperating with the Chinese Chamber of Commerce to organize a charity fundraising dinner in New York,

And you can first take out twenty million dollars as part of the charity fund, and claim that the money will be used exclusively to establish a charity fund.”

Randal nodded, then wiggled his fingers slightly and said, “Continue!”

Jesse then said, “When you publicize, say that this charity fund will be used specifically to improve the living and educational conditions of all Chinese orphans in North America,”

“Although I do not know whether the Chinese Chamber of Commerce is interested in such charitable activities,”

“But you are after all the young master of the Fei family, you can find the Chinese Chamber of Commerce to cooperate,”

“They must be flattered, even if they are not willing to engage in charity,”

“They will certainly actively cooperate with you, so the whole plan up to here will not have any problems.”

“Well, that makes sense.” Randal nodded slightly in agreement and asked, “And then?”

Chapter 4224

Jesse then said, “Then you set a time for the dinner to start with the Chinese Chamber of Commerce, for example,”

“Just after Sara comes to New York and before the New York concert so that you can make sure that Sara will be in New York during that time and will most likely be able to find time to attend;”

“I presume that the Chinese Chamber of Commerce is now busy with the publicity and docking related to Sara’s concert,”

“But they dare not neglect you even more, so both things will definitely be on the highest level by then;”

“So, you can easily and naturally hear from them, in the process of docking with them, about the Sara concert;”

“You then push the boat, with the Chinese Chamber of Commerce to mention, say Miss Gu is the light of the Chinese,”

“If she can appreciate the face, the influence of the auction will certainly also be greatly enhanced,”

“If she can appreciate the face, you personally pledge an additional \$ 20 million, when Sara know, the probability is to appreciate the face!”

Here, Jesse said: “Since this charity dinner is initiated by you, the venue should naturally be designated by you,”

“So that we have enough time to prepare the venue, so we can dig a foolproof trap in advance, then as long as we can lure her out, it will be easier to deal with her!”

When Randal heard this, his eyes lit up!

He said with a look of admiration, “Good one to lure the snake out of the hole, wonderful!”

After saying that, he hurriedly asked again, “Jesse, what do you think the chances of her falling for it are?”

Jesse thought about it and said seriously, “I think at least 90%!”

Randal asked, “Why are you so sure?”

Jesse explained, “Young master Fei, think about it, Sara itself is passionate about charity, let’s organize a charity dinner,”

“Is this not the right thing to do? Besides, this kind of thing, the public figure is also a bit of moral kidnapping effect, you usually donate less,”

“Netizens will spray you on the Internet, if you are invited to the charity dinner, you do not even go, you will be scolded to death?”

“I believe that in this matter by the time Sara will probably agree.”

When Randal heard this, he nodded his head with joy and said, “It makes sense, it does make sense!”

“Then I will communicate with the Chinese Chamber of Commerce tomorrow to set the charity dinner!”

Jesse instructed, “Young Master Fei, once this matter is finalized, you must immediately launch a public opinion campaign to let all North American Chinese know about this charity dinner,”

“So that if Sara intends to refuse, the influence of the charity dinner will also put more pressure on her!”

Randal said approvingly, “Jesse, it’s still you! After you said that, I am really fcuking enlightened!”

Jesse said with a smile, “You’re welcome, Master Fei, I’m just a little smart, I can’t be compared with you.”

Randal laughed and asked, “If Sara agrees to attend the charity dinner, how should we proceed?”

Jesse said, “This is much simpler, after Sara comes, we can arrange for her to go to the lounge first,”

“When in the lounge as far as possible by the window, which will have ventilation ducts,”

“I will arrange in advance some trained armed personnel for an ambush, when she enters the lounge,”

“Directly put people down with ecstasy, and then take away from the window or ventilation ducts, unnoticed;”

“By the time other people find her missing, it is bound to cause chaos, you will be normal to go to the police process,”

“The police if they come to investigate, they will ask a few questions.

