

## Chapter 4251

After listening to Philip's voice message, Charlie was surprised in his heart.

If it is really as Philip said, combined with his father's recognition of this man back then,

It is enough to see that Hogan must have very strong overachievements.

And Charlie is also very clear in his heart, his current biggest development constraint is the scarcity of talent.

Although the Cataclysmic Front is strong, but after all, it cannot see the light,

And what the Cataclysmic Front can solve, is the force level problem.

In the future, want to let the Wade family's strength rise,

Force is only a very small part of it, more, is the operation.

In this point, even Charlie himself is far from it.

In the future, the Wade family not only needs a leader to show the course,

But also needs an experienced trader with the safest and most efficient way

To help the Wade family this huge ship sailing more stable, faster, and farther.

Perhaps Hogan is a suitable candidate.

However, Charlie knows very well in his heart that he is not familiar with Hogan and knows very little about his past,

And he is bound to do the same for himself.

It would undoubtedly be a bit abrupt to directly propose an invitation at such a time.

So he planned to take this opportunity to get acquainted with him.

Soon, Hogan and the fellow downstairs began to walk upstairs with the elaborate Cantonese-style rice dishes.

After Hogan had finished his work and filled the long table with food,

He finally stopped his busy work, took off his apron, and came to the opposite side of Charlie and Sara.

After some courtesies, the three of them sat down opposite each other.

Hogan took out a bottle of old yellow wine and said to Charlie,

"Young Master Wade, if you have a taste for it, you might as well have a couple of glasses together."

Charlie said without thinking, "Yes, Uncle Chen, I will drink some with you."

Hogan nodded and smiled, opened the yellow wine, and was about to pour it for Charlie,

When Charlie took it over first and smiled,

“Uncle Chen, you are the elder, it is better for me to pour you a drink!”

With that, he poured the wine glass in front of him half full first.

Hogan seemed to be somewhat terrified, stretched out his hands to protect the wine cup all the time,

After Charlie finished pouring, he said gratefully,

“Thank you, Young Master Wade,”

Charlie nodded and asked, “By the way Uncle Chen, are you from Hong Kong Island?”

“No.” Hogan shook his head and said, “My ancestors are from Duanzhou, Guangdong Province,”

“My father ran to Hong Kong Island during the war, I was also born in Hong Kong Island,”

“My father relied on the ancestral craft of roasting geese in Hong Kong Island,”

“And took root in Hong Kong Island, and then my family gradually became rich,”

“So they sent me to Europe and then America to study.”

Charlie asked curiously, “Then how did you meet my father?”

Hogan said, “I met your father when we were hiking in the United States,”

“We were both students at that time, we just ran into each other when we were hiking during the holidays,”

“Plus we both had almost the same trip planning, so we became friends from then on.”

The two of us went to schools far away from each other,”

“But we didn’t see much of each other, although we wrote and called often.”

“Then later, your father went back to China with your mother, and left me a contact when he left,”

“Hoping that I could go to Eastcliff to find him after graduation,”

“But my heart was attached to the home, so I went back to Hong Kong Island.”

## **Chapter 4252**

Charlie heard this and nodded gently.

He actually wanted to know how Hogan was later given a kill pursuit order by the big guys in Hong Kong Island.

However, he thought that such questions were generally sensitive and not suitable to be asked in person,

So he gave up in his heart and said with a smile on his lips,

“So you and my father actually met because of a hiking trip.”

Hogan nodded with a smile, looked at Charlie and asked with a smile,

“Young Master Wade, do you want to know how I was put under a jianghu pursuit order in Hong Kong?”

Charlie was slightly stunned, and immediately afterward, he said smoothly,

“Uncle Chen, I’m not going to hide it from you, I’m really curious .....

“Haha!” Hogan smiled brightly and said, “This matter, back then in Hong Kong Island almost everyone knows .....

“To say not afraid of young master Wade making a joke, I went back to Hong Kong Island,”

“My father’s health was not very good, so I hoped I could take over his roast goose store,”

“Although I was young when not less to help him, but also Not less to learn his secret,”

“But I was with higher education, after all, advanced elements, high-minded and arrogant,”

“So took the liberty of the store to cash out, take the money to start my own business,”

“Specializing in asset management for the rich.”

“Later, I helped a very famous rich businessman on Hong Kong Island, surnamed Liu, to manage his assets,”

“So that his assets quintupled in three years, he was very happy, so he called me to his company and said to me:

‘Ah Hogan, you have helped me make so much money, I do not know how to repay you,”

“How about this, do you have any wish that you can not accomplish, tell me I will help you to realize it!”

