

## Chapter 427

When Orvel saw that Charlie was a little angry, he hurriedly waved to his opponent and said coldly: "Hit me hard!"

A group of strong guys immediately surrounded Zeng, punched and kicked, until he was dying of breath, which was regarded as a stop.

Zeng lay on the ground and yelled, even worse still to come, Mr. Orvel said coldly: "I'll give you half a day to leave Aurous Hill. If I see you tomorrow after daybreak, I will kill you!"

The dying Zeng choked weakly: "Fifth Lord, can you give me two days of grace and let me heal the injury before leaving..."

"Go to the field for treatment!" Orvel said coldly, "Call your family and directly hire an ambulance to take you away. Just stay away from Aurous Hill! If you die in another place, don't let your ashes brought back to Aurous Hill for burial, otherwise I will take you out of the grave, and lifted your ashes!"

Zeng was frightened as if he had gone mad, convulsing on the ground for a long time.

This is so cruel!

Hurry up and kill!

People are not allowed to come back, and the ashes are not allowed to come back even? !

At this moment, Zeng really wanted to die.

But there is no way, he himself knows that he is to blame.

Issac allowed him to be in charge of the Champs Elysees Hot Springs so that he would serve the customers well. It was good for him. In order to favor individual customers, he took the Champs Elys security to try to beat other customers. This is serious negligence in itself!

What's more, he also provoked a distinguished guest who even Issac was very respectful. It would be considered kindness if he didn't want his life!

So he could only tremble and took out his cell phone, crying and calling his family, asking them to find an ambulance and send him to the next city for treatment.

Once Zeng was settled, Orvel looked at Charlie in kindness and smiled: "Mr. Charlie, do you want me to accompany you in to check-in?"

Charlie shook his head and said, "Forget it, you can handle it here, I can go inside by myself."

Orvel nodded quickly and said, "Then I would leave. If there is anything wrong with Mr. Charlie, please call me at any time."

Charlie nodded, then looked at Claire and Elsa, and said, "Let's go."

Only then did Elsa come back to her senses, looking at Charlie's eyes, full of unconcealed love and admiration.

This man is like this, every gesture can give people an infinite sense of security...

As long as he is by her side, she is particularly at ease in her heart, even if the sky is falling, she won't be afraid.

.....

Champs Elys Spa is a Japanese-style private hot spring.

The customer has a private suite. Behind the suite is a courtyard covering an area of 100 square meters, and the private hot spring is located in this courtyard.

The water in the hot spring pool is drawn from the eyes of the underground hot spring and flows continuously into the hot spring pool 24 hours a day, keeping the temperature very suitable.

Issac knew that Charlie was here, and hurriedly arranged for the hotel people to upgrade their room to the best set of top-notch suites. There are two super-large and luxurious bedrooms. Even the hot springs are much larger than other places. The scenery is much more beautiful.

After entering the room, Claire and Elsa looked at the surroundings and immediately became happy. Elsa hurriedly urged Claire and said, "Claire, change your swimsuit quickly. Let's go to the hot spring to relieve our fatigue!"

"Hmm!" Claire was also very happy, and immediately nodded and agreed.

Charlie originally thought about having a chance to see the beauty of his wife changing her swimsuit, but he didn't expect that the two went to the same room...

## **Chapter 428**

Seeing this scene, he naturally knew that two beautiful women could only appreciate each other, and his hopes were lost.

So Charlie went to another room and changed into the shorts he brought over.

Since Charlie changed shorts relatively quickly, when he came out, the two girls hadn't come out yet.

So Charlie walked to the yard first and slowly entered the huge hot spring pool.

Charlie couldn't help but let out a long sigh of relief as the warm water gradually spread over his body.

After a while, footsteps sounded, Claire and the two changed their clothes and walked into the yard.

Charlie turned his head to look, and his eyes lit up.

The swimsuit Claire wore was conservative, nevertheless, it outlined her perfect figure, slender legs, and fair skin, all of which made Charlie's heart hot.

And Elsa next to her was even bolder. Although Elaine stopped Claire from letting her wear a bikini, Elsa really wore a pink bikini!

This bikini only covers the important parts and shows most of the other parts in the air, which makes the figure unparalleled.

She is not inferior to Claire's body, and her appearance is equally beautiful because her dress is bolder and more irritating, but she overwhelms Claire!

Seeing Charlie's somewhat surprised and stunning gaze, Elsa smiled charmingly, and then quietly threw a loving look at him, which looked bold and shy.

Seeing this as gentle as water, and with a somewhat fiery look in his eyes, Charlie felt a little throbbing unconsciously.

But he could only pretend that he didn't know, and quickly withdrew his gaze, fearing that he couldn't restrain himself and reappeared in the water, and secondly he was afraid that Claire would see the clues.

The two women twisted their waists naturally and walked over like a pair of models. In Charlie's eyes, it was a wonderful underwear show.

Afterwards, the two reached the side of the hot spring pool, stepped on their long white legs, and plunged into the water one after another.

It was also the first time for Claire to wear a swimsuit in front of her husband, so she was a little bit shy, so she took Elsa, sitting two or three meters away from Charlie, whispering, and chatting about some topics between girlfriends.

But Elsa's thoughts were clearly on Charlie.

While chatting with Claire one by one, she secretly glanced at Charlie with her eyes from time to time.

In order to prevent being seen by his wife, Charlie could only turn his back, and then closed his eyes and rested in the hot spring.

The two women chatted for a while because the hot springs made their bodies too relaxed, so they both felt a little sleepy.

Claire has been very tired recently. Not only is there a lot of things happening recently, but the company is newly opened, and she has been busy tossing, and she is already exhausted.

At this time, she was surrounded by the warm spring water, and she felt unprecedented tiredness. After a while, she became sleepy.

So, ten minutes later, she was by the hot spring pool, leaning against the hot spring pool with a towel, and fell asleep slowly.

And Charlie was closing his eyes to rest up his mind at this time, and suddenly he felt the water surging around him. When he opened his eyes, he saw Elsa's white and tender body, who had already swum to his side.

Just as Charlie was about to speak, Elsa stretched out a finger and put it directly in front of his lips, and whispered: "She fell asleep, don't wake her up."

Charlie glanced at Claire and made sure she was really asleep. Then he breathed a sigh of relief and whispered: "We shouldn't be so close, especially in the face of Claire!"

“Claire is already asleep!” Elsa smiled, and said emotionally: “I just want to thank you for what happened just now, you saved me again...”