The bite may be a miscreant has been planning for a long time, the rest let the police to investigate it!”

The police will not be able to find any evidence or clues to interfere, disguise the matter as an ordinary kidnapping for ransom,”

“And then offer a huge ransom to Sara’s family, leading everyone’s judgment to them, so no one will suspect you,”

“After all, the Fei family assets are much more than the Gu family, no one will believe that you will kidnap her for ransom.”

“In this way, we get the money after tearing the ticket, is the normal operation of the robbers;

Can not get the money to tear the ticket, is also the normal operation of the robbers;

At that time, you will deal with her, this life is impossible for anyone to find her, this case is bound to become an unsolved case,

Even if people are concerned for decades, but still remains an unsolved case.”

Randal could not help but laugh: “Wonderful! In this way, Sara goes forever missing, leaving the police such a never solved kidnapping unsolved case,”

“May let the global netizens discuss for decades, and even listed as the top ten unsolved cases in the 21st century, it is interesting to think about!”

After saying that, Randal remembered something and said, “Right Jesse, in case she doesn’t take the bait for the charity dinner, what will happen then?”

Jesse said: “Young master Fei, the program is certainly to develop many kinds of options, this is only one of them,”

“If Sara does not take the bait, then we must also have other alternative programs, just other programs I do not have a good idea for the time being,”

“I am afraid that other programs will be very difficult to implement.”

Speaking of this, Jesse said: “suitable for us to start the opportunity is just a few, one is to do it on the road, one is to do it in the hotel;”

“If we do it on the road, the biggest movement, considering that she must have a lot of security personnel accompanying her,”

“When the time will certainly trigger a gun battle, we must at least be equipped with a large number of automatic weapons to be successful,”

“The difficulty should be much greater than robbing the money truck;”

“If we do it in the hotel, we must do it quietly, preferably under the noses of the security personnel, unknowingly get rid of people”

Speaking of which, Jesse smacked his lips and said, “But this kind of thing is too technically demanding, general people seem to be unable to do”

Randal frowned slightly, opened his mouth, and asked, “Do you want to try the Japanese ninja method?”

“Steal chicken and dog this kind of thing, it seems they are the best at it!”

Chapter 4225

“Ninja?” When Jesse heard this, he was a bit stunned for a moment and couldn’t help but ask:

“Young Master Fei, do you know anything about ninjas?”

Randal nodded: “More or less I understand, my father’s people were under the hands of the ninja before,”

“They are said to be quite good.”

Jesse was busy saying, “If there are reliable ninjas, you might as well invite some to New York first,”

“But since they are acting as the executor of the alternative,”

“Until the alternative is launched, we can’t let them know exactly what they are going to do.”

“Yes.” Randal said with a smile, “Don’t worry about this,”

“I’ll arrange it, let them send some top experts over first.”

Saying that Randal added:

“Right Jesse, having the ninjas wait for an opportunity to strike at the hotel is considered our plan B,”

“But in addition to that, we have to think of another plan C, just in case,”

“I think intercepting Sara’s convoy is also a way, you find a way to gather a group of mercenaries,”

“the same as those ninjas, just in case.”

“Okay!” Jesse said without thinking, “Young Master Fei don’t worry, I’ll arrange these!”

Randal nodded in satisfaction and smiled:

“Okay, that’s all for today, it’s late, you rest early, I think Sara will come to the United States in a few days,”

“You simply do not go back to Seattle, these days just live here peacefully.”

Jesse heard this, naturally is eager to, quickly spoke:

“No problem young master Fei, before helping you take care of Sara, I will not leave for the time being.”

.....

At this moment, Charlie had already returned to the hotel in Providence.

Only when Claire saw that he had returned safely did her hanging heart finally get normal.

And then she eagerly asked for some details about his trip to Canada this time.

Charlie did not want her to worry, so he made the seriousness of this matter as weak as possible.