Speaking of this, Hogan shrugged his shoulders and said,

“When I saw how sincere he was, I told him, ‘Liu Sheng, that second wife you kept in the mansion in Shi Xun Dao,”

“She was my first girlfriend in middle school, I loved her very much, and she loved me very much .....

“If I hadn’t been so determined to pursue my studies, I certainly wouldn’t have left her,”

“And if she hadn’t been desperate because of a sudden change in her family,”

“She wouldn’t have agreed to your pursuit as a married man and become your captive canary .....

“Now I also have some ability, boasting that I can give her a happy life,”

“So, can you return her to me for the sake of me helping you earn so much money .....

Charlie and Sara both listened dumbfounded, never thought that Hogan was put under a jianghu pursuit order, but because of a woman.

At this time, Hogan sighed, lamented:

“I thought, he does not look at the face of the monk to see the face of the Buddha,”

“Not to see the face of the Buddha at least have to look at the face of money,”

“And he was surrounded by many women, just be worshipped as a goddess of just Hong Kong and Taiwan actress,”

“Do not know how many obsessed with him, and he had also been everywhere dabbling in flowers,”

“He was a notorious playboy in Hong Kong .....

Said here, he turned, self-deprecating:

“But I counted a thousand calculations, but only did not count to,”

“He was such a playboy, my first girlfriend was not just another woman in his life, but also true love .....

“At that time I just finished this sentence, he immediately let his men to arrest me and beat me up,”

“After the beating put the gun on my head, forcing to ask me whether I have given him a cuckold .....

“I only revealed my feelings to my first girlfriend and asked her if she was willing to leave that person and stay with me,”

“And only after I got her approval did I tell the truth to Mr. Liu, and it was because,”

“I felt guilty that I tried my best to help him make money and hoped he could make us whole .....

### **Chapter 4253**

Sara on the side asked nervously, “And then? What did he say?”

What did he say ah?” Hogan repeated, sighed, and said helplessly,

“Of course, he did not believe me, he said I must have cuckolded him behind his back, no matter how I explained he was not moved.”

“However, he later said, for the sake of money, can forgive me this time,”

“Let me go back to recuperate, by the way, give me time to think clearly;”

“If I get well and continue to help him make money, he would pretend that nothing had happened, otherwise, he would take my life.”

Speaking of this, Hogan smiled and added:

“However, he could not dream that I had left a backhand when I decided to tell him all this,”

“And I asked my first girlfriend in advance to come out of the villa with her passport and wait for me at the hospital near the company.”

Charlie was surprised and asked, “You guessed that he would beat you into the hospital?”

“Not really.” Hogan laughed: “If I had known he would really do that,”

“I would have taken my first girlfriend and eloped, and I would have received fewer beatings.”

Hogan said: "In fact, I was thinking that there are only three outcomes;"

"The first one is that Liu sees that I have helped him earn so much money,"

"There is still value in the future, plus he has too many women around,"

"And will not care too much about one of them, so directly let us go;"

"The second, is the surname Liu after knowing the great shock, directly would be killed;"

"The third one is that although Liu is very angry, but for the sake of my use-value,"

"Give me a lesson, let me give up this idea, continue to make money for him."

The first one is that I can walk to the hospital and tell her the good news myself,"

"And because it's close, I can also see her faster;"

"If the situation went the second path, then she certainly can not wait for me at the hospital entrance,"

"If not wait for me, it proves that the surnamed Liu will not let her well,"

"But at least she has escaped from the clutches advance so that she can report to the police,"

"So that the police look for my whereabouts, but also by the hand of the police, to protect her own personal safety;"

"If the situation went to the third, then she would see me being beaten half to death and sent to the hospital,"

"Which also proves that the surnamed Liu does not intend to fulfill our wish,"

"Then we do not do what he thought, immediately meet in the hospital, and then find the opportunity to elope."

Charlie heard this, in the heart, he admired this man.

Ordinary people do things, take one step to see one step,

Smart people do things, take one step to see three steps, the most intelligent people, take one step to determine ten steps.

Hogan did not know in advance what the outcome of this matter but made the most meticulous arrangements in this situation.

And, this can also be seen in his love for his first girlfriend, of the three possibilities,

He had a possible death, a possible injury, but he left his first girlfriend three possibilities,

All in and out, basically would not have any risk of injury.

