

## Chapter 423

When Orvel listened to Charlie's instructions, his expression stunned, he immediately picked up the dagger, and said to his followers, "Come on, hold his head for me!"

Liu Ming was frightened, struggling desperately, shaking his head desperately, he was unwilling to let people engrave the word "poor hang" on his forehead, these two words, but he said every day when he spoke to others and scolded others. !

In the past few years, Liu Ming's family has made some money, and his life has become more and more nourishing, so his whole person has become more and more ecstatic.

When he goes out and see garbage pickers, he will call them poor;

When he goes to the street and sees that one's car is not as good as his, he will also call them poor.

Some time ago, a high school student wearing Metersbonwe accidentally rubbed milk tea on his r jacket. He directly beat the other party into a concussion. When the other party's parents arrived, he also scolded the other party: "A poor family Hanging, selling your whole family is worth nothing for me!"

After speaking, he left without paying any money for medical expenses.

Last night, he went out to catch a meal and saw a traffic jam on the road. He drove his Maserati retrogradely on the sidewalk, forcing the cyclist to carry the car to the side of the road to give him the way. As a result, an Old Master acted slightly slower. At one point, when he got out of the car, he kicked the Old Master into the green belt on the side of the road, and then spit on the opponent's face, and cursed: "B@stard stupid dare to stand in my way? This time it is just kicked. Next time I will f\*cking kill you old thing!"

After that, he just drove away.

Even just now, he didn't have the quality himself, robbed someone else's parking space, and ended up rubbing the car. Instead, he criticized Elsa and Charlie for being poor when he spoke. The degree of arrogance is evident.

If he is now engraved with the word "poor hang" on his forehead, it is really the best punishment for his life, his character, and his actions!

Seeing this kid struggling back and forth, he refused to let himself engrave, and immediately gritted his teeth and cursed: "If you cooperate honestly, I will engrave two characters on your forehead, but if you fight with me here, I'm sorry. , I will not only engrave the word "Poor hang" on your forehead, but I will also engrave the word on your cheeks on the left and right sides!"

After finishing speaking, Orvel felt puzzled, and said: "Right! Don't you just think that your dad has made too much money in the past two years, and it is not you who floated? Then I will let your dad be arrested. Engraved four characters on his face! Then tell him that all this is thanks to you!"

Liu Ming was really frightened!

Although he has a bit of money, it is impossible to really fight against Orvel!

The underworld brother Mr. Orvel, can chop his family into the meat with one knife!

Moreover, above Orvel, there is also the Song family. Who doesn't know that Orvel is a dog of the Song family on the road?

However, even if he is just a dog in the Song family, he is definitely not something others can afford!

If he really engraved the word "poor hang" on his face, how would he see people in the future?

If he really engraved the words "Poor Father" on his father's face, how would his father see people in the future?

When the time comes, Dad will be angry and strip him alive!

So he could only cry while begging: "Uncle, please be merciful, can you make it smaller?"

"f\*ck off!" Orvel slapped his face directly, and cursed: "Dare to bargain with me?"

Liu Ming was in tears and was extremely afraid of feeling wronged in his heart, but he dared not say anything to Mr. Orvel.

Mr. Orvel asked people to grab his head tightly, preparing to use a dagger to engrave a poor character on it.

Charlie took out his phone and turned on the video recording.

Although Liu Ming begged him to engrave a bit smaller, how could he dare to neglect Charlie?

#### **Chapter 424**

So go as big and deep as possible!

This word occupies half of the forehead.

Moreover, Mr. Orvel, an old thing, is too d\*mn ugly writer!

His poor character is not as good as a primary school student.

Mr. Orvel returned to find a supplement for himself, hehe smiled: "Looking at Mr. Wade, I am not used to lettering with a knife, it's ugly..."

Charlie snorted and asked, "You tell the truth, how many years have you read?"

Mr. Orvel laughed and said, "I have been studying for several years. I graduated from elementary school anyway, but it's true that I didn't study hard in six years of elementary school..."

Charlie nodded and said, "Alright, if you engraved him too well, it would be cheaper for him.

When Liu Ming heard this, he cried out of breath.

The pain on the forehead is no longer important at all. The important thing is, doesn't this mean that he's disfigured?

Mr. Orvel looked at the other party's bloody forehead, took out a wrinkled pile of toilet paper from his pocket, sucked the blood-sucking water, and said, "Come on, the other side now!"

Immediately afterward, Mr. Orvel began to carve another character.

He also engraved this character very big, one on each side is really eye-catching!

After the engraving, he looked around for himself, nodded in satisfaction, and then asked Charlie: "Mr. Wade, do you think my craft is okay?"

Charlie stopped the video recording, nodded, and said, "Seems pretty good."

Orvel just smiled and asked, "Mr. Wade, how to deal with this plastic face?"

Charlie said calmly: "You will observe at these two people from now on. If Liu Ming dared to remove his scars and grow long hair to cover his forehead, he would be killed directly by me, and if she had this plastic face if she dared to go. Fix her crooked nose and disfigure her entire face! Besides, if she still dares to play YouTube, break her leg!"

The bodies of the two kneeling on the ground were suddenly startled...

When Liu Ming was thinking about going back, he hurried to find a plastic surgery hospital to remove the scars, and then grow his hair a little longer and covered his forehead with bangs. This should have a little effect...

But what Charlie meant was to let all the people see what was on his forehead with two big characters in the future!

And that plastic face was thinking about it, and when he went back, she will quickly find a mobile phone to log in to YouTube, deleted the video that Orvel sent just now, and then go to the plastic surgery hospital to get her nose back.

But Charlie directly and expressly forbids her to trim her nose, and even refused to let her use YouTube. How can she become an internet celebrity in the future? How to lie to those poor fans? How to hook up the rich second generation? !

The two of them cried and begged for mercy, hoping that Charlie could open up their future and not to kill them all.

Charlie was completely unmoved. He said to Orvel, "You remember what I told you. If something goes wrong, I will ask you only!"

Orvel immediately stood up straight and said seriously: "Mr. Wade, don't worry, I will observe these two s!t in the future!"

After that, he gritted his teeth and looked at the two of them, and said coldly: "You two bird people will remember me. You will check in with me every other week from now on. Let me check in person, and I will go to the chase one day later. At that time, the entire Aurous Hill, and even the entire Nanguang people will hunt you down! If you escape from the province, I will send my little brother across the province to hunt you down! Until I hacked you to death I won't stop, do you understand?!"