The last thing that came out of his mouth was that the matter was a little bit trivial,

Just that the little girl who sent him a text message reacted a little too aggressively.

Claire listened to Charlie finish, naturally believed all, after all, in her opinion,

Canada is such an old developed country with good security and not as chaotic as the United States,

Xiaofen usually will not offend anyone, naturally can not meet any real danger.

So, this matter was already over in her mind.

The next day, Claire’s master class at Rhode Island School of Design was officially opened.

The news of the new master class had aroused great concern in the design circle,

And the Rhode Island School of Design had also officially announced the list of master class participants.

As the most popular training course in the industry, the master class list has always been a key concern for the industry,

Because according to the usual practice, those who are on the list will become rising stars in the design field in a month’s time.

Claire’s name has also created a lot of attention and discussion in the field of Chinese designers.

This is mainly because, apart from Claire, all the people in this master class are basically already established in the field,

And a casual search on the internet can reveal some successful cases they have completed independently.

Claire is the only one who is basically unknown with no fame at all,

So many Chinese designers are wondering what exactly made Claire get selected for this master class.

This also put a lot of psychological pressure on her, and she could feel the gap between herself and the others in the class,

So from the first day, she worked harder and more seriously than anyone else in the process of listening to the class.

It was also on the day when Claire’s master class started that Randal took the initiative to find...

The president of the New York Chinese Chamber of Commerce, Brian Lu, in order to prepare early.

Chapter 4226

Brian is forty-eight years old and is a sixth-generation Chinese American.

His great-great-great-grandfather came across the ocean to the United States at the end of the Qing Dynasty,

And was one of the many Chinese workers who participated in the construction of the American Pacific Railroad back then.

Since that generation, the Lu family has taken root in the U.S. little by little with their hard-working qualities.

At the very beginning, the Lu family's ancestors who went to the United States as Chinese workers, They were at the bottom of American society at that time.

Now, the Lu family has a family fortune of tens of billions of dollars in the United States, which is an evidence of their struggle.

At the same time, the family also carried forward the characteristics of the southeastern coastal generation of Chinese businessmen,

They were very keen to unite fellow countrymen, group development.

Therefore, decades ago, Brian's great-grandfather founded the New York Chinese Chamber of Commerce,

Which gradually became one of the largest Chinese chambers of commerce in the United States.

After Brian took the position of the president of the New York Chinese Chamber of Commerce,

He devoted himself to developing the New York Chinese Chamber of Commerce into the National Chinese Chamber of Commerce,

And after his continuous communication and mediation with Chinese chambers of commerce around the world,

Most of the Chinese chambers of commerce in the United States were interested in merging and renaming their chambers to the National Chinese Chamber of Commerce.

And Brian is also fighting for it, hoping to become the first president of the All-American Chinese Chamber of Commerce after the merger.

However, there are two other Chinese Chambers of Commerce that are no less powerful than the New York's one,

They are namely the Los Angeles Chinese Chamber of Commerce and the Chicago Chinese Chamber of Commerce.

How to compete with the presidents of these two Chinese Chambers of Commerce is a recent headache for Brian.

Therefore, he has been thinking of ways to make the New York Chinese Chamber of Commerce show more faces.

And enhance its influence before the merger, so that he can pull away from the other two presidents.

Because of this, the Executive Vice President of the New York Chinese Chamber of Commerce has specifically assigned...

The cooperation of Sara's concert to the New York Chinese Chamber of Commerce made Brian happy.

When he was waiting for Sara to go to the United States,

He did not expect the youngest son of the Fei family, Randal, to take the initiative to approach him.

In the United States, there are two Chinese families that all Chinese chambers of commerce are trying to enlist,

In addition to the world's top Chinese family, the An family, the other, is the Fei family.

Although the strength of the Fei family is far less than the An family but compared to the other Chinese families in North America,

In terms of a great deal stronger, the An family does not care to participate in this kind of Chamber of Commerce,

The Fei family will also follow the example to play a reserved and exclusive attitude.