This shows that this person's way of thinking is really much better than the average person, and also much better than himself.

At least, the same thing if placed on their own, they certainly can not do him so meticulous and thorough.

At this time, Hogan expression with a childlike smile said:

“At that time I was sent to the hospital covered with injuries,”

“Who would have thought that half an hour later, I quietly ran out of the hospital, and took his first girlfriend to elope.”

Saying that, Hogan said again, “I was planning to take a plane to Southeast Asia,”

“And then find the opportunity to smuggle from Southeast Asia to the United States,”

“But I did not expect that the surnamed Liu returned to the villa, did not see my first girlfriend,”

“Found my first girlfriend took away the passport, immediately after gave the Jianghu pursuit order,”

“Offering a reward of 30 million Hong Kong dollars for my life .....”

#### **Chapter 4254**

Hogan continued: “At that time, we both just arrived at the airport,”

“Before getting out of the cab, you could see a lot of kooks outside the airport looking around,”

“I saw things are not right, can only give up the original plan.”

“Originally I wanted to find the opportunity to smuggle out of Hong Kong,”

“But the 30 million reward, is the year Hong Kong’s largest dark flower, several major gangs on Hong Kong Island were fighting,”

“But in order to earn this money, they all temporarily shook hands and made peace, all the men sent out to find us both,”

“Even the Macau gumshoes had heard the news to come to try their luck, all the gates and piers in Hong Kong,”

“At that time, were gumshoe eyes, I was desperate, before calling your father to save his life .....”

“Later, young master Changying flew over from Eastcliff, met with Liu, made a lot of sacrifices and concessions,”

“In exchange for his promise to let us live, for which I have been very grateful,”

“Also promised him to settle his family and other things on this side of Hong Kong Island,”

“To go to Eastcliff to find him, for him to saddle .....”

Speaking of this, Hogan sighed: “But I never thought that later the young master Changying died young .....”

“After his death, the surname Liu immediately turned his face, in my visit to the young master Changying,”

“He took out 30 million dark flowers to buy my life, I had no choice but to escape .....

Charlie at this time could not help but ask: “Uncle Chen, what about your first girlfriend?”

Hogan smiled self-deprecatingly and said, “She came to the United States with me,”

“Because there was still a little cash on hand, we arrived in New York and blacked out here,”

“With the money on hand to open such a small restaurant, the income was not bad,”

“But every day morning and night it was really hard, after a long time,”

“She may not always adapt to the life here, so one night I after returning from odd jobs,”

“I found that she had taken her passport and left without saying goodbye.”

Charlie really did not expect that the end of the story would end this way, a moment of surprise and all speechless.

He originally thought that Uncle Chen gave up everything,

And eventually will be able to harvest a release of the love of the South Mountain,

The achievement of a good story of a lover finally become a couple.

But even in his dreams, he did not expect to end up with such a miserable ending.

Hogan also saw Charlie’s amazement, a slight smile, shrugged his shoulders and said,

“Indeed she did so I can understand, after all, when she was in Hong Kong Island,”

“Living in tens of millions of dollars of luxury villas,”

“And after we came to the United States, living in the basement of less than five square meters,”

“That kind of dark life, the average person really can not accept.”

Charlie nodded, and asked, “So she went back to Hong Kong Island?”

Hogan laughed: “I think she must have returned, but I risked calling back to my friends on Hong Kong Island to ask,”

But no one knows her whereabouts.”

“I was told that she might have taken her life and asked me to check the missing persons information at the police station,”

“But I didn’t believe it because if she really took her life, she couldn’t have taken her passport with her,”

“And since we were illegal immigrants, the only use for her to take her passport with her”

“Would be to actively expose her identity and then be deported back to Hong Kong Island,”

“So I knew then that she must have gone back to Hong Kong Island.”

“This state of uncertainty about her whereabouts lasted for about six months or so,”

“Until after the original spouse, surnamed Liu, died of an illness, she suddenly appeared in the public eye as Liu’s official girlfriend.”

“Not long after, the two of them got married, that wedding was very grand,”

“The Hong Kong Island famous tycoons and stars had gone,”

“I dragged someone from Hong Kong Island to buy some newspapers and magazines that reported her wedding,”

“There are many photos of the wedding scene, see the photos of her really happy,”

“I was rest assured, then I have been at ease to run this small restaurant, until now .....

### **Chapter 4255**

When Charlie heard this, he no longer knew what to say.

It sounded like Hogan gave so much for love, but in the end, it turned out to be an empty basket.

