"Baby daughter, even if the skies falls down, papa can handle it for you. Do not fret." The voice on the other side of the phone was extremely calm, and he really did not care about his child's trouble at all.

" Yet, however it's extremely bothersome. Individuals I've provoked are possibly more than those big shots Lu Hongguang from Rong City."

" What ... what! Who are you speaking about?" The person on the other end of the line was immediately delighted.

" Lu Hongguang, Ning Xingpeng, Bao Jingzhong, Chen Kaihua."

" Shen Dan, what did you do?" The voice on the other side of the phone screamed furiously. He doted on his little girl and she had actually been spoiled given that childhood years, however he did not expect that Shen Dan would certainly cause such big trouble.

The Shen household could not pay for to upset any individual of the 4 big shots' household. Now that she had actually provoked 4 individuals at the same time, she was driving the Shen family into a dead end.

" Dad, I'm sorry. I don't intend to. I really did not recognize he could be so powerful," Shen Dan cried.

On the flag-raising platform, when everything was disclosed, the reality was revealed. Throughout this time period, the students were really upset concerning the gossip on Jiang Yingying. They were very dissatisfied with the president's handling of this issue.

The good news is, he relinquished his placement, so they might cool down a few of their temper. Additionally, Bao Jingzhong and also Chen Kaihua either turned up. They would reinforce the administration of this matter in the future, so the entire issue calmed down.

Jiang Ying considered Samuel with tears in her eyes. She really did not recognize exactly how she can thank him. He was so busy. Whatever he did, she couldn't repay him.

" Thanks, Bro Samuel." Jiang Yingying claimed.

Samuel patted Jiang Yingying's shoulder and claimed, "It's just a little issue. Don't take it to heart.

Jiang Yingying kept nodding her head, sobbing so hard that she could not make an audio.

Samuel came down from the flag-raising platform and secured his phone.

" Thank you for your help. I owe you a favor," Samuel claimed.

I will certainly remember this favor," Gina stated. Samuel might not utilize such a fantastic power in Rong City.

" How many individuals understand about this?" Samuel stated.

" Don't stress. I have actually asked someone to pass on the message. No person knows that this matter has something to do with the Hannigan family members," Gina claimed.

" That's great. There's absolutely nothing else. That's it."

" When the new year is coming, return the support to me. Take her house to have a look," Gina claimed.

"Yingying, I'm sorry. Shen Dan forced me to do this. If I really did not do this, she would not let me go. You understand that her household is extremely abundant. Just how could I risk to upset her?" Liang Hong took a video. Although she got some cash, her conscience was also enduring. Today, Jiang Ying get her virtue back.