Previously, Brian repeatedly wanted to invite Randal's father, Adam Fei, to dinner, but Mr. Fei has not given him the face.

Now, Randal took the initiative to come to the door, Brian is naturally excited beyond reason,

Totally respectful, invited the young Randal Fei to his office.

As soon as he arrived at the office, he said attentively:

"Oh, I didn't know that Mr. Fei had come here today, so I'm really sorry for missing the welcome!"

"It's a great honor for us for you to come to our New York Chinese Chamber of Commerce."

He introduced himself, "Mr. Fei, my name is Brian Lu, I am the president of the New York Chinese Chamber of Commerce!"

Randal was very receptive to this kind of compliment, smiled slightly, and said,

"President Lu, I heard that our New York Chinese Chamber of Commerce is the largest Chinese Chamber of Commerce in the United States,"

"And I think President Lu must have made a great contribution to this!"

Brian hurriedly said, "Thank you for your praise, Mr. Fei..... New York Chinese Chamber of Commerce has decades of history,"

"This Chamber, also thanks to the previous presidents, to be able to have today's achievements."

Saying that, Brian carefully asked, "Mr. Fei, I wonder what is the reason for your presence here today?"

Randal smiled faintly and said arrogantly,

"I came to see you because I want to do some cooperation with your organization,"

"If the cooperation is pleasant, I can consider representing the Fei family and formally join your Chamber of Commerce!"

Chapter 4227

The first time he heard this, it was like a thunderstorm in Brian's ears.

If you look at the entire United States, there is no Chinese Chamber of Commerce that can invite a giant family like the Fei family in.

After all, for many associations, the assets of the Fei family alone may be more,

Than the entire assets of all the members of the entire association combined,

And in this case, the Fei family is naturally unwilling to play along with them.

The difference is like a billionaire who cannot join a club of millionaires whose per capita assets are only one or two million.

However, Randal took the initiative to come to the door and said he could join the New York Chinese Chamber of Commerce,

And when Brian heard this, he was naturally thrilled beyond measure.

So he asked respectfully, "Mr. Fei, I don't know what kind of cooperation you want to do with us?"

"Don't worry, as long as you say one word, the entire New York Chinese Chamber of Commerce will give its full support!"

Randal nodded and said with a smile, "I am trying to do some charity work with you guys."

"Charity?" Brian was surprised and asked, "Mr. Fei, what kind of charity do you want to do? How do we need to cooperate?"

Randal said with a serious face, "I want to set up a North American Chinese orphans relief fund."

"And take out a sum of money to specifically fund our North American Chinese orphans,"

"To provide them with better relief and guarantee their life quality and education."

"Oops!" Brian exclaimed, "Mr. Fei, you are doing a great service!"

"Although there are not many Chinese orphans in North America, once they become orphans,"

“The situation is much more difficult than the orphans at home,”

“If a charity fund is set up specifically for them, it will be very meaningful for them!”

Said, Brian busy asked, “Mr. Fei, how do we need to cooperate in this matter?”

Randal said very seriously:

“My idea is that I pay to organize a charity dinner, invite some of our Chinese entrepreneurs in New York,”

“Then we donate some money together as we officially established this charity fund,”

“After all, the government is not doing much in this regard.”

“In this kind of thing, it is the Chinese to help the Chinese! That’s why I thought of your Chamber of Commerce.”

“I’m going to start with 20 million dollars,”

“And then we’ll see if our compatriots in the Chinese Chamber of Commerce can also contribute.”

Brian said without thinking,

“Don’t worry, Mr. Fei, our Chamber of Commerce is naturally obliged to do this kind of thing,”

“I will mobilize the members of the association later and ask everyone to donate as much as possible!”