Even, it can be said that he lost his wife and lost his army.

Moreover, he was originally in Hong Kong Island, already an elite among the elite,

And could even make his father look at the cottage for him, so to speak, his original life was full of unlimited prospects.

However, in the end, he not only gave up everything he originally had but also offended a big man.

Someone he could not afford to mess with,

So much so that he is now unable to return to Hong Kong Island or live in the United States with a reasonable and legal identity.

An elite class at the top of society, in the end, could only be smuggled into the United States,

With many Chinese who choose to live in the dark in Chinatown to work,

Nestled in the dilapidated zone for more than twenty years .....

It is not too much to say that his life is ruined by his own decisions.

Thinking of this, Charlie could not help but ask him, “Uncle Chen, these things, do you ever regret?”

Hogan shook his head and smiled lightly: “There is nothing to regret, people have to be responsible for their own decisions,”

“I really wanted to go with her to the end, but I was overwhelmed by love at that time,”

“And failed to analyze the feasibility of this matter objectively and deeply from multiple angles.”

He said and continued with a smile: “People say that heroes are sad to beauty,”

“Not to mention that I was not at all heroic at that time, and young and frivolous,”

“Always feeling that the two’s love was the most important,”

“But I did not understand that a single person at different times, with different positions, will make very different decisions .....

“Some women, who have been caged finches for a long time,”

“Deep down will grow a yearning for nature and feel that they would be perfect if they could dive headfirst into nature;”

“But most of them, in fact, do not really yearn for nature, but eat too much, live too comfortably,”

“If you really let them fly to nature, subjected to wind and rain, sun and clouds,”

“Winter snow and frost and hunger, most of them, will begin to miss the old cage;”

“At this time, the cage in her eyes is no longer a cage, but a palace to look up to.”

Speaking of this, Hogan snapped his desk and shook his head with a bitter smile,

“Unlike her, I really yearn for nature, so it’s normal to part ways.”

Bitter smile for a moment, Hogan picked up a glass of wine, took a shallow sip, and waved his hand, laughing:

“But love is something that requires such reckless, desperate courage to have a soul,”

“If everything is calculated ten steps forward, ten steps backward, and finally weighed out the most favorable choice,”

“It is not love, it is business, I still hope that love is something that can try to be simpler.”

Charlie heard this, Hogan’s open-mindedness, felt only more admiration.

Then, he asked, “Have you ever thought of returning to Hong Kong?”

Hogan laughed: “Thought about it, but the surname Liu did not let me back,”

“Originally he has not given up on killing me, even after the two of them got married,”

“The dark flower that bought my life has been in,”

“And even at that time, there were already people who intended to come to the United States to find my whereabouts,”

“After that, Mr. Gu for me, went to Hong Kong Island to talk to him once,”

“His meaning was that I have become the only one left in his life that is a column of shame,”

“He gave Mr. Gu a face, no longer hunt me, but I also have to have self-awareness, in this life I can not return to Hong Kong.”

Charlie could not help but frown and said in a cold voice:

“I think this person is too much!”

Hogan laughed, "It's understandable, after all, my behavior made him lose face in Hong Kong,"  
"And for rich people, reputation is often more important than anything else."

Charlie nodded slightly, he had wanted to tell Hogan that if he wanted to go back,  
Then he would definitely help him take care of that rich man named Liu.

Even, Charlie also wanted to tell him, if he is willing to cooperate with himself and help him in the future,

He himself will certainly make his life reverse.

However, Charlie thought for a moment, and then felt that today is his first meeting with Hogan,  
If he could take the initiative to say this, it would seem too purposeful.

Moreover, he lacked an understanding of Hogan, so he might as well get familiar with him first and then try to figure it out.

#### **Chapter 4256**

At this time, Hogan took the initiative to help himself and Charlie to pour the wine, said with a smile:

"Young Master Wade, do not just talk about me, how about talking about you,"

"You have been missing for so many years, many people were thinking about your safety,"

"Including me, but I have been unable to take care of myself, not able to do something like Mr. Gu,  
around Looking for you ....."

Charlie smiled gratefully and then told him about his approximate experiences over the years.

When Hogan learned that Charlie was now the head of the Wade family,

He was thrilled beyond words and exclaimed in praise, "Young Master Wade, for you to become the head of the Wade family,"

"I believe that Young Master Changying's spirit in heaven must be very relieved!"

Charlie gently nodded, couldn't help but feel emotional:

"In my opinion, the only way to truly console my father's spirit in heaven is to let the Wade Family stand at the top of the world."

