"Is there no one in the passenger seat? The woman tossed a flirty look at Samuel.

Samuel looked her up and down and claimed, "I'm the vehicle driver."

Upon hearing this, the female's expression changed in a split second. She gritted her teeth as well as stated, "It's a waste of my time. Why really did not you tell me previously that you're a lousy chauffeur?"

"I'm the driver. Do I have to use a brand on my neck?" Samuel grinned helplessly.

Nevertheless, this female was obviously not curious about him anymore. She turned around as well as left, as well careless to care what he said.

Samuel sighed. It seemed that she was a high-ranking gold digger, however in reality, she was ugly inside and could do anything for money.

"Wow, pal, you have actually wasted an excellent chance. This sort of lady can be quickly capitalized on, but you do not desire it." A voice of aversion appeared in Samuel's ears.

"It's you."

"What the fuck, it's you!" Qingyun took a look at Samuel in shock.

"What am I doing? Check out the street," said Qingyun.

Samuel browsed and also located second best. He asked in confusion, "What occurred on the street?"

" There are numerous ladies worn simple clothes. You can not be a serious bespectacled, can you?" Qingyun rolled his eyes as well as said.

Look at so many white legs and such attractive landscapes. As well as now numerous Internet red streets are coming from here," said Qingyun with a covetous face.

" You're a fake Taoist clergyman. Don't exist to me. Let's see if an appeal can fill your belly," Samuel stated.

Speaking of his tummy, Qingyun touched it unconsciously. The stomach growled as well as he put his arm around Samuel's shoulder, looking really enthusiastic. He stated, "Since we are destined to satisfy, why don't I assist you today?"

" Are we fated to be married? Are we lucky? Or do you desire me to treat you to something?" Samuel asked.

Qingyun's suggestion was seen via, he did not feel self-conscious. He said, "I recognize a renowned delicacy on this street. With your wide range, you ought to have the ability to manage it, Big Brother Lanbo."

"Why should I welcome you?" Samuel asked.

Hearing this nonsense, Samuel did not know whether to laugh or cry. This person took off his Taoist robe as if he had actually become another person. He was no different from a hooligan.

"Yet what does it have to do with you? It's my business that I'm exceptional," Samuel said.

Allow's go. Qingyun put his arm around Samuel's shoulder and also drove him to the field without waiting for Samuel's authorization.

"Bro, my name is Qingyun. What's your name?" Qingyun bought the dishes and asked Samuel.