Randal said, “There is no need to donate too much, this time I plan to adopt the pledge system,”

“From the day this charity fund is established, I will personally bear half of all the funds,”

“And the remaining half will be crowdfunded from the whole society, that is to say,”

“I personally pledge 20 million dollars, and the society will pledge another 20 million dollars to officially start it.”

Brian nodded: “No problem, our Chamber of Commerce has more than two hundred members,”

“It’s very easy to raise twenty million dollars!”

After saying that, Brian asked, “Mr. Fei, when are you going to hold this charity dinner?”

Randal said, “My current plan is the evening of the 11th, the venue will be chosen in the banquet hall of the New York Wangfu Hotel,”

“But this charity dinner, we have to work hard to arrange some manpower to help prepare, as a joint venture between us.”

Wangfu Hotel, a Chinese five-star hotel brand of the Fei family, is a global brand in many countries.

Back home, there are more than three hundred Chinese style five-star hotels,

Over the years in overseas development, it has been very rapid,

And the name has become the world's most well-known Chinese hotel brand.

The reason why Randal chose the venue in his own hotel, is also to make it more convenient to get down.

Chapter 4228

Although Randal also knows that once Sara really disappeared in his own hotel,

The hotel will certainly generate a lot of negative news, but he does not care about this at all.

On the one hand, it is the hotel's negative news, but the weight is far less than what he gets in form of Sara.

On the other hand, he knows very well that consumers nowadays are extremely forgetful,

And the survival cycle of negative news of any commercial brand is generally not more than one month.

Many hotels before because of management negligence, have resulted in female customers in the hotel getting into danger,

Or even there have been deaths, and the hotel's reputation and business would indeed receive a great impact in a short period of time,

But after a month, the hotel's occupancy rate returns to the level before the accident.

When Brian heard the time of the 11th, he was a bit embarrassed all of a sudden,

He looked at Randal with some embarrassment and asked tentatively,

"Mr. Fei, recently our Chamber of Commerce has a lot of affairs, the 11th may be a bit rushed"

"I wonder if it can be put after the 15th?"

"After the 15th?"

When Randal heard this time point, he immediately understood in his heart that this was the New York stop performance time of Sara's tour.

However, he pretended to be puzzled and asked,

"President Lu, why do you have to wait until the 15th?"

"It's still half a month away. It doesn't take that long to prepare for dinner, right?"

Brian explained respectfully,

"You don't know, Mr. Fei, the executive vice president of our chamber of commerce has matched the chamber with a cooperation some time ago,"

"Which is the concert of the internationally renowned Chinese singer Miss Sara Gu."

Saying that, Brian looked at Randal and asked him, "Mr. Fei should have heard of Miss Gu, right?"

Randal said in a casual manner, "I've heard of her, I've heard some of her songs,"

“Although I can’t say I’m a fan of hers, but I still appreciate her.”

Brian nodded and continued,

“Miss Gu is going to hold the first concert of her North American tour in New York on the 15th, have you heard about this?”

Randal shook his head to deny: “I haven’t heard of it,”

“I seem to remember hearing someone say that her North American concert will start in Canada first, right?”

Brian explained,

“Her performance plan has changed, it is true that she was to start in Canada, but now it is New York.”

Saying that Brian continued, “For Miss, Gu’s this concert in New York,”

“The local publicity and local business cooperation, are the responsibility of our Chamber of Commerce,”

“Miss Gu’s popularity is very high, this period of time, many brands, companies,”

“Including some public welfare organizations, are flocking to us to talk about cooperation,”

“I do not want to hide it from you, the next week, just need me to attend the cooperation talks,”

“There are at least twenty other things.”

“If you say the night of the 11th to get the charity party, right now there is really not time and energy

Randal smiled slightly, he knew very well in his heart, everything as Jesse said, the key to the success of this plan is Brian.

So, it’s also time to paint the pie for Brian himself!