After hearing this, Hogan's face was shocked.

He really did not expect that Charlie would have such an ambition.

However, he knew very well in his heart that it was not difficult to have great ambition,

But to turn it into reality was as difficult as ascending to heaven.

How much Charlie is like his father, he is not quite sure.

When he thought back to the kindness of Changying to himself, at a certain moment, he moved to serve Charlie like a dog and horse.

However, he and Charlie's idea, the first meeting has not given them a deep friendship,

After all, he does not know Charlie, and Charlie may not look at himself.

So, the two very tacitly agreed to talk more and more easily,

And soon, they talked about Charlie's trip to New York at this time.

Hogan asked: "Young master Wade you came to the United States this time, should be especially to support Miss Gu's concert, right?"

Charlie smiled and said, "Actually, I came to the United States to accompany my wife to further her studies,"

"And I just happened to be in Providence, and I came here today to accompany Sara to a charity dinner."

"So that's how it is." Hogan nodded and said with slight confusion,

"A charity dinner that can invite Miss Gu to attend must be very influential,"

"But I don't seem to have heard of any important charity dinners recently ....."

Sara said casually, "It seems to be the Chinese Chamber of Commerce and the young master of the Fei family doing it together,"

"The purpose is to give donations to the Chinese orphans in Europe and America."

Hogan frowned slightly and suddenly smacked a little different taste.

Although he was only a small owner of a roast goose store,

But because he studied finance and did investment and financing and business management back then,

What he was best at, was information collection and analysis.

Based on this habit that he has maintained for many years, he pays close attention to the valuable information around him,

As long as it is useful, no matter what, he will pay attention to remembering it, and habitually analyze it at the earliest.

Therefore, over the years, what major events have happened in New York, he basically knows them all.

Because of this habit, he has seen and analyzed a lot of things and has come up with his own set of rules.

The first is the charity activities, in this city of New York, there are almost no low-key charity people.

So, as long as someone wants to engage in charity,

They will certainly try every way to promote the momentum so that the charity dinner is known by everyone.

And a charity dinner to invite Sara, but keep it low-profile and away from the community news, this is not normal.

Secondly, this kind of activity is a charity dinner, itself is a very flashy and high-profile performance form.

To put it bluntly, the charity dinner is a bunch of people who could have taken the money out of a low-key good deed,

But they have to get together and make a grand banquet, and even get the media to broadcast the whole thing,

And then take with a high-profile the little or whatsoever money out, for, nothing more than to gain the maximum attention.

So, obviously a charity dinner, but also to deliberately keep a low profile,

In the eyes of Hogan, like a couple said that they want to quietly undergo a hidden marriage,

But can not help but set off firecrackers to celebrate, it is a bit weird.

So, he asked Charlie: "Young Master Wade, are you also an invited guest to this charity dinner?"

Charlie shook his head and said, "I'm not, I was called over by Sara as an escort."

Sara smiled and said, "Uncle Chen, I pampered Charlie for half a day before he agreed to come over to accompany me."

Hogan felt even more strange, he thought for a moment and spoke,

"Miss Gu, I wonder if it is convenient for you to take me to this charity dinner to see the world?"

#### **Chapter 4257**

Sara didn't expect that Hogan was interested in the charity dinner,

So she didn't hesitate and said with a smile, "If Uncle Chen is interested, come with us in the evening."

Hogan nodded and smiled, "Yes, it won't cause any trouble for Miss Gu, right?"

Sara shook her head and said, "Why not? They invited me as a guest, so I have to give a face."

Hogan sighed, "That's good ..... To be honest, the last time I attended a charity dinner was twenty or thirty years ago in Hong Kong,"

"Since I came to the United States, I have never attended such an occasion, today it is just right to go and see the world."

Charlie had no doubts about Hogan's words.

Moreover, he had not carefully asked Sara about the details of this auction,

So he did not feel anything strange, and his acumen in details was quite inferior to Hogan's.

After eating, Charlie and Sara simply stayed at Hogan's small restaurant.

The three of them talked a lot on the second floor,

Which also allowed Charlie to hear a lot of things related to his parents from Hogan's mouth.

However, Hogan was also not clear about the hidden story of Charlie's parents' murder back then.

Six o'clock in the afternoon.

A series of crisp footsteps came, and Tasha, dressed in a professional suit, ran up to the second floor of the restaurant with a single step.

As soon as she came up, she said to Sara, "Sara, Mr. Wade, it's almost time for us to leave."

Sara nodded and said to Hogan, "Uncle Chen, let's go."

Hogan smiled and said, "You guys wait for me, I'll go downstairs to change my clothes."

Below the roast goose store, there was also a semi-basement,

Which was also the home where Hogan had lived for more than twenty years.

Charlie and Sara waited for a while on the first floor,

And not long after, Hogan, who had changed into a black suit, came up from below.

Although he was already over fifty years old,

But because of his lean and tall figure and bookish face,

He felt very competent and dashing after changing into a suit.

This also makes Charlie can't help but feel in his heart,

If his father was still alive, he thought he would have looked like Hogan.

Subsequently, Charlie, together with Sara and Hogan, took a bulletproof Cadillac from the security company

And went with the motorcade to the venue of tonight's charity dinner, the New York Wangfu Hotel.

Meanwhile, inside the Wangfu Hotel, eight Iga ninjas, led by Kazuo Hattori,

Had already changed into their waiter costumes and started pretending to be busy behind the curtain of the banquet hall.

Due to the shortage of manpower today, the person in charge, Leroy, found twenty temporary workers to help,

The experienced staff were transferred to the front to serve the guests, these inexperienced, will stay in the back to do some miscellaneous work.

This is also the usual hotel routine, so no one feels anything wrong.

At 6:30, Sara's motorcade drove into the Wangfu Hotel, then the motorcade was guided by the staff and drove into the VIP channel of the banquet hall.

The VIP channel is at the back of the banquet hall, which is not open to other guests, so it can better protect the privacy of the VIPs.

After the motorcade stopped, the bodyguard in charge of driving said to Tasha on the passenger side, "Miss Chen, please wait inside the car for a moment, we need to get out first for security confirmation."

Tasha nodded, and then, the front and back cars got down in one breath with more than twenty bodyguards wearing bulletproof undershirts.

As soon as they got out of the car, they immediately blocked off both ends of the convoy

And carried out exhaustive security checks on the left and right sides.

There were even a few bodyguards who walked directly into the VIP lane to confirm and check the route that Sara would take next.

### **Chapter 4258**

Only after confirming that there was no danger, did the driver's intercom come with the voice of his teammate:

"Everything is ready, you can let Miss Gu off."

The driver immediately said, "Miss Gu, you can get off."

After saying that, he pushed open the car door and pulled the back door open for Sara.

Sara and Charlie walked down from the car together, and at this time,

Hogan, who was sitting in the car behind, also stepped out of the car.

Two bodyguards came out from the VIP channel and said to Sara, "Miss Gu, you can go in now."

Sara nodded, and at that time, two middle-aged men and a young man came out of the VIP lane together.

The leader is the president of the New York Chinese Chamber of Commerce, Brian Lu, and the middle-aged man on his left is Micky Luan,

The executive vice president of the New York Chinese Chamber of Commerce, and also a good friend of Philip Gu when he was young.

As for the young man to the right of Brian, naturally, is the organizer of this charity dinner, the youngest of the Fei family, Randal Fei.

Randal made such a big show in order to put Sara in it, so when he heard that she had come, naturally he couldn't wait to see her.

At this time, Sara also saw the three,

When recognized one of them is none other than her father's best friend Micky Luan, she said with a smile: "Hello Uncle Luan!"

Micky said with a smile: "Hey Sara, uncle has not seen you for years,"

"You came to the United States these days, why not come to my home to sit? Your aunt Sun has been talking about missing you!"

Sara politely said, "Uncle Luan, recently there are a lot of things,"

"I have not found time to visit, if you and Auntie Sun have time, tomorrow night I will come to your house for a meal!"

Micky said happily: "Good! My daughter adores you the most!"

"If she knew you were coming to the house for dinner, I'm afraid she would be too excited to sleep tonight!"

Micky said: "Right Sara, uncle to introduce you, this young and promising young man,"

"Is the young master of the American Fei family, this charity dinner, is the young master Fei's organization."

Randal smiled slightly, nodded at Sara very gentlemanly, and said,

"Hello, Miss Gu! My name is Randal Fei, I've heard a lot about you,"

"And today I finally got to meet you in person as I had hoped!"

Sara also nodded her head and said, "Young master Fei is very polite."

At the side, Charlie looked at Randal with interest and thought to himself,

"I wonder what relationship this young master of the Fei family has with Stell,"

"Is he Stell's cousin or Stell's cousin's nephew?"