So, he looked at him and said seriously: “President Lu, I know you are busy and distracted,”

“But I still hope you can help me get this charity dinner started on time,”

“If this charity dinner is a complete success, I, Randal, will represent the Fei family and officially join the New York Chinese Chamber of Commerce,”

“And in the future, if the Fei family has suitable good resources,”

“I will also be the first to dock to President Lu here!”

When Brian heard Randal’s words, his whole spirit was immediately lifted.

If the Fei family could be introduced into the New York Chinese Chamber of Commerce.

It would definitely be a great achievement for the entire chamber.

Moreover, once the Fei family officially joins the New York Chinese Chamber of Commerce,

It would mean that the gold content of the New York Chinese Chamber of Commerce would far exceed that of other chambers of commerce.

Brian is now worried about how to compete with the other two Chamber of Commerce presidents
Who are on par with each other for the first post-merger Chinese Chamber of Commerce presidency?

Chapter 4229

If he could attract the Fei family to join him at this time, he would be the first president of the Chinese Chamber of Commerce!

Thinking of this, he became excited and couldn't help but ask Randal, "Mr. Fei, are you serious about this?"

"Of course!" Randal said with an arrogant expression, "I, have always been a man of my word,"

"And I will keep my promise as long as you can help me make this charity dinner a success!"

At this moment, Brian's heart was already overjoyed, and he hurriedly said,

"Yes, Mr. Fei, just ask me how you need my help, as long as it is within my ability, I will do my best!"

When Randal saw that he had taken the bait, he smiled in satisfaction and said,

"I have two requests now, the first is that your Chamber of Commerce should officially announce the cooperation with me as soon as possible,"

"And the second is that the charity dinner on the 11th, your Chamber of Commerce should hold up the scene for me as much as possible."

Brian said without thinking, "No problem! We can officially announce our cooperation with you today,"

"And as for the dinner, don't worry, I guarantee on my personal reputation that,"

"At least 80% of our New York Chinese Chamber of Commerce members will be there!"

The two requests of Randal are too simple for him, and it's easy to announce it to the public.

And it's even easier to find more people to support the event.

80% of the members will be there and that is already a conservative estimate.

As this is a charity dinner held by the young master of the Fei family.

Now, the young master of the Fei family invited them to attend the charity dinner,

He is afraid that they will scramble to come up.

When Randal heard this, he was naturally very satisfied and said with a smile,

"President Lu is really quick! Don't worry, as long as this charity gala is done beautifully for me,"

"I will give you the benefit of the doubt!"

Brian hastily bowed and said, "I am grateful to Mr. Fei for his care!"

Randal nodded, then pretended to suddenly remember something and said:

"Oh yes, President Lu just said that your Chamber of Commerce has a lot of cooperation with Miss Sara Gu next?"

"Right." Brian said: "In addition to Miss Gu's U.S. tour,"

"We are also talking with Miss Gu to continue to cooperate with her tour in Canada a bit,"

"Not to hide it from you, Miss Gu this tour, is a farewell concert,"

"After the tour, she will be permanently retired from the entertainment industry,"

"So this concert is very significant, and the revenue potential is also very huge!"

Randal could not help but sigh:

"Hmm if I can invite such an influential star as Miss Gu to attend this charity dinner of mine,"

"I think it will definitely bring this charity project to a higher level."

Speaking of which, Randal looked at Brian and asked,

"President Lu, I wonder if you can help me make a connection with Miss Gu,"

"I don't have any other requests, as long as she can spare two hours of her time on the night of the 11th to come and support the show!"

Brian said with some difficulty, "Young Master Fei, I can't guarantee you this,"

"Because I don't really have any friendship with Miss Gu, but mainly rely on our executive vice president, who has some friendship with her father."

Randal nodded and said, "Then it would be hard for President Lu to communicate with the executive vice president,"

"So that he can help pull the strings, you just said that Miss Gu's New York concert is till the 15th,"

"So she should arrive in the United States on the 11th, how, besides, I do not want to engage in any business cooperation with Miss Gu,"

"But mainly for charity, for the orphans,"

"I believe that Miss Gu will be interested in this kind of charity project, you just need to help me pass the word to."

Chapter 4230

Saying that Randal added: "Oh yes, please send Ms. Gu a message to say one more thing,"

"If she is willing to be gracious, I will take out an additional \$20 million as a charity fund into the pool of funds,"

“So that it can also help more people in North America, who lost their loved ones, I believe she will not refuse.”

Brian thought for a moment in his heart and thought that he could agree to this matter,

After all, it is only a message, there is no loss to him,

If Sara agrees, then Randal naturally owes him a favor, if Sara does not agree, he will not offend Randal,

So agree to him, there are a hundred benefits for him without harm.

Moreover, he also has his own little heart.

This year, Randal is also twenty-six or seven years old, it is the age of marriage,

And Sara is also in her twenties, and Randal is a good match,

If they see each other through this charity dinner and make a good relationship,

Then he will not be the matchmaker of the two?

In the traditional Chinese concept, it is a great credit to make a marriage.

So, without thinking, he said, “Don’t worry, Mr. Fei, I’ll help you implement this matter!”

When Randal saw Brian’s agreement, he knew that his bait had been successfully thrown, and was overjoyed.

.....

An hour later in Eastcliff.

Although it was already after eleven o’clock at night, Sara was still in the rehearsal room,

Practicing the newly choreographed dance for this concert with her own choreography team.

Every time on the eve of a concert, everyone would go through rehearsal after rehearsal,

To enhance their muscle memory and ensure that nothing would go wrong during the performance.

Sometimes, the whole team even had to stand up for several consecutive all-nighters.

At that moment, her manager Tasha pushed the door and walked in.

After entering, she smiled and waved at Sara, then sat down on a bench and watched her rehearse without saying a word.

Only after the song was over did Sara say, “The music will stop for a moment, and everyone will take a ten-minute break.”

A group of girls accompanying her for the dance finally breathed a sigh of relief,

One of them looked at the unchanged Sara, marveled:

“Sara sister your physical fitness is too great we are almost exhausted, how do you not even sweat

Only then did she realize the objective fact that she was so focused on rehearsing,

That she completely ignored the physical abilities of the others and had completely failed to keep up with them.

Since drinking the rejuvenating elixir water given by Charlie,

Her physical fitness has been greatly improved, not to mention compared to girls of the same age,

Even compared to those well-trained males of the same age.

With excellent physical strength, once she immersed in rehearsals, ignoring the passage of time,

The other dancers will have to follow her and it is like suffering.

Seeing everyone tired and sweaty, panting, Sara said very apologetically:

“I’m really sorry girls, I didn’t expect to practice for so long at once, let’s rest for a while,”

“Rest for half an hour, I’ll treat everyone to dessert, just tell Maggie what you want, she will help you order.”

The dancers cheered and flocked to a girl in her early twenties, the girl called Maggie, who is Sara’s assistant on site.

After settling everyone down, Sara came to Tasha’s side and asked with a smile,

“Tasha, do you want to see me for something?”

Tasha nodded and said, “The vice president of the New York side, Luan, called and said that,”

“The son of the American Fei family is planning to cooperate with the New York Chinese Chamber of Commerce to hold a charity dinner,”

“And launch a charity fund project. There are no arrangements for the evening of the 11th.”

Sara thought about it and said, “Although there are no arrangements for the night of the 11th,”

“It doesn’t mean that there is definitely time, what if I have to go see Charlie, or Charlie comes to see me?”

She then said to Tasha, “Tasha, you’d better politely decline for me, just say I’m short of time,”

“So I won’t go to the dinner, but since it’s a charity dinner, then I definitely need to donate some money to show it,”

“You can help me donate one million dollars then.”

Tasha couldn’t help but ask, “Sara, don’t you want to know what this charity fund is for?”