Micky then said, "Sara, let me introduce to you again,"

"This is the president of our New York Chinese Chamber of Commerce, Brian Lu."

Brian said with a smile,

"Miss Gu, it is really an honor for our New York Chinese Chamber of Commerce to cooperate with you this time,"

"And please rest assured, Miss Gu, for this cooperation, our New York Chinese Chamber of Commerce will definitely do our best to make you and your team satisfied!"

Sara nodded politely and said, "Then it will be hard for President Lu!"

At this time, Micky looked at Charlie and then at Hogan and asked curiously, "Sara, these two gentlemen are?"

Sara first introduced Hogan and said, "This is Hogan Chen, an old friend of my father."

After saying that, and a serious introduction to Charlie:

“As for this ..... his surname is Wade, is my chief feng shui master for this North American tour,”

“I went to a lot of trouble to specially invite him from China, you can just call him Master Wade like me.”

“Master Wade .....” Micky was a little surprised, unconsciously carefully looked at Charlie,

Seeing him so young, but also not much master style, in the heart more or less a few points of contempt,

Think for sure this guy is 80% charlatan, but still politely exclaimed:

“I did not expect Master Wade would be so young, has become a feng shui master, really young and promising right!”

### **Chapter 4259**

Charlie smiled and said casually:

“It’s not really young and promising, but just some friends, if Mr. Luan has any feng shui needs, you can find me.”

Micky does not believe in feng shui secret arts at all, so he is not a fan of Charlie,

But his mouth smilingly said, “Okay, good, since Master Wade said so, I will also give you a chance to hold the show.”

Charlie saw that he did not like himself, a few words of courtesy is just going through the motions,

This buddy really wants to invite him to get to his feng shui set, he will not give him a d\*mn.

This sort of double standard where your feelings are different from what you actually express with your mouth.

But in the heart, the other party is sure that they will not see him in the future.

So, Charlie simply said, “Sorry Mr. Luan, I have a full schedule recently, if you really have feng shui needs, I can help you recommend another feng shui master.”

Micky did not expect Charlie to speak so bluntly, his heart was somewhat upset, thinking:

“I am just being polite with you to give you face, but you took it seriously?”

“You think I would really ask you to come to me to see the feng shui?”

So, Micky smiled and said, “It’s okay, since Master Wade has had no time recently, let’s wait for the next opportunity.”

When saying this, Micky thought in his heart: “This kid is probably a charlatan, I have to take the time to remind Sara, don’t fall for this kind of fraud.”

Randal said smilingly: “The dinner will start in a moment, why don’t we go in first,”

“We have prepared a VIP lounge for Miss Gu, Miss Gu will be honored to rest there for a moment,”

“And then make an appearance after the dinner starts, or give a surprise to the other guests outside.”

Saying that, Randal added: "Right now, except for the three of us, the other two hundred guests do not know that Miss Gu is the mysterious guest of honor tonight,"

"I believe that when Miss Gu makes her appearance, it will definitely cause a huge sensation."

Sara had known about his arrangement, so she didn't have a problem with it,

Nodded gently and said politely, "Thank you for your hard work, Young Master Fei."

Randal laughed, "It's all as it should be."

Saying that, he hurriedly made an invitation gesture and said, "Miss Gu please!"

Sara nodded, and the bodyguard came forward and said to Sara,

"Miss Gu, we have checked inside, it is all safe, and there are still security personnel arranged by Young Master Fei inside,"

"So we will not send too many people inside, I plan to let six team members go in with you,"

"And the rest will be on standby at the front and back doors."

Sara didn't doubt that there would be any problem with her security, so she agreed to do so.

Afterward, she took Charlie, Hogan, and her assistant Tasha, then followed Randal and the others inside.

However, at this time, Hattori Kazuo was not immediately arranged to go near the VIP room that Randal had prepared for Sara,

But temporarily stayed in the back kitchen to help out and prepare the drinks.

According to Hattori Kazuo's own plan, he would first wait for the target to enter the VIP room,

And then send one of his men to accidentally spill wine on the floor near Sara's VIP room during the process of delivering wine to the banquet hall,

And then Leroy would step in and arrange for several other people to quickly replace the stained carpet,

While they would take advantage of the time to change the carpet to get to the task.

At this moment, Randal and others, led Sara and her party to the entrance of the VIP lounge,

Randal took the initiative to open the door and said to Sara:

"Miss Gu, it's hard for you to rest here for a moment,"

"Later the dinner officially starts, President Lu, Vice President Luan and I will all make speeches respectively,"

"When we finish our speeches, we will announce that we invite the mysterious VIP to make an appearance, then there will be staff to inform you to enter the venue."

"Understood." Sara also did not think much about it, nodded, and said, "Then I will wait here."

“Good!” Randal nodded happily and said with a smile, “Then Miss Gu will go in first to rest, and we will go to the front to prepare.”

After Randal and the others left, a bodyguard said to Sara, “Miss Gu, we have checked inside the VIP lounge,”

“There are no other passages, it is very safe, and there are no eavesdropping or recording devices,”

“You can rest assured, six of us will guard the entrance, if there are any problems you can call me at any time.”

## **Chapter 4260**

Sara nodded and said, “Thank you for your hard work.”

“We should.” The other party said, “By the way Miss Gu, there are some drinks and desserts inside,”

“You are advised not to consume them freely for safety’s sake.”

“Okay, I know.”

After Sara finished speaking, she looked at Charlie and Hogan and said, “Uncle Chen, Charlie, let’s go in and sit down for a while.”

After saying that, she looked at Tasha and spoke, “Tasha, you also come in and take a rest.”

The four of them then went into the lounge.

As soon as Hogan entered the lounge, he began to look around.

Although the lounge was luxuriously decorated and well furnished, he felt that this place was really difficult to feel safe.

Because, this lounge contacts the outside world only a door, in addition, is a completely enclosed space.

Under normal circumstances, the privacy of this room is excellent,

But once in danger, this room almost does not have any chance of escape.

Thinking of this, he could not help but with some worry, always feel, this charity dinner and this confined room, seems to hide some hidden secrets.

So, he asked Sara: “Miss Gu, how were you invited to this charity dinner?”

Sara said: “The vice president Luan is my father’s former friend,”

“Because of this relationship, my first few stops on this tour, with the New York Chinese Chamber of Commerce reached a series of cooperation,”

“A few days ago Uncle Luan said the young master of the Fei family wants to cooperate with them to organize a charity dinner,”

“They hope I could come over to support a show, I think the theme of this charity dinner is quite meaningful, so I agreed. “

Hogan nodded and asked, "Tonight's charity dinner is for Chinese orphans, right?"

"Right." Sara nodded, the afterglow could not help but look at Charlie and spoke,

"Charlie suffered a lot in the orphanage back then, and now he also puts out a lot of funds to do charity for the orphans, so I also want to do my part."

At the side is Tasha, at this time also quietly staring at Charlie,

Want to see if Charlie's expression at this time will be because of Hogan's question showing some changes.

Charlie, whose emotional nerves were somewhat dull, had a little reaction at this time, while Hogan's heart became even more worried.

Because he thinks, so it seems, this charity dinner, is more like tailor-made for Sara.

So what is the purpose of the other party doing this?

The young master Fei fell in love with Sara and wanted to cater to her, or did the other party have some mischief in mind for her?

If there was no this airtight room with no place to escape, Hogan might think that it was probably Randal who wanted to win Sara's attention.

However, if this room is included in the conditions of analysis,

Hogan feels that there is a faint murderous spirit in it, so the latter seems more likely.

It's like, a man goes on a date with a woman if he carries a condom with him,

It doesn't necessarily mean he wants to commit a crime, maybe he just wants to come along after the atmosphere arrives.

But if he carries a dagger in addition to a condom, then the flavor of the matter has changed.

For a while, he did not know how to tell Charlie and Sara his opinion,

After all, Sara is a public figure, many things will naturally be infinitely magnified once it comes to public figures.

If Sara was not a big star, then he would really advise her to be more cautious and better leave the place first.

However, after all, she is a public figure, and is here to attend a charity dinner,

If she leaves without saying goodbye, once the word gets out, it will have a great negative impact on her reputation.

In case one is overthinking, then this matter will make a big oops.

At this time, Charlie saw him frowning slightly, seemingly preoccupied, so he curiously asked, "Uncle Chen, what are you thinking about?"

Hogan came back to his senses, shook his head, and said,

“Oh, nothing Young Master Wade, just thinking that the privacy of this room is really good.”

Charlie felt a little nonsensical but still nodded out of politeness.

At this time, Hogan sat down next to Charlie and asked him in a low voice: “Young Master Wade, I don’t feel good about this.”

Charlie was surprised and asked him, “Uncle Chen, which area do you mean?”

Hogan looked around for a while and spat out one word in a low voice: “Here.”
